

# INSPIRE CHANGE 2024

Brittany Young

Tylan Wallace

be the revolution

B360 uses the dirt bike culture in Baltimore to combat poverty and the school-to-prison pipeline. Young's background in STEM education fuels community engagement and the change in perception of engineers and dirt bike riders.

On Wednesday (12/11), **WR Tylan Wallace** made a surprise announcement to Brittany Young, stating that she is the 2024 Inspire Change Changemaker. As this year's award winner, Young will receive a \$10,000 grant for her organization—B360—that aims to deepen its impact across Baltimore. To further her recognition, she served as the Honorary Captain during the Ravens' divisional matchup against the Pittsburgh Steelers on Dec. 21.

## Kicks for Kids

On Monday (12/2), **OLB Odafe Oweh** hosted 10 seventh- and eighth-graders from local nonprofit Project Pneuma for a shopping spree. The organization was founded by Damion Cooper, who was the Ravens' 2023 Inspire Change Changemaker.

Odafe Oweh

During the shopping event, each student received \$400 to spend from contributions made by Oweh and Finish Line. Students also enjoyed snacks and a DJ during their experience.
