WELCOME TO YOUR MEMBERSHIP

Thank you for your unwavering support of the Los Angeles Rams. In this section, you will learn more about your Stadium Seat License (SSL), Season Tickets, exclusive Member benefits, and more!

Stadium Seat License

What is an SSL?

A Stadium Seat License (SSL) is required as part of your Rams Season Ticket Membership. The SSL provides Members with a level of ownership and additional benefits above and beyond a traditional season ticket purchase.

These benefits include:

- Exclusive rights to your seats for all Rams home games
- Priority access to presale opportunities for eligible concerts and events at SoFi Stadium. Add sslmemberinfo@email.hollywoodparkca.com to your safe sender list to ensure all communication is received.

Paying for Your SSL

If you are on an installment plan for your SSL, your annual payments are charged automatically on March 1st each year. You can only pay your annual installment each year or pay your SSL balance in full (partial payments toward your SSL will not be accepted).

Manage your SSL at am.ticketmaster.com/lased

A detailed explanation of your SSL installment plan can be found in your Stadium Seat License contract.

Transfer or Resell Your SSL

For Members looking to perform a private transfer, private sale or list their SSLs for sale, you can use STR Marketplace, which is the official SSL Marketplace of the Rams. The SSL resale marketplace is a safe and secure way to change legal ownership of seat licenses. There are fees associated with all sales and transfers which will be outlined during the process. An account should already exist under your email address on file, and you can learn more about how to transfer or resell by visiting the STR website at rams.strmarketplace.com. *Please note, the STR Marketplace will be closed from February – May during Season Ticket renewals.*
