

VAMOS RAVENS

On Saturday, Oct. 19, the Baltimore Ravens proudly hosted the inaugural Bilingual PLAY 60 Youth Football Clinic. Young athletes gathered for a day filled with excitement and learning under the guidance of USA Football coaches and Ravens LB Malik Harrison.

The Ravens are committed to expanding the game of football, ensuring it is accessible to everyone. With activities tailored for both English and Spanish speakers, the event fostered an inclusive environment where young players could thrive and learn the ins and outs of flag football!

Ravens LB Malik Harrison became coach for the afternoon!

Poe came to cheer on the young athletes.

Future running back?

The future is bright for these young flag football stars!
