ARIZONA CARDINALS VS. NEW ORLEANS SAINTS

Caesars Superdome | September 7, 2025 | 10:00 AM

THIS WEEK'S PREVIEW

The Cardinals kick off the 2025 regular season this week when they travel to New Orleans to take on the Saints. The teams are facing off in Week 1 for just the fourth time and for the first time since 2015. Arizona will open the season in New Orleans for the first time since 1983.

This marks the third consecutive season - and fifth time in six years - that Arizona begins the regular season on the road.

Sunday's regular season opener will be the 32nd all-time matchup between the Cardinals and Saints in the regular season. Arizona holds a 16-15 lead in the series between the teams, who have split the last six meetings. The Cardinals and Saints will square off for the first time since Arizona's 42-34 win vs. New Orleans on Thursday Night Football in Week 7 of the 2022 season.

Arizona is making just its fourth regular season visit to New Orleans in the last 28 seasons and its first since 2019.

Sunday's game at New Orleans begins the Cardinals third regular season under the leadership of GM **Monti Ossenfort** and head coach **Jonathan Gannon**, who spent the most recent offseason continuing the transformation of the roster that began when they were hired in 2023.

Of the 53 players on Arizona's Week 1 roster, just 10 (18.9%) were with the team prior to the arrival of Ossenfort and Gannon.

The Cardinals 2025 free agency period was Ossenfort's busiest one yet and included the signings of DL **Calais Campbell**, LB **Josh Sweat**, DL **Dalvin Tomlinson** and LB **Akeem Davis-Gaither** among others.

The Cardinals heavily fortified the defense this offseason. In addition to the free agents noted above, the Cardinals also used six of their seven selections in the 2025 NFL Draft on defensive players. For just the third time in the Modern Draft Era (since 1967), Arizona used each of its first five picks on defenders.

Despite the new additions, Arizona will be anchored by its core veterans in 2025. Among those are S **Budda Baker**, TE **Trey McBride** and RB **James Conner** - Pro Bowlers who each signed contract extensions in a five-month span.

The Cardinals offense from last season remains largely intact. Led by QB **Kyler Murray**, McBride, Conner and second-year WR **Marvin Harrison Jr.**, the unit is coming off a 2024 campaign in which it produced over 6,000 yards in a season for just the fifth time in franchise history.

THIS WEEK'S HIGHLIGHTS

- In his third season at the helm in Arizona, Cardinals head coach **Jonathan Gannon** will face New Orleans' **Kellen Moore** in his regular season debut as an NFL head coach.
- For the third consecutive season - and the fourth time in five seasons - Arizona begins the regular season on the road playing in the 10:00 AM (MST) time slot.
- In his first three drafts (2023-25) as Cardinals GM, **Monti Ossenfort** selected 28 total players. Of those 28 picks, 26 remain with the team (whether on active roster, practice squad, IR or PUP).
- Both QBs on the Saints active roster - starter **Spencer Rattler** and backup **Tyler Shough** - are Arizona natives and former prep stars in the Valley. Rattler is a Phoenix native and attended Pinnacle HS while Shough hails from Chandler and attended Hamilton HS. Rattler's first-ever NFL action came in the Saints 2024 preseason opener vs. the Cardinals at State Farm Stadium.
- Since entering the league in 2017, S **Budda Baker** has 70 tackles in eight Week 1 games. LB Bobby Wagner (77) is the only player in the NFL with more tackles in season openers during that span. Baker has had outings of 10, 11, 13 and 15 tackles in previous openers.
- On Sunday, it will have been exactly 8 years, 8 months and 7 days since DL **Calais Campbell** played his last game for Arizona (11/1/17 @ LAR). Among the final games of his initial tenure with the Cardinals was a matchup with the Saints (12/18/16) in which Campbell had 2.0 sacks of QB Drew Brees and returned a fumble 53 yards for his first career TD.
- On Monday (9/1) the Cardinals named the seven players who were voted team captains for the 2025 season: QB **Kyler Murray**, RB **James Conner**, OL **Hjalte Froholdt**, S **Budda Baker**, DL **Calais Campbell**, LB **Mack Wilson Sr.** and S **Joey Blount**. Murray and Baker were named captains for the sixth consecutive season while Conner earned the honor for the fourth straight year.

Kellen Moore

Jonathan Gannon is in his third season with the Cardinals and third year as a head coach after being hired by Arizona on February 14, 2023. The 42-year-old joined the Cardinals after spending two seasons (2021-22) as the defensive coordinator with the Philadelphia Eagles. A Cleveland, OH native, Gannon has 17 years of experience in the NFL with the Cardinals (2023-24), Eagles (2021-22), Colts (2018-20), Vikings (2014-17), Titans (2012-13), Rams (2009-11) and Falcons (2007). In Gannon's second season with Arizona in 2024, the Cardinals finished with eight wins, doubling their win total from 2023 (4). Gannon played collegiately as a safety at Louisville before suffering a career-ending hip injury. Following the injury, he began his coaching career as a student assistant at Louisville in 2003.

Kellen Moore became an NFL head coach for the first time when he was hired by the Saints on February 11, 2025. He was hired in New Orleans after serving as the Eagles offensive coordinator in 2024, a season in which Philadelphia won Super Bowl LIX. A 13-year NFL veteran, Moore played QB for six seasons (2012-17) before entering the coaching ranks in 2018. He served as an offensive coordinator for the past six seasons with the Cowboys (2019-23) and Eagles (2024).

GANNON VS. THE FIRST-YEAR HEAD COACHES IN 2025

Gannon will face three of the seven head coaches who are in their first season with their teams in 2025. The first of the three comes this week with **Moore**, who will make his NFL debut as a head coach vs. Arizona. In Week 9 at Dallas, Gannon will face **Brian Schottenheimer**. In Week 12 vs. Jacksonville, he will go up against **Liam Coen**.

BIG EASY QBs WERE ARIZONA PREP STARS

The last two NFL Drafts saw the Saints select QBs who are Arizona natives that grew up as prep stars in the state.

In the fifth round (150th overall) of the 2024 NFL Draft, New Orleans selected Phoenix native **Spencer Rattler** - who had a record-breaking tenure at **Pinnacle High School**.

In the second round (40th overall) of the 2025 NFL Draft, the Saints selected Chandler native **Tyler Shough** - who starred at Hamilton High School.

RATTLER PINNACLE HIGHLIGHTS

Rattler was named the Arizona Cardinals High School Player of the Week (Week 1, 2017)

- An All-American Bowl selection, was rated the consensus #1 QB in the nation and #1 player in Arizona in the class of 2019.
- Threw for an Arizona state record 11,083 yards in his prep career, with 116 passing TDs. Also ran for over 1,040 yards with 14 rushing TDs.

- Garnered first-team 6A Premier League honors as well as first team All-Chandler Unified School District accolades that season.
- Was also named a Semper Fidelis All-American by the U.S. Marine Corps.

BY THE NUMBERS

1983

Last time Arizona opened the regular season at New Orleans. The Cardinals and Saints matchup on Sunday marks the fourth time the teams will meet in a season opener.

3

Consecutive seasons in which Arizona has begun the regular season on the road playing in the 10:00 AM (MST) time slot.

232.0

Combined sacks for Campbell (110.5) and Saints DE Cameron Jordan (121.5). Both were members of the NFL All-Decade Team of the 2010s and have combined for 487 games played in 31 NFL seasons.

2017

Year that Saints QB Spencer Rattler - a Phoenix native who attended Pinnacle High School - was named the Arizona Cardinals High School Player of the Week. He earned the honor as a junior following Pinnacle's 47-7 season-opening win vs. Brophy Prep when he threw for 248 yards and 4 TDs.

10

Players on the Cardinals Week 1 roster who were with the team prior to the arrival of GM Monti Ossenfort and head coach Jonathan Gannon in 2023. That makes up just 18.9% of the roster.

26

Players drafted by the Cardinals - in three years under Monti Ossenfort - who remain with the team (active roster, practice squad, IR, PUP). Ossenfort made 28 total selections in his first three drafts with Arizona.

44

Total TDs (rushing and receiving) for RB James Conner in just 57 games with the Cardinals. He needs just one TD to tie Anquan Boldin (45) for ninth place on the franchise all-time list for career TDs.

502

Passing yards needed by QB Kyler Murray to reach 20,000 for his career. Murray would join Jim Hart (34,639) and Neil Lomax (22,771) as the only players in Cardinals history with 20,000+ career passing yards.

7

Players selected by the Cardinals in the 2025 NFL Draft. Six of those were defensive players. For just the third time in the Modern Draft Era (since 1967), Arizona used each of its first five picks on defenders.

19.6

Points allowed per game by the Cardinals over their final 11 games last year. Between Weeks 7-18, only the Eagles (16.2) and Chiefs (18.5) allowed fewer points per game than Arizona.

20

TDs allowed by the Cardinals defense between Weeks 7-18. That was the fewest in the NFL during that span.

6,090

Total net yards by the Cardinals offense in 2024. It marked just the fifth time in franchise history Arizona accumulated 6,000+ net yards in a season.

5

Seasons in franchise history in which the Cardinals had a 3,000-yard passer, 1,000-yard receiver and 1,000-yard rusher. In 2024, QB Kyler Murray (3,851), TE Trey McBride (1,146) and RB James Conner (1,094) became the first Arizona trio to accomplish the feat since 2016 (QB Carson Palmer, WR Larry Fitzgerald and RB David Johnson).

2,451

Rushing yards for the Cardinals in 2024. That is the 3rd-best single-season total in franchise history and the most since the team ran for 2,582 yards in 1979.

5.29

Average yards per rush attempt for the Cardinals in 2024 (2,451 yards on 463 carries). Arizona's 5.29-yard rushing average was the highest team rushing average in franchise history, surpassing the record record of 5.03 (set in 2019). It was also the 16th-best single-season average in NFL history.

30

Sacks allowed by the Cardinals O-Line in 2024. Only four teams - Buffalo (14), Green Bay (22), Baltimore (24) and Denver (24) - allowed fewer. Arizona's line held opponents without a sack in five games.

12

Cardinals defenders who had at least 2.0 sacks in 2024. That total led the NFL. Arizona and Baltimore tied for the NFL lead with 17 different players recording at least 1.0 sack in 2024.

92

Penalties committed by Arizona in 2024. Only the Rams (91) were called for fewer penalties. Arizona was penalized five times or fewer in an NFL-best 12 games in 2024 and the Cardinals (2) were the only team in the league to have at least two games in which they were penalized one time or fewer last season.

WHAT TO LOOK FOR IN WEEK 1

WITH A WIN THIS WEEK...

- The Cardinals would earn their second straight victory over the Saints (42-34 AZ win in 2022).
- Arizona would earn its first road win in New Orleans since 1996 (Cards are winless in the last four regular season road games vs. Saints).

MILESTONES WITHIN REACH

QB Kyler Murray

- With a rushing TD, Murray would tie RB Stump Mitchell (32) for sixth place on the franchise all-time list for career rushing TDs.
- With 3 TD passes, Murray would have 16 career outings with at least three TD passes. That would surpass Neil Lomax (15) for the most such performances in team history.

RB James Conner

- With a TD (of any kind), Conner would have 45 TDs as a member of the Cardinals. That would tie WR Anquan Boldin for ninth on the franchise all-time list for career TDs.
- With a rushing TD, Conner would have 38 rushing TDs as a member of the Cardinals. He would sit alone in second place on the franchise all-time list for career rushing TDs behind only Otis Anderson (46).
- With 100+ rushing yards, Conner would have 100+ yards in three of his last four games played. It would give him 12 outings with 100+ yards as a member of the Cardinals - including 10 in his last 22 games played.

TE Trey McBride

- With 100+ receiving yards, McBride would join Jackie Smith (2x) as the only TEs in franchise history with 100+ yards in a season opener. Smith last accomplished the feat on 9/18/70 vs. the Rams (102 yards).

S Budda Baker

- With 10+ tackles, Baker would have double-digit tackles in a season opener for the fifth time in his career and third time in four seasons (10 in '24; 13 in '22).

CARDS ROOKIE DEFENDERS

- The last Cardinals rookie to have a **sack** in a season opener was LB Jamir Miller (1.0) vs. the Rams on 9/4/94.
- The last Cardinals rookie to have an **INT** in a season opener was Hall of Fame CB Aeneas Williams vs. the Rams on 9/1/91.

The Cardinals named seven players to serve as team captains for the 2025 season, based on a vote of their teammates.

OFFENSE: QB **Kyler Murray** / RB **James Conner** / OL **Hjalte Froholdt**
DEFENSE: S **Budda Baker** / DL **Calais Campbell** / LB **Mack Wilson Sr.**
SPECIAL TEAMS: S **Joey Blount**

Both Murray and Baker are serving as team captains for the sixth consecutive season. Conner earned the honor for the fourth straight year (2022-25).

In his first season back with the Cardinals, Campbell was named a team captain for the sixth time in his career. He has earned the honor with three different teams in his career, including three times with Arizona: Cardinals (2014-15; '25), Jaguars (2018-19) and Dolphins (2024).

Three Cardinals players - Froholdt, Wilson and Blount - were named team captains for the first time in their careers. Froholdt is in his third season with Arizona as the team's starting center. Wilson is in his second with the team and Blount is in his third season w/ AZ.

CARDS LAND FREE AGENCY PRIZE IN SWEAT

In March, the Cardinals landed their most high-profile free agent in LB **Josh Sweat**. Arizona signed the 27-year old to a four-year contract after he spent his first seven NFL seasons (2018-24) with the Eagles.

Sweat entered the league with Philadelphia as a fourth round pick (130th overall) in the 2018 NFL Draft out of Florida State.

AN ARIZONA REUNION

In 2022, Sweat set career highs in tackles (48), QB hits (23), tackles for loss (15), sacks (11.0), INTs (1) and TDs (1) in his second season under then Eagles Defensive Coordinator Jonathan Gannon and Linebackers Coach Nick Rallis.

SUPER BOWL STAR

In the Eagles 40-22 victory over the Chiefs in Super Bowl LIX to cap the 2024 season, Sweat posted a career-high 2.5 sacks along with 6 tackles, 2 tackles for loss and 3 QB hits.

MORE SWEAT CAREER HIGHLIGHTS

- Selected to the Pro Bowl following the 2021 season, his first year playing under Gannon. Sweat played under Gannon and Cardinals Defensive Coordinator Nick Rallis for two seasons (2021-22) with the Eagles.
- His 43.0 sacks are the eighth most in Eagles franchise history.
- His 43.0 sacks and 97 QB hits led the Eagles during his seven-year tenure (2018-2024) in Philadelphia.
- In 2024, led the Eagles with 8.0 sacks and finished the year with 41 tackles, 15 QB hits, 9 tackles for loss and 2 passes defended in 16 games played (15 starts). Was part of an Eagles team that had the NFL's top-ranked overall (278.4) and pass (174.2 ypg) defense last season.
- Started 61 of his last 62 games played over the last four seasons (2021-24). Since becoming a regular starter in 2021, Sweat has had at least 40 tackles and 6.5 sacks each season.

THE RETURN OF CALAIS CAMPBELL

Another big signing in free agency this offseason was DL **Calais Campbell** - marking the return of an all-time Arizona Cardinal who was originally drafted by the team in the second round (50th overall) of the 2008 NFL Draft.

The Cardinals announced Campbell's return on April 1, exactly 16 years, 11 months and 7 days after he was drafted by the team (4/26/08).

A six-time Pro Bowler who was named to the NFL's All-Decade Team of the 2010s by the Pro Football Hall of Fame, Campbell returned to Arizona following eight seasons with the Jaguars (2017-19), Ravens (2020-22), Falcons (2023) and Dolphins (2024).

The 39-year old is playing his 18th season in 2025 - and his 10th with the Cardinals.

CAMPBELL CAREER HIGHLIGHTS

- In his 17 NFL seasons, he has appeared in 261 games (242 starts) during the regular season with 908 tackles (643 solo), 110.5 sacks, 266 QB hits, 187 tackles for loss, 63 passes defended, 18 forced fumbles, 13 fumble recoveries (three returned for TDs), three INTs and nine blocked FGs.

- With the Cardinals from 2009-14, he established a franchise record with six consecutive seasons of at least 50 tackles and 6.0 sacks. He remains the only defensive lineman in franchise history to record at least 6.0 sacks in seven different seasons.

RIVALRIES UNIFORM TO DEBUT VS. SEATTLE

Last week, the Cardinals unveiled their **Rivalries** uniforms that will be worn for the first time on September 25 when the Cards take on the Seattle Seahawks at State Farm Stadium on Prime Video's "Thursday Night Football."

Rivalries is a new and exciting program developed by Nike and the NFL that gives athletes and fans an opportunity to connect like never before. The goal of **Rivalries** is to celebrate traditions and unite communities with unique and elevated product designs.

"We are thrilled to be part of the new Rivalries program and thank the NFL and Nike for including us in this inaugural group," Cardinals owner **Michael Bidwill** said. "The design elements of the Cardinals Rivalries uniforms reflect the strength and toughness required to thrive in the desert and celebrate the passion and perseverance that define us. Coincidentally, a couple days ago so many people saw the power, speed and ferocity of the Arizona sandstorm that is such an integral part of our Rivalries uniform design and a fitting metaphor for our identity as a team and a region. When we wear these Rivalries uniforms for the first time on September 25 against the Seahawks at State Farm Stadium, I hope Cardinals fans see them as a true embodiment of our team, our fan base and the spirit of Arizona that we proudly represent."

Arizona was one of eight teams - four in the NFC West and four in the AFC East - selected to debut Rivalries uniform in 2025 as part a program that will elevate over the next four seasons.

The uniform is rooted extensively in local community insights and will be worn in a single home game against a division rival in each of the next three seasons. The designs were brought to life by pulling inspiration from the history of the Cardinals and the unique culture of Arizona. After the 2025 season, these Rivalries uniforms will remain in the teams' uniform lineup for the subsequent three seasons (2026-28), in addition to existing alternate uniforms.

A ROSTER WITH INTERNATIONAL TIES

The Cardinals current roster features a pair of offensive linemen who were born internationally, and a number of other players who have immediately family members with international ties.

OL Hjalte Froholt	Svendborg, Denmark

CARDS PLAYERS WITH INTERNATIONAL TIES

In addition to the players born outside of the United States, the Cardinals roster features a number of players who have immediate family members with international ties.

WR MICHAEL WILSON

Father, **Orville**, was born and raised in Jamaica while his mom, **Ngairé**, was born and raised in New Zealand. His aunt, **Maureen Jacobson**, played soccer for the New Zealand World Cup team and was the first women's player inducted into the Wellington Football Hall of Fame.

OL WILL HERNANDEZ

His parents, **Robert Hernandez** and **Angelica Lemus**, moved to the United States from Mexico prior to his birth. His grandparents hail from Mexico City. Hernandez's father was a professional soccer player in Mexico.

In April of 2022, Hernandez took a trip to Mexico City with the Cardinals for the 2022 NFL Draft. While in Mexico, Hernandez announced the Cardinals day three selections and helped teach local youth at a football skills clinic.

QB KYLER MURRAY

When the Cardinals selected him the #1 overall pick in the 2019 NFL Draft, Murray became the first Asian-American ever selected #1 overall; Murray is one quarter Korean; his father is African American and his mother, **Missy**, is half Korean; Kyler's maternal grandmother is from South Korea.

LB BJ OJULARI

Descendant of Nigerian royalty. His maternal grandfather was Olaniyi Osuntoki, who later changed his name to Prince Twins Seven-Seven (he was sole survivor of his parents' seven sets of twins). A world-renowned artist, singer and dancer, Seven-Seven had multiple hit records as a musician and his artwork was featured in the National Museum of African American Art at the Smithsonian. In the 1890s, Prince Twins Seven-Sevens' grandfather was the King of Ibadan, a city in southwestern Nigeria.

THE COLUMBUS TO CARDINALS PIPELINE

After thrilling Buckeye fans every Saturday in the fall at The Horseshoe, six players on the Cardinals roster - and one newly-hired assistant coach - will be approximately 1,925 miles west trying to do the same for Cardinals fans at State Farm Stadium on Sundays.

Since **Monti Ossenfort** took over as GM in 2023, the Cardinals have added those six former Ohio State players to the roster. Four came through the NFL Draft:

Player	How Acquired	Years at OSU
OL Paris Johnson Jr.	'23 Draft (1 st Rnd)	2020-22
WR Marvin Harrison Jr.	'24 Draft (1 st Rnd)	2021-23
LB Baron Browning	'24 Trade (Denver)	2017-20
LB Cody Simon	'25 Draft (4 th Rnd)	2020-24
CB Denzel Burke	'25 Draft (5 th Rnd)	2021-24
OL Josh Fryar	'25 Rookie Free Agent	2020-24

With the selections of Simon and Burke in 2025, the Cardinals have now taken at least one player out of Ohio State in all three drafts under Ossenfort.

This past offseason, Arizona also hired offensive line coach **Justin Frye**, who served as the position coach for both Johnson and Fryar at OSU. Prior to being hired by Arizona, Frye spent the previous three seasons (2022-24) with the Buckeyes. He was the Associate Head Coach for Offense/Offensive Line in 2022 before spending the last two seasons as the Run Game Coordinator/Offensive Line.

NFL RULE CHANGES FOR 2025

DYNAMIC KICKOFF: The change made the dynamic kickoff permanent and moved touchbacks to the 35-yard line: submitted by the competition committee, the dynamic kickoff format was initially adopted on a one-year trial basis, and the change made it permanent.

OVERTIME: The change aligned regular season and postseason overtime rules: submitted by the Eagles, this change means both teams will have an opportunity to possess the ball in overtime regardless of the outcome of the first possession.

INSTANT REPLAY: Submitted by the competition committee, the rule change will "expand Instant Replay's ability to advise the on-field officials on specific, objective aspects of a play and/or to address game administration issues when clear and obvious video evidence is present."

With this rule change, a flag for defenseless player, facemask, horse collar, tripping and roughing/running into the kicker can now be picked up if "clear and obvious video evidence exists."

UNDER GANNON, CARDS INFREQUENTLY FLAGGED

SHIPLEY NAMED CARDS NEW RADIO ANALYST

In July, the Cardinals announced that former center **A.Q. Shipley** was named the team's new radio analyst.

Shipley played in the NFL for nine years, including five seasons (2015-19) with the Cardinals where he appeared in 60 games and made 51 starts. Following his playing days, Shipley coached with the Tampa Bay Buccaneers in 2021 as an offensive assistant. He also currently serves as a regular contributor on the Pat McAfee Show on ESPN.

A Moon Township, PA native, Shipley played 110 games (72 starts) during his NFL career with the Colts (2012, '14), Ravens (2013), Cardinals (2015-19) and Buccaneers (2020) after entering the league with Pittsburgh as a seventh-round selection in the 2009 NFL Draft from Penn State. He was part of the Buccaneers team that won Super Bowl LV following the 2020 season.

He will work alongside veteran radio play-by-play announcer **Dave Pasch**, who is in his 24th season with the Cardinals. Shipley replaces former Cardinal and long-time radio analyst **Ron Wolfley**, who stepped away from the role earlier this year after 20 seasons behind the microphone.

TEAM ANNOUNCES LAUNCH OF THE ARIZONA CARDINALS FOUNDATION

In July, the Cardinals announced the launch of the **Arizona Cardinals Foundation**, marking a powerful new chapter in the team's legacy of charitable giving.

Replacing what fans and partners have previously known as Cardinals Charities, this new Foundation will be specifically focused on supporting Arizona's special needs community and will serve as the central hub for all of the organization's charitable giving efforts.

"For decades, Cardinals Charities has made a meaningful difference across Arizona," said Cardinals Owner **Michael Bidwill**. "With the creation of the Arizona Cardinals Foundation, we're building on that legacy and taking our commitment to the next level. This focused approach allows us to deepen our impact and build relationships with organizations serving the special needs community, ensuring that our support can aid in their development of transformational programs that elevate the care and support available for individuals with special needs."

This strategic shift included the hiring of **Bob Hamer** as the Foundation's Executive Director earlier this year. Hamer and the Foundation team will focus their efforts on supporting families and individuals with intellectual and developmental disabilities (IDDs), including autism, down syndrome, traumatic brain injuries, and cerebral palsy.

"An estimated 1 in 20 people in the U.S. lives with an IDD," said Hamer. "As this community grows and ages, more support will be needed – and we aim to lead that effort. This mission is personal for so many people across our football operations, business front office, and fanbase and we're committed to making a lasting, sustainable impact for the IDD community throughout Arizona."

A centerpiece of the Foundation's launch is the announcement of four Cornerstone Beneficiaries, each of which will receive a three-year commitment from the Foundation to fund new and innovative programs that expand services, promote inclusion and create equal opportunities for those living with an IDD.

Those four partners are:

- **SARRC (Southwest Autism Research & Resource Center)**
- **Barrow Neurological Foundation**
- **Special Olympics Arizona**
- **Treasure House**

These partners were selected for their proven track records in the space and visionary ideas. Funding will support bold, innovative programs that bring long-term impact to individuals and families navigating life with special needs.

In addition to these Cornerstone Charitable partners, the Foundation will open its grant application process this fall for other nonprofits in the special needs community. In order to be considered for funding, interested organizations are encouraged to complete the form at www.AZCardinals.com/foundation.

The Cardinals are proud to have two founding partners - **Dignity Health** and **Desert Financial Credit Union** - supporting the Arizona Cardinals Foundation and our mission. Their longstanding dedication to the Arizona community and shared commitment to improving lives make them invaluable partners in the launch of the Foundation. Dignity Health's leadership in providing world-class healthcare, combined with Desert Financial Credit Union's deep-rooted focus on community empowerment and financial well-being, helps amplify the Foundation's ability to deliver meaningful, lasting impact within the special needs community.

Funds raised from the 50/50 raffle at all Cardinals home games this season will now benefit the Arizona Cardinals Foundation, giving fans a direct way to contribute and participate in these efforts.

Stay tuned for additional announcements about ways in which the Cardinals community can support the Foundation including a major inaugural event. To learn more and sign up to join this cause, please visit www.AZCardinals.com/foundation.

Featuring both a retractable roof and retractable natural grass playing field, State Farm Stadium set an industry standard for design excellence and flexibility that has allowed the venue to host some of the country's most high-profile events.

In addition to serving as the Cardinals home stadium, since opening in August of 2006, the building has also hosted three Super Bowls, the 2015 Pro Bowl, two NCAA Men's Final Four basketball tournaments, the first-ever BCS National Championship game (Florida-Ohio State), Fiesta Bowls, international soccer matches, high school football championships, high school proms, monster truck and motocross events, trade shows and conventions and countless other events. STATE FARM STADIUM HAS BEEN HOME TO SOME ICONIC SPORTS MOMENTS

THE HAIL MURRAY

In Week 10 of the 2020 season, Arizona defeated Buffalo 32-30 on a 43-yard game-winning TD pass from QB Kyler Murray to WR DeAndre Hopkins with just 0:02 remaining in regulation.

The "Hail Murray" was named the "Best Play" at the 2021 ESPYS, and was also named the 2020 Bridgestone Clutch Play of the Year at NFL Honors.

CARDS TAKE DOWN EAGLES IN DRAMATIC NFC TITLE GAME

The Cardinals earned their first-ever Super Bowl appearance when they defeated the Eagles 32-25 in the NFC Championship Game in 2008.

After giving up 19 unanswered points (24-6 lead to a 25-24 deficit) the Cardinals went on a 14-play, 72-yard game-winning drive culminated in an eight-yard TD pass from Kurt Warner to RB Tim Lincecum.

TWO THRILLING POSTSEASON WINS VS. THE PACKERS

2015 DIVISIONAL ROUND: In a game that featured 23 points in the final 4:49 of play, Arizona overcame a pair of improbable throws by QB Aaron Rodgers - including a 41-yard "Hail Mary" as time expired in regulation - late in the game for a 26-20 OT win. WR Larry Fitzgerald accounted for all 80 yards on the Cardinals game-winning drive in OT, including a 75-yard catch-and-run to set up his five-yard TD catch two plays later.

2009 DIVISIONAL ROUND: Arizona defeated Green Bay 51-45 in OT in what remains the highest scoring postseason game in NFL history. The teams combined for playoff record 13 TDs, with the game-deciding score coming on a 17-yard fumble return by LB Karlos Dansby following a CB Mike Adams sack of QB Aaron Rodgers on the third play of OT. QB Kurt Warner threw for 379 yards with a passer rating of 154.1, throwing more TD passes (5) than incompletions (4) in the game.

A PAIR OF UNFORGETTABLE PLAYS IN THE SUPER BOWL

State Farm Stadium has hosted three Super Bowls. Since opening in 2006, the venue joins Miami's Hard Rock Stadium (2006, 2009, 2019) as the only stadiums to host the Super Bowl at least three times.

Super Bowls at State Farm Stadium
LVII - Chiefs (38) over Eagles (35)
XLIX - Patriots (28) over Seahawks (24)
XLII - Giants (17) over Patriots (14)

The first two Super Bowls held at State Farm Stadium included two of the most memorable plays in Super Bowl history.

New England's dream of a perfect season in 2007 was dashed with a 21-17 loss to the Giants in Super Bowl XLII, a contest that featured the legendary "Helmet Catch" by Giants WR David Tyree. Seven years later they defeated the Seahawks 28-24 in Super Bowl XLIX in one of the most dramatic finishes in title game history as DB Malcolm Butler's goal-line interception preserved the victory.

A NEW YEAR BEGINS

The Cardinals will begin their 20th regular season at State Farm Stadium when they host the Carolina Panthers in Arizona's home-opener in Week 2.

HISTORIC STREAK AT HOME WITHOUT A TD ALLOWED

In wins over the Chargers (Week 7), Bears (Week 9) and Jets (Week 10) last season, **the Cardinals had a streak of three consecutive home games in which they held an opponent without a TD.**

You had to go back nearly 100 years to find the last instance of the Cardinals accomplishing such a feat. Prior to last year's streak, the last time the Cardinals went three straight home games without a TD allowed was in 1926 (4 straight home games in Weeks 1-3 & Week 7).

PUTTING UP BIG WINS AT HOME

Of the Cardinals six home wins in 2024, four were decided by 20+ points.

That is the most such home wins in a season in franchise history.

1	2024	4
2t	2008	3
2t	1948	3
2t	1947	3
2t	1920	3

Arizona (4) and Buffalo (4) were the only teams with at least four such wins at home.

Arizona finished the 2024 season outscoring opponents 240-173 at home in 2024, giving the Cardinals a +67 point margin at State Farm Stadium.

Just once in franchise history (242 points in 2008) did the Cardinals score more points at home in a season than they did in 2024 (240).

IT GETS LOUD IN THERE

Having sellout crowds on hand has given Arizona one of the NFL's most distinct home field advantages.

Dating back to the inaugural year at State Farm Stadium in 2006, **Cardinals opponents have accumulated 225 accepted false start penalties in the regular season.** That is the most for any home team in the NFL during that span.

YEAR THREE UNDER GANNON AND HIS STAFF

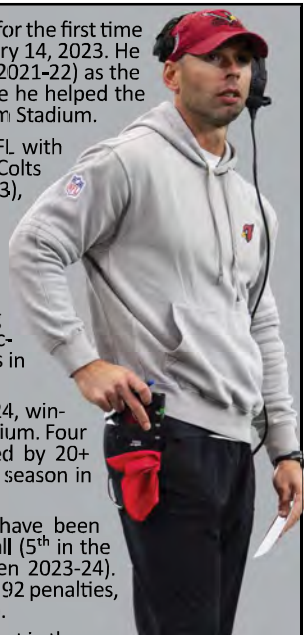

A BIG JUMP IN YEAR TWO UNDER GANNON

Jonathan Gannon became an NFL head coach for the first time when he was hired by the Cardinals on February 14, 2023. He came to Arizona after spending two seasons (2021-22) as the defensive coordinator with Philadelphia where he helped the Eagles advance to Super Bowl LVII at State Farm Stadium.

Gannon has 17 years of experience in the NFL with the Cardinals (2023-24), Eagles (2021-22), Colts (2018-20), Vikings (2014-17), Titans (2012-13), Rams (2009-11) and Falcons (2007).

A closer look at Gannon's impressive resume:

- **The Cardinals finished the 2024 season with eight wins, doubling their win total from last season (4).** Arizona did so despite facing one of the NFL toughest schedules for the second straight season (8 games vs. playoff teams in '23; 9 games vs. playoff teams in '24).
- Arizona posted a 6-3 record at home in 2024, winning five of its last six games at State Farm Stadium. Four of the Cardinals six home wins were decided by 20+ points. That is the most such home wins in a season in team history.
- Under Gannon's guidance, the Cardinals have been one of the NFL's best in protecting the football (5th in the NFL with 12 games of zero turnovers between 2023-24). Arizona also finished the 2024 season with just 92 penalties, the 2nd fewest in the NFL last season (LAR - 91).
- The Cardinals defense was one of the NFL's best in the second half of the 2024 season. **Over the final 11 games, Arizona allowed an average of just 19.6 points per game (only 3 teams allowed fewer points per game between Weeks 7-18). The Cards defense allowed the fewest total TDs (20) and passing TDs (10) in the NFL during that span.**
- Gannon presided over one of the NFL's best rushing attacks over the last two seasons. Arizona finished the 2024 season with 2,451 rushing yards, the 3rd-most in franchise history and the most since the team ran for a franchise record 2,582 yards in 1979. The Cardinals 5.29 rushing yards per attempt in 2024 was easily the highest single-season rushing average in franchise history, and also one of the top 20 single-season totals in NFL history.
- In his first season with Arizona in 2023, Gannon led the NFL's third-youngest team that relied heavily on rookies but was also highly competitive. Despite playing the league's 2nd-toughest schedule with eight games vs. playoff teams, the Cardinals held a lead in 14-of-17 games played.
- In 2023, the Cardinals rookie class, which led the NFL in combined starts (64) and combined snaps on offense and defense (4,654) in 2023. The Cardinals were the only team in the NFL to have rookies combine for 2,000+ snaps on offense and 2,000+ snaps on defense last season. AZ's 2023 rookie class combined for: 151 games played, 7 TDs, 73 receptions, 847 receiving yards, 314 rushing yards, 206 tackles, 7.5 sacks, 15 tackles for loss, 13 passes defended, a fumble recovery and an INT in 2023.
- In 2023, Gannon led the Cardinals to three wins vs. teams that made the postseason in 2023, including two on the East Coast in the month of December in hostile environments (Pittsburgh and Philadelphia).
- Under Gannon, the Cardinals also had a historic season protecting the football in 2023. Arizona had eight games in which it committed zero turnovers in '23, the most such outings in a single season in franchise history.

ARIZONA'S COORDINATORS

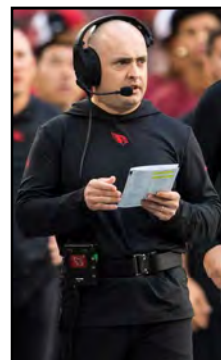

PETZING CALLING THE SHOTS ON OFFENSE

The 2025 season is **Drew Petzing's** 3rd as the Cardinals offensive coordinator. He was hired by Arizona in 2023 following three seasons (2020-22) with the Cleveland Browns.

- Petzing has orchestrated one of the NFL's best rushing attacks in Arizona, as the Cardinals ranked 3rd in the NFL in rushing yards (4,816), 2nd in the NFL in rushing average (5.16), 9th in the NFL in rushing TDs (35) and 3rd in the NFL in games w/ 150+ rushing yards (14) over the last two seasons (2023-24).

- In 2024, Arizona had a 3,000-yard passer (QB **Kyler Murray**), a 1,000-yard rusher (RB **James Conner**) and a 1,000-yard receiver (TE **Trey McBride**) in a single season for just the fifth time in franchise history.

- Under Petzing, RB **James Conner** had his first two career 1,000-yard rushing campaigns (1,040 in 2023; 1,094 in 2024) while TE **Trey McBride** has blossomed into one of the NFL's top young players. In 2024, McBride earned his first Pro Bowl selection after totaling 111 receptions for 1,146 yards.

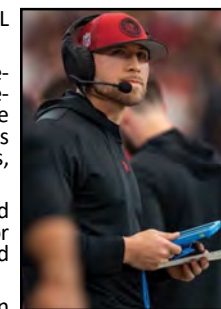

RALLIS' DEFENSE ENDS '24 AS ONE OF NFL'S BEST

The 2024 season is **Nick Rallis'** (RAW-liss) 8th in the NFL and his 3rd as the Cardinals defensive coordinator.

- Under Rallis, Arizona had one of the NFL's top defenses over the second half of the 2024 season. Between Weeks 7-18, the Cards defense ranked in the top 10 in the NFL in points allowed/game, total TDs allowed, passing TDs allowed, sacks, forced fumbles, first downs allowed, total defense and pass defense.

- Arizona had an NFL-high 12 different players record 2.0 or more sacks in 2024. The Cardinals also tied for the NFL lead with 17 different players who recorded at least 1.0 sack.

- The Cardinals defense finished the 2023 season with six takeaways in the red zone. Only two NFL teams - Pittsburgh (8) and Cincinnati (7) - had more red zone takeaways. Only one team had more red zone INTs (Pittsburgh - 7).

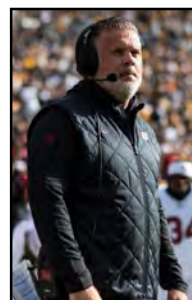

SPECIAL TEAMS CONTINUE TO SHINE UNDER RODGERS

Jeff Rodgers is in his eighth season with the Cardinals and seventh as the team's assistant head coach/special teams coordinator in 2025. Arizona's special teams units have been among the best in the NFL during his tenure.

- Under Rodgers' tutelage in '24, K **Chad Ryland** was named a Pro Bowl alternate and was among the league's best kickers after joining Arizona in Week 5. P **Blake Gillikin** had another outstanding season, posting a 49.7 punting average with just one touchback (and 19 punts inside the 20) on 38 total punts.

- In 2024, the Cardinals became the first team in the NFL to return one of the new "dynamic kickoffs" for a TD (96 yards in Week 1 at Buffalo).

The 2024 campaign was Rodgers' 21st NFL season after previously coaching special teams with Chicago (2015-17), Denver (2011-14), Carolina (2009-10) and San Francisco (2003-07).

TERRELL RUNS THE PASSING GAME

Drew Terrell is in his 8th season in the NFL and 3rd with the Cardinals as passing game coordinator/WRs.

- In 2024, QB **Kyler Murray** completed 372-of-541 pass attempts (68.8%) for 3,851 yards, 21 TDs and a 93.5 passer rating. His 68.8 completion percentage was the 2nd-highest in franchise history, his 372 completions were the 3rd-most in team history, his 93.5 passer rating was the 6th-best and his 3,851 passing yards were the 7th-most in team history.

- Terrell orchestrated a Cardinals passing attack that saw rookie WR **Marvin Harrison Jr.** tie the franchise rookie record for TD receptions (8) while TE **Trey McBride** posted one of the best seasons by a TE in NFL history.

ELEVATING A FRANCHISE

Owner **Michael Bidwill** has been steering the Cardinals organization for nearly two decades. His leadership during that time has been instrumental in transforming the franchise both on and off the field.

Over the last three years, that transformation has led to the significant and successful restructuring of both the football and business sides of the organization.

That has included Bidwill's hiring of GM **Monti Ossenfort** and head coach **Jonathan Gannon** to lead the football operation and Chief Operating Officer **Jeremy Walls** to guide a revamped business structure.

Highlights of Bidwill's tenure:

- On the whole, Bidwill's most substantial accomplishment in his time leading the Cardinals is the creation of State Farm Stadium itself. The world-class venue has not only been critical for the franchise but has also resulted in over \$6 billion in economic impact for the state of Arizona.
- In response to the devastating wildfires that broke out in Los Angeles County in January of 2025, Bidwill led a remarkable effort to have State Farm Stadium serve as host to the Rams for their Wild Card matchup vs. the Vikings. Despite a short turnaround, State Farm Stadium hosted a sellout crowd in the first postseason game in NFL history to be moved due to a natural disaster.
- Under Michael's direction in 2025, the organization launched Cardinals Premier Travel, a first-of-its-kind, elevated travel experience to give all fans the opportunity to see the team play on the road in unmatched comfort and convenience. The all-inclusive experience includes round-trip private air transportation aboard the team's wide-body Boeing 777-200ER aircraft, two-night hotel accommodations, in-city transportation, a pre-game tailgate experience, game tickets and an immediate return to Phoenix after the game, among many other perks.
- On February 12, 2023 State Farm Stadium hosted its third Super Bowl when a then-record 115.1 million viewers watched Super Bowl LVII. State Farm Stadium also hosted Super Bowls XLII (following 2007 season) and XLIX (following 2014 season).
- In addition to his role in helping Arizona land three Super Bowls, Michael was also instrumental in getting the 2015 Pro Bowl moved to State Farm Stadium; played a week before Super Bowl XLIX, the two events combined to deliver a record economic impact of \$720 million to the region.
- Since State Farm Stadium opened in 2006 the Cardinals have sold out every non-pandemic game played at the venue.
- Bidwill also created the highly-successful Civics Matters Arizona community initiative which sends hundreds of high school students from across the state aboard the Cardinals team plane on an educational trip to Washington D.C. The fourth-annual Civics Matters Arizona trip took place in July of 2025 and saw 275 students visit the nation's capital where they were given a red coat tour of the U.S. Capitol and a private tour of the Supreme Court, where they met with Supreme Court Justice Brett Kavanaugh. They also met with elected representatives and experienced instructor-led visits to monuments, memorials, museums, and government institutions, providing them an opportunity to learn about civics in a way that is both educational and fun.
- Of the franchise's seven all-time postseason wins, five have come during Michael's tenure leading the organization. Arizona has played in 10 postseason contests over the last 18 seasons (2007-24), after having appeared in just seven total playoff games prior.
- Arizona has appeared in the NFC Championship Game twice since 2008 including a victory in the 2008 conference title game that led to the franchise's first-ever Super Bowl appearance (Super Bowl XLIII).

Within the National Football League, Bidwill's influence is illustrated by his appointment to numerous and notable league committees, including two of the most prestigious – the Compensation Committee as well as the Management Council Executive Committee that represents the league in labor discussions with the NFLPA. He also chairs the league's Security and Conduct Committee and serves on four others: Business Ventures, Social Justice, Health and Safety, and Diversity.

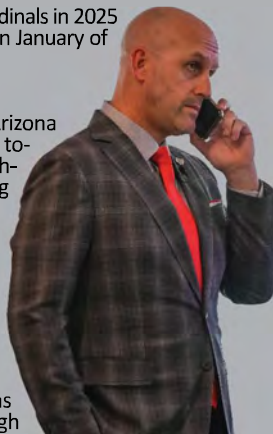

OSSENFORT MAKING BIG MOVES IN THE DESERT

Monti Ossenfort is in his third season with the Cardinals in 2025 after being hired as the team's General Manager in January of 2023.

A look at some of Ossenfort's career highlights:

- In just his second season as GM in 2024, Arizona finished the year with eight wins, doubling its total from 2023 (4) despite facing the NFL's fifth-toughest schedule based on opponent winning percentage.
- *In his first three drafts as the Cardinals GM, he executed seven draft-day trades that resulted in the team selecting 28 total players – including 14 who were taken in the first three rounds. Only the Packers (31), Jaguars (30), Patriots (30) and Rams (29) had more total draft picks over the last three years (2023-25).*
- Since being hired as GM in 2023, Ossenfort has completely re-shaped the Cardinals roster through the draft, trades and free agency. Arizona's current 53-man roster features just 10 players who were with the team prior to Ossenfort's arrival.
- Arizona's 2025 free agency period was Ossenfort's busiest one yet and included the signings of DL **Calais Campbell**, LB **Josh Sweat**, DL **Dalvin Tomlinson** and LB **Akeem Davis-Gaither** among others.
- The Cardinals 2024 NFL Draft class featured a league-high 12 total picks and seven selections in the top-90. Arizona's 12 picks were the most in a single draft for the team since 1992 (12), when the draft consisted of 10 rounds. The Cardinals became the first team since the 1991 Dallas Cowboys (7) to have at least seven picks in the top-90 of a single draft.
- In 2023, Ossenfort built a rookie class that led the NFL in combined starts (64) and combined snaps on offense and defense (4,654).

IDENTIFYING - AND EXTENDING - THE CORE

Since being hired by the Cardinals in 2023, **Ossenfort** has drastically overhauled the roster, bringing in talent through free agency, the draft and through trades.

He has also made the roster stronger by identifying, and rewarding, the existing players who make up the Cardinals core.

Over the span of just five months in 2024, Ossenfort signed four of the Cardinals core players to contract extensions: S **Budda Baker** (12/28), RB **James Conner** (11/30), OL **Hjalte Froholdt** (8/21) and LB **Zaven Collins** (8/3). In April of 2025, Ossenfort signed Pro Bowl TE **Trey McBride** to a four-year contract extension.

TEAM PLANE TAKES KIDS ON MEMORABLE TRIP TO D.C.

In June of 2025, the Cardinals joined forces with presenting partner Desert Financial Credit Union as well as Arizona Governor **Katie Hobbs** and the Close Up Foundation for the fourth annual "Civics Matters Arizona" trip to our nation's capital.

Through this highly-successful program, 275 high school students from across the state participated in an all-expenses-paid visit to Washington D.C. on the Cardinals team plane. The four-day, three-night trip took place from June 4-7.

The once-in-a-lifetime experience featured a red coat tour of the United States Capitol and private tour of the Supreme Court. The itinerary also included meetings with Supreme Court Justice **Brett Kavanaugh** and elected officials including Arizona Congressman **Juan Ciscomani** as well as issue deliberations and instructor-led visits to monuments, memorials, museums, and government institutions, providing students an opportunity to learn about civics in a way that is both educational and fun.

The Civics Matters Arizona program is a civic engagement initiative for high school students across the state. The program targets a diverse group of high schools and organizations serving Title I communities. Civics Matters Arizona engages students with their peers as well as their government and gives educators the tools and training to build positive dialogue in the classroom.

The students who participated in Civics Matters Arizona represent 35 schools, 14 school districts, 9 cities, and 6 of the 15 counties across Arizona.

Ahead of the D.C. program, teachers worked with 10th and 11th grade students in a series of non-partisan lessons designed by Close Up. The lessons culminated in an essay contest in which students could write about (1) how young people can be engaged participants in their community even without the right to vote, (2) the importance of civic engagement by everyday people to the health of our democracy, or (3) how young people can contribute to creating positive community change.

A REWARDING OFFSEASON FOR BIDWILL

BIDWILL GOES INTO ARIZONA SPORTS HALL OF FAME

In April of 2025, Cardinals owner **Michael Bidwill** was inducted into the Arizona Sports Hall of Fame.

Bidwill was part of the eight-member 2024/2025 class that also featured former Olympic and Arizona State swimmer Melissa Belote Ripley, former University of Arizona basketball player Mike Bibby, former U.S. Women's soccer star and Mesa native Julie Ertz, former Diamondbacks GM Joe Garagiola Jr., former University of Arizona football standout Ricky Hunley, former MLB player and Scottsdale high school star Paul Konerko and Matt Shott, the former Senior Director of Amateur Hockey Development for the Arizona Coyotes.

Bidwill became the sixth member of the Cardinals organization to be inducted to the Arizona Sports Hall of Fame. He joined his late father, **Bill Bidwill**, WR **Larry Fitzgerald**, S **Pat Tillman**, S **Adrian Wilson** and QB **Jake Plummer**.

The Arizona Sports Hall of Fame honors athletes, coaches, administrators and others who have made exceptional contributions to sports in Arizona.

A PRESTIGIOUS HONOR FROM THE MCCAIN INSTITUTE

In May, Cardinals owner **Michael Bidwill** received the 2025 "In The Arena Award" from the McCain Institute at the organization's signature annual event, the Sedona Forum, at the Enchantment Resort in Sedona, AZ.

According to the McCain Institute, its "In The Arena Award" is given annually to "salute extraordinary, character-driven leaders who conspicuously and bravely fight to defend human rights, foster

security and advance freedom through action. The award reflects the ways in which the late Senator **John McCain** proudly modeled and espoused the philosophy set forth in Teddy Roosevelt's famous 1910 "Man in the Arena" speech praising those who have the courage and determination to get in The Arena and fight for a cause, rather than critiquing from the sidelines."

The McCain Institute cited Michael's leadership following the wildfires that broke out in Los Angeles County in January of 2025 and for his longstanding commitment to public service and civic education. Senator McCain's wife, **Cindy**, and his son, **Jack**, were on hand to present the honor.

The McCain Institute also noted Bidwill's efforts to enhance civics education in Arizona schools through the team's Civics Matters Arizona program. Now in its fourth year, Civics Matters Arizona is the Cardinals civic education program that annually provides a life-changing experience for more than 275 students from Arizona high schools. Students from across the state, most of whom are from Title I communities, travel on the Cardinals team plane to Washington, D.C. for a four-day, all-expenses-paid trip to experience the nation's capital. The students meet with elected officials, experience historical sites and get a behind-the-scenes look at how government works in a way that is both educational and fun.

GILLINS IS NEWEST BIDWILL FELLOWSHIP COACH

In February, the Cardinals announced the addition of **DJ Gillins** to the coaching staff as the newest participant in the **Bill Bidwill Coaching Fellowship** program.

ABOUT THE BILL BIDWILL COACHING FELLOWSHIP: The Cardinals established the Bill Bidwill Coaching Fellowship prior to the 2015 season. Gillins is the seventh individual to participate in the program, which is designed to increase diversity and create additional opportunities for coaching experience at the highest level.

The four most recent participants advanced from the fellowship to full-time assistant coach positions – three on the Cardinals coaching staff and one at the NCAA level. This offseason, **Connor Senger** was promoted to pass game specialist and **Blaine Gautier** was promoted to offensive quality control with the Cardinals.

Long-time Cardinals owner **Bill Bidwill**, who passed away in 2019, was at the forefront of providing opportunities to individuals regardless of race or gender. In 2010, he was honored with the Fritz Pollard Alliance's Paul "Tank" Younger Award for promoting diversity in the NFL. In 1978, Adele Harris became the first African American female executive in the NFL when she was hired as the Cardinals director of community relations. In 1981, Bidwill hired attorney Bob Wallace, making him the first African American to handle contract negotiations for an NFL club. In 2004, the Cardinals became the first NFL team to have an African American general manager/head coach duo in Graves and Dennis Green.

Cardinals owner **Michael Bidwill** was honored by the Fritz Pollard Alliance with the organization's 2019 "Paul J. Tagliabue Award," given to a league or team executive who demonstrates the integrity and leadership Tagliabue exhibited in career development opportunities for minority candidates and advocacy for diversity on the league and club level.

Despite the turnover that plagued the Cardinals offense line in 2024, the group - which consisted of **Hjalte Froholdt, Evan Brown, Isaiah Adams, Paris Johnson Jr., Jonah Williams, Kelvin Beachum, Trystan Colon, Christian Jones** and **Jackson Barton** - paved the way for one of the NFL's top rushing attacks while keeping QB Kyler Murray clean in the pocket.

In January of 2025, Wilson married his fiancée, **Sophia Smith**; Wilson and Smith - a soccer star for the U.S. Women's National team and the Portland Thorns FC of the NWSL - met during their time at Stanford.

Two months later, in March of 2025, Wilson and Smith announced that they are expecting their first child.

DORTCH'S REMARKABLE STORY CONTINUES

WR **Greg Dortch** - who originally entered the NFL as a rookie free agent with the New York Jets in 2019 - is in his fifth season in Arizona as he continues his remarkable NFL journey.

After signing with the Jets as a rookie free agent in 2019, **it began a stretch that saw him spend time with five different teams (Jets, Panthers, Rams, Falcons and Cardinals) while being released six different times in his first three NFL seasons (2019-21). During that time he appeared in just seven games.**

Since finding a regular spot in the Cardinals lineup in 2022, Dortch has become a key component on both offense and special teams. In that span he appeared in 49 games (12 starts) and had 2,586 all-purpose yards (broken down below):

- **113 receptions for 1,089 yards and 7 TDs**
- **13 carries for 80 yards**
- **76 punt returns for 649 yards**
- **35 kickoff returns for 768 yards**

After posting three receptions for 15 yards in his first three NFL seasons (2019-21), Dortch has 113 receptions for 1,089 yards and seven TDs in the last three seasons with Arizona.

In his NFL career, he has appeared in 56 games (14 starts) with 116 receptions for 1,104 yards and seven TDs to go along with 14 carries for 104 yards. On special teams has returned 44 kickoffs for 962 yards and 87 punts for 701 yards.

DORTCH HITS PAYDIRT TWICE IN 2024 FINALE

Playing in his 56th career game, Dortch posted his first career multi-TD performance in the Cardinals win over the 49ers in the '25 season finale. He finished the contest with TD receptions of 23 and 2 yards. Prior to that outing, the last time Dortch had at least two TD receptions in a game was in his final season at Wake Forest (2018) when he had 4 TD catches vs. Rice on 9/29/18.

The performance vs. San Francisco capped a season in which Dortch totaled 37 receptions for 342 yards and a career-best three TD catches. He also had 202 yards on 21 punt returns and 186 yards on seven kickoff returns.

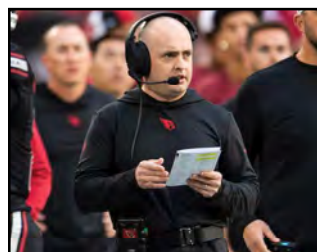

OFFENSE THAT CAN SCORE THE LONG WAY

In 354 regular season games between 2001 and 2022, the Cardinals had three total 99-yard TD drives.

Arizona has an NFL-high three 99-yard TD drives in 34 games under offensive coordinator Drew Petzing in the past two seasons (2023-24). Cincinnati (2) is the only other team with more than one such drive during that span.
