

RAVENS IN OUR COMMUNITY

RAVENS BOOKMOBILE VISIT AND SCHOOL SUPPLIES DISTRIBUTION

On Monday, Aug. 9, Ravens Cheerleaders, mascot Poe and members of the Ravens All-Community Team joined forces at Webster Kendrick Boys & Girls Club/Callaway Elementary School to distribute classroom supplies for teachers and faculty. In addition to school supply donations, students also received books from the Ravens Bookmobile. The Ravens Bookmobile, operated by the MD Book Bank, distributes free books to students in Baltimore City. This event continued the Ravens support of the Boys and Girls Club and the extension of this past summer's club renovation project. The teachers' supplies, coupled with new books for students, are a great way to kick off the new school year.

COMMUNITY SHOWCASE

At each home game this season, the Ravens will welcome a charitable organization to be featured on RavensWalk at the Community Showcase booth. This feature allows local nonprofits opportunities to raise awareness and share their mission with passing fans. The 2019 organizations include: BARCS, Reading Partners Baltimore, American Cancer Society, Next One Up, Athletes Serving Athletes, MD Food Bank, Leveling the Playing Field and Special Olympics MD.

2019 RAVENS HONOR ROWS

For the 20th-consecutive year, the Baltimore Ravens, M&T Bank and the Governor's Office on Service and Volunteerism are honoring 15 of Maryland's premier youth service groups. Honorees demonstrated a commitment to serving their local community while establishing themselves as future leaders in Maryland. During each Ravens home game of the regular season, groups receive tickets to the game, a pre-game on-field visit and in-game recognition on the RavensVision boards.
