Another Ravens training camp has concluded at the Under Armour Performance Center. The Baltimore Ravens were thrilled to welcome back fans to this year's camp as the team prepared for the 2022 season. Over the course of 17 open practices, including one at M&T Bank Stadium, 66 different community groups were able to watch the Ravens. Some local groups that were in attendance included Athletes Serving Athletes, the Baltimore Collegiate School for Boys, Special Olympics Maryland and TAPS. Additional training camp highlights included Military and First Responders Day (8/9) and autographs each day after practice for children ages six to 14.
