## PLAY 60 YOUTH MILITARY COMBINE

Ravens players **S Omar Brown**, **S Matt Elam**, **LB Jameel McClain**, **S Jeromy Miles**, **LB John Simon**, **WR Torrey Smith**, **WR Deonte Thompson** and **DT Brandon Williams** hosted a special youth football clinic for children whose parents currently serve in the U.S. Military on Tuesday (11/5) at Aberdeen Proving Ground. Official mascot Poe and Ravens cheerleaders were also in attendance for the clinic.

In conjunction with the NFL's military appreciation *Salute to Service* and *PLAY 60* campaign efforts, the Ravens provided this opportunity to communicate to the military youth the importance of physical activity in their everyday lives.

During the clinic, approximately 150 pre-registered participants, ages 7-14, learned about the fundamentals of football with military incorporation. Under the guidance of local football coaches and military personnel, the youth rotated through stations of drills, including pass patterns, tire flips, heads-up tackling and a military agility run.
