### 🛧 DALLAS COWBOYS 2021 SCHEDULE 🖈

The Cowboys schedule currently features five games that will be broadcast nationally in primetime, including two from AT&T Stadium. In addition to the two primetime games at AT&T Stadium - one on ESPN and one on NBC - and the club's annual Thanksgiving Day national appearance (this year on CBS), the Cowboys will make three national appearances in primetime on the road, one on NBC Thursday night, one on NBC's Sunday Night Football, and once on Thursday night on Fox/NFL Network/Amazon.

The Cowboys play five games against teams that qualified for the 2020 playoffs - Kansas City, New Orleans, Tampa Bay and Washington (twice). Additionally, for the 19th time in the organization's history, second consecutive, the Cowboys will open and close the season on the road. This will be fifth time in the last 11 years Dallas opens and closes the year away (2011, 2012, 2018, 2020).

This season marks the seventh time - second time in the last three seasons - that the Cowboys will face both Super Bowl participants from the previous season:

### HEAD COACHES $\star$

MIKE McCARTHY (135-88-2, 15th Year, 10-11 with Dallas) The Dallas Cowboys named Mike McCarthy the ninth head coach in franchise history on Jan. 8, 2020, handing the reigns of the team to an innovative offensive mind with a championship pedigree.

McCarthy has 14 years of head coaching experience - 13 with Green Bay and one with Dallas - along with 13 years as an assistant coach in the NFL, including six as an offensive coordinator.

As a head coach, McCarthy has racked up a 135-88-2 regular season coaching record, and he owns the sixth-most wins (27th alltime) among active NFL coaches. His teams have qualified for the postseason nine times, won six NFC North Division titles, made four NFC Championship Game appearances and took home a Super Bowl XLV championship held at AT&T Stadium in Arlington, Texas, following the 2010 NFL season.

In his first season with the Cowboys, McCarthy's plan to install a new culture in Dallas was halted by the COVID-19 pandemic. Due to COVID protocols, McCarthy's first offseason with the Cowboys included no in-person meetings or practices. When the 2020 season came around, McCarthy's challenges continued. He watched his franchise quarterback Dak Prescott suffer a devastating season-ending injury in Week 5, along with having to implement eight different starting offensive line combinations due to injuries up front. Despite the hurdles, the 2020 Dallas Cowboys were in position to win the NFC East entering Week 17 but came up just short.

During his time in Green Bay, McCarthy was known as a prolific offensive mind and the primary play-caller for the Packers. McCarthy's offense finished fourth in the NFL in total offense and third in points-per-game through his 14-year stint with the club.

McCarthy is only the fourth head coach in NFL history to lead a single franchise to eight or more consecutive playoff appearances, joining Tom Landry, Chuck Noll and Bill Belichick. Those eight appearances from 2009-16 were more than the rest of the NFC North Division combined over that span (Minnesota, three; Detroit, three; Chicago, one).

McCarthy's nine playoff appearances overall are the most by a Packers coach since the NFL postseason began in 1933, and he guided the Packers to a franchise-record fourth consecutive division title in 2014. With the victory over Dallas in the 2016 playoffs, Mc-Carthy surpassed Vince Lombardi and Mike Holmgren for the most playoff victories in team history (10).

Bill Belichick, one of the most accomplished coaches in NFL history, is in his 22nd season as head coach of the New England Patriots. Belichick accepted the job on Jan. 27, 2000, with a franchise that previously had no Super Bowl championships.

Belichick is the only head coach in league history to win six Super Bowl titles. Belichick won his last Super Bowl in 2018, joining George Halas and Curly Lambeau as the only NFL coaches with six championships. Belichick has also won nine conference championships, 17 AFC East crowns and won at least 11 regular season games 17 different times in his head coaching career, extending his NFL record in all categories.

Belichick entered 2021 with the most wins among all active coaches and recently became the third coach in NFL history to reach 300 total victories (regular season and postseason). His winning percentage of .669 ranks third in NFL history among coaches with at least 150 wins. He led the Patriots to a winning record for 19 consecutive seasons (2001-19) before a 7-9 record in 2020 broke the streak. The only other head coach with more consecutive winning seasons was Tom Landry, who recorded 20 consecutive winning seasons with the Cowboys from 1966-85. Belichick has notched 31 postseason wins in his career, most by a head coach in league history.

In his 47th season, Belichick holds the NFL mark for most consecutive seasons as an NFL coach. Belichick began his coaching career as a staff assistant with the Baltimore Colts in 1975 after graduating from Wesleyan University. He was named special assistant to Head Coach Ted Marchibroda at the age of 23. The following season, Belichick joined the Detroit Lions as an assistant special teams coach. In 1977 he was promoted to the tight ends and receivers coach for Detroit. The Cowboys drafted Micah Parsons with the 12th overall pick in the 2021 NFL Draft, adding a fast play maker to a defense that finished 28th in points/game allowed in 2020.

Parsons is proving to be a versatile chess piece for the Cowboys, playing 62 run defense snaps, 97 pass rush snaps and 87 pass coverage snaps in 2021. Pro Football Focus has credited Parsons with 21 quarterback pressures on the season - tied for 12th in the NFL - largely due to eight pressures in Week 2 at the LA Chargers, a game in which Parsons moved from linebacker to defensive end because of injuries to other players on the Cowboys roster.

Parsons' eight pressures credited from *PFF* at the LA Chargers are the most by a rookie in a game since Nick Bosa in 2019, and he is generating a pressure on 20.2% of his rush opportunities.

### $\star$ NFC DEFENSIVE POTM $\star$

Trevon Diggs was named NFC Defensive Player of the Month for September, becoming just the hitrd Cowboys defender and first defensive back to win the award for Dallas.

Diggs was a lock-down corner through three September games for Dallas, helping the Cowboys to a league-leading plusfive turnover differential and NFL-best eight takeaways in the opening month of 2021. Diggs tied for the NFL-lead with three interceptions - matching his career-high from his rookie campaign in 2020, and led all defensive players with six pass breakups in September. In the Week 3 Monday Night Football game against division rival Philadelphia, Diggs returned an interception 59 yards for a touchdown to break open the game, also registering three breakups in the contest and holding Jalen Hurts to a 36.8 passer rating when targeted.

He registered an interception in each of the first three games of the season, tied with Everson Walls (1985) for the longest streak to start a season in Cowboys history since the 1970 merger. Dallas also ranked 10th in passing yards-per-game with 277.3, at the conclusion of September largely on the strength of Diggs' play.

The Cowboys recorded 16 takeaways (nine fumble recoveries, seven interceptions) in the second half of the 2020 season after recording only seven takeaways in the first eight games of the season. Dallas finished the year with a takeaway in seven straight games, its longest streak with a takeaway since a ninegame streak to close the 2018 season.

Dallas has continued to pilfer the football in 2021, recording 12 takeaways through five games - second in the NFL - and tied for the fourth with two red zone takeaways. The takeaways have not only limited opponent scoring but have lead to points for the Cowboys on 62.5% of drives after takeaways (five-of-eight):

# 🛧 WATERMELON BALLS ★

The Cowboys improbable Week 2 comeback win over Atlanta would not have been possible without Greg Zuerlein's "watermelon football" onside kick, a kick that sends the football spinning towards the receiving team. The Cowboys recovered the kick, a feat that has only happened 28 times out of 246 tries league-wide in the last five seasons (11.4% probability from 2017-21):

# 2021 NON-MEDIA GUIDE BIOS

**PRO:** The Dallas Cowboys signed fifth-year running back Corey Clement prior to Week 1 to fill an important special teams void and provide depth to the running back room after Rico Dowdle (hip) landed on Reserve/Injured. Clement, who spent his first four seasons in Philadelphia, arrives in Dallas after spending 2021 training camp with the N.Y. Giants. Clement played in 46 regular season games for the Eagles, contributing mostly on special teams. His 742 special teams snaps were near the top of the team, and he has experience returning punts and kicks in Philadelphia. Clem-ent was an undrafted free agent in 2017 and had an outstanding performance in Philadelphia's Super Bowl LII win against New England, catching four passes for 100 yards and a touchdown. Going into 2021, Clement will serve as a much-needed role player in the Cowboys backfield. **TRANSACTION SUMMARY:**
