

## STUDENTS IN OUR COMMUNITY

The Baltimore Ravens have championed spreading the NFL's PLAY60 messaging by partnering with local schools and counties.

The PLAY60 program continues to activate throughout Maryland in Baltimore Co.,

Carroll Co. and Howard Co. Student ambassadors representing each school district joined a pregame sideline experience ahead of the Ravens' divisional match up against the Cleveland Browns on Saturday (1/4).

## PLAY60 REWARDS CLINIC

During the 2024 offseason, the Ravens hosted the annual PLAY60 Spring Rewards Clinic at the Ravens Under Armour Performance Center on Saturday (4/13). Ambassadors from all counties were invited in celebration of their personal contributions to the overall success of the PLAY60 program.

OLB Tavius Robinson and ILB Trenton Simpson led elementary students in drills to show off their performance skills. The pair helped close out another year of student engagement in the state-wide program.
