

RAVENS IN OUR COMMUNITY

A PURPLE EVENING

The Baltimore Ravens' 10th annual women's event, A Purple Evening, presented by Giant, sold out with 4,500 attendees. The event offered exclusive locker room tours, various photo ops, a Family Feud-style game, bingo and autograph sessions with more than 25 current Ravens players. Women also had access to the club level of M&T Bank Stadium, as well as a portion of the field for fundamental clinic drills with USA Football instructors.

BOOK DRIVE

In conjunction with the launch of the Ravens Bookmobile, the Ravens conducted a book drive during the month of September. Ravens players, coaches and staff donated children's books to the Maryland Book Bank to be distributed throughout the school year. Books donated will be used to restock the shelves on the Ravens Bookmobile. The mobile library that will serve countless children in the Baltimore area holds approximately 2,500 books, including picture books, leveled readers, easy chapter books and non-fiction books (five of which students can keep for their own home library). The goal is to improve literacy rates of youth living and attending schools in underserved neighborhoods and communities.
