

# NORTH PLAZA (2025)

Serving as the Grand Entrance to M&T Bank Stadium, the revitalized North Plaza will feature two large structures flanking the gates. The west structure will include an open-air tailgate & concert venue with three levels of viewing, a main stage, and an indoor sports bar on the main level that will quickly become the stadium's premier pre-game destination. The east structure will feature a 7,000 sq ft retail space with a second-floor hospitality area that prominently features key pieces of Ravens artifacts and memorabilia, providing fans the unique ability to immerse themselves in team history. This new plaza experience also provides an ideal location for events throughout the year.

## Select Features

- Performance stage
- LED video boards
- Ravens Retail Store
- Indoor sports bar
- Ravens history experience
- Event opportunities throughout the year
- Club Level access

# SOUTH PLAZA (2026)

Providing a primary collective entry into Gate D, the South Plaza will welcome fans who approach the stadium from Warner Street. The space will be anchored by an 8-10,000 sq ft retail store to be open year-round.

## Select Features

- Flagship Ravens Retail Store open year-round

# THE GATEHOUSE (2024)

A gateway to M&T Bank Stadium, the Gatehouse offers two levels of social space for fans to experience before, during and after every home game. With a sports bar vibe, fans can enjoy drinks and socializing on the main floor while surrounded by video screens, or they can take in sights from the rooftop deck and gather "Baltimore style" under string lights while taking in a city view. The Gatehouse is located on the stadium's east side just outside of Gate B.

## Select Features

- Over 5,000 sq ft on both levels
- Each floor accommodates 350-400 people
- Dedicated restrooms on each floor

# UPPER CONCOURSE EXPANSION (2025)

Concourses on the Upper Level of M&T Bank Stadium will expand in multiple areas, providing fans in "The Perch" additional space to enjoy unique food offerings and pre-game parties, while enjoying the best views of Charm City on gameday.

## Select Features

- Over 12,000 sq ft of additional space to be added across three locations
- Increase in restroom capacity
- Improved concourse circulation

# SOUTH CLUB (2025)

An ultra-premium field-level club with unique team access, the South Club will offer a lounge-like atmosphere to South Club seat holders, as well as individual and corporate members. The space will provide an exclusive view of the Ravens' player tunnel at the 50-yard line, allowing members to watch the team take the field for pre-game warmups, in addition to offering the ability to view live head coach and player post-game press conferences.

## Select Features

- View of the Ravens' player tunnel at the 50-yard line
- View of the Ravens' post-game press conference room
- All-inclusive premium food & beverage
- Concierge service
- Seating can accommodate 400 guests
- Shared boutique & restrooms

# NORTH CLUB (2025)

This elevated club experience at field level offers guests, both with seats and memberships, convenient access from the main concourse. Situated at the 50-yard line, there will be a limited number of field seats available, while all members will enjoy a social sports bar area with seating, screens, and climate control throughout the game.

## Select Features

- All-inclusive food & beverage
- North Club can accommodate 350 guests
