

# Mobile Ticketing How-To Guide

## Ticket Turnover Information

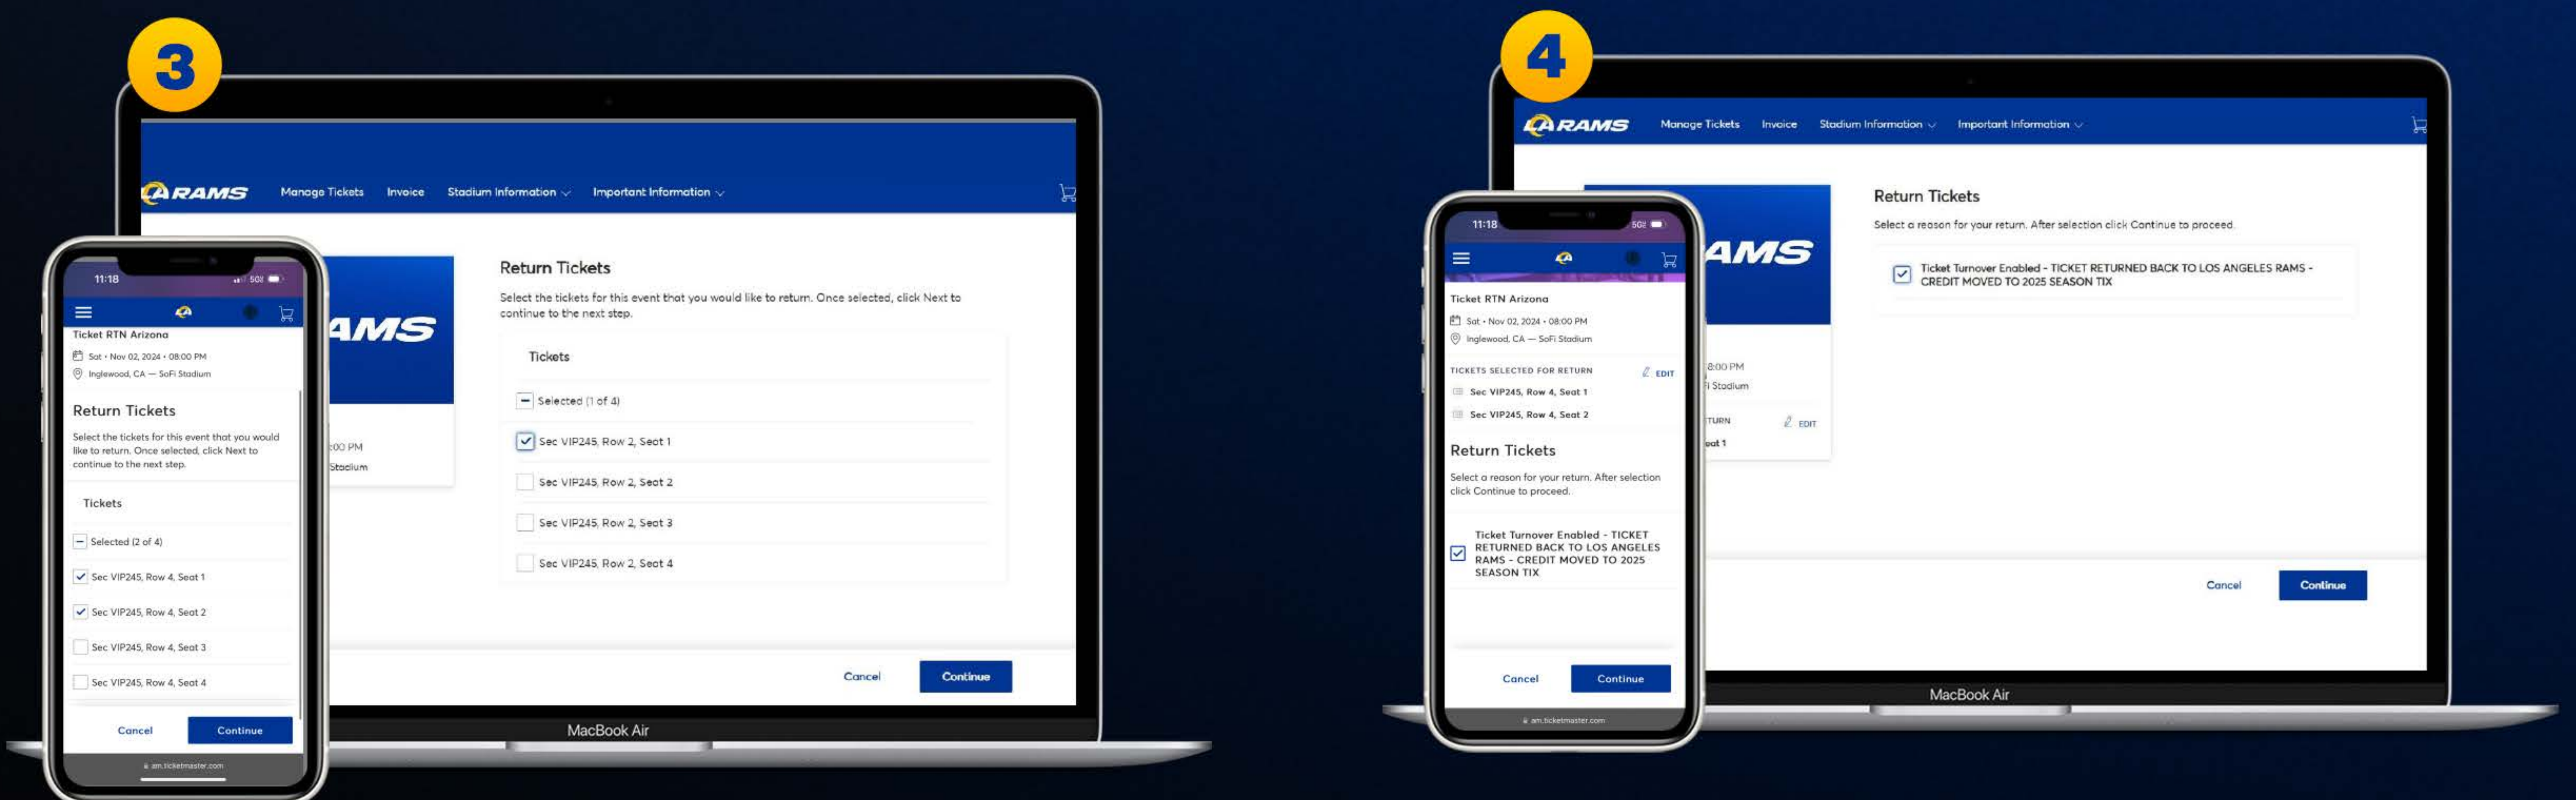

Mobile tickets are required for Rams home games. Please ensure your mobile device is using the most recent operating system on iOS and Android.

Download the Rams mobile app and tap the ticketing icon in the upper right corner or visit [therams.com/am](https://therams.com/am) and select "Sign In". Enter your email address and password associated with your Rams account, then "Sign In".

Select the game you would like to return, click 'More' and 'Return' to begin the ticket return process.

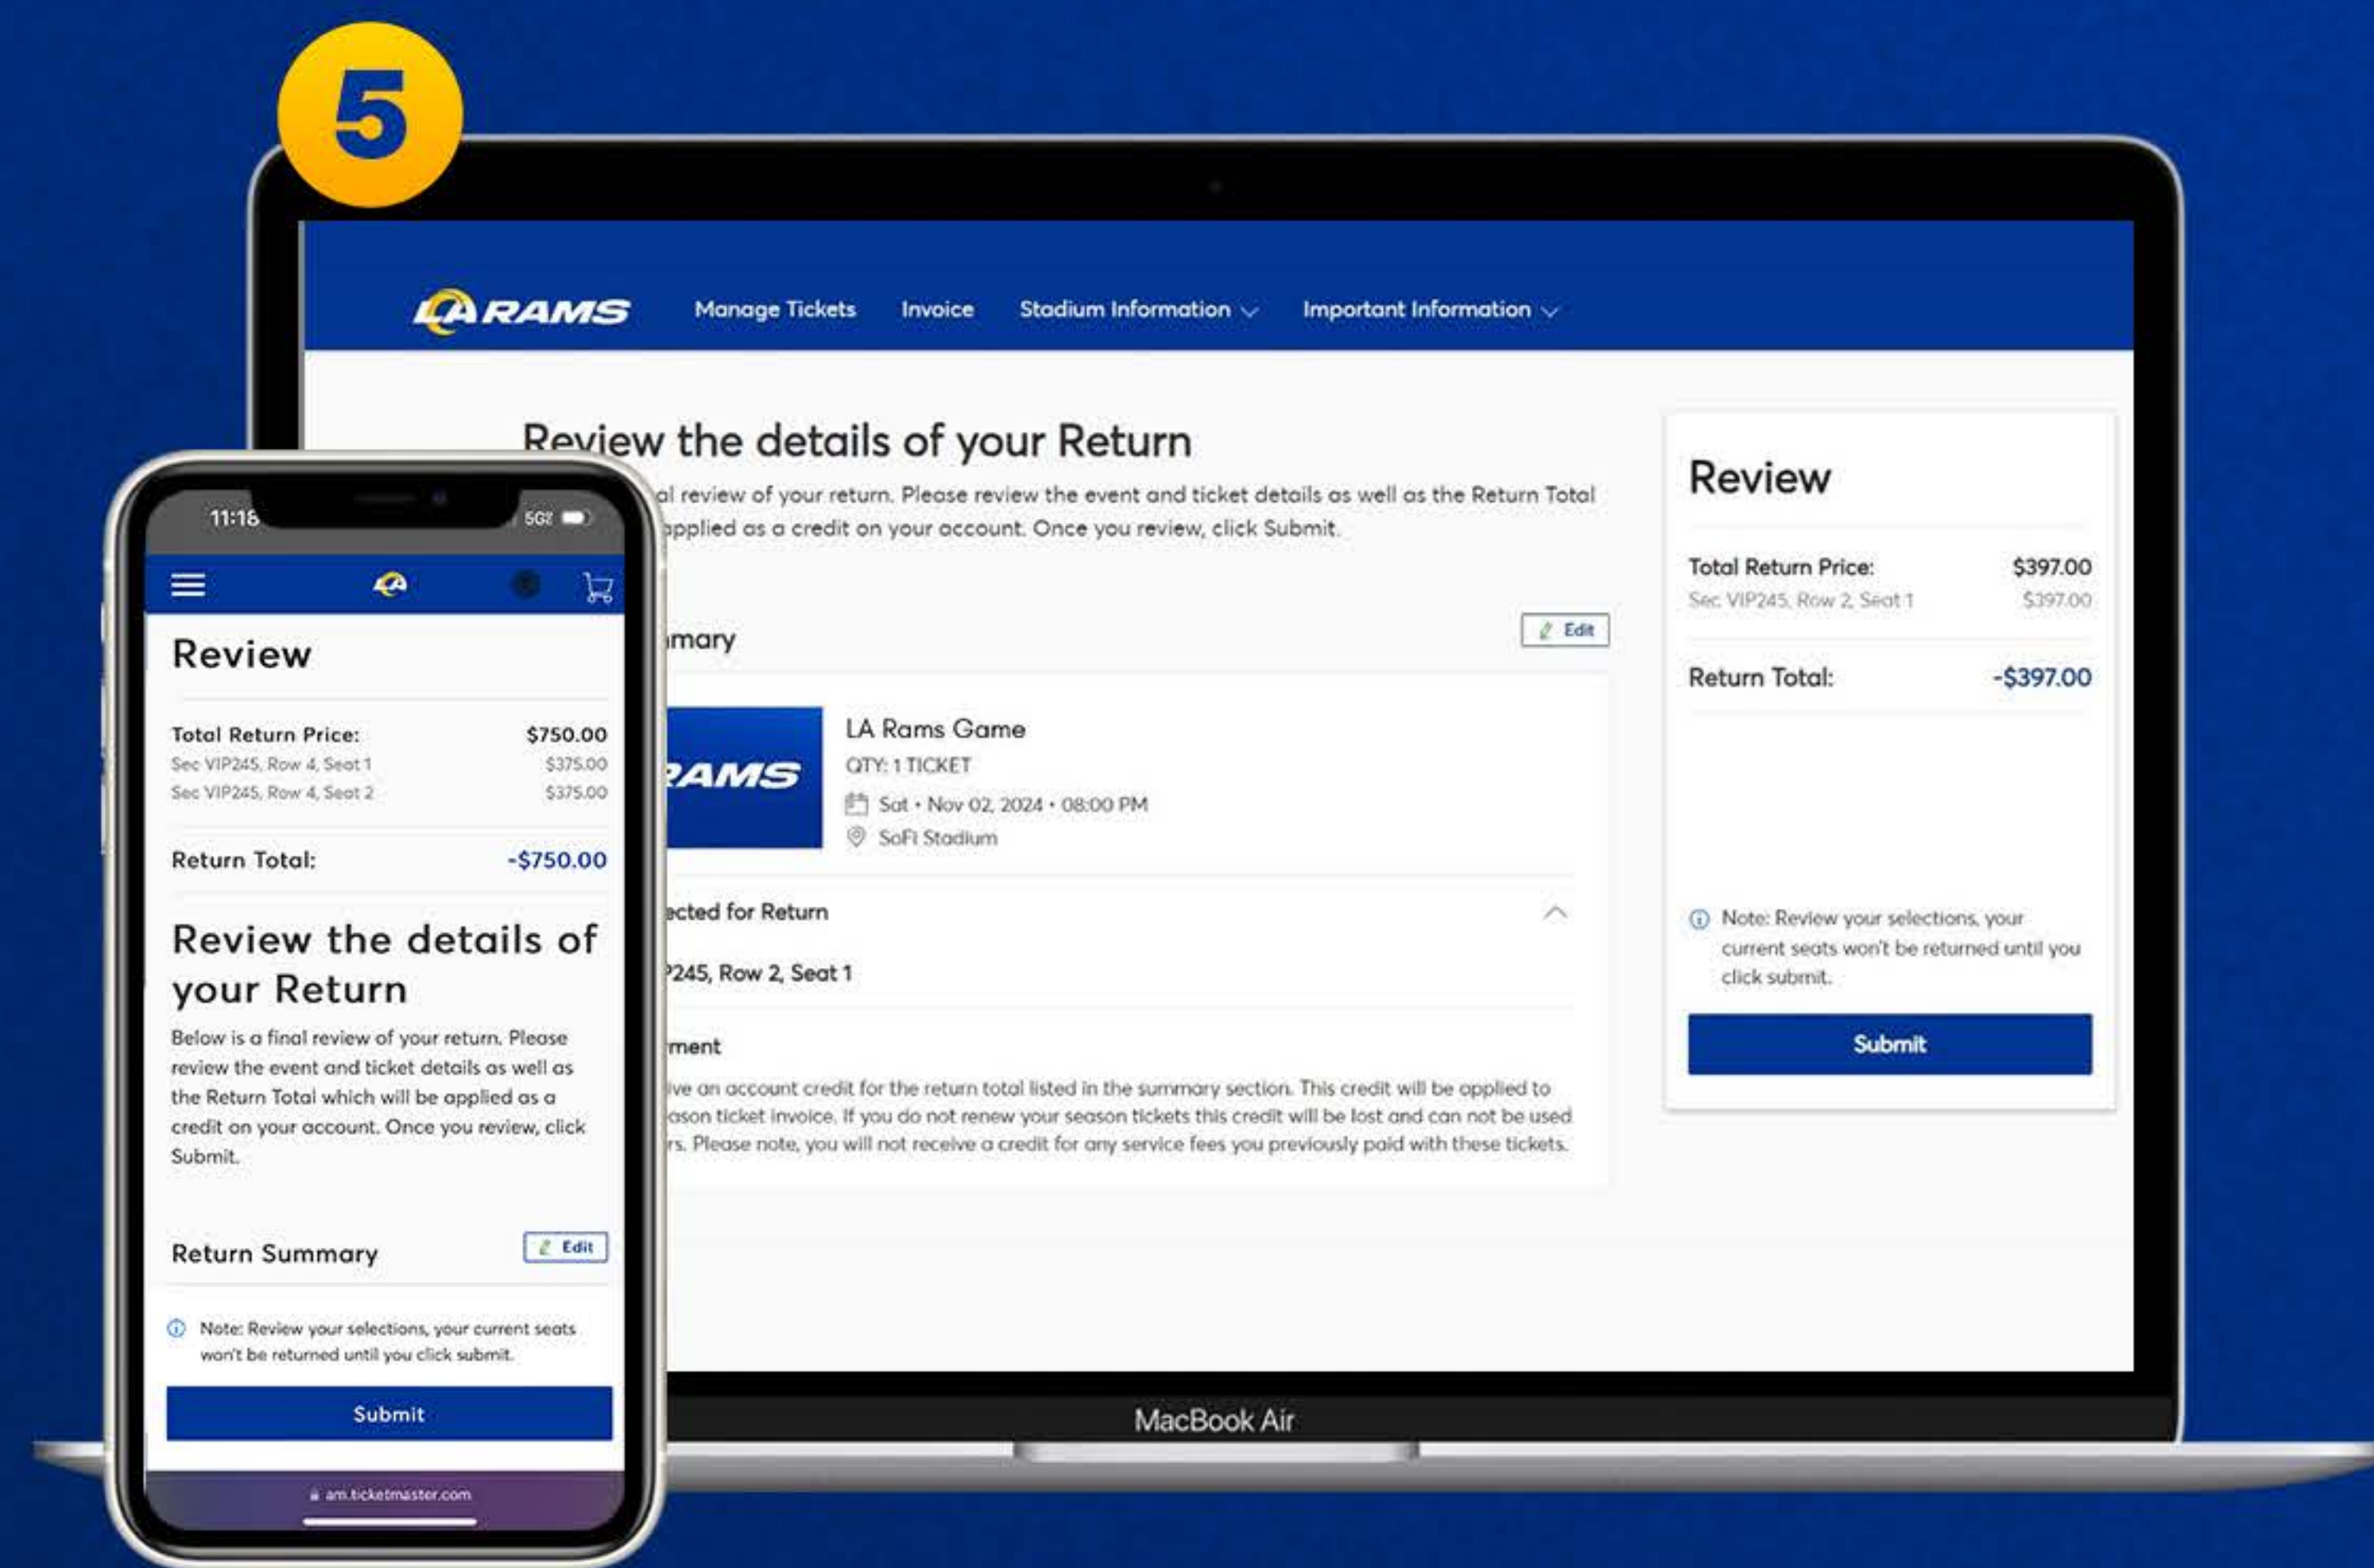

If you receive the message in the above screenshot select "Sign Up" and enter the email address associated with your tickets and a password, which will create a Ticketmaster account for you. Once completed, you will have access to your Rams Account Manager.

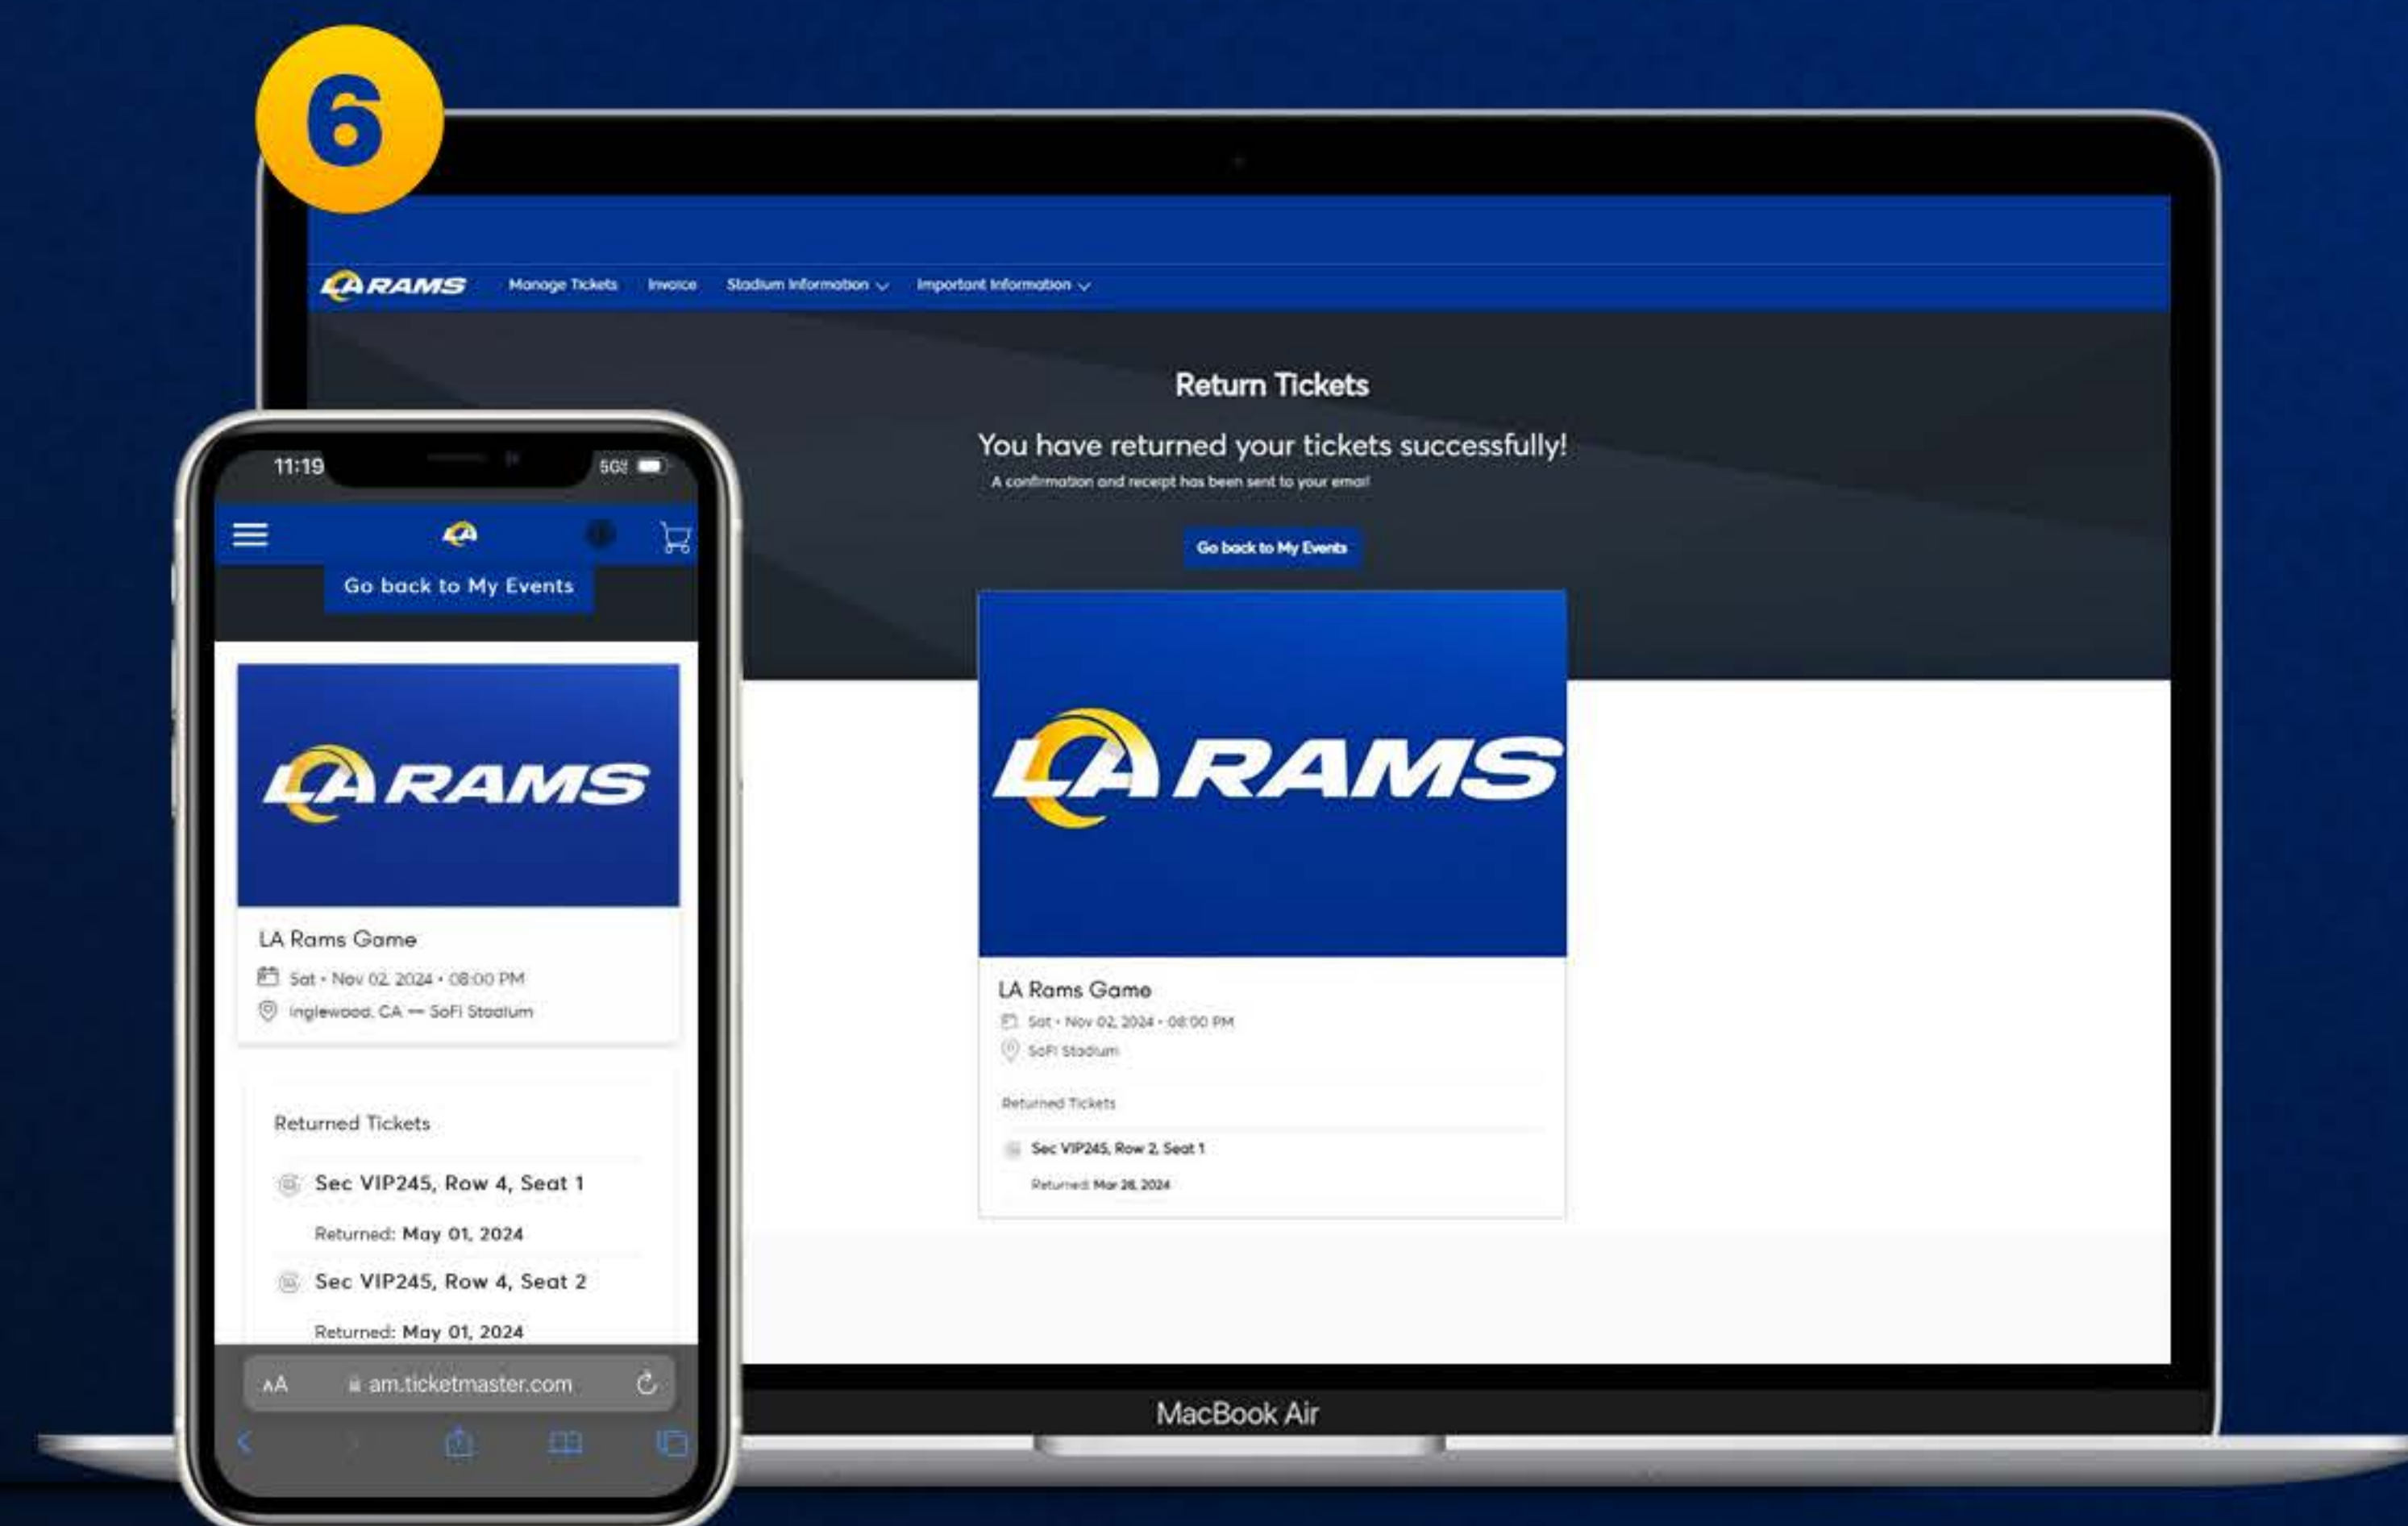

Select the seat(s) you would like to return. Note: single seats cannot be turned back.

Agree to return your game tickets by selecting the 'Ticket Turnover Enabled' button and click 'Continue'.

Note: Ticket credit may only be used toward the renewal of 2025 Season Tickets and may not be refunded or used for Stadium Seat License (SSL) payments, playoff tickets or other Rams products.

Review the details of the ticket return. Make sure the correct game and seat(s) have been selected. To complete the return, click "Submit."

Once this screen appears, you have returned your seat(s) successfully. Press "Go back to my events" to start another ticket return.
