

YOUR OFFICIAL PSL OWNER REWARDS RECAP

With Independence Day weekend celebrations comes the summer heat...and the excitement that training camp is just weeks away! With so much to celebrate, what better time than now to deliver some of our famous "prize packs" to some lucky PSL Owners.

In June, in addition to our annual summer package, we created a new one as a reminder that the 2020 season was another great one and worthy to celebrate even though we did not achieve the ultimate prize.

In this month's newsletter, we unveil what those packages looked like and share PSL Owner related news and updates.

BEATING THE SUMMER HEAT THE RIGHT WAY!

100 PSL Owners surprised with our annual summer price pack

With the summer months upon us, we wanted a fortuitous group of winners to be equipped with a few items to get them through those hot summer days!

Our winners received a **"Beat the Heat" Summer Prize Pack** that included a koozie for those cool drinks, a beach towel and a Ravens cap for a little shade from the sun - all the essentials needed for a trip to the pool!

REMEMBERING THE PLAYOFFS

Commemorative playoff pack delivered to 75 PSL Owners

A strong 11-5 regular season netted the Ravens a top AFC wild card position, earning an opportunity to avenge a tough home playoff loss to the Titans in 2019. A 20-13 win in Nashville in the AFC Wild Card propelled the Ravens to the divisional round with another tough road matchup in Buffalo, facing the AFC East Champ and #2 seed Bills. That one did not end as we had hoped, falling short with a 17-3 loss.

With 13 playoff appearances in our 25-year history, we have much to celebrate and crafted a **"Remembering the 2020 Playoffs"** package as a small tip of the cap to honor our latest playoff season. This commemorative package included an exclusive playoff shirt and authentic Wild Card Playoff coin.
