

## Sheila Smith-Perdomo, Aramark Food & Beverage

Sheila is amazing. She is the first person on gameday in the door for catering. She has taken this year by storm and really stepped up to ensure that service level runs seamlessly. Her problem-solving skills amaze me. Any issues that arise she looks at all options to solve the problem and takes initiative to make sure our clients are happy.

I am so proud of the way she has really taken her role to the next level this season. - *send in by Rachel Caskey, Aramark Events Manager*
