

Holiday Helpers

On Monday, December 13th, **DE Calais Campbell** hosted the Ravens' 16th Annual Holiday Helpers event as a holiday party for fourth-and fifth-grade students from Bridges Baltimore. With pizza provided by Papa Johns, music and crafts, students enjoyed the celebration as recognition for their accomplishments in the classroom and in the community.

With help from Ravens players **CB Khalil Dorsey**, **DT Justin Ellis**, **TE Tony Poljan**, **K Justin Tucker** and **CB Chris Westry**, students decorated gingerbread stadiums and holiday ornaments. To conclude the event, students wrote thank you cards to a special person in their lives to give alongside a Safeway gift card. After learning more about the importance of giving during the holiday season, students were treated to gifts, Ravens-themed swag bags and gift cards to Target courtesy of Calais Campbell's CRC Foundation.

About the CRC Foundation

Established to honor Calais' late father, Charles Richard Campbell, the CRC Foundation works to empower youth through activism, goal setting and mentorship. The foundation does this in part through its scholarship and reading programs. To learn more about the CRC Foundation, please visit:
