

Tickets to Washington Commanders (“Team”) games and other events held at FedExField are revocable licenses that only grant a one-time entry into the stadium or stadium grounds, as applicable, and, as applicable, a seat or event area, or, if specified on the ticket, a standing location, for the specified game or event (the “Event”) with no right of re-entry. **The person seeking entry pursuant to such license, and any accompanying minors or guests (“Holder”), agrees that such license is subject to these terms (“Terms”) and by purchase, acceptance, and/or use of such license, Holder is deemed to have read the Terms and has agreed to be bound by them.** Failure to comply with the Terms shall result in forfeiture of the license and all rights arising under it without refund and entitle the Team, the National Football League (“NFL”), and/or, if applicable, WFI Stadium Inc. (individually or collectively, “Management”) to pursue all legal remedies available. Admission may be refused or revoked and Holder may be ejected in Management’s sole discretion.

ALL TICKET SALES ARE FINAL. NO REFUNDS OR EXCHANGES EXCEPT AS PROVIDED HEREIN. THE SOLE AND EXCLUSIVE REMEDY if admission is refused or revoked, stadium capacity limitations result in ticket cancellation, or the Event is canceled and not rescheduled for any reason, or for any breach of the Terms, is a refund of up to the ticket price set by Management (“Face Value”). IN NO EVENT SHALL HOLDER BE ENTITLED TO ANY SPECIAL, CONSEQUENTIAL, INCIDENTAL, INDIRECT, OR EXEMPLARY DAMAGES OF ANY KIND INCLUDING, WITHOUT LIMITATION, ANY AMOUNT PAID IN EXCESS OF FACE VALUE FOR THE TICKET. ANY DISPUTE, CLAIM, OR CAUSE OF ACTION IN ANY WAY RELATED TO THE TICKET OR THE EVENT SHALL BE RESOLVED BY MANDATORY, CONFIDENTIAL, FINAL, AND BINDING ARBITRATION IN LANDOVER, MARYLAND. HOLDER AND MANAGEMENT AGREE THAT ALL DISPUTES SHALL BE ARBITRATED ON AN INDIVIDUAL BASIS. HOLDER UNDERSTANDS, ACKNOWLEDGES, AND AGREES THAT HOLDER IS WAIVING HOLDER’S RIGHT TO A COURT OR JURY TRIAL AND ANY RIGHT TO LITIGATE OR ARBITRATE ANY CLAIM AS A CLASS ACTION, REPRESENTATIVE ACTION, OR CLASS ARBITRATION. IF HOLDER DOES NOT CONSENT TO THIS CLAUSE, HOLDER MUST LEAVE OR NOT ENTER THE STADIUM. THIS CLAUSE IS GOVERNED BY THE FEDERAL ARBITRATION ACT.

The Event date and time (and gate opening) are subject to change at Management’s sole discretion, and no such change shall entitle Holder to a refund or other remedy if Holder cannot attend or for any other reason. Holder may be relocated in Management’s sole discretion, and no such relocation shall entitle Holder to a refund or other remedy if Holder is relocated to a seat or location of comparable Face Value.

Holder must comply with all Event policies including without limitation policies addressing security and fan conduct, health and safety, and bags. Holder and Holder’s belongings may be searched or assessed. **Prohibited items may be confiscated and Holder’s admission may be denied or revoked at Management’s sole discretion.** Holder consents to such searches and assessments and waives all related claims. If Holder does not consent, Holder acknowledges Management has the right to deny or revoke Holder’s admission without refund. **Management reserves the right to deny or revoke the admission of any person who it determines, in its sole discretion, poses a risk to the health or safety of other attendees or whose conduct violates these Terms, any Event policies, or is otherwise disorderly (or complicit therein) without refund.**

Holder agrees not to create, transmit, display, distribute, exploit, misappropriate, or sell (or aid in such activity) (1) in any form, any description or account (whether text, data, or visual, and including, without limitation, play-by-play data) of the Event or related events (collectively, “Descriptive Data”) for any commercial or non-personal, purpose; (2) any images, videos, audio, or other form of display or public performance or reproduction of any portion of the Event or related events (“Works”) for any commercial or non-personal purpose; or (3) livestreams of any portion of the Event or related events (“Livestreams”). Notwithstanding the foregoing, Holder agrees that by causing a ticket to be scanned upon entry to the Event or otherwise entering the Event, Holder shall be deemed to have signed the ticket and granted NFL an exclusive worldwide, irrevocable, perpetual, sub-licensable, royalty-free license to all rights associated with any Works, Livestreams, and Descriptive Data. Holder grants irrevocable permission to NFL, the Team, and their respective affiliates, sponsors, licensees, advertisers, broadcasters, designees, partners, and agents to use, publish, distribute, and/or modify Holder’s image, likeness, voice, actions, and statements in any medium including, without limitation, audio, video, or images of the Event for any purpose without further authorization or compensation, and waives all claims and potential claims relating to such use unless prohibited by law.

HOLDER VOLUNTARILY ASSUMES ALL RISKS, HAZARDS, AND DANGERS incident to the Event and related events, including the risk of personal injury (including death), exposure to communicable diseases, viruses, bacteria, or illnesses, or the causes thereof, or lost, stolen, or damaged property, whether occurring before, during, or after the Event, however caused, and hereby waives all claims and potential claims relating to such risks, hazards, and dangers. **NOVEL**

CORONAVIRUS SARS-COV-2 (TOGETHER WITH ANY VARIATION THEREOF, “COVID-19”) IS AN EXTREMELY CONTAGIOUS DISEASE THAT CAN LEAD TO SEVERE ILLNESS AND DEATH. THE CDC ADVISES THAT SENIOR CITIZENS AND THOSE WITH UNDERLYING MEDICAL CONDITIONS ARE ESPECIALLY VULNERABLE. AN INHERENT RISK OF EXPOSURE TO COVID-19 EXISTS IN ANY PLACE WHERE PEOPLE ARE PRESENT. BY ENTERING THE STADIUM AND STADIUM GROUNDS, HOLDER VOLUNTARILY ASSUMES ALL RISKS RELATED TO EXPOSURE TO COVID-19.

Management is not responsible for lost, stolen, destroyed, duplicated, or counterfeit tickets and may refuse to honor them. Tickets may not be used for, or in connection with, any form of commercial purposes including, without limitation, advertising, promotions, contests, sweepstakes, giveaways, gambling, or gaming, without the express written consent of the Team and NFL. Use of tickets in violation of law is strictly prohibited and will result in seizure, revocation, and/or forfeiture of the license without refund.

RELEASE, WAIVER, & COVENANT NOT TO SUE. On behalf of Holder and Holder’s Related Persons, Holder releases and covenants not to sue each of the Released Parties with respect to any and all claims that Holder or any of Holder’s Related Persons may have or hereafter accrue, against any of the Released Parties, that relate to any of the risks, hazards, and dangers described above, including without limitation any and all claims that arise out of or relate in any way to Holder’s (1) exposure to COVID-19; (2) entry into, or presence within or around, the Event (including all risks related thereto, including without limitation in parking areas or entry gates) or compliance with any rules, regulations, or protocols applicable to the Event; or (3) interaction with any personnel of any of the Released Parties at the Event, in each case whether caused by any action, inaction, or negligence of any Released Party or otherwise.

As used herein:

“Related Persons” means Holder’s heirs, assigns, executors, administrators, next of kin, anyone attending the Event with Holder (which persons Holder represents have authorized Holder to act on their behalf for purposes of the release herein), and other persons acting or purporting to act on Holder’s or their behalf.

“Released Parties” means: (1) Pro-Football, Inc., WFI Stadium Inc., NFL Ventures, Inc., NFL Ventures, L.P., NFL and its member clubs, and each of their respective direct and indirect affiliates, administrators, designees, licensees, agents, owners, officers, directors, employees, contractors (and their employees) and other personnel; (2) the direct and indirect owners, lessees, and sublessees of FedExField and related stadium grounds (including, without limitation, parking areas and entry gates) (“Stadium”); (3) all third parties performing services at the Stadium; and (4) any parents, subsidiaries, affiliated and related companies, and officers, directors, owners, members, managers, partners, employers, employees, agents, contractors, subcontractors, insurers, representatives, successors, and/or assigns of each of the foregoing entities and persons, whether past, present, or future and whether in their institutional or personal capacities.

Fan Health Promise

You agree, on behalf of yourself and on behalf of any other person for whom you are obtaining this ticket, that you will not attend the Event if, under the CDC’s guidelines in effect at the time of the Event, it is recommended that, as of the date of the Event, you stay at home, quarantine, and/or isolate (*e.g.*, as a result of your testing positive, developing symptoms, or having a direct exposure to someone who has tested positive for COVID-19). For reference, the CDC’s current recommendations are available here: <https://www.cdc.gov/coronavirus/2019-ncov/your-health/quarantine-isolation.html>

Severability Clause

If any provision of this revocable license is determined to be invalid, illegal, or unenforceable, it shall be deemed severed and not affect the enforceability of any other provisions, which shall be enforced as if the revocable license did not contain the invalid, illegal, or unenforceable provision.

4. Cookies and Similar Technologies

We and others use cookies and similar technologies such as beacons, tags, HTML5 local storage, and scripts, to collect information from your browser or device. By using the Services, you acknowledge the use of cookies and similar technologies on the Services, subject to the cookie-related choices we make available to you and, where required by law, your additional consent.

The following types of cookies are used on our Services:

- Strictly necessary cookies: These cookies are necessary for the Services to function and cannot be switched off in our systems. They are usually only set in response to actions made by you which amount to a request for Services, such as setting your privacy preferences, logging in, or filling in forms. You can set your browser to block or alert you about these cookies, but some parts of the Services will not then work.
- Functional cookies: These cookies enable the Services to provide enhanced functionality and personalization. They may be set by us or by third party providers whose services we have added to our pages. If you disable these cookies then some or all of these services may not function properly.
- Performance cookies: These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our Services. They help us to know which pages are the most and least popular and see how visitors move around the Services. If you disable these cookies we will not know when you have visited our Services, and will not be able to monitor its performance.
- Targeting cookies: We partner with third party advertisers to serve and display advertising on the Services and elsewhere online across different sites and services. These partners may use cookies and other tracking technologies to collect information about your activities across different websites and services to build a profile of your interests and provide you with relevant advertising (“targeted advertising”). This is typically done based on uniquely identifying your browser and internet device. If you disable these cookies, you will experience less targeted advertising.

To disable optional cookies, please utilize the Cookie Settings of the applicable website. Additional choices, including with respect to targeted advertising, are described below under [Your Other Choices](#).

You also may be able to reject cookies and similar technologies through your browser settings. If you reject cookies through your browser settings, you may still use our Services, but your ability to use certain features may be limited.

5. Social Networking

The NFL works with certain third-party social media providers to offer you their social networking services through our Services. For example, you can use third-party social networking services to share information about your experience on our Services with your friends and followers on those social networking services. These social networking services may be able to collect information about you, including your activity on our Services. These third-party social networking services also may notify your friends, both on our Services and on the social networking services themselves, that you are a user of our Services or about your use of our Services, in accordance with applicable law and their own privacy policies. If you choose to access or make use of third-party social networking services, we may receive information about you that you have made available to those social networking services, including information about your contacts on those social networking services. Your interactions with those social networking services are governed by the privacy policy of the company providing the relevant service. You also may be able to link an account from a social networking service (e.g., Facebook, Twitter, or Snapchat) to an account through our Services. This may allow you to use your credentials from the other site or service to sign into certain features on our Services. If you link your account from a third-party site or service, we may collect information from those third-party accounts, and any information that we collect will be governed by this Privacy Notice.

6. Links to Other Websites

The Services may contain links to other websites or online services that are operated and maintained by third parties and that are not under our control or maintained by us. Such links do not constitute an endorsement by us of those other websites, the content displayed therein, or the persons or entities associated therewith. This Privacy Notice does not apply to this third-party content. We encourage you to review the privacy policies of these third-party websites or services.

7. Data Security and Data Integrity

The security and confidentiality of your personal information is very important to the NFL. We have implemented technical and organizational safeguards designed to appropriately protect your personal information against accidental, unauthorized, or unlawful access, use, loss, destruction, or damage. Still, no system can be guaranteed to be 100% secure. As a result, while we strive to protect your information and privacy, we cannot guarantee or warrant the security of any information you disclose or transmit to the Services and cannot be responsible for the theft, destruction, or inadvertent disclosure of your information.

8. Data Transfers

When we transfer your personal information to third parties as described in this Privacy Notice, some of these parties may be located in countries other than your own, such as the United States, whose privacy and data protection laws may not be equivalent to those in your country of residence. When we transfer your personal information to other countries, we apply appropriate safeguards, to protect your information in accordance with applicable laws. For example, some NFL entities implement measures such as standard data protection contractual clauses to ensure that any transferred personal information remains protected and secure. A copy of these clauses can be obtained by emailing enquiries@nfl.com. If you would like to know more about the processing of your personal information and whether your personal information is transferred to a third country, please contact us using any of the methods described in [Contact Us](#).

9. Data Retention

We will retain your information for as long as reasonably necessary for the purposes set out above, considering criteria such as applicable rules on statute of limitations, any legal requirements to retain your personal information in light of compliance obligations, any relevant litigation or regulatory investigations and to enable the NFL to defend or bring potential legal claims, the sensitivity of the relevant information, and the duration of your use of the Services.

10. Children's Privacy

We do not knowingly collect personal information from children as defined by local law. If we learn that a child has provided us with personal information, we will delete it or otherwise comply with applicable law.

11. Communications and Geolocation Preferences

You may choose to receive promotional emails, text messages, newsletters, push notifications, and similar communications from us. You may opt out of receiving commercial emails from the applicable Member Club or other members of the NFL Family by clicking on the opt-out or "unsubscribe" link included in the commercial emails you receive. You may opt out of receiving marketing text messages from the applicable Member Club or other member of the NFL Family by replying "STOP." You may also opt out of receiving push notifications by turning off push notifications through your device settings. If you have multiple accounts or relationships with different Member Clubs or other NFL entities, you may need to opt out separately for each account and relationship in relation to these choices. In addition, if you would like to opt out of receiving push notifications on all of your devices, you must turn off the feature on each device.

Please note that opt-out requests may take some time to be effective where permitted by applicable law. Your opt-out requests will not apply to messages that you request or that are not commercial in nature. For example, we may contact you concerning any purchases you have made with us, even if you opt out of receiving unsolicited commercial email messages. You may also have choices available to you to opt out of the collection of your geolocation information, whether collected through location services, Bluetooth, or microphone access technology. Where collected, this information may be used in accordance with local laws to serve and display advertising relevant to your location. To understand your choices and opt out if desired, please visit your device settings.

12. Your Other Choices

You may have additional choices depending on where you live. In some jurisdictions, you may have the right to opt out of the sale of your personal information and the sharing or processing of personal information for targeted advertising purposes. You can exercise these opt-out choices by clicking the "Your Privacy Choices" link at the footer of our sites or by clicking [here](#).

If you wish to opt out of the sale or sharing for targeted advertising of online data through the use of cookies and similar technologies, please utilize the Cookie Settings of the applicable website. Our websites also support the Global Privacy Control ("GPC"), which is a browser-based opt-out preference signal that can communicate your opt-out to the websites you visit. For more information on how the GPC works, visit their website [here](#). Because the GPC is browser-based, note that your choices will be tied to online data that is associated with your browser, and you should enable the signal separately for each browser and/or device from which you would like to be opted out.

Note that we do not knowingly sell or share the personal information of consumers under 16 years of age.

You may also have additional choices available to you, such as certain vendor-specific choices, including:

- You can opt out of receiving some types of ads by managing your preferences at <https://optout.aboutads.info/>.
- Certain of our Services may feature Nielsen proprietary measurement software, which will allow users to contribute to market research, such as Nielsen TV Ratings. Nielsen believes that you should have a choice about whether to contribute to our research and insights. To learn more about Nielsen measurement and your choices, including how to opt out, please visit <http://www.nielsen.com/digitalprivacy>.

- We may participate in the Adobe Marketing Cloud Device Co-op to better understand how you use our website and apps across the various devices you use, and to deliver tailored promotions. Learn more about how Adobe does this at <https://cross-device-privacy.adobe.com>.

Do-Not-Track Signals: Some web browsers may transmit "do-not-track" signals to the websites with which the user communicates. Because of differences in how web browsers incorporate and activate this feature, it is not always clear whether users intend for these signals to be transmitted, or whether they even are aware of them. Because there currently is no industry standard concerning what, if anything, websites should do when they receive such signals, we currently do not take action in response to these signals. If and when a final standard is established and accepted, we will reassess how to respond to these signals.

13. Data Subject Rights

You may be afforded, in accordance with applicable law, the following rights:

1. To access the information that we have collected about you in a portable and (if technically feasible) readily usable form, including the categories and specific pieces of personal information that we have collected about you, the categories of sources for that information, the business or commercial purposes for collecting, selling, or sharing the information, and the categories of third parties with which the information was shared.
2. To delete the personal information the NFL has collected about you.
3. To correct inaccurate personal information we have collected about you.
4. To object to or request the restriction of processing of your personal information.
5. To withdraw your consent.

To exercise your access, deletion, and correction rights, please submit your request by visiting our [Data Subject Request Portal](#). California residents may also exercise their rights under applicable law by calling 1-855-265-6894. If you would like to object to, or request the restriction of, processing of your personal information, withdraw your consent, or if you are otherwise not able to submit a request via the portal above or toll-free number, you can contact the NFL by filling out an inquiry [here](#). Once we receive your request, we may verify it by requesting information sufficient to confirm your identity. If you would like to use an authorized agent to exercise your rights, we may request evidence that you have provided such agent with power of attorney or that the agent otherwise has valid written authority to submit requests to exercise rights on your behalf.

We reserve the right to deny requests as allowed by applicable law, such as where we have a reasonable belief that the request is fraudulent, where your identity cannot be confirmed, or where the NFL must retain your information consistent with applicable law. You can, however, appeal those requests that we deny by submitting a request [here](#).

You may also be afforded, in accordance with applicable law, the right to limit certain uses and disclosures of sensitive personal information. You can exercise this right, if applicable, by clicking the "Your Privacy Choices" link at the footer of our sites or by clicking [here](#). Please note that we may still maintain, use, and disclose your sensitive personal information for certain purposes, such as to provide you with services that you have requested, protect the safety and security of services, and comply with our legal obligations.

We will not discriminate against you for exercising your rights and choices, although some of the functionality and features available to you may change or no longer be available to you.

14. NFL Events

Information When You Attend An NFL Event: When you attend an NFL-event or NFL co-hosted event, including NFL games at an NFL stadium or at a third party stadium or other NFL fan events (including events at which a fan mobile pass is utilized) ("NFL Event"), we may capture your image, voice and/or likeness, including through the use of CCTV cameras and/or when we film or photograph you in a public location at an NFL Event. You should therefore expect to be filmed or photographed by CCTV and/or by cameras when you are in a public location at an NFL Event (e.g., as an audience-member in the stadium if you are attending a game). In addition to describing how we capture and use your image, voice and/or
