

RAVENS IN OUR COMMUNITY

CONTINUED COMMUNITY SUPPORT

On Oct. 30, the Ravens, along with Dunkin' and Xfinity, visited five locations in the Baltimore-metro area to thank first responders for their selflessness and help spread purple pride. The caravan included appearances from team mascot Poe, Ravens Cheerleaders and the Dunkin' Community Cruiser. Team staff distributed Dunkin' products and giveaways to first responders at Baltimore County Fire Station 3, Baltimore City Fire Department Engine 31, Baltimore Police Department - Northwest District, Medstar Union Memorial Hospital and Northeast District Police Department.

Despite the on-going pandemic, the Baltimore Ravens and T. Rowe Price partnered once again to facilitate the High School Leadership Institute. In its second year, the program is designed to develop and empower high school students to become collaborative leaders and productive members of their communities. The institute works with ADDO, a leadership organization, to encourage students to learn valuable leadership lessons, introduce them to local industry leaders, expose them to leadership insights and equip them with tools needed to make an impactful different in their communities. The 2020 programing includes nearly 100 students from Baltimore County, Baltimore City and other select Baltimore-area high schools. Students will participate in a detailed leadership experience once-a-month, culminating with a celebration event and service project in May of 2021.

"The institution was amazing, and the energy was unmatched. I was able to hear from leaders who are in the positions that I want to be in one day. I was inspired by what they were saying. Through channeling their knowledge and wisdom, I hope to be able to reflect their continued success in my future professional career."

17TH ANNUAL HELPING UP MISSION COAT GIVEAWAY

On Monday (Nov. 9), the Ravens hosted their 17th annual Coat Giveaway at the Helping Up Mission addiction and homeless treatment center in Baltimore. Although players and coaches were unable to attend in person this year, the Ravens still made sure they continued their tradition of donating coats, hats and gloves to homeless men as they prepare for winter months ahead. In addition to their annual coat giveaway, the Ravens have supported the Helping Up Mission through a variety of ways over the years. From player-led involvement, to the organization as a whole, the Ravens have supported the shelter and participated in multiple marquee events, such as speaking engagements, food distributions and giveaways.
