PATRIOTS AT INDIANAPOLIS COLTS

SERIES HISTORY

The New England Patriots and Indianapolis Colts will meet for the first time since Oct. 4, 2018, when New England captured a 38-24 victory at Gillette Stadium in a Thursday Night Football game. The Patriots have won the last eight games against the Colts, including six regular season games and two postseason games.

Both teams are coming off their Bye Weeks. It is the third matchup of the 2021 season with both teams coming off a Bye. Washington and Tampa Bay met in Week 10 and Minnesota and Dallas met in Week 8 coming off Byes.

The two teams share a long rivalry, as the Patriots and the Baltimore/Indianapolis Colts played twice each year from 1970 to 2001 as members of the AFC East, with the exception of the 1982 strike season.

Since realignment in 2002 when the Colts moved to the AFC South, the teams played in the regular season in every year for 10 straight seasons from 2003 through 2012 with New England holding 6-4 edge in those games. While they did not play in the 2013 regular season, they did face each other in the postseason with the Patriots claiming a 43-22 Divisional Playoff win at Gillette Stadium on Jan. 11, 2014. The rivalry was rekindled with two meetings in 2014, a regular season game at Indianapolis and the AFC Championship Game at Gillette Stadium, both of which were won by New England. Then the clubs met again in 2015 with New England taking a Sunday Night Football victory at Indianapolis.

Overall, this week's game will be the 82nd meeting between the two teams. The Patriots lead the series with a 48-28 record in the regular season and a 4-1 record in the postseason.

New England holds an overall record of 22-16 when playing on the road against the Colts, including a 2-2 record at Lucas Oil Stadium.

The Patriots own a 4-1 record overall against Indianapolis in the post-season, including a 4-0 record in playoff games played in New England. Three of the five postseason contests were in the AFC Championship Game. The Patriots are 2-1 in those contests.

The clubs have clashed in the playoffs following the 2003, 04, 06, 13 and 14 seasons. The Patriots beat the Colts in the 2003 AFC Championship Game, 24-14, at Gillette Stadium, won 20-3 at Gillette Stadium in a 2004 AFC Divisional Playoff, lost in the 2006 AFC Championship Game, 38-34, at Indianapolis, won in the AFC Divisional meeting 43-22 at Gillette Stadium and took a 45-7 decision in the 2014 AFC Championship Game.

PATRIOTS *WHAT TO LOOK FOR THIS WEEK*

TEAM NOTES...

- The Patriots enter this week's game with a 9-4 record and will be aiming for their 27th 10-win season. Since the 1970 merger, the Patriots, Steelers and Cowboys are tied with 26 10-win seasons.

MOST WINNING 10-WIN SEASONS SINCE THE 1970 MERGER

Team	Seasons
New England	26
Pittsburgh	26
Dallas	26
San Francisco	24
Miami	23

- The Patriots will look to improve to a 7-0 road record. The Patriots have finished undefeated on the road twice in franchise history (2007 and 2016). The Patriots have the best road record since Robert Kraft purchased the team in 1994 with a 138-84 (.622) record.
- The Patriots will look to improve to an 8-1 record in the conference with a win against Indianapolis.
- The Patriots rushed for 222 yards against Buffalo in the last game and have a chance to record back-to-back 200-yard rushing games for the first time since 2012 when the team rushed for 247 and 251 yards in back-to-back weeks against the Bills (9/30) and the Broncos (10/7).
- The Patriots are second in the NFL to Dallas (20) with 19 interceptions in 2021. In 2020, the Patriots tied for the NFL lead with Miami, New Orleans and Pittsburgh with 18 interceptions. The 2019 Patriots led the NFL with 25 interceptions. Two teams have led the NFL in interceptions in three or more consecutive seasons: Kansas City (5 straight – 1966-70) and the New York Giants (3 straight – 1937-39). Overall, the Patriots have led the NFL in interceptions four times (2003, 2010, 2019 and 2020).
- The Patriots have returned three interceptions for a touchdown this season and need one more to match the four by Dallas, who leads the NFL. The Patriots have returned at least four picks for a touchdown in a season four times with four in 1997 and 2010, and five in 2003 and 2001.
- The Patriots defense enters this week allowing just 15.4 points per game, first in the NFL. Since 2001, the Patriots have recorded 13 seasons of 20.0 points allowed or fewer, tied for the second-most in the NFL during that span.

- The Patriots have been successful on three 2-point plays in 2021. The Patriots need one more 2-point play to tie the franchise record of four set in 1996 and 1960.

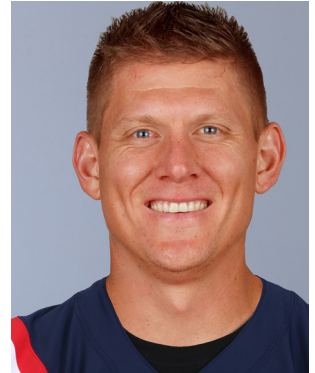

PATRIOTS *WHAT TO LOOK FOR THIS WEEK*

K NICK FOLK

WHAT TO LOOK FOR...

- Nick Folk tied his career high with an NFL-leading 33 field goals in 2021 and needs one more to establish a new single-season career-high. Folk has never led the NFL in field goals. Since 1970, the Patriots have had a player finish first in the NFL in field goals five times – Tony Franklin in 1986, Adam Vinatieri in 2004 and Stephen Gostkowski in 2008, 2013 and 2014.
- Folk's 33 field goals are the sixth-most in a season by a Patriots kicker. Stephen Gostkowski is the only kicker that has kicked more than 33 field goals in a single-season.

MOST FIELD GOALS IN A SINGLE-SEASON

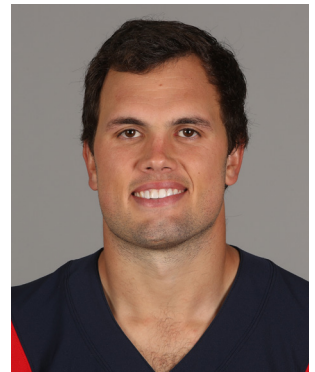

Player.....	Field Goals
Stephen Gostkowski.....	38 in 201
Stephen Gostkowski.....	37 in 2017
Stephen Gostkowski.....	36 in 2008
Stephen Gostkowski.....	35 in 2014

Nick Folk	33 in 2021
Tony Franklin	32 in 1986
Adam Vinatieri.....	31 in 1998
Adam Vinatieri.....	31 in 2004

- Only two NFL players have reached 40 field goals in a season with David Akers (44) in 2011 with San Francisco and Neil Rackers (40) in 2005 with Arizona. Folk needs to average 1.8 field goals in each of the next four games to become the third player in NFL history to reach 40 field goals in a season.
- Folk tied the team record for most 50-yard field goals in a season with his fifth 50-yard field goal. If he connects on a 50-yard field goal at Indianapolis he will establish the team record for most 50-yard field goals in one season. Stephen Gostkowski had five 50-yard field goals in 2013.
- Folk has connected on 52 straight field goals from under 50 yards, the second-longest streak in NFL history to the 56 straight field goals from under 50 yards by Ryan Succop (2014-17) while with Tennessee. Folk's last miss under 50 yards was a 45-yard field goal attempt in the 2020 season-opener vs. Miami on Sept. 13.
- Folk has connected on four or more field goals in five games in 2021 and needs do get at least four field goals in this week's game to tie the NFL record. The NFL record for most games in a season with at least four field goals is six by David Akers in 2011 with San Francisco.
- Folk enters this week in 11th place on the Patriots all-time scoring list with 290 points and needs five points to move past Sam Cunningham (294) into 10th place on the team's all-time scoring list.

TE HUNTER HENRY

WHAT TO LOOK FOR...

- Hunter Henry has seven touchdown receptions in 2021 and needs one more to match the eight he had as a rookie with the San Diego Chargers in 2016. Rob Gronkowski is the only Patriots tight end to reach 10 touchdown receptions in a season. Gronkowski accomplished the feat five times with the Patriots.

WR KENDRICK BOURNE

WHAT TO LOOK FOR...

- Kendrick Bourne enters this week with 42 receptions for 623 yards and a career-high five touchdowns. He needs 8 receptions at Indianapolis to establish a single-season high. He had 49 receptions in 2020 with San Francisco. Bourne needs 45 receiving yards against Indianapolis to establish a single-season high. He had 667 receiving yards in 2020 with San Francisco.

PATRIOTS WHAT TO LOOK FOR THIS WEEK

WR JAKOBI MEYERS

WHAT TO LOOK FOR...

- WR Jakobi Meyers has the best two regular seasons for any Patriots wide receiver that originally joined the team as a rookie free agent. With a team-leading 59 receptions for 620 yards, he matched the 59 receptions he had in 2020 and needs 110 receiving yards to surpass the 729 yards he had in 2020 for the most in a season by a Patriots receiver who originally joined the team as an undrafted rookie free agent.
- Meyers completed two passes for 45 yards in Week 4 against Tampa Bay. He is now 4-of-4 for 88 yards with two touchdowns and a perfect 158.3 passer rating in his career. If he completes one more pass in 2021, he will be the first Patriots wide receiver to complete more than two passes in a single season. Julian Edelman completed two passes in 2018, 2019 and 2020, and Harold Jackson completed two passes in 1980. In addition to the Tampa Bay game, Meyers completed two passes, both for touchdowns, in 2020.
- The most passes thrown by a non quarterback in a single season for the Patriots were by RB Andy Johnson, who was 7-of-9 for 194 yards with four touchdowns in 1981 and RB Dick Christy, who was 6-of-11 for 94 yards with two touchdowns in 1960.
- Meyers has two 2-point conversions in 2021 after converting vs. Dallas on Oct. 17 and at LA Chargers on Oct. 31. Only 17 players have had three in one season. The NFL record for most in a season is four by Todd Heap of Baltimore in 2003.
- Meyers has three total 2-point conversions and needs one more to tie Julian Edelman and Gino Cappelletti for the team's all-time career high with four 2-point conversions.

QB MAC JONES

WHAT TO LOOK FOR...

- Mac Jones has won his first six road games to join Dak Prescott (6 in 2016 with Dallas) and Ben Roethlisberger (6 in 2004 with Pittsburgh) as the only rookie quarterbacks to win each of their first six road games in league annals. With a victory at Indianapolis, Jones will set the rookie mark and become the first rookie quarterback to win his first seven road games.
- Jones has completed over 70 percent of his passes in eight of his first 13 NFL games. Jones can tie the rookie record this week against Indianapolis. Dak Prescott completed 70 percent of his passes in nine games as a rookie in 2016. The NFL record is 13 games by Drew Brees in 2017.
- Jones is leading all rookie quarterbacks with 2,869 passing yards and 16 touchdowns. He needs 131 passing yards and four touchdowns at Indianapolis this week to become the 15th rookie quarterback to reach 3,000 yards passing and 20 touchdowns.
- Through 13 games, Jones' completion percentage is 70.3. The best completion percentage for a season by a rookie quarterback is Dak Prescott at 67.7 percent in 2016.
- Jones has helped lead the Patriots to seven straight wins. He is the fourth rookie quarterback in the Super Bowl era to lead his team to a seven-game winning streak.

PATRIOTS WHAT TO LOOK FOR THIS WEEK

RB DAMIEN HARRIS

WHAT TO LOOK FOR...

- Damien Harris leads the Patriots with a career-high nine rushing touchdowns in 2021 and needs one more to reach double-digit rushing touchdowns. He can become the 12th Patriots player to do so and it would be the 16th time the Patriots had a player reach double-digit rushing touchdowns in a single season.
- Harris has four 100-yard games so far in 2021. Since 1970, only Curtis Martin (9 in 1995), Corey Dillon (9 in 2004), and John Stephens (5 in 1988) have had more than four 100-yard games in a season for the Patriots.

WR MATTHEW SLATER

WHAT TO LOOK FOR...

- Matthew Slater has 9 special teams tackles and needs one more to reach double-digit special teams tackles for the 10th time in his career.

CB J.C. JACKSON

WHAT TO LOOK FOR...

- J.C. Jackson secured his 24th interception against Tennessee and is now tied with Ronnie Lippett and Nick Buoniconti for 9th place on the Patriots all-time interception list. With an interception this week at Indianapolis he will secure sole possession of 9th place on the list.
- Jackson has the most interceptions since he entered the NFL as a rookie free agent in 2018 with a total of 24 picks.

MOST INTERCEPTIONS SINCE 2018

Player	Team	Interceptions
J.C. Jackson	New England	24
Xavien Howard	Miami	22
Justin Simmons	Denver	16

- Jackson increased his two-year interception total to 16 (9 in 2020 and 7 in 2021) to tie Asante Samuel (16) - (10 in 2006 and 6 in 2007) for the most interceptions in consecutive seasons for the Patriots against Tennessee and needs one more interception to set the mark for most interceptions in a two-year total.
- Jackson enters this week second in the NFL with 7 interceptions to Dallas' Trevon Diggs, who has 9 picks. If Jackson gets an interception this week, he will be the only Patriots player with at least two seasons with 8 or more interceptions.
- Jackson has 24 career interceptions, tied with Pro Football Hall of Famer Kenny Easley (24 interceptions) and Richard Sherman (24) for the third-most by a player in his first four seasons since 1970. Only Lester Hayes (25 interceptions) and Everson Walls (25) have more.

LB MATTHEW JUDON

WHAT TO LOOK FOR...

- LB Matthew Judon increased his 2021 sack total to 12 ½ with an 9-yard sack of Josh Allen in the fourth quarter at Buffalo. He is tied with Chandler Jones (12 ½ in 2015) and Mike Vrabel (12 ½ in 2007) for the most sacks in a season by a Patriots player under Bill Belichick and needs one more sack to have the most under his reign.

PATRIOTS ADD TO BEST CONFERENCE RECORD AND FIRST TEAM IN AFC WITH A WINNING RECORD

The Patriots improved to a 7-1 record in the AFC and became the first AFC team to secure a winning record with a 9-4 mark.

PATRIOTS EXTEND NFL RECORD TO 99 STRAIGHT GAMES SCORING IN FIRST HALF

The Patriots began the game with 10 straight runs. That's their longest streak to start a game under Bill Belichick and the longest by any team since the 2018 Ravens in Lamar Jackson's first career start (Week 11 vs Bengals). Overall, the Patriots finished the game with 46 rushing attempts, the most since they had 47 rushing attempts on Dec. 23, 2018 vs. Buffalo.

**23-YEAR

BEFORE BUYING THE TEAM IN 1994**

Under Kraft's leadership since he purchased the team in 1994, the Patriots have experienced one of the most dramatic turnarounds in the history of sports.

Kraft has led the two most dominant decades in NFL history in terms of overall wins – 141 (2010-19) and 126 (2000-09).

Kraft is the most successful owner since he purchased the team in 1994 in terms of wins (340), division titles (19), winning percentage (.690), playoff wins (33) and playoff seasons (21).

Since Robert Kraft purchased the team in 1994, the Patriots have experienced one of the most dramatic turnarounds in the history of sports. In his 28 seasons of ownership, he has transformed one of the league's least successful clubs into what many observers view as a model NFL franchise. In the five seasons immediately preceding his purchase (1989-93), the Patriots were a moribund team, winning just 19 of 80 games (.238 pct.), the worst record in the NFL over that span. When he bought the franchise on Jan. 21, 1994, Kraft announced his intention to bring a championship to New England, a tall order considering the team's previous success rate. But under Kraft's leadership, the Patriots have won more division titles (19), conference crowns (10) and Super Bowl championships (6) than any other NFL team. Additionally, the Patriots have achieved the most winning seasons (24) and are tied with Pittsburgh for the fewest losing seasons (3) since Kraft assumed ownership beginning in 1994. Super Bowl LIII was the 10th Super Bowl appearance since Kraft purchased the team, a period during which no other team has appeared in more than four Super Bowls. In Kraft's 28 seasons, the Patriots have qualified for the playoffs 21 times, more than doubling the franchise's accomplishments during its first 34 seasons, and finished with a winning record 24 times.

A WINNING TRADITION I

Robert Kraft won his 300th game overall as owner of the New England Patriots against Miami on Sept. 30, 2018. Kraft reached the milestone in his 25th NFL season and in his 432nd game, the fastest an owner has reached the milestone. Al Davis of the Raiders accomplished the feat in 495 games (31 seasons) while Pat Bowlen of Denver reached 300 career wins in 501 games (30 seasons).

A WINNING TRADITION II

Kraft's winning percentage with the Patriots (.690) since taking over the team in 1994 is the highest among all owners/ownership groups with at least 200 wins (regular and postseason) with one team. He is one of just four owners with at least 200 wins and a winning percentage over .600.

New England is the first team in NFL history to win six Super Bowls with the same owner (Robert Kraft), head coach (Bill Belichick) and quarterback (Tom Brady).

PATRIOTS IN THE PLAYOFFS

The Patriots have qualified for the playoffs 27 times in their 61-year history. Twenty-one of those playoff berths have come in the 27 seasons since Robert Kraft purchased the team in 1994, a dramatic contrast to the six total playoff berths the team earned in its first 34 years of existence. A MODEL OF CONSISTENCY

Since Kraft took ownership of the team in 1994, the Patriots have had just three head coaches - Bill Parcells (1994-96), Pete Carroll (1997-99) and current head coach Bill Belichick (2000-present). The only team with fewer head coaches since 1994 is the Pittsburgh Steelers, who have had two: Bill Cowher (1992-2006) and Mike Tomlin (2007-present).

RB BRANDON BOLDEN

JERSEY SWAP

• Heading into his 9th season in the league, RB Brandon Bolden announced that he would change jersey numbers. Instead of wearing the familiar No. 38 that he wore previously with New England as well as his one season in Miami in 2018, he will be moving forward in jersey number 25.

• The reason behind the move is in honor of his grandfather Frank Pitts, who wore that number during his time as a pro football player during his 10 seasons with the Kansas City Chiefs, Cleveland Browns and Oakland Raiders.

• “So I was asked ‘Why did I change my number?’ Well, long story short my grandfather wore it for 11 years and I thought it would be best that he at least saw his oldest grandson play in the same number he played in, even though it’s the NFL now and not the AFL he remembers,” Bolden said.

• Pitts was part of the Kansas City Chiefs team that won Super Bowl V and played in the first Super Bowl.

CAREER-HIGHS IN 2021

• Bolden set career highs in receptions (31) and receiving yards (296) in 2021, surpassing the 21 receptions for 152 yards he had in 2013.

- Meyers, who threw touchdown passes in Weeks 10 and 17 in 2020, became the fourth wide receiver with two touchdown passes in a single season in the Super Bowl era, joining Rod Gardner (2003), Antwaan Randle El (2010) and Odell Beckham Jr. (2018).

JAKOBI MEYERS COMPLETES TWO PASSES IN ONE GAME

- Meyers completed two passes vs. Tampa Bay on Oct. 3, 2021. He caught a backwards pass from QB Mac Jones and then threw across the field to RB Brandon Bolden, who managed a 15-yard gain in the second quarter. He completed a 30-yard pass to WR Nelson Agholor in the fourth quarter on a flea flicker. The only other wide receiver to complete two passes in single game for New England was Julian Edelman vs. Denver on Oct. 18, 2020. The only other non-quarterbacks to complete two passes in a game for New England were running backs – Dick Christy on Nov. 18, 1960 vs. Dallas Texans and Andy Johnson on Sept. 6, 1981 vs. Baltimore Colts.

POSITIONAL SWITCH AND A CHANCE MEETING

- Jakobi Meyers and Cam Newton were teammates in 2020, but the wide receiver and former quarterback looked up to Newton and had a chance meeting with him while at an impressionable age. “When I was younger in high school, I made [Newton’s] 7-on-7 team – his all-star team – and we traveled to Florida to play in a league,” Meyers said. “We ended up losing, but it was still a great experience. It was a good experience to meet Cam when I was very young. A lot of guys where I come from look up to him, so that was definitely a once-in-a-lifetime opportunity for me.”

MEYERS SCORES FIRST NFL TOUCHDOWN

- WR Jakobi Meyers scored his first NFL touchdown on an 11-yard pass from QB Brian Hoyer in the fourth quarter against Cleveland (11/14/21). It was his 135th career reception. He has scored on three 2-points plays and thrown for two touchdown passes.

LB JA'WHAUN BENTLEY

2020 ACCOMPLISHMENTS

- LB Ja'Whaun Bentley set single-season career-highs with 91 tackles and 1½ sacks in 2020.

Ja'Whaun and his family were homeless starting his freshman year of high school, living with one set of grandparents, then the other, then an aunt. Ja'Whaun and his brother slept on couches and floors at times over the course of several years. Once Ja'Whaun entered the NFL, he was able to secure permanent housing for his family.

LB JAMIE COLLINS SR.

PATH TO THE NFL

- The road to the NFL was anything but easy for linebacker and 2013 second-round draft pick Jamie Collins Sr. The youngest of five siblings growing up in Quentin, Miss., Collins Sr. lost both of his parents when he was six years old and was raised by one of his sisters. Collins Sr. turned to football as an outlet to help him through the tough times.
- "It means a lot. It's my living," Collins Sr. told the Boston Herald. "It kept me on track." Collins Sr.'s resiliency in dealing with adversity has made a lasting impact on fellow Mississippi native and former Patriots teammate Stevan Ridley, who grew up 30 miles west of Meadville in Natchez, Miss., and got to know Collins through a family friend.
- "What I've known about him, he really has been a strong person," Ridley told the Herald in 2013. "Anybody that's gone through the things that he's gone through and still finds a way to be successful on the football field, you have to be mentally tough. That's what he's kind of done as a teammate here. He's come in here and accepted his role and done a pretty good job as a rookie."

SACKS AND PICKS

- Since entering the NFL in 2013, Collins is the player in the NFL with at least 25 sacks and 10 interceptions. Collins has accumulated 26 ½ sacks and 12 picks during his career. He is the first player to accomplish the feat within his first 100 career games.

LB DONT'A HIGHTOWER

WINNER ON MULTIPLE LEVELS

- Dont'a Hightower (three Super Bowl championships and two national titles at Alabama) and Russell Maryland (two national championships at Miami and three Super Bowl Championships with Dallas) are the only two players in NFL history with at least two national championships and two Super Bowl wins.

MR. FEBRUARY

- Hightower has made two Super-Bowl altering plays during his career and was part of a record-setting performance in another. Head coach Bill Belichick referred to Hightower as "Mr. February" at the team's Super Bowl LIII ring ceremony.
- In Super Bowl XLIX vs. Seattle, Hightower made a crucial tackle on Seahawks RB Marshawn Lynch at the 1-yard line the play before CB Malcolm Butler intercepted Seattle QB Russell Wilson to seal the victory in the waning moments.
- New England trailed the Atlanta Falcons, 28-12, midway through the fourth quarter when Hightower strip-sacked Falcons QB Matt Ryan at the Atlanta 25-yard line. The fumble was recovered by the Patriots and the turnover led to a touchdown that helped spark the record comeback in Super Bowl LI.
- Led a defensive unit in the Super Bowl LIII win over the L.A. Rams (2/3/19). Hightower recorded two sacks and a pass defended as part of a stifling defense that became the second team in Super Bowl history to hold its opponent to just three points.

DOUBLE TROUBLE

- After being selected by the Patriots in the first round of the 2010 NFL Draft, Devin McCourty became part of a select group in league history. McCourty's identical twin brother, Jason, joined the Patriots in 2018 (now with Miami). The two became the 12th set of twins to play in the NFL. In the 2018 season opener, Devin and Jason became the first set of twins to play together on the same NFL team since 1926 when Gene and Tom Golsen suited up together for the Louisville Colonels.

- Devin became the second twin to suit up for the Patriots, after CB Kato Serwanga was a member of the team from 1998-2000. His twin brother, Jason, played for San Francisco and Minnesota from 1999-2001. According to McCourty's mother, the two can only be told apart by tiny scars on their faces left by chickenpox.

IN GOOD COMPANY

- Devin McCourty earned Associated Press All-Pro Second Team honors at safety in 2013 and 2016. He also earned Second Team All-Pro Honors as a rookie in 2010 when he played cornerback. McCourty joined Pro Football Hall of Famers Rod Woodson and Ronnie Lott as the only NFL players to earn All-Pro honors at both safety and cornerback.

BROTHERS IN ARMS

- Devin and Jason McCourty have seen first-hand the effects of sickle cell disease. Both their aunt and uncle lived with the disease while their father carried the trait. Devin and Jason partnered with Embrace Kids Foundation to form their own "Tackle Sickle Cell" campaign aiming to educate the public, increase blood donations and raise money and awareness for the fight against sickle cell disease. Devin's work with the local Boston Children's Hospital has helped advance research of the disease with doctors now as close as they've ever been to a cure!

DB JALEN MILLS

THE RISE OF THE GREEN GOBLIN

- Jalen Mills has embraced his nickname "The Green Goblin." The origins of the nickname started out as a joke during his rookie season with Philadelphia when he dyed his hair green. Mills is not sure whether it was a coach or the media but the spiderman villain nickname was inspired and took off with the fans.

- Said Mills, "It just kind of came from my rookie year and then just throughout my years playing for the Eagles, my style of play. That's what I get it from. It's kind of something that I stuck with."

PRO BOWL RECORD

- Slater has earned nine Pro Bowl invitations (2011-17, 19-20) as a special teams player. He passed Steve Tasker (1987, 90-95) for the most special teams Pro Bowl honors in NFL history last year. Slater is also the only special teams player to earn seven consecutive Pro Bowls, which he did from 2011-17.

ALL-STAR COMBINATION

- Slater was voted to the Pro Bowl for seven straight seasons from 2011-17 and two more from 2019-20. Those nine selections are two more than the seven that his father earned with the L.A. Rams. The Slater family's 16 combined Pro Bowls are the second-most among father-son contingents to have been voted to at least one Pro Bowl each.

ELECTED TEAM LEADER

- Slater has been named to nine Pro Bowls for his special teams work, but perhaps more revealing of his value to New England is the fact that he was elected a captain by his teammates for the 11th straight season in 2021.
- He shared what it means to be a captain with high school football players in a story published by *The Boston Globe*. "You have to be able to put others before yourself. Being a captain and leadership is about serving, and to me, that means a great deal of sacrifice – putting aside personal agendas for the greater common goal. Leadership is equated with sacrifice. I think you have to be willing to do whatever it takes for the unit to succeed. I think you need to lead by example. A lot of times, it's about what you do, not what you say."

SLATER'S EMERGENCE WAS SPECIAL

- Bill Belichick acknowledged Matthew Slater's role as a gunner on special teams: "Matt is one of the best in the league," Belichick said. "Any time the punt return team has to double somebody, that makes it one less guy they can use somewhere else in the return. He almost always draws two guys out there unless they're in an eight-man rush. Most of the time, there's two guys out there — fourth-and-short, where they're trying to protect the box — but he draws a lot of double teams, and deservedly so. He does an outstanding job of covering punts."

SLATER'S SCORE

- During a 2007 game against Arizona State, UCLA's Matthew Slater returned a kickoff 89 yards for the final touchdown of his collegiate career. **CHILDREN'S TUMOR
FOUNDATION**

ENDING NF THROUGH RESEARCH
www.ctf.org

CHILDREN'S TUMOR FOUNDATION

The Children's Tumor Foundation has a special place in Patriots kicker Nick Folk's heart. His cousin, Blake, has neurofibromatosis (NF), a genetic disorder that causes tumors to grow on nerves throughout the body. The term NF represents three distinct disorders: NF1, NF2 and schwannomatosis. For Blake, his NF impacts him most where his optic nerves cross in his brain. He currently has 5 brain tumors.

When Blake was a baby, Nick's mom, Kathryn, a pediatrician, noticed light brown spots on Blake's skin. Further testing showed that Blake was diagnosed with NF.

Nick and Blake have both been pillars in each other's lives. In 2007, Blake was seven years old and had a big surgery coming up to remove the fluid build up in his brain. He was required to shave half his head for the surgery. While on the Cowboys roster, Nick asked for time off during the offseason to fly out to California to be with Blake, turning up with half his head shaved to match Blake.

Nick has partnered with the Children's Tumor Foundation for many years and has chosen to represent the foundation on his cleats for the NFL's My Cause, My Cleats campaign. Blake's mom, Kim, currently works for the Foundation as the Development Special Events Manager. As for Blake, he hit a milestone of turning 20 years old in 2020 after undergoing 20 surgeries.

UNDERSTANDING NF

The Children's Tumor Foundation's mission is to drive research, expand knowledge, and advance care for the NF community.

ABOUT NEUROFIBROMATOSIS, OR NF

Neurofibromatosis, or NF, is a genetic disorder that affects 1 in every 3,000 people. It causes tumors to grow on nerves throughout the body and can lead to deafness, blindness, disfigurement, bone abnormalities, learning disabilities, disabling pain, and cancer. 120 kids are born with NF each day, which means that a new NF patient is born every 12 minutes. NF occurs in all populations equally, and there is not yet a cure.

CAN NF BE CURED?

At this time, there is no approved cure for NF, but a number of promising NF clinical trials are under way. As researchers continually learn more about the underlying causes of NF and what makes tumors grow, the Foundation is getting closer to the development of effective treatments for NF. In 2020, the FDA approved the first ever treatment for one form of NF that shrunk tumors in patients, but more treatments are needed for all forms of NF.

RAISING AWARENESS

MAKE NF VISIBLE

Though NF affects over 2.5 million people worldwide, it is still relatively unknown in the general public. The Children's Tumor Foundation's MAKE NF VISIBLE campaign brings awareness and inclusion to all NF patients. Those with visible signs of NF struggle to be seen as more than just their NF, while patients whose NF is invisible struggle to make others understand. MAKE NF VISIBLE is about seeing NF, and seeing the person living with it. Learn more at makenfvisible.org.

HOW YOU CAN HELP

The Children's Tumor Foundation has invested in research and care that has led to significant breakthroughs in NF, and they are not done yet. Please join Nick and help make a difference in the lives of the millions of people just like Blake who live with neurofibromatosis. Donate online today by scanning the QR code here, or going to ctf.org/donate. Help is needed to continue the life-changing progress that has been made for patients with NF.

SCORING FLURRY

The Patriots scored three touchdowns in a 57-second span during the final two minutes of the first half against Chicago on Oct. 26, 2014, turning a 17-7 lead into a 38-7 cushion. It was the fastest three-touchdown flurry in the NFL since the Patriots had three touchdowns in 52 seconds against the New York Jets on Nov. 22, 2012. The Patriots are one of three teams to score three touchdowns in under a minute since the 1970 merger, and are the only team to have achieved the feat twice.

NFL TEAMS TO SCORE THREE TDS IN LESS THAN ONE MINUTE

Team	Opponent	Date
New England	Chicago	10/26/14
New England	N.Y. Jets	11/22/12
Seattle	Minnesota	09/29/02
Atlanta	Carolina	10/04/98

HOW THE PATRIOTS SCORED THREE TOUCHDOWNS IN 57 SECONDS:

- Rob Gronkowski caught a 2-yard touchdown pass from Tom Brady with 1:57 left in the first half to make the score 24-7 and cap off a 10-play, 80-yard drive.
- After the Patriots defense forced a three-and-out, a 42-yard Julian Edelman punt return gave New England possession at the Chicago 9-yard line, and Brady found Brandon LaFell for a 9-yard touchdown on the next play to give the Patriots a 31-7 lead with 1:07 left in the first half.
- On the Bears first play following the LaFell touchdown, Zach Moore forced a Jay Cutler fumble that was recovered by Rob Ninkovich and returned for a 15-yard touchdown that gave the Patriots a 38-7 Patriots lead with 55 seconds left in the first half.

COMEBACKS FOR THE AGES

The Patriots have staged two historic come-from-behind victories over the past several seasons:

Belichick coached the Patriots back from a 25-point deficit to win Super Bowl LI. A comeback of that magnitude is extremely rare. There had been 2,656 games in which a team led by 25 points or more in NFL history, including the postseason. Teams leading by 25 had recorded 2,647 wins, seven losses and two ties, a winning percentage of .997.

New England came back from a 24-point deficit to defeat the Broncos, 34-31, in overtime in a Sunday Night Football matchup on Nov. 24, 2013, marking the largest regular season comeback win in team history, after trailing 24-0 at halftime.

New England's previous best comeback win was from a 23-0 deficit to win, 38-23, vs. Seattle (09/16/84). The Patriots also came back from 22 points down to win at the New York Giants, 23-22 (12/21/96). The Patriots have come from 21 points down to win four times, most recently vs. Buffalo (01/01/12).

NOTES: This analysis uses NFL rules when calculating winning percentage, counting ties as a half-win and a half-loss. For NHL teams, overtime losses (OTL) and ties from 2001-2004 (the NHL abolished ties in 2005-2006 and instituted a shootout system) are counted as ties when calculating winning percentage.

*The Miami Fusion were contracted following the 2001 MLS season.
