

YOUR OFFICIAL PSL OWNER REWARDS RECAP September 2022

The moment we've all been waiting for!

September brought us to the regular season and we hope you were just as excited as we were last month getting back to our regularly scheduled programming. The same also applies to our PSL Owner Rewards for gamedays and even road games. In this month's edition of the **PSL Owner Rewards News**, we cover how PSL Owner Rewards kept the excitement rolling with the return of two gameday experiences (plus a new one), parking for the season, exclusive tours of the training facility and a surprise opportunity for some lucky winners.

Keep reading to see what the month of September brought PSL Owner Rewards.

Starting off gameday the VIP way

Ten PSL Owners invited to the sideline as VIP guests for pregame...

One of our favorite gameday rewards is the **VIP Sideline Experience**. Before the start of each home game, 10 PSL Owners and their guests are invited down on the field to watch player warm-ups from the sideline, but also featured in a P.A. announcement and some camera time on the giant Ravensvision boards. Keep an eye out for them at the next home game!

Their up-close experience doesn't end there! Once the players head back into the locker room to prepare for intros and kickoff, our group moves directly next to the bench for a prime-time view of the team hitting the field.

So far this season our VIP Sideline guests have had special surprise visits from **WR Rashod Bateman** and legendary former General Manager **Ozzie Newsome**, with more to come! We can't wait to see who else we can add to that list this season.

The Official Return of the Tunnel Experience

PSL Owners and their guests invited behind the scenes for a special gameday experience...

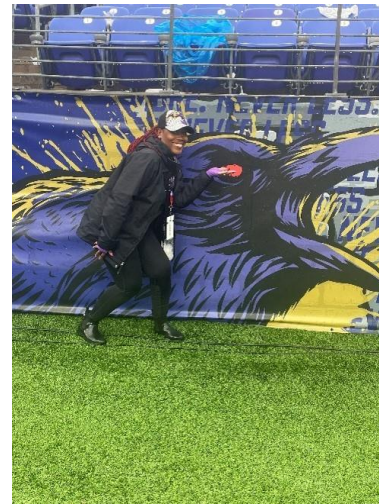

PSL Owner Rewards gladly welcomed back the **Tunnel Experience** to kick off our regular season home games after being a gameday casualty of the pandemic. PSL Owners and their guests get an opportunity to be the first ones to give our players some well-wishes, energy and some good luck before running out on the field. As the players come out of the locker room, our VIP group is just a few feet away for some gameday words of encouragement, high-fives and fist bumps!

Ending Gameday with a Sideline Photo Op

PSL Owners invited on the sideline post-game for a special photo opportunity...

PSL Owner Rewards added a new gameday experience for our PSL Owners this year that is a cool way to cap off a great day at M&T Bank Stadium. After the game has ended, and the field has been cleared, 30 PSL Owners and their guests make their way to the sidelines to get some photos on the field to add to their photo albums. **Ravens Cheerleaders** and **Poe** (or Edgar & Allen) also make an appearance. Check out some of the photos below:|

Making Gameday Even Smoother

25 PSL Owners chosen for parking passes for the season...

Speaking of gamedays, parking passes are certainly coveted and PSL Owner Rewards thought it would be nice to offer season passes to a lucky group of winners. Winners were provided with a parking pass to either Lot H or the Horseshoe Casino garage on us for 2022!

A Look Inside the Castle

PSL Owners receive private tours of the Under Armour Performance Center...

September 10th was the first official day for the return of UAPC tours. A special group of PSL Owners and their friends and family joined us for an **exclusive tour** of the fabulous and exclusive Ravens practice facility. Sharing an inside look of the Castle meant guests got an opportunity to see the eloquent boardrooms, draft room (a.k.a. the "War Room"), broadcast studio, auditorium, field house and so much more. The players had left earlier that morning for the road game against the Jets so, it was truly private and exclusive tour as we made our way through the impressive building.

A Surprise Movie Night

Military PSL Owners selected for a night out at the movies...

Wednesday, September 14th was the official release date for the new movie **MVP** and PSL Owner Rewards invited some of our recognized veteran or active-duty military members to enjoy a complimentary screening of the new film.

If you have not heard the story behind it already, check out the summary:

On the streets of Hollywood, a recently retired NFL player is saved from scandal by a homeless veteran. With their "glory days" behind them, the two men bond in search of purpose and identity. Inspired by actual events, MVP dramatizes the formation of Merging Vets & Players and features both military veterans and former professional athletes in front of and behind the camera.

As an added bonus, since we all know that movie theaters tend to be a little cold so, we provided our winners some blankets to keep them warm and represent us well in the theater.

September was fun but PSL Owner Rewards can't wait to see what October brings. Maybe more gameday experiences or special visits or prize packs... Stay tuned for the next edition of PSL Owner Rewards News to find out!
