

# RAVENS IN OUR COMMUNITY

## HOMETOWN HUDDLE: RAVENS TEAM CHALLENGE

The Baltimore Ravens hosted their fifth annual Ravens Team Challenge at Under Armour's Banner Field at Latrobe Park on Oct. 17. The challenge was part of the 2016 NFL and United Way Hometown Huddle, a league-wide initiative promoting service to community and increased youth physical activity. Approximately 150 fourth- and fifth-grade students from Dr. Carter G. Woodson and George Washington Elementary schools (Baltimore) participated in activities such as kickball, dodgeball, ultimate football and a series of relays. Playworks Maryland, Ravens players, Ravens cheerleaders, mascot Poe and 50 volunteers (from United Way, M&T Bank and Under Armour) helped facilitate the event as coaches and teammates.

## GOODWILL GRIDIRON HALLOWEEN PARTY

The Baltimore Ravens participated in the 17th annual Goodwill Gridiron Halloween Party on Oct. 17 at Dave & Buster's (Arundel Mills Mall). Ravens **DE Lawrence Guy**, **TE Dennis Pitta** and **K Justin Tucker**, the hosts for the night, were joined by Ravens players, staff and more than 600 guests at the festive costume party. The event featured a night of bowling, billiards, video games and refreshments, in addition to a silent auction. Toward the end of the night, Ravens players served as judges in the costume contest. All proceeds benefited Goodwill Industries of the Chesapeake, Inc., to assist with training and employment programs that help the disabled and underprivileged secure and retain jobs. Last year, Goodwill placed more than 3,200 people into the workforce.

## STEVE SMITH FAMILY FOUNDATION FASHION SHOW

Ravens **WR Steve Smith Sr.** hosted the Steve Smith Family Foundation Fashion Show on Oct. 10. Approximately two dozen Ravens players were in attendance at the event benefiting House of Ruth Maryland. The fashion show allowed the players to "dress up for a cause" at the American Visionary Art Museum. House of Ruth Maryland is a Ravens Foundation charitable partner that leads the fight to end violence against women and their children.
