## GAMEPLANEARTH AMBASSADOR AWARD

On Tuesday (12/9), representatives from Green Street Academy (GSA) were awarded the Ravens' inaugural GamePlanEarth Ambassador Award at the Under Armour Performance Center in Owings Mills, honoring their commitment to bettering Baltimore's communities. Since 2012, GSA has partnered with Baltimore Gas and Electric (BGE) and M&T Bank Stadium during Ravens home games to encourage fans to recycle their used bottles and cans before and after the game. These scholars were presented with the award and a \$1,000 grant to assist in the continuation of their work. During the Ravens-Jaguars game (12/14), GSA students, alongside their parents and teachers, collected recyclable items in the stadium parking lots and attended the game, where they were honored on the RavensVision boards.
