**TOUCHDOWN
 FOR
 TEACHERS**

On Monday (11/15), Baltimore Ravens C Bradley Bozeman, Ravens Cheerleaders and mascot Poe visited Hampden Elementary/Middle School to recognize Muhammad Benyameen, who is the grand prize winner of the 2021 M&T Bank Touchdown for Teachers award.

During the visit, Bozeman joined students for an outdoor field-day event complete with Ravens-themed activities.

Now in its seventh-consecutive year, the Touchdown for Teachers program recognizes and honors local teachers for their leadership, dedication and commitment to education, and for their outstanding service to their school, students and community.

Benyameen, who was selected from hundreds of nominations, was presented with a \$4,000 grant donation for Hampden Elementary/Middle which he plans to use to purchase new equipment for his physical education classes.
