RAVENS HOST FOURTH ANNUAL PLAY 60 ALL-ABILITY FOOTBALL CLINIC

This past September (9/27), the Baltimore Ravens hosted their fourth annual All-Abilities PLAY 60 Football Clinic with athletes from Special Olympics Maryland. This year's event, held on the campus of Morgan State University, was highly-anticipated by Ravens players and Special Olympics athletes alike. During the clinic, athletes were challenged to compete in several combine-style drills with Ravens players **WR Miles Boykin**, **TE Nick Boyle**, **LB Josh Bynes**, **C/G Trystan Colon**, **CB Khalil Dorsey**, **TE Josh Oliver** and **TE Eric Tomlinson** coaching and cheering them on.

Over the course of the five Friday night games running from September through October, the Ravens RISE High School Football Showdown features appearances by current and former Ravens players, cheerleaders, mascot Poe and Baltimore's Marching Ravens, as well as giveaways for participating student-athletes and spectators. The athletic department for each high school receives a \$1,500 donation. The games highlighted in this program are determined by votes fans cast in a weekly poll.
