

RAVENS FAMILY FOOD & FUNDS DRIVE

Throughout the month of November, the Baltimore Ravens partnered with the Maryland Food Bank and area Safeway supermarkets to execute a month-long food and funds drive. On Sunday (11/28), collection efforts were enhanced as volunteers from the Maryland Food Bank and Von Paris collected donations on RavensWalk and outside of M&T Bank Stadium gate entrances prior to kickoff.

MARYLAND FOOD BANK (MFB) FAST FACTS:

- For more than 40 years, MFB has been leading the fight against hunger in the state.
- The organization supports a food assistance network of more than 350 community organizations statewide that collectively provide nearly 1,450 distribution points with much-needed food for their local communities.
- In response to the COVID-19 pandemic, MFB distributed enough food to provide nearly 62 million meals in FY21.
- The MFB is mostly in need of healthy non-perishable food items, including canned proteins like tuna, chicken and peanut butter, canned fruits and vegetables, shelf-stable milk, breakfast items, rice and pasta.

PACK TO GIVE BACK

On Friday (11/5), Baltimore Ravens staff joined other area businesses, including M&T Bank and the Baltimore Orioles, for a holiday meal packing event at Guinness Brewery to support the Maryland Food Bank.

During the event, volunteers packed 5,000 meal boxes, each to be paired with a turkey and distributed at a later date to soup kitchens, pantries and shelters throughout Maryland.
