

# YOUTH FOOTBALL & MILITARY COMBINE

GEHA.

On Oct. 22, the Baltimore Ravens partnered with GEHA to host their annual Youth Football and Military Combine at the Under Armour Performance Center in Owings Mills. Coinciding with the team's Super Bowl XLVII reunion weekend, former Ravens players and their families joined cheerleaders and team mascots to help lead approximately 150 youth participants through military inspired football drills.

This event is designed specifically for children whose parents currently serve or have served in the U.S. Military. In conjunction with the NFL's Salute to Service and PLAY 60 campaigns, the Ravens and partner GEHA provided this opportunity to emphasize the importance of physical activity in their everyday lives.

## Warrior Canine Connection

On Nov. 15, the Ravens hosted Warrior Canine Connection at the Under Armour Performance Center as part of the NFL's Salute to Service initiative. Ravens staff and players, including QB **Anthony Brown**, RB **Kenyan Drake** and OT **Ronnie Stanley** interacted with service dogs-in-training and made specialty tug ropes!

## Flags with the Flock

In May of 2022, the Ravens hosted five Flags of Valor and TAPS families at the Under Armour Performance Center to observe Memorial Day. Ravens Head Coach **John Harbaugh** and Ravens players, including TE **Mark Andrews** and CB **Marlon Humphrey**, joined the families to make wooden flags to commemorate the fallen soldier in each family.
