RAVENS TEAM CHALLENGE

On Monday (10/20), the Baltimore Ravens held their third-annual Ravens TEAM Challenge at M&T Bank Stadium as part of the 2014 NFL/United Way Hometown Huddle. Approximately 120 local youth tested their physical endurance and ability to work as a team in order to complete various on-field activities. Under the guidance of Playworks Baltimore, Ravens players, including **WR Marlon Brown, OLB Elvis Dumervil, S Matt Elam, TE Crockett Gillmore, S Anthony Levine, WR Steve Smith Sr., QB Tyrod Taylor, CB Lardarius Webb** and **DT Brandon Williams** joined students from Liberty Elementary School (Baltimore City) for several physical activity challenges including kickball, ultimate football, dodgeball and relay races. In addition, each student was sized to receive a new pair of sneakers, courtesy of Under Armour. Ravens cheerleaders and close to 75 volunteers (from the Lady Ravens Association, M&T Bank, Under Armour and United Way) facilitated activities and led youth participants.

BREAST CANCER AWARENESS GAME

The Baltimore Ravens held their annual Breast Cancer Awareness (BCA) game on Sunday (10/19) against the Atlanta Falcons at M&T Bank Stadium. BCA initiatives incorporated during the game included the distribution of over 50,000 pink ribbons to fans as they entered the stadium, an on-field ceremony honoring 25 women – a combination of breast cancer survivors and those currently undergoing treatment – prior to kickoff and the numerous pink elements worn by players, coaches, cheerleaders and mascot Poe during the game. The gear worn was collected after the game and will be auctioned off at www.nfl.com/auction, with proceeds benefitting the American Cancer Society.
