4.) DETERMINATION AND NOTIFICATION OF THE WINNERS OF THE PRIZES; ODDS OF WINNING:

Following the Promotion Period, all valid Entries (by both Entry Methods) will be reviewed to determine how many questions on the Questionnaire have been answered correctly. Questionnaires will be scored based on the initial Schedule release; any subsequent schedule changes will have no effect on this Promotion. For each question answered correctly on the Questionnaire, an Entrant will receive 1 point. All Entrants who answered all questions on the Questionnaire correctly (and therefore received a score of 10 points) will, at that point, be deemed to be "Potential Grand Prize Winners." On or about May 15, 2022 (depending on the date of the release of the Schedule), the Grand Prize winner will be selected by random drawing from among all Entries submitted by the Potential Grand Prize Winners. After the Grand Prize winner has been selected, the Entries for all Potential Grand Prize Winners who did not win a Grand Prize will then be entered in the drawings for the Secondary Prizes (and these Entrants will then be deemed to be "Potential Secondary Prize Winners"). The 100 Secondary Prize winners will then be selected during 100 random drawings from among the Entries submitted by the Potential Secondary Prize Winners.

In the event that there are no Entrants who scored 10 points on the Questionnaire, all Entrants who received the highest score on the Questionnaire will be deemed to be Potential Grand Prize Winners. A Grand Prize winner will be randomly chosen from among those Potential Grand Prize Winners as otherwise indicated in the immediately preceding paragraph. Likewise, if fewer than 101 Entrants score 10 points on the Questionnaire,

then 100 Secondary Prize winners will be randomly selected from a pool comprised of at least 100 Entrants with the highest point values.

The Grand Prize winner will be notified by telephone on or about May 15, 2023 by a representative of the Club, depending on the date of the Schedule release. Three attempts will be made to contact the Grand Prize winner. If, on the third attempt, the Grand Prize winner does not answer his or her telephone, no message will be left and he/she will be disqualified (and will no longer be deemed to be that Grand Prize winner). Thereafter, an alternate Grand Prize winner will be selected by a random drawing from among the remaining original Potential Secondary Prize Winners (or, at the Club's sole discretion, as otherwise described in these Rules). The Club will attempt to contact the "new" Grand Prize winner following the above-described process until such time that direct contact is made with a Grand Prize winner. No voice mail or answering machine messages will be left in connection with the above-described procedures. The Secondary Prize winners will be notified by e-mail or by phone during the week of May 15, 2023 by a representative of the Club. All Secondary Prizes will be mailed to the winners via the United States Postal Service. None of the Prizes may be redeemed for cash or other consideration.

Odds of winning a Prize will depend upon the total number of Entries included in the above-described random drawings.
