

OUR TEAM. OUR COMMUNITY.

2021 SIGNATURE PROJECT

During the offseason, the Baltimore Ravens hosted their annual volunteer day to establish new educational spaces at Baltimore City's Edgcombe Circle and Curtis Bay Elementary Schools. The Ravens Foundation's investment features multiple renovation projects at each school, with the goal of further supporting students and teachers as they return to the classroom following the COVID-19 pandemic.

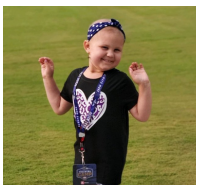

Ravens executives, including team president Dick Cass, comprised the nearly 100 volunteers who participated in the renovations. Coordinated in partnership with Heart of America, a national nonprofit focused on educational equity through space transformation and resource distribution, the objective of the project was to create educational spaces that are safe, innovative and vibrant learning environments, helping students thrive in the near and long-term future. In addition to installing peace and meditation rooms at both schools, volunteers assembled summer learning backpacks with STEM projects, reading materials and school supplies.

PLAY:60 GRANT

The Ravens Foundation, Inc. recently awarded \$100,000 in grants to 22 nonprofit organizations in the Baltimore area. The Ravens PLAY 60 Grant continues to provide financial support of up to \$10,000 for both new and expanding programs or endeavors that promote physical fitness and/or nutrition education among youth. Over the past 15 years, the Ravens PLAY 60 Grant has provided over \$1.5 million in funding to support these deserving programs.

After a year unlike any other, the Baltimore Ravens were excited to welcome fans back to the Under Armour Performance Center for Training Camp in July and August. Throughout camp, fans were able to enjoy practice, receive Ravens-themed giveaways, participate in a scavenger hunt, enjoy the Fan Zone activities and interact with players in a socially distanced autograph session after practice! Athletes Serving Athletes, LEVEL82 and Camp Inclusion were among the 12 community groups invited to camp this year.
