NEW ORLEANS SAINTS [2-5] AT LOS ANGELES CHARGERS [3-3]

GAME #8

SUNDAY, OCTOBER 27, 2024 - 3:05 P.M. (CST)

SOFI STADIUM - INGLEWOOD, CA.

THE MATCHUP

The New Orleans Saints [2-5] will play an AFC West opponent for the third consecutive week in 2024 on Sunday, Oct, 27, when they face the Los Angeles Chargers [3-3] at SoFi Stadium in Inglewood, Calif. The Saints, who dropped a 33-10 contest to the Denver Broncos at the Caesars Superdome on Thursday night, will look to break a five-game losing streak and get back on the winning track against a team they have had a recent history of success against. Dating back to 2008, the Saints have won their last four meetings with the Chargers, including contests played in London, England, New Orleans and San Diego. The Chargers will be trying to endure a short week of preparation following a 17-15 loss to the Arizona Cardinals on Monday Night Football.

Forced to withstand injuries at the quarterback position, the wide receiver corps and on the offensive line, RB **Alvin Kamara** has been the stalwart for the New Orleans offense. Leading the team in both rushing and receiving, Kamara has carried 111 times for 438 yards with six touchdowns and caught 34 passes for 252 yards with one touchdown. Kamara leads NFL running backs in receiving, is tied for third in the league in rushing touchdowns and total touchdowns [seven] and ranks fourth in total yards from scrimmage [690]. With 6,267 career rushing yards, Kamara is 234 yards from becoming the franchise's all-time leader. Many of Kamara's big plays have come behind the blocking of rookie T **Taliese Fuaga**, the club's first round pick, who has opened every contest at the left tackle position after playing on the right side at Oregon State.

Defensively, the club's newcomers and younger defenders have taken active roles alongside established leaders. CB **Alontae Taylor** has played in every game and has posted 41 tackles, seven stops for loss, 3.5 sacks, two forced fumble and six pass breakups, while his quarterback takedown and tackles for loss totals lead NFL defensive backs. Second-year DT **Bryan Bresee**, the team's first round pick in 2023, leads the team with four sacks. LB **Willie Gay Jr.**, an unrestricted free agent acquisition from Kansas City, leads the team and is tied for first in the NFL with two fumble recoveries, while S **Tyrann Mathieu** is tied for the team lead with three takeaways.

This Week In The NFC South: The Tampa Bay Buccaneers will host the Atlanta Falcons and the Carolina Panthers will play at the Denver Broncos.

THE HEAD COACHES

Dennis Allen was hired as the 17th head coach in New Orleans Saints history on February 8, 2022. Now in his 29th year coaching and 23rd in the NFL, Allen has spent 14 seasons

in New Orleans in two separate stints, including six-and-a-half campaigns (2015-21) as the team's defensive coordinator prior to being promoted to head coach.

During his 23 years of coaching in the NFL, Allen has worked with 13 players who have combined for 26 Pro Bowl selections and he has also coached two *Associated Press* NFL Defensive Rookie of the Year winners and three members of the Pro Football Hall of Fame.

Allen's defenses have consistently been among the most productive in the NFL in a number of categories, including scoring defense, total yards allowed and sacks. The team's defensive play-caller since the middle of the 2015 season, the Saints are the only team in the National Football League to rank in the top ten in opponent points per game each of the past four seasons.

In 2023, Allen guided the Saints to win four of their last five games as the team turned in a 9-8 performance, narrowly missing the playoffs. New Orleans finished 5-3 at home, winning their last three at the Caesars Superdome and captured their last three division contests, including convincing victories over Tampa Bay and Atlanta to close the season.

Prior to rejoining the Saints in 2015, Allen served as head coach of the Oakland Raiders from 2012-14 and as defensive coordinator of the Denver Broncos in 2011.

Allen played safety at Texas A&M from 1992-95, where he started the final 21 games of his career before being signed as an undrafted free agent by the Buffalo Bills in 1996. Prior to entering the National Football League coaching ranks in 2002, Allen served as a graduate assistant at his alma mater from 1996-99 and as a secondary coach at the University of Tulsa from 2000-01. He earned a bachelor of business administration degree and a master's in kinesiology from Texas A&M.

Raised in Hurst, Texas, Allen and his wife Alisson have a daughter, Layla and a son, Garrison.

Jim Harbaugh returns to the Chargers as the 19th head coach in franchise history, bringing with him a winning culture, posting a 144-52 record as a collegiate head coach and a 52-25-1 record as an NFL head coach. Har-

baugh rejoined the Chargers after spending the past nine years at his alma mater as head football coach for the University of Michigan

Over the last nine seasons at Michigan, he led the Wolverines to an 86-25 record along with three consecutive Big Ten Championships, three straight appearances in the College Football Playoff and a perfect 15-0 record and the 2023 National Championship during his final season in Ann Arbor. During his nine years at Michigan, he coached the top defense in the nation, allowing just 291.0 yards per game in that span. Michigan had a top-five defense in the country five times over those nine seasons, including the top-ranked defense in the nation twice. Harbaugh returned to his alma mater after spending four seasons (2011-14) as the head coach of the San Francisco 49ers, leading the team to a 49-22-1 record and three consecutive NFC Championship Games, including a victory in 2012 to represent the NFC in Super Bowl XLVII. He was named 2011 NFL Coach of the Year by the *Associated Press* after his first season with San Francisco, when he led the 49ers to an NFC West division crown with a 13-3 record.

Prior to joining San Francisco, he spent four years as head coach at Stanford (2007-10). Harbaugh got his first head coaching position at the University of San Diego (2004-06) after spending two seasons as an offensive assistant with the Oakland Raiders (2002-03). He worked as an assistant for his father, Jack Harbaugh, at Western Kentucky during his NFL playing career.

Harbaugh played quarterback at Michigan (1982-86) before playing 15 seasons in the NFL with the Chicago Bears (1987-93), Indianapolis Colts (1994-97), Baltimore Ravens (1998), Chargers (1999-2000) and Carolina Panthers (2001).

Personal: Born Dec. 23, 1963, in Toledo, Ohio. Harbaugh and his wife, Sarah, have two daughters - Addison and Katherine - and two sons - Jack and John. He also has three adult children - Jay, James Jr. and Katherine.

LAST MEETING

Saints 30, Los Angeles Chargers 27; October 4, 2020 @ Mercedes-Benz Superdome - Wil Lutz kicked a 36-yard field goal with 5:08 left in overtime and New Orleans' defense stopped Chargers receiver Mike Williams just short on fourth down to preserve a 30-27 victory over seemingly star-crossed Los Angeles on Monday Night Football.

Chargers kicker Michael Badgley, who missed his first career point-after kick wide right in the first quarter, had a chance to redeem himself after Williams' leaping catch between two defenders put the Chargers on the Saints' 32-yard line in the final seconds. But Badgley's 50-yard kick as time expired bounced off the right upright.

"The young man's been kicking outstanding. He's got to do better but we could have done some other things better," Chargers coach Anthony Lynn said.

Drew Brees rushed for a one-yard touchdown and hit TE Jared Cook for a 41-yard score as the Saints rallied from a 17-point deficit in the second quarter.

"This is how you grow as a team," Brees said. "This is how you become battle-tested – and I think it pays dividends."

Rookie Justin Herbert's fourth touchdown pass of the game, a 64-yarder to Michael Williams, briefly put Los Angeles back in front before the Saints [3-2] tied it on Taysom Hill's nine-yard run with 52 seconds left in regulation.

The Chargers [1-4] fell to their fourth straight loss by a touchdown or less, and the second in overtime. They also blew a 17-point lead for a second straight game.

"Never thought this team would lose four straight. We've put ourselves in position, but we didn't get it done," Lynn said. "We have to finish these damn games."

Herbert, who was named the starter for the remainder of the season, finished 20 of 34 for 264 yards without an turnover. Five of his completions went to Williams for 109 yards and two TDs.

Brees finished 33 of 47 for 325 yards, including 12 completions to Emmanuel Sanders for 122 yards, as his 13 career overtime wins a starting quarterback broke a tie with Tom Brady since it was instituted in 1974. Kamara had 119 yards from scrimmage, highlighted by his leaping, juggling catch along the right sideline over the head of safety Rayshawn Jenkins to set up Hill's tying TD.

DATING GAME

This week's game at the Los Angeles Chargers is being played on October 27. The Saints are 3-4 on October 27, having won their last two meetings on the day. The Black and Gold have played six teams on the date, the Cardinals twice. The Saints will be looking to win their third consecutive contest on the date of October 27 and their first on the road. Here is a brief look at New Orleans' October 27 games:

1968 - The Saints lose to the St. Louis Cardinals, 31-17 at Busch Stadium.

1974 - The Saints defeat the Philadelphia Eagles 14-10 at Tulane Stadium on the strength of an eight-yard rushing touchdown by RB Jess Phillips with 1:10 left.

1985 - New Orleans falls to the New York Giants 21-13

1991 - The Saints fall to the Chicago Bears 20-17 at the Superdome to drop to 7-1, breaking what was their best start to a season. QB Jim Harbaugh, head coach of the Chargers, completed a 12-yard touchdown pass to WR Tom Waddle with 54 seconds left.

2002 - New Orleans falls to Atlanta, 37-35 at the Superdome to fall to 6-2.

2013 - New Orleans defeats the Buffalo Bills 49-17 to improve to 6-1 as QB Drew Brees threw five touchdowns passes.

2019 - New Orleans improves to 7-1 as Brees returns after missing five games with a thumb injury to throw three touchdowns in a 31-9 win over Arizona at the Superdome.

NEXT WEEK

Following the Chargers contest, the Saints will go out on the road for the second consecutive week, when they travel to the east coast to play the Carolina Panthers at Bank of America Stadium on November 3. The contest will have a 12:00 p.m. CT kickoff and will be regionally televised on CBS [WWL 4 locally]. The Saints lead the Panthers 31-28 in the all-time regular season series, as well as a 2017 NFC Wild Card Playoff victory. Following a 47-10 season-opening win over the Panthers on September 8 at the Caesars Superdome, New Orleans will be looking for their second consecutive series sweep.

2024 GAME SUMMARIES

WEEK 1: Saints 47, Panthers 10; Sept. 8, 2024 @ Caesars Superdome - The Saints, behind three **Derek Carr** touchdown passes, two rushing touchdowns and four **Blake Grupe** field goals, defeated the visiting Carolina Panthers, 47-10, at the Caesars Superdome.

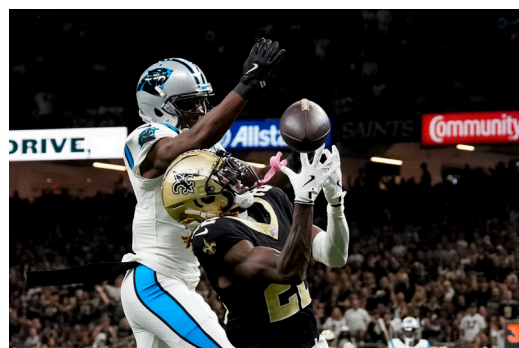

The Saints jumped out to a 30-0 lead, scored on their first nine possessions (tying a club record for scores on consecutive possessions) and held the ball for 36:39 in time of possession en route to the highest scoring total and most lopsided opening day result in team history. New Orleans won their sixth consecutive season opener, a club record and the current longest opener winning streak in the NFL.

The New Orleans defense also displayed their mettle, allowing only 193 total net yards of offense by the Panthers and held the Panthers to just one of ten third downs.

The Saints defense recorded three takeaways and CB **Alontae Taylor** became the first Saints defensive back to record three sacks in a contest, but fans were excited by the debut of a new-look offense that helped the Saints control the clock with a rushing game that gained 180 yards and two touchdowns largely behind **Alvin Kamara's** 83 yards. Carr completed 19-of-23 passes (82.6 pct.) for 200 yards with three touchdown passes, zero interceptions and a 142.5 passer rating. The New Orleans defense harassed Carolina QB **Bryce Young** all day, as he completed only 13-of-30 passes for 161 yards with two interceptions and a 32.8 passer rating.

- With the victory, the Saints improved to 23-35 in season openers and extend their club-record winning streak of season openers to six straight, currently the longest streak in the National Football league.
- WR/RS **Rashid Shaheed** led New Orleans with 73 receiving yards on three receptions (24.3 avg.) with one touchdown reception from 59 yards out, the longest play of the game. Including 60 punt return yards, sparked by a 47-yard runback and a 33-yard kickoff return, Shaheed finished with 163 all-purpose yards to start the season.

- Carr connected with two of his tight ends, **Juwan Johnson** and **Foster Moreau** for touchdowns.
- 17 players made their Saints debuts: T **Taliese Fuaga**, G **Lucas Patrick**, LB **Willie Gay Jr.**, DB **Will Harris**, QB **Jake Haener**, WR **Cedrick Wilson Jr.**, CB **Kool-Aid McKinstry**, WR **Bub Means**, CB **Rico Payton**, P **Matthew Hayball**, LB **Khaleke Hudson**, LB **Anfernee Orji**, OL **Oli Udoh**, WR **Mason Tipton**, DTs **Kendal Vickers** and **Khristian Boyd** and DE **Chase Young**.
- With 83 yards rushing and five receptions for 27 yards, Kamara's 110 total yards from scrimmage gave him his 50th career game of at least 100 yards from scrimmage.

WEEK 2: Saints 44, Cowboys 19; Sept. 15, 2024 @ AT&T Stadium - The Saints posted an impressive road victory at Dallas behind the powerful offensive firepower of RB **Alvin Kamara**, the arm of QB **Derek Carr**, the hands of WRs **Chris Olave** and **Rashid Shaheed** and two interceptions by the defense.

The Saints struck first on the opening drive as Carr led the offense down the field on a sequence ending with Kamara rushing for a five-yard touchdown. - A stingy Saints run defense held the Cowboys to 68 yards rushing on 21 carries [3.2 avg.].
- The 91 points by New Orleans in their first two games are tied for the second-most in NFL history through the first two games of a season, behind the Saints' 93 point total in 2009.

WEEK 3: Eagles 15, Saints 12; Sept. 22, 2024 @ Caesars Superdome - Philadelphia S **Reed Blankenship** intercepted Saints QB **Derek Carr** with 48 seconds left to preserve a 15-12 win over New Orleans in the Caesars Superdome.

However, upon the Eagles getting the ball back, Philadelphia QB **Jalen Hurts** completed a pass to TE **Dallas Goedert** for a 61-yard gain and Barkley punched in a touchdown from four yards in. The Eagles improved to 2-1, while the Saints fell to 2-1.

2024 GAME SUMMARIES

EAGLES VS. SAINTS (CONT.)

- Mathieu's interception was the 35th of his career since coming into the league in 2013. He and Minnesota's Harrison Smith are tied as the NFL's interception leaders among active players.
- Dating back to Week 17 of the 2023 season, New Orleans has won the takeaway battle in five consecutive contests.

WEEK 4: Atlanta Falcons 26, Saints 24; September 29, 2024 @ Mercedes-Benz Stadium - Despite several significant injuries going into the contest and in-game, the Saints took the Falcons to the limit before dropping a 26-24 heartbreaker at Mercedes-Benz Stadium.

Atlanta kicker **Younghoe Koo's** 58-yard field goal with two seconds left was the difference. New Orleans rebounded from a fumbled punt return for a touchdown early in the first quarter to reach the end zone on rushing touchdowns by TE **Taysom Hill** on their first two offensive possessions, his first two scores of the season, before departing with an abdomen injury.

Atlanta took the lead back in the second quarter at 17-14 on a 53-yard Koo field goal and a 44-yard **Troy Andersen** interception return for a touchdown. Koo added to the scoring with a 44-yard field goal midway through the third quarter and then **Blake Grupe** and Koo traded field goals with the Falcons taking the end for the majority of the third and fourth quarters until QB **Derek Carr** engineered a nine-play, 42-yard drive ending with a one-yard touchdown run by RB **Alvin Kamara** with one minute left to pull ahead, 24-23. But Atlanta rallied, as the Falcons gained 30 yards on a pass interference penalty to set up Koo's 58-yard kick.

WEEK 5: Kansas City Chiefs 26, Saints 13; October 7, 2024 @ GEHA Field at Arrowhead Stadium - Despite missing five starters due to various injuries, the New Orleans Saints put forth a valiant effort in a 26-13 loss to the defending Super Bowl champion Kansas City Chiefs on Monday Night Football, closing to within three points early in the fourth quarter before the Chiefs had a late ten-point scoring outburst.

After falling behind 10-0 in the contest, New Orleans moved to within three points midway through the second quarter when QB **Derek Carr** found WR/RS **Rashid Shaheed** for a 43-yard touchdown pass to cap a seven-play, 74-yard drive.

But after Kansas City milked the clock for a 15-play, 44-yard drive that ended with a 34-yard field goal by K **Harrison Butker**, the Chiefs forced a quick three-and-out and drove down the field for a 28-yard field goal. The two successful kicks late in the second quarter gave the Chiefs a 13-7 halftime lead.

New Orleans would rally with a 37-yard interception return by DT **Khalen Saunders** that set up a six-yard touchdown connection between Carr and TE **Foster Moreau**, but the Chiefs then ran down the field in five-plays and 68 yards, extending their lead to ten on a three-yard rushing touchdown by rookie WR **Xavier Worthy**.

WEEK 6: Tampa Bay Buccaneers 51, Saints 27; October 13, 2024 @ Caesars Superdome - With the Buccaneers evacuated to New Orleans for their practice week due to Hurricane Milton, the Saints got caught in a storm of emotion and offensive production by Tampa Bay in a loss that dropped them to 2-4. Tampa Bay, who scored 24 unanswered points in the second half after trailing 27-24 at halftime, had 595 total yards of offense.

In the contest, QB **Spencer Rattler** made his first career NFL start in place of an injured **Derek Carr** [oblique]. Rattler completed 22-of-40 passes for 243 yards with a ten-yard touchdown pass to fellow rookie wide receiver **Bub Means** and two interceptions. Rattler also utilized his feet with four carries for 27 yards.

Buccaneers QB **Baker Mayfield** overcame three second quarter interceptions to complete 24-of-36 passes for 325 yards with four touchdown passes. He was aided by a ground game that added 277 yards and two touchdowns.

Mayfield and the Buccaneers jumped out to a 17-0 first quarter lead, but New Orleans would rally. Special teams provided a spark to put the team back into it. WR/RS **Rashid Shaheed** returned a punt 54 yards for a touchdown early in the second quarter to put the Saints within seven. On Tampa Bay's next possession, CB **Paulson Adebo** intercepted Mayfield and K **Blake Grupe** drilled a 29-yard field goal.

2024 GAME SUMMARIES

TAMPA BAY VS. SAINTS (CONT.)

Two plays after the field goal, S **Johnathan Abram** intercepted a tipped pass and returned it 30 yards to the Tampa Bay ten-yard line. Rattler then connected with fellow rookie WR **Bub Means** for a ten-yard touchdown to put New Orleans ahead 20-17. After Tampa Bay took the lead quickly on a Mayfield touchdown pass, the Saints responded with a seven-play, 70-yard drive that ended with a four-yard rushing touchdown by RB **Alvin Kamara** to give the Saints what would be a 27-24 halftime lead.

The two clubs traded punts on the first two possessions of the third quarter, but on New Orleans' second possession of the quarter, Tampa Bay turned up the heat on Rattler with two straight sacks on first and second down, forcing a punt. On Tampa Bay's next drive, Mayfield connected with WR **Chris Godwin** on a 55-yard touchdown to give the Buccaneers the lead for good on the afternoon.

WEEK 7: Denver Broncos 33, Saints 10; October 17, 2024 @ Caesars Superdome - Difficulties on third down and a standout performance on the ground by the Broncos offense combined to give the Saints their fifth consecutive loss.

The Broncos and Saints traded punts on their first possessions. Denver scored when they got the ball back for their second possession on a 46-yard **Wil Lutz** field goal. Broncos LB **Cody Barton** then sacked Saints QB **Spencer Rattler** and forced him to fumble with the recovery by LB **Kwon Alexander**. at the Denver 45-yard line, setting up for a 32-yard Lutz field goal.

The Saints were forced to punt on their first possession of the second quarter and Broncos QB **Bo Nix** engineered an eight-play, 86-yard drive that ended with an eight-yard touchdown run by RB **Javonte Williams** to give Denver a 13-0 lead. Nix matched a Saints field goal on his and Denver's next possession, successfully running a two-minute drill that gave the Broncos a 16-3 halftime lead following a 52-yard Lutz field goal.

Denver broke open the contest in the third quarter, where they forced three New Orleans punts and added on a 38-yard field goal by Lutz and a five-yard rushing touchdown by Williams to take a 26-3 edge going into the final period.

The Broncos scored their final points of the evening with just over four minutes remaining in the fourth quarter when CB **Ja'Quan McMillian** sacked Rattler and forced him to fumble, with the ball recovered by Barton and returned 52 yards for a touchdown. With QB **Jake Haener** entering the contest to allow Rattler to rest a hip pointer injury, New Orleans would achieve some offensive rhythm to end the contest when Haener engineered a 11-play, 79-yard drive that ended with a 12-yard touchdown pass to WR **Cedrick Wilson Jr.**, the second-year signal-caller's first career touchdown pass and the sixth-year wideout's first scoring grab as a Saint.

TEAM NOTES

EVANS SELECTED TO SAINTS RING OF HONOR

Former Saints G Jahri Evans will be inducted into the club's Ring of Honor during a halftime ceremony of the team's contest against the Cleveland Browns on November 17.

Evans, 6-4, 318, was originally a fourth round draft pick (108th overall) of the Saints in 2006 out of Bloomsburg and developed into an anchor for one of the most dominant offenses in NFL history during his tenure with the Saints. The Philadelphia, Pa. native started all 169 regular season games he played in at right guard and all of the team's ten postseason contests during that period, including all three during the 2009 campaign when the Saints captured Super Bowl XLIV.

A five-time Associated Press All-Pro (2009-13), Evans was selected first-team four times, twice as much as any other Saint. Evans was selected to six straight Pro Bowls (2009-14) and was named to the Pro Football Hall of Fame's 2010's All-Decade Team. During his 11-year tenure, the Saints were ranked first in the NFL in total offense (net yards per game) six times (2006, 2008-09, 2011, 2014 and 2016) and in scoring (points per game) twice (2008-09). The 274 sacks surrendered by the Saints offensive line from 2006-16 were the lowest total in the NFL over the period and the unit was recognized twice (2009 and 2011) as the winner of the Madden Pro-tector Offensive Line Award.

Evans closed out his playing career starting 14 games at right guard for the Green Bay Packers in 2017, finishing with 183 total games played/started. A Pro Football Hall of Fame semifinalist in 2023 and finalist in 2024, Evans began his coaching career as an offensive assistant for the Saints in 2023.

BUCKING THE ODDS

The Saints have a long tradition of finding players as free agents signed after the draft that make an impact immediately or after developing their careers initially on the practice squad. Several undrafted Saints on the roster play key roles on offense, defense and special teams, including six undrafted rookies who are on the 53-man roster.

Over the past 21 years, the Saints (2018-22: defensive back **J.T. Gray**, wide receiver/return specialist **Deonte Harty** and wide receiver/return specialist **Rashid Shaheed**) and San Diego/Los Angeles Chargers (2003: guard **Kris Dielman**, tight end **Antonio Gates** and wide receiver **Kasim Osgood**) are the only two teams to have three players signed as undrafted free agents be selected to a Pro Bowl for the team that originally signed them.

In 2023, Shaheed was no longer a secret around the National Football League, as he appeared in 15 games with six starts and caught 46 passes for 719 yards (club-best 15.6 avg.) with five touchdown grabs to tie for the team lead, including seven receptions of 40-or-more yards, while also carrying seven times for 37 yards and ranking second in the NFC and third in the NFL in punt return average (13.6) and tenth in the league in all-purpose yards (1,479), despite missing two contests with a quad injury. Tying for the team lead with six total touchdowns including a punt return touchdown, Shaheed was selected as both Pro Bowl starter as a return specialist and as a first-team *Associated Press* All-Pro as a punt returner.

An integral part of both the team’s offense and return game, Shaheed and the Saints agreed to a contract extension prior to the start of training camp. Through six games before suffering a season-ending knee injury vs. Tampa Bay, Oct. 13, Shaheed had 20 receptions for 349 yards (17.5 avg.) with touchdowns of 43-, 59- and 70 yards, carried six times for 29 yards, returned nine punts for a league-best 143 yards (NFL-high 15.9 avg.) and six kickoff returns for 171 yards (28.5 avg.). Rasheed’s 15.9 punt return average ranks first in the NFL and his 692 all-purpose yards rank fourth. Overall, since coming into the league in 2022, his 14 catches of 40 yards or more rank second in the NFL. With his second career punt return on a 54-yard runback on Oct. 13 vs. Tampa Bay, Shaheed joins Reggie Bush (4) and Tyrone Hughes (2) as only the third Saint with multiple punt returns for touchdowns.

PETE WERNER

New Orleans selected this three-year starter from Ohio State in the second round of the 2021 NFL Draft. The Indianapolis native finished his college career playing in 47 career games with 35 starts, recording 185 tackles (111 solo), 16 stops for loss, four sacks, 11 pass breakups, four forced fumbles and two fumble recoveries. Werner helped power the Buckeyes to the College Football Playoff championship game as a senior in 2020, when he was voted by the Big Ten coaches as a first-team All-Conference selection and a Butkus Award semi-finalist, posting 54 tackles, 2.5 stops for loss, one sack and two forced fumbles.

In four seasons, Werner has played in 47 games with 39 starts and has recorded 252 tackles (163 solo), a split sack, one interception, four pass breakups, two forced fumbles, two fumble recoveries and three special teams stops.

Werner finished the 2023 season ranked second on the team with 93 stops, a split sack, one interception, one pass breakup and two fumble recoveries, tied for the team lead. In the second week of 2024 training camp, he agreed to terms with the Saints on a three-year contract extension.

WILLIE GAY JR.

A contributor on defense for the back-to-back Super Bowl Champion Kansas City Chiefs, this sideline to sideline linebacker joined the Saints at the start of the 2024 free agency period. In five seasons, Gay has played in 63 regular season games with 53 starts, posting 243 tackles (157 solo), six sacks, four interceptions, including one returned for a touchdown, 21 pass breakups, three forced fumbles, six fumble recoveries and seven special teams stops. In nine postseason games played/starts, Gay has accumulated 29 stops, a split sack and three passes defended.

In his final season in Kansas City, Gay played in 16 regular season games with 15 starts for the Chiefs and finished the season with 58 tackles (44 solo), one sack, one interception, four pass breakups, one forced fumble and a career-high three fumble recoveries. In three postseason starts en route to the Super Bowl Championship, Gay collected nine more stops and one pass defense. Despite missing one contest with a hand injury, Gay leads the Saints in 2024 with two fumble recoveries.

ANFERNEE ORJI

After originally signed as an undrafted free agent out of Vanderbilt in 2023, where he led the Commodores in tackles in each of his final three seasons, Orji spent his entire rookie season on the club's practice squad. He received the opportunity to see extensive snaps in practice in training camp due to injuries to teammates Davis and Werner. In three preseason contests, Orji led the team with 20 tackles (team-high 13 solo), one stop for loss, two passes defended and three special teams stops, securing a 53-man roster spot. He ranks second on the team with ten special teams tackles and has added 15 defensive stops.

SECONDARY

S TYRANN MATHIEU

This versatile, hard-hitting, playmaking safety and New Orleans native enters his third season with his hometown team, signing after the 2022 NFL Draft. Mathieu has brought experience and leadership to the Saints secondary. He was originally selected by the Arizona Cardinals in the third round (69th overall) in the 2013 NFL Draft out of LSU and has played for the Cardinals (2013-17), Houston Texans (2018), Kansas City Chiefs (2019-21) and Saints (2022-). In 11 NFL seasons, he has played in 170 regular season games with 161 starts and has posted career totals of 800 tackles (655 solo), 43 stops for loss, 11 sacks for a loss of 78 yards, 35 interceptions for 524 return yards, four brought back for touchdowns, 101 passes defended, six forced fumbles, eight fumble recoveries and five special teams stops. Mathieu has been selected to three Pro Bowls, three Associated Press All-Pro teams and the Pro Football Hall of Fame's 2010's All-Decade Team.

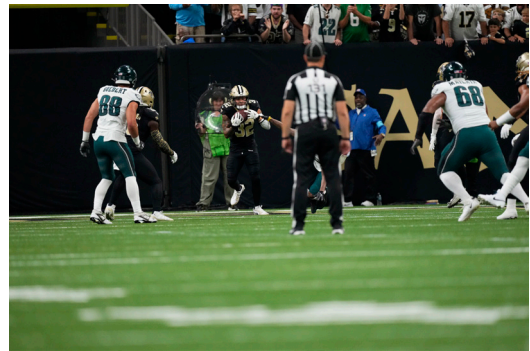

In his second season in New Orleans in 2023, Mathieu opened all 17 contests for the second consecutive campaign and finished with 75 tackles (50 solo), four interceptions, tied for seventh in the NFL and the team lead, returned for 122 yards with a TD and nine passes defended.

THE ONLY ONE

In 2024, Mathieu is his usual playmaking self. Through seven games, he has opened every contest at free safety and posted 28 tackles (21 solo), two interceptions, three pass breakups, one forced fumble and one fumble recovery. Mathieu is tied for ninth in the National Football League with two interceptions and is tied for first on the club with three total takeaways.

FOUR IN A ROW

Dating back to an interception in the 2023 season finale vs. Atlanta, recovering a fumble in the 2024 season opener vs. Carolina and picking off Dallas Cowboys quarterback Dak Prescott and Philadelphia Eagles signal-caller Jalen Hurts in Weeks Three and Four, Mathieu recorded a least one takeaway in four consecutive games for the first time in his career. Mathieu is the first Saints defender to record takeaways in four consecutive contests since safety Sammy Knight had at least one in five consecutive contests from Oct. 7-Nov. 4, 2001.

NOSE FOR THE BALL

Mathieu's 35 interceptions since coming into the NFL in 2013 are first in the league over the period after tying for the club lead with four picks in 2023 and leading the team with two in 2024. Mathieu's 35 career picks are tied for first among active players, with Vikings S Harrison Smith.

CB MARSHON LATTIMORE

Selected by the Saints in the first round (11th overall) of the 2017 NFL Draft Lattimore started all 13 games he appeared in. He totaled 53 tackles (44 solo), a forced fumble, one fumble recovery, five interceptions for 85 yards and 18 passes defended. As a rookie, Lattimore became the youngest Saint (21 years old) ever selected to the Pro Bowl and was voted as the AP NFL Defensive Rookie of the Year.

In his eighth season, Lattimore has started all 96 regular season games he has played in, recording 403 tackles (324 solo), 15 interceptions, 87 passes defended, five forced fumbles and five fumble recoveries, earning Pro Bowl honors in four seasons.

To open 2023, Lattimore came up with a standout performance in the opening win over Tennessee. In addition to his 15th career pick, to move him into a tie for eighth place in club record books in interceptions, he also finished with four passes defended, the third time in his career he has deflected at least four throws in a contest. In a season cut short by an ankle injury, he started the first ten games and posted 48 stops, one pick and eight passes defended. In 2024, he has opened five games and recorded 24 tackles and one pass defense, assigned to covering the top receiver of opponents.

GET A HAND ON

Lattimore's 87 passes defended since entering the NFL in 2017 are ranked fifth in the league.

CB PAULSON ADEBO

New Orleans' third round selection (76th overall) in the 2021 NFL Draft out of Stanford, Adebo overcame not playing college football in 2020 to make significant contributions to the Saints secondary in his first season with the club. The Texas native finished his college career playing in 22 games with 21 starts for Stanford and recording 97 tackles, 34 pass breakups and eight interceptions, earning All-Pac 12 honors in both 2018 and 2019.

Joining the starting lineup immediately as a rookie in 2021, Adebo has played in 50 games with 49 starts, posting 235 tackles, nine interceptions, 41 pass breakups, two forced fumbles, two fumble recoveries and two special teams stops.

Sharpened by an extensive training camp competition, Adebo enjoyed a breakout 2023 campaign. His season was highlighted by a two interception, three total takeaway performance in the Nov. 5, 24-17 win over Chicago that earned him NFC Defensive Player of the Week. Adebo finished with 76 tackles to lead the secondary, four interceptions, tied for first on the team with Mathieu, 18 pass breakups to rank third in the league, two forced fumbles and two fumble recoveries, also adding a pick on a two-point attempt in the Dec. 31, 23-13 win at Tampa Bay.

ALONTAE TAYLOR

Selected by the Saints in the second round (49th overall) of the 2022 NFL Draft out of Tennessee, Taylor shook off early injuries to play in 13 games with nine starts and posted 45 tackles (38 solo) and a club-best 11 pass breakups, ranked fourth among NFL rookies.

Moving to the nickel position in 2023, possessing extensive experience on the inside and the outside, Taylor appeared in all 17 games with 13 starts and recorded 75 tackles, his first two career interceptions and a career-high 14 pass breakups, tied for second on the team and ninth in the NFL.

In 2024, Taylor ranks third on the team with 41 tackles (31 solo), ranks second with 3.5 sacks and has added six passes defended and a team-best two forced fumbles..

DB DROP

In the Sept. 8 season-opening win over Carolina, Taylor became the first Saints defensive back to record three sacks in a contest since the statistic was officially recognized by the NFL in 1982. The only other defensive back to record three sacks on kickoff weekend is former Chargers S Rodney Harrison (vs. Buffalo, 9/6/98). After splitting a sack on Sept. 22 vs. Philadelphia, Taylor’s 3.5 sacks are the second-highest total by a cornerback in Saints record books behind Alex Molden’s four in 1997.

BREAKING UP

In 2022, Taylor was the first rookie since Lattimore to lead the Saints in pass breakups (11), and only the fourth in team history to do so (Saints did not track passes defended before 1980). He followed that up by finishing tied for second on the team with 14 in 2023.

POSTGAME NOTES & QUOTES

NEW ORLEANS SAINTS

DENVER BRONCOS VS. NEW ORLEANS SAINTS THURSDAY, OCT. 17, 2024 • CAESARS SUPERDOME SAINTS HEAD COACH DENNIS ALLEN

(Opening Statement) “We have one (major) injury update to make you guys aware of. Paulson Adebo looks like he has got a broken femur. Then (Marshon) Lattimore’s got a hamstring and Nick Saldiveri a shoulder. Those are the three where (those) guys weren’t able to come back into the game. You look at this game and there was nothing complementary about the game. In particular early on in the game, we weren’t able to get anything going offensively. Defensively, we allowed them to have too many long drives. Therefore, the first half, I think the time of possession was out of whack. It kind of got a little more balanced up as the game went along. I think that’s been a challenge for us. I think we’re not winning the line of scrimmage on either side of the ball. That’s a challenge for us right now. We have, obviously, a few days here before we have to play again. We’ll go out to L.A. next week. We’ve got to find a way to put our guys in the best position to have some success, and we’ve got to find a way to play better football. That’s been disappointing. Obviously, look, injuries play a part in it, but we’ve got to find a way to play better.”

(On what contributes to a lack of success in the game) “Look, I think as coaches and as players, we have to do a better job. We have to do a better job throughout the week of preparation. We’re making mistakes that we shouldn’t be making and allowing guys to get free. Again, part of the run game is that we have to do a better job at winning the line of scrimmage. That’s where it all starts. We have to do a better job of getting off the blocks, and we have to do a better job of tackling. I guess as coaches and players all alike, we’ve got to figure it out.”

(On if he’s concerned on the team’s buy in) “No, look it’s hard when you lose five in a row, and then when you look at all the injuries on top of it, it makes it a lot more challenging. I think our guys are fighting, yet the results aren’t showing.”

(On the process leading up to the game and his evaluation of it) “I think it’s still got to improve. Again, I get it, we have to play better. I think guys are trying. I think guys are working. We’re dealing with a lot of injuries right now. That’s not an excuse. I don’t want anybody to misconstrue that as an excuse, but it is an issue for us. I think all of us are trying to fight through that.”

(On if he’s ever experienced so many injuries) “No. I don’t know what that number is in terms of amount of missed time for guys and critical pieces to our team, but it’s the nature of the game that we play.”

(On if there is any trend leading to injuries) “I don’t think we’ve been able to put our thumb on one individual thing that’s caused these things. I think it’s kind of one of those years.”

(On if he could see issues at the line of scrimmage coming from performance in training camp and early in the year) “I don’t think that’s something that as we went through the course of training camp and everything that I felt was going to be a major issue for us, but it’s become that. It’s become that really over the last two or three weeks. Each and every week, it’s kind of gotten a little bit not as good.”

(On if the line of scrimmage issues are fixable with current personnel) “I think it is. I definitely think it is. We’ve got to get back to the fundamentals and technique.”

(On if injuries can be demoralizing) “It can be. It certainly can be, and that’s something we have to be able to fight through. That’s the tough part of our league, seeing things like that. It can be difficult, sure.”

(On why Spencer Rattler left the game at the two-minute warning) “He got, I think maybe, a hip pointer. At that time, I didn’t want to leave him in there. I wanted to put Jake (Haener) in. I didn’t want to risk him getting hurt any further.”

(On the biggest problems Rattler faced in the game) “I think just the pressure. They sent a lot of pressure at him, gave him some different looks, things that we kind of – not maybe the exact certain looks – but they did a lot of the things that we expected they would do. I think we had some opportunities in the passing game, and we dropped a few balls. Certainly, the sacks were an issue, and part of that’s protection, part of that is him being able to get the ball out. I think there’s a combination of things.”

(On his quarterback plan going forward) “I certainly wouldn’t put all of this on Spencer Rattler, for sure. I think there’s a supporting cast around him that has to play better. I think we will evaluate the tape. We’ll look at it and see what we need to do. Then, we will have a plan moving forward.”

(On if Derek Carr and/or Taysom Hill could be back next week) “I think it’s possible. I think it’s probably more likely that Taysom (Hill) would be ready before Derek (Carr), but we have ten days. Let’s let that play out a little bit and see where we are out there.”

(On the sequence before the end of the first half) “We shouldn’t have taken the timeout is what we shouldn’t have done. We had two plays to try to see if we could create something. Then, after having a couple of checkdowns and some pressure on the quarterback, it was like let’s take a knee. Let’s get out of the half. Let’s regroup and come back. We’ll get the ball to start the second half. Initially, the thought was can we get a chunk play and have the opportunity to create something? If not, then let’s get out of the half.”

(On who called the timeout before the half) “I’m not sure exactly who called the timeout, to be honest with you. I’m not sure if it was called on the field or not.”

(On Bo Nix’s performance) “I think the big play was the short yardage toss play where they had the numbers over there. It was a good play by them, a good design. That was probably their biggest play. I felt like we had a few times where we had free runners on the quarterback, and he’s athletic. He made a play. He made us miss. That was certainly something we were aware of and probably need to do a better job of managing that.”

(On managing player frustration) “You have to stand up and lead. That’s what you have to do. You have to stand up and lead. That’s what I have to do. That’s what our coaches have to do. That’s what the leaders on our team have to do because we’re the only ones that can get us out of this. Nobody – it’s not like we’re going to have a draft in the middle of the season. Nobody’s going to be coming in here to be the savior. We’re going to have to do it ourselves. Hopefully, we’ll begin to get some guys back because, look, early on in the season, we played good football. I know this team has it in them. I have two tapes that show me that this team has good football in them and has got good coaching in them. Right now, we’re not playing that way, and obviously, there’s a multitude of reasons why. We’ve got to figure out how to get back to playing that type of football because I’ve seen it done. I’ve seen what it looks like.”

(On if Paulson Adebo’s injury requires surgery) “I think he’s going to have surgery tonight.”

(On Rashid Shaheed going on Injured Reserve) “Look, it’s another playmaker. We’ve got our rookie quarterback out there with some backup players on the offensive line playing in front of him and two primary receivers are out of the game. That’s another challenge that you have to overcome as a young player (Rattler). He’s (Shaheed) an explosive element to our offense. He’s an explosive element to our team and special teams. That’s a big loss.”

(On the approach in the next few days) “Here’s the approach - the approach is we’re going to come back in on Monday, which would be a Thursday night kind of schedule. Monday’s going to be like a normal day after the game schedule. I want guys to get some rest. I want guys to get some recovery. I want them to get their bodies back. The guys that are injured are going to be spending the weekend in here getting themselves healthy. Then, we will start planning for the Chargers. I think over the next few days, I know for me and for the coaches, I think we just have to look at everything that we’re doing and where we’re at and how we can help our guys be better. That’s what we have to do as coaches.”

(On if he’s going to be in the office more than what he would be for a schedule after a Thursday night game) “No, but we’re going to be working. It’s easy to work remote now. I’m going to see my son in Savannah.”

(On Kendre Miller) "I thought he played well. I thought the plays when we handed him the ball, I thought he did some good things. I wished he would have caught the ball over the middle, but I was impressed with what I saw out of Kendre. I think that's a guy that can help us."

POSTGAME NOTES & QUOTES

NEW ORLEANS SAINTS

DENVER BRONCOS VS. NEW ORLEANS SAINTS THURSDAY, OCT. 17, 2024 • CAESARS SUPERDOME BRONCOS HEAD COACH SEAN PAYTON

(Opening Statement) “I thought it was a good team win. We did a lot of things well tonight that we statistically talk about. You are always adjusting and getting used to the short week schedule when you are at home and on the road. We talked all week about a fast start. I thought they handled the mental part of it. It’s really easy to complain on a short week and pretty soon no one cares. I thought our preparation for those two days were good. I didn’t want to go through all the stats with them. First half leads fair better for those teams. For me I know I wasn’t going to tell them that we were 5-0 with the lead and 0-5 when we didn’t have one. That’s the last thing I wanted to mention to them. I thought we ran the ball well of course. Defensively, we had pressure. They are nicked up. I told Dennis Allen to get healthy. They have a good football team. A lot of their players right now weren’t able to play. Overall, I’m pleased how we played.”

(On not feeling sorry for teams in the NFL) “No. It’s just the business we are in. You just play. You have injuries. It’s really the truth. No one outside the building cares. At the end of the day, they want to see the end result.”

(On receiving the game ball) “It’s just two days of prep and we are here. So, not a lot of sleep. It keeps your mind off it because there are so many things that you have to get done. My big concern was just not having enough rest, so I slept today for a while. I came over here early just to get started going through the game plan again. It meant a lot. There were a lot of moments here. You get to see a lot of old players that were here and to be with this team and this ownership group. It’s the reason that you miss it. The one year out. You miss relationships and making memories. It’s like I told them a couple of weeks ago. (Patrick) Surtain’s interception right in front of our bench. There will be a time that I won’t remember his name and I’ll be having apple sauce out of a straw, but I’ll remember that play. That part about being around young people and having a chance to be a part of their journey and coach them is a pretty good job. I’m thankful for it. It was kind of emotional.”

(On driving up to the building) “This building has changed over the years. One time I think I was an assistant with the Cowboys we played here and the locker room used to be where you had to walk across the field. I had never really been in the visitor’s locker room here. It’s all been renovated. Anytime they have a Super Bowl here there has been modifications. I’m glad that I was here early, like six hours before the game early. I had plenty of time to grab some coffee. I think (about) what happened here and I’m going back to 2005 before any of us have arrived. A lot changed with this city and more than any player and any coach from 2006 and on that it was bigger than football. There were schools and hospitals not opened. There were a lot of things up in the air. So you appreciate those people that came when they didn’t necessarily had to. That was a unique time. None of us were prepared for that. We were all anxious and excited about our new job opportunities, but none of us understood what it would mean and how big it would become. That part of it is different and kind of special.”

(On honoring Drew Brees) “When the schedule came out, it was the night that he wanted to come in. They have the Saints Hall of Fame and then they have the Ring of Honor. He was being put in the Hall of Fame. It was good to see him. A few of us went over really quick to the Hilton and just thanked him. We were all kind of underdressed in our travel sweats. This is a city that dresses up a lot. It is always good to see him. I feel like I see him quite a bit. He has been to our practices. Anytime you see that whole group even pre-game yapping at us was fun.”

(On if he thinks this will be the last time he coaches in this place) “I don’t think this is the last time that I am ever going to coach in this place. This was the last team I hadn’t beaten.”

(On Javonte Williams play) “He had to have been good. I didn’t see all of the numbers. We actually were going to come out early, mix in the run and the read option. Bo (Nix) did a great job. We got a penalty called on one that was an impossible penalty. He threw the ball in .5 seconds and we got called for someone downfield (illegal downfield pass). It can’t happen meaning it’s an impossibility. I thought all of that clicked. We blocked them. You get a sense right away how you are matching up. Really from the late second quarter on it was pressure. We got a lot more zone tonight from this team maybe to keep more eyes on Bo. He did a good job with his feet. Javonte had some really good runs. When you

have a night like that rushing and the time of possession, the script was flipped a little bit from last week. Fortunately from our defense, they got some rest.”

(On if tonight was the ideal offense) “We are building. We are figuring it out. I will say this respectfully to the question, we are working on how to win that game. You don’t say this is how we are going to play regardless. Based on who we were playing tonight, that what we feel we had to do to win that game. It might change a week from now. Certainly the reps our young quarterback is receiving and our receivers are receiving, we are young as a team and so that is invaluable.”

(On beating 32 teams) “It means you’ve had two jobs. Someone brought that statistic up and we were trying to guess who was on that list. Someone had brought it up yesterday or the day before. We don’t think about things like that, but I know you had to have worked at two different organizations to do it. I’m glad I am here.”

(On seeing his family before the game) “No, I would normally see my wife. My kids will come to three or four games. There were some other close friends that I knew for a long time. That was a little bit more than normal.”

(On his welcome) “I thought it was great. You don’t forget the faces, the smiles or the dialect. They were great.”

(On his kids coming to this game) “They were I think six and nine (when I was first head coach in New Orleans) and have been to over 150 games here. They’ll probably see five games a year, but this was definitely a game that they were going to come to. We used to play touch football after the games were over win, lose or draw with the kids. The problem was that the visiting locker room players would come out and you’d have to stop and wait. There were certain things that we did for families that we thought were important. They kind of grew up here.”

(On Bo Nix playing well tonight) “I had made this comment earlier when we drafted him. When you watch him play, you don’t feel like you are in harm’s way. He is tough to sack. He has good ball location. He makes a lot of plays with his feet. He has some big play opportunities. There is confidence that you get as a playcaller that allows you to be more aggressive. We wanted to come out tonight in that mindset.”

(On Saints fans that are growing frustrated with the team) “I’d start with the leadership and ownership. You guys all saw how they played earlier in the season before they got hit with the injury bug. They had two good wins in a row. There are so many games ahead of us. They will bounce back.”

POSTGAME NOTES & QUOTES

NEW ORLEANS SAINTS

DENVER BRONCOS VS. NEW ORLEANS SAINTS THURSDAY, OCTOBER 17, 2024 • CAESARS SUPERDOME SAINTS PLAYER QUOTES

QB SPENCER RATTLER

(On his performance in his second start) “Got to be better. Plain and simple, got to be better. I felt like we had some good things going at certain times, but just couldn’t catch a rhythm. It starts with myself, (I) got to be better, and then the group will follow. So I’ve got to set that standard and be better.”

(On tonight’s challenges versus last week) “I can’t put my hand on it right now. We’ll watch the tape, see what we could’ve done better, but just coming on the sideline and looking at the iPad, we had some stuff there. We just all got to be on the same page and at the same focus, and that starts with me. As a leader, I’ve got to be better in that area.”

(On the blind side sack situation) “They had a better play call than we did, plain and simple. They executed and split second that ball is out to Juwan [Johnson] and it’s a big play, so, I’ve got to get it off faster.”

(On the defensive pressure) “They have a really good front, a really good defense, good scheme. We moved the ball at times, but it’s a good front. They’re talented.”

(On team’s disappointing stretch) “I think you’re going to go through tough times, and we’ve got great leaders on our team. Demario [Davis] just talked to us and said ‘This storm will pass. We’ve got to all stick together.’ Just keep finding ways to improve. It doesn’t feel great right now, but if we just keep stacking days and get some guys back healthy, we’ll be alright.”

(On what he’s learned through two starts) “Just to not quit. Keep going, keep battling. I know that’s said a lot, but it’s real. You don’t want to just give it up at half or third quarter or fourth quarter, no matter what’s going on. You’ve got to just keep swinging, keep punching, keep believing in your guys. Just got to be better.”

(On grace considering injuries) “No excuses for anybody, starting with myself. I’m so hard on myself and want myself to play at a high level at all times no matter what the circumstances are. We do have a lot of injuries, but it’s next man up mentality, we know that. We’ll get guys back healthy and keep getting better.”

(On specifics in his game to work on during the mini-break) “Again, I’m going to watch the tape and see what happened today. I felt like I was seeing things well today. I felt pretty comfortable back there. We just all have got to be on the same page, and that starts with me. It starts with me. If I’ve got to use my legs more, or get it out quicker, get a sense of different checks, I have to, so I can get better at that.”

(On sequence before halftime) “We just did what was called. We took two throws. I think I checked them both down to [Alvin Kamara] and we took a knee, and there was only 16 seconds left. We had two timeouts, had to go 50 yards or so, 40 yards or so. They were going to drop coverage and try to force us to check it down, so that’s what we did. Got on to the half.”

(On hip pointer) “Fourth quarter, I landed on it weird. Maybe somebody hit it, just landed on it funny. I just got up and it was a little tight. It’s one of the only spots I don’t have pads on, but should be okay.”

(On talking to Drew Brees) “Obviously, one of the best of all time. It was pretty cool to spend a little moment with him pregame. Obviously such a big deal, he got inducted into the Saints Hall of Fame today, so congrats to him. He’s one of the GOATs, and it was cool to be on the sideline with him for a minute. He had some good advice for me.”

(On message to fans) “Obviously, we want to put out a better product. We’ve got to be better, so it starts with us, but having great support always helps. With what I’ve seen, Saints fans are great every game, so we’ve got to play better and keep them there.”

S TYRANN MATHIEU

(On how the defense approaches this going forward) “Obviously, it’s not going our way. We can’t pout, we’re grown men, we get a paycheck, so we have just got to continue to push forward. Life doesn’t always go your way, and I can’t stress that enough. We’ve got to find a way to stay together and look in the mirror. Are we doing the right things throughout the week? Are we preparing the right way? Do we believe in our coaches? Do we believe in the guys next to us? So, we’ve got a lot of tough questions to answer and ask ourselves, but obviously this is not the type of outcome any of us imagined. Some things aren’t in our control, but the things that are in our control, we’ve got to do a better job of showing up and trying to make a play.”

(On the state of the team and the break before the next game) “We’re not the healthiest team right now, and sometimes you just need a couple of days off to regroup. I’m hoping that this long weekend could work to our advantage, and we come back and everybody has to recommit to the group. The season isn’t over, but we’ve got a lot to figure out.”

(On team’s biggest concerns) “Defensively, if we don’t stop the run, it’s hard to play good defense. I think for most of that game, they had the momentum. I dropped a pick, and those are the plays that we have to make if we want to turn the momentum. If I catch that ball before halftime, they don’t get three points and we probably score that drive. So then, it’s a one score game, and we’re still in the game. So we’ve just got to find a way to make those plays, because I think that’s what’s really holding us back. We aren’t making those plays in those critical moments like the team needed.”

LB DEMARIO DAVIS

(On the run defense falling short) “That’s the point of a run defense, and a good defense in general. You have to stop the run. But you have to look at it and figure out why that happened and make the corrections. I think what you don’t do is try to attribute it to all these other factors. I’ve been on this defense for seasons when we haven’t given up a hundred yards rushing. I’ve been here when it’s up, and I’ve been here when it’s down. Sometimes you do everything right and you get a bad result. What are you going to do, and how are you going to respond? For me, I look at them as opportunities, because I was always focused on the process, not on the results. I’ve learned it’s the process, and of course it’s tough when you don’t get the results you want. But like I said, and I say it all the time, loss is the greatest teacher in life. When I was up ten, I went right back to the drawing board, so now that I’m down ten, I’m going right back to the drawing board. And that has only served me well, and this team has always been resilient through all different types of adversity. Whether it’s been injuries, whether it’s been games not going our way, this team has always been resilient.”

POSTGAME NOTES & QUOTES

NEW ORLEANS SAINTS

DENVER BRONCOS VS. NEW ORLEANS SAINTS THURSDAY, OCTOBER 17, 2024 • CAESARS SUPERDOME DENVER BRONCOS PLAYERS

QB BO NIX

(On if a short week benefitted the team and simplified the approach) “Yeah, maybe so. I thought that we have to turn some of those field goals into touchdowns, but it was good that we got points early, moved the ball early, (and) got a first down on the first play. It was important for us, and our defense played solid, as always. We played well overall. We ran the ball for a lot of yards, and that helps all the time.”

(On what it was like giving Coach Sean Payton the game ball) “It was awesome. The Saints mean a lot to him. He was there for a while (and) had amazing success. It’s tough to go back to a place where you called home for that long and you fought for, and now you are playing against. It was special. It was a great moment. I’m happy for him. I’m happy for everybody that has been a part of that organization for so long. There was a lot of guys that came over with him that we are just (as) happy about (the win). It was a good team win. Everybody contributed. Everybody was on their toes with a short week and came out prepared and ready to roll.”

(On the offense embracing his ability to run the ball) “I think it is just an added bonus. Obviously, you want to run the ball with running backs in special ways and get behind the O-line. At times, things break down and those hidden yards, I think, are really important. They get extra first downs, and they are ways of sneaking yards in. So, that was good to see, good to use, and we have to continue to do that when it’s there.”

(On if he thinks of the good plays or the ones that didn’t execute as planned) “I think about the ones that I could have had back. I think that is just competitive nature for guys. You do want to give yourself some grace at times. They (defense) are obviously trying to keep you from doing all of the good stuff. You live and you learn, and you continue to work. Nobody has ever played a perfect game, so that is why we are all still hear trying to figure it out and continue to move forward. Obviously, the most important thing is to win the game. When you beat a team like that with really good players by that big of a margin, it is really good. It is good to see all of the guys play and play well.”

(On tying John Elway and Drew Lock for most wins in a season by a Broncos rookie quarterback) “It means a lot. You’re talking about one of the greats to ever do it at our organization. It means a lot. You’re in great company. I am not finished; we have a lot in front of us, so I definitely don’t want to stop there. We are going to continue to get better as a team. I am going to continue to grow and learn as a player. Hopefully, we will continue to have wins like this.”

LB CODY BARTON

(On the win) “It was just one of those nights where it just comes to you and you just kind of feel it. It was a great team win. It was just one of those games. It was a great team win on the road on a short week. I am happy for everyone.”

(On if he thought that he would get a second chance at scoring a touchdown) “Tonight I did. I was saying it all game. ‘It’s going to happen. I am going to get it back. I’m going to get it back.’ It ended up happening. You don’t know when it is going to happen. You just need to be ready when the opportunity presents itself. It happens quick.”

(On what it feels like to play on a defense where everyone can make a play) “Being on this defense is fun. It’s aggressive. Everyone has a chance to eat. Today, I feel like it was kind of my day. Some of

those bigger splash plays came my way. If this game were tomorrow, you don't know who it is going to be. That's kind of how this defense is. It's a lot of fun just running around."

TE ADAM TRAUTMAN

(On being back in New Orleans) "Good to be back. It was weird coming back last night and driving through all of the familiar places, like seeing my old apartment which is literally a block from here. That was great. It was great to see everybody pregame. I tried to take care of that so I could focus on the game. There are a lot of people who I am still close to here so it was good, and, obviously, felt good to win like that."

(On what this win meant for Sean Payton) "It meant a lot. It probably couldn't have gone any better, to be honest. He talked about next game, but, obviously everyone knew that it meant a little something to him and we wanted to win it because it is the next game; but, we knew how special it was to him. There are 22 guys here from New Orleans. So, just doing it for everyone (was special). Getting to 4-3 was the goal."

RB JAVONTE WILLIAMS

(On if this was his best game this year) "Rushing-wise, (yes). There are still some things that I can clean up and some things that I can improve on. I am just going to watch the film and get better."

(On the key to running the ball well from the start tonight) "Coach preached the whole week (to have a) fast start. That is something that we wanted to do to get on them early (and to have a) fast start."
