

Evan Cohen, Ravens Sr. Manager, Stadium Operations

On behalf of the 2020 Ravens Ops Interns, Rob Tune and Adam Rudel, we want to nominate our supervisor Evan Cohen for the President's award for the outstanding leadership in the absence of Jobie Waldt during the week of and day of the Ravens vs Jaguars (12/20/20).

Evan's dedication shined bright in the midst of a long week that saw a snowstorm forcing several days of treatment and removal, increased maintenance around the building among other moving parts that 2020/COVID have shown us all. In what is believed to be Jobie Waldt's first missed home game in Ravens history, Cohen's clearly picked up some tidbits from his mentor over the years and not just where to order lunch from, not missing a beat while tackling the weeks to do list in preparation for the team's pivotal matchup against Jacksonville.
