

## YOUR OFFICIAL PSL OWNER REWARDS RECAP

April 2023

### Building the Roster for the 2023 Season

The 2023 NFL Draft is officially in the books, which also brings us the most significant roster activity of the offseason. This draft class may have been our smallest since 2009, but that did not stop PSL Owner Rewards celebrating in special ways.

In this month's recap of the PSL Owner Rewards News, we will take a closer look at what some of our PSL Owners did both at 'The Bank' and live in Kansas City, the site of this year's annual festivities! Keep reading to hear more...

### Annual Ravens Draft Party Returns

*The Latest Installment of a Favorite Fan Tradition...*

Each year, in celebration of NFL Draft weekend, the Baltimore Ravens host a Draft Party to bring fans together at this important time of the year and to see who the newest members of the team will be. While all fans are invited to share the revelry, PSL Owner Rewards recognized some lucky PSL Owners with a special **VIP Experience** for this year's BBQ-themed party. **50 PSL Owners & their guests** were invited to enjoy a private space that included catered food, beverages, a giveaway and a private session with Kansas City's very own Pitmaster, **Megan Day!**

Kansas City is known for its incredibly tasty barbecue and Megan came up with her very own "PSL Blend" for guests to make on the spot and take home! After the private hands-on

session, she also took some time to speak to our lucky group of winners and sign autographs.

In addition to the private area, the Draft Party featured local food trucks, combine style drills on the field and giveaways. It was a great way to spend the evening at “The Bank” during the off-season and build the excitement for the 2023 season!

## Flying With the Flock

*PSL Owners invited to the Exclusive 2023 NFL Draft Inner Circle...*

What better way to watch the Draft than to be there up close, and personal?! Joined by nearly 800 fans across all 32 teams, **10 PSL Owners and their guest joined us in Kansas City** to be part of the exclusive Inner Circle - a select group of diehard fans that get an opportunity to experience Day 1 and Day 2 of the Draft alongside the nation's top collegiate players and their families. Oh, and seated in some of the best seats in the

house...front row just a couple steps away from the main stage!

Also seated near fans of the AFC North Division rival Steelers and Bengals, some banter and hostility was expected, however, the Draft theater was filled with the opposite...nothing but excitement and passion for what the future would bring for their teams!

The fun didn't end with front row seats for the show...it included many more surprises.

To kick off the evening, PSL Owner **Leslie Wilson**, from Annapolis, MD, joined Commissioner **Roger Goodell** on stage to hand off the jersey to the Ravens first pick. The Commissioner made his way off the stage to say hi to the Ravens Flock in the front row... but so did our newest Raven **WR Zay Flowers**!

To keep all the excitement going throughout the weekend, our very own Fan of the Year and PSL Owner **Katie Overly**, from Willow Street, PA, hit the stage on Day 3 to announce our picks live! You might've recognized her on the broadcast for her outstanding purple hair! [Check out the photo album from the Draft to relive those amazing moments with our special group of winners.](#)

April certainly kicked off some of the fun we can expect for PSL Owner Rewards in this upcoming season. The NFL Draft was a very successful one both on and off the board, but

May will be just as exciting, if not more, with the return of PSL Owners visiting "The Castle" for OTAs, Mini Camp and more!
