

2020 FOOD & FUNDS DRIVE: OVER \$500K RAISED

RAVENS IN OUR COMMUNITY

Over the past 25 years, the Ravens have placed a large emphasis on supporting the Maryland Food Bank (MFB), as it is the largest charitable food provider in MD. At the beginning of November, the Ravens launched their 25th Annual Family Food & Funds Drive Collection. This past week, the Ravens joined partner WBAL to promote the MFB's Giving Tuesday Phone-a-Thon, as fans were encouraged to help #FeedTheFlock by donating through the team's virtual drive or at the Canton Safeway in Baltimore. Over the past 25 years of the food drive, the Ravens have helped provide over 10 million meals to the Maryland Food Bank. This season, the Ravens surpassed previous year's collection goals and generated up to 1.5 million meals for food-insecure Marylanders. All efforts are geared toward combatting food insecurity in MD through the Ravens #FeedTheFlock food collection.

CareFirst

FRESH FOOD MOBILE

To help fight hunger and increase access to healthy food choices in our community, CareFirst BlueCross BlueShield and the Baltimore Ravens teamed up to donate the Fresh Food Mobile to the Maryland Food Bank (MFB). Since its launch in December 2019, the Fresh Food Mobile has supported the MFB by distributing over 75,000 pounds of food to over 3,700 families. Since the start of the COVID-19 pandemic, the Fresh Food Mobile has worked with MFB's "Grab and Go" and "HEART Markets" food programs to ensure easy access meals and nutrition information for underprivileged families across Central MD, including over 400,000 meals for youth at 57 sites.

PACK TO GIVE BACK

On Friday, Nov. 6, members of the Ravens All Community Team (ACT) and Ravens staff volunteered at the MFB's "Pack to Give Back" event to help create holiday meal boxes for thousands of food-insecure Marylanders across the state. Volunteers helped package 10,000 meals that were distributed to families in need this Thanksgiving Holiday Season.
