

# RAVENS IN OUR COMMUNITY HONOR ROWS SPOTLIGHTS

Presented by M&T Bank, the Baltimore Ravens and the Governor's Office on Service and Volunteerism (GOSV), the Honor Rows program recognizes youth groups and organizations that provide outstanding volunteer service to their communities. Since the beginning of their partnership 21 years ago, M&T Bank and the Ravens have honored nearly 16,000 youth volunteers from a wide range of organizations. Throughout this season, the Ravens are spotlighting past honorees to showcase their lasting commitment to youth volunteerism and public service.

The Baltimore Ravens have selected eight past Honor Rows recipients to be highlighted throughout the 2020 season. **Baltimore Area Council, Boy Scouts of America, Baltimore Beyond Plastic, Best Buddies Maryland, Big Brothers Big Sister at the Y, Girl Scout Troop 1093, Maryland National Guard Freestate Challenge Academy, Montgomery County Recreation and We Canceve Movement, Inc.** were selected from over 300 organizations that have been recognized over the past 20 seasons of Honor Rows programming. Each organization will be spotlighted during each Ravens home game throughout the 2020 regular season. All eight organizations work to serve the Maryland community, through service and volunteerism, with efforts that have continued despite the COVID-19 pandemic. Ranging from advocating for public health and environmental legislation, to working with people who have disabilities to provide them with an opportunity for equal access to recreational activities, to youth mentorship and bullying prevention, the 2020 Honor Rows spotlight honorees have earned their distinguished reputation serving our region in a variety of ways.

*"The Honor Rows program has provided Best Buddies with an incredible opportunity to recognize our student leaders for their exceptional efforts to create cultures of tolerance, inclusion and respect within their schools. Past participants have reported that it was an unforgettable experience that strengthened their resolve to make the world a better place for people of all abilities."*

*- Best Buddies, Tosha Rossock*

*"With the sudden pandemic of COVID-19, I was determined not to let it get in the way of 'We Canceve' bringing happiness to homeless, sick and foster children. We've been able to adapt to the circumstances by rethinking the way we address community-based projects. Instead of inviting people to go out shopping to support our collections, we turned to virtual shopping platforms and focused a lot of our attention on the mental and emotional health of children we serve."*
