

WEEKLY RELEASE

NEW ORLEANS SAINTS

CAROLINA PANTHERS (3-5) VS. NEW ORLEANS SAINTS (3-5)

GAME #9, SUNDAY, NOVEMBER 15, 2026 - 12:00 P.M. (CST)
CAESARS SUPERDOME - NEW ORLEANS, LA.

THE MATCHUP

Showing impressive grit and resolve in a 23-22 overtime win over the Cleveland Browns for their second victory in their last three games on Sunday, the New Orleans Saints (3-5), will look to start the second half of the 2026 season on a winning note and take advantage of the opportunity for sole possession of first place in the NFC South, when they host the Carolina Panthers (3-5) on Nov. 15.

The Saints will look to continue their road back to .500 after dropping three straight games in October. A win over the Panthers will put them in first place in the NFC South with a 1-1 division mark with the final four contests to be played in the final five weeks of the season. The Saints will play at Bank of America Stadium on Dec. 13.

In winning two of their last three, the Saints have only outscored their opponents 67-65, with all three contests going down to the wire. After a 16-10 loss to the Pittsburgh Steelers on Oct. 25 in Paris, France, the team got back to basics in improving in running the ball, stopping the run and the kicking game, with each element making a difference in the win on Sunday.

In Sunday's win against the Browns, the New Orleans offensive line did an outstanding job blocking for a rushing attack that gained 160 yards on 32 carries (5.0 avg.) with one touchdown. QB **Tyler Shough** was a model of efficiency, completing 21-of-35 passes for 265 yards with one touchdowns, zero interceptions and a 93.2 passer rating, while carrying ten times for 51 yards. Shough completed passes to eight different players, led by WR **Chris Olave**, who had seven grabs for 98 yards and TE **Juwan Johnson**, who scored the game-winning touchdown in overtime.

Defensively, after some struggles earlier in the season, New Orleans clamped down against the run, surrendering only 95 rushing yards on 34 carries (2.8 avg.) against the Browns on Sunday. Once again, several players made key contributions, including two sacks from edge rusher **Carl Granderson** and a 11-tackle effort that included two stops for loss and one sack by LB **Kaden Elliss**. Granderson is the first player since the 2013 season to have more than one sack in four consecutive contests.

THIS WEEK IN THE NFC SOUTH: The Atlanta Falcons (3-6) host the Kansas City Chiefs (6-2) at Mercedes-Benz Stadium, while the Tampa Bay Buccaneers (3-6) have a Week Ten bye.

THE HEAD COACHES

Named the 19th head coach in New Orleans Saints history on February 11, 2025, Kellen Moore joined the Black and Gold after serving as the offensive coordinator for the Philadelphia Eagles in 2024. In his first season at the helm in New Orleans, Moore rallied the team from a 2-10 start to win four of the final five games. The Saints went 4-0 in the month of December, going undefeated in the month for the first time since 2011 and only the third time in franchise history. Moore put his imprint on the team in year one on offense, mixing a combination of rookie QB Tyler Shough, protected by a pair of promising young tackles in Kelvin Banks Jr. and Taliese Fuaga, along with WR Chris Olave and TE Juwan Johnson. Including Shough and Banks, whose 1,066 snaps on offense was a club-high to earn PFWA All-Rookie honors. Moore and his staff successfully integrated a total of five rookies into the starting lineup and important rotational roles. Before joining the Eagles in 2024, where the Super Bowl LIX champions ranked eighth in net yards per game (367.2), seventh in points per game (27.2) and second in rushing yards per game (179.3), Moore served as offensive coordinator of the Los Angeles Chargers in 2023 and the Dallas Cowboys from 2019-22 after starting his coaching career as quarterbacks coach in Dallas in 2018. In four seasons as offensive coordinator of the Cowboys, Moore's unit ranked second in the NFL in total offense (391.0 net yards per game) and scoring (27.7 points per game). The Dallas offense was also the league's fourth-best passing offense (264.4 net yards per game) and ranked seventh in rushing offense (126.6 yards per game) over that span.

Moore played quarterback at Boise State (2007-11) before playing six seasons in the National Football League with the Detroit Lions (2012-14) and Dallas Cowboys (2015-17).

Personal: Born July 5, 1988, in Prosser, Washington. He and his wife, Julie, have two daughters, Halle and Madelyn, and two sons, Kyler and Beckham. His younger brother, Kirby, is the head coach at Washington State.

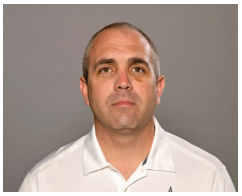

Dave Canales is in his third season as head coach for the Carolina Panthers after being named the seventh head coach in franchise history on January 25, 2024. In his second season (2025), Carolina earned its first NFC South title since 2015 after a 1-3 start, becoming just the 10th team to accomplish this feat over the past 20 seasons. He joins Dom Capers (1996) and John Fox (2003) as the only Carolina head coaches to appear in the postseason in one of their first two seasons. In 2025, the Panthers won seven one-score games and four contests after trailing at halftime, tying for third in the league in each category.

Canales spent his first 13 seasons in the NFL with Seattle (2010-22) in various roles on offense, helping the Seahawks earn 10 playoff appearances, two conference championships and a Super Bowl XLVIII title. He then served as offensive coordinator for Tampa Bay in 2023, contributing to an NFC South title. Canales spent one season at the University of Southern California (2009). He made the jump to USC from El Camino (California) College (2006-08), where he worked as a part-time coach at the annual Pete Carroll football camps and built a relationship with Carroll. Canales began his coaching career as the head freshman/sophomore coach and offensive coordinator at his alma mater, Carson High School (2004-05).

Background: Played wide receiver at Azusa Pacific from 1999-2003. No pro playing experience. College coach: El Camino College 2006-08, Southern California 2009. Pro coach: Seattle Seahawks 2010-22, Tampa Bay Buccaneers 2023. Joined Panthers in 2024.

Personal: A native of Carson, Calif., Canales was born on May 7, 1981. He and his wife, Lizzy, have four children.

COORDINATOR CORNER

SPECIAL TEAMS COORD. PHIL GALIANO

Phil Galiano is in his second full season as the Saints' special teams coordinator. A coaching veteran with 26 years of experience, including ten in the NFL, Galiano spent six seasons (2019-24) as New Orleans' assistant special teams coach before taking over coordinator duties full-time in 2025.

In 2026, Galiano will shepherd a special teams unit featuring a new kicker (Daniel Carlson), a new punter (Ryan Wright) and additions in the return game.

In Galiano's first full season leading the Saints special teams, defensive tackle Nathan Shepherd was named the Week Ten recipient of NFC Special Teams Player of the Week honors, after he blocked Carolina's 48-yard attempt. Defensive tackle Bryan Bresee had the team's first blocked field goal in Week One against Arizona. Galiano retooled a coverage unit that had their top six tacklers new to the Saints leaderboard from 2024 into 2025, led by linebacker Isaiah Stalbird, who led the club with six stops.

Galiano's work from 2019-24 with Darren Rizzi, who served as coordinator, helped make the kicking game an important key to victory for New Orleans. On coverage units, J.T. Gray's 93 tackles ranked first in the NFL during that span, with the special teams ace selected as an *Associated Press* All-Pro three times. The punting game also produced the top five seasons in club history for punts inside-the-20-yard line. Since 2019, the Saints have excelled in the return game. Over the seven-season period, the team has been ranked sixth in the National Football League in punt return average (10.3) and are tied for fourth in the leauge with three punts returned for touchdowns.

A three-year starter at safety for Shippensburg, Galiano served as a tri-captain during his senior campaign. He helped lead the Raiders to consecutive winning seasons (1997-99). The Norristown, Pa. native graduated with a degree in business administration.

OFFENSIVE COORDINATOR DOUG NUSSMEIER

Doug Nussmeier enters his second season as New Orleans' offensive coordinator in 2026, marking his 11th campaign in the NFL coaching ranks and 12th overall as an offensive coordinator at the NFL and collegiate levels.

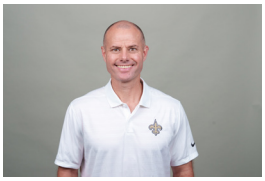

A 25-year coaching veteran, Nussmeier returned to New Orleans in 2025 after originally being a fourth round pick (116th overall) of the Saints in the 1994 NFL Draft out of Idaho, playing four seasons with the Black and Gold. He re-joined the Saints after spending the 2024 season as quarterbacks coach of the Philadelphia Eagles.

In his first season with the Saints coaching staff in 2025, Nussmeier helped the offensive improve steadily throughout the season. Nussmeier and Head Coach Kellen Moore devised a scheme behind rookie signal-caller Tyler Shough that accentuated his abilities and helped the Black and Gold finish the season 5-4. Depite having only nine starts, Shough completeed 221-of-327 passes (67.6 pct.) for 2,384 yards with ten touchdowns and a 91.3 passer rating, while leading the team in rushing touchdowns to accentuate his athleticism and earn PFWA All-Rookie. By season's end, the Saints had a pair of players - WR Chris Olave and TE Juwan Johnson - for the first time since the 2016 season.

Nussmeier finished his college playing career at the University of Idaho as the program's all-time leading passer with 10,824 career passing yards over five years (1989-93). He won the Walter Payton Award in 1993, which was at the time given annually to the top player in NCAA Division 1-AA after throwing for a program-record 33 touchdown passes and leading the Vandals to a national semifinal berth. Nussmeier was named Big Sky Conference Offensive Player of the Year in 1992 and was inducted into the University of Idaho Athletic Hall of Fame in 2008.

A Portland, Ore. native, Nussmeier and his wife, Christi, have two sons, Garrett and Colton, and a daughter, Ashlynn. Garrett played quarterback at LSU from 2021-25 and was a seventh-round pick of the Kansas City Chiefs in the 2026 NFL Draft.

COORDINATOR CORNER

DEFENSIVE COORDINATOR BRANDON STALEY

Brandon Staley is in his second season as defensive coordinator for the Saints in 2026. A 20-year coaching veteran, including the last nine in the NFL and three seasons as head coach of the Los Angeles Chargers, Staley oversaw a Saints unit that made great strides in his first season with New Orleans.

In 2025, New Orleans finished the season ranked ninth in opponent yards per game (299.8), fourth in opponent net passing yards per game (179.2), fifth in forced fumbles (11), sixth in opponent rushing yards per play (3.97) and tenth in opponent red zone touchdown percentrage (53.2). The club did not allow a 300-yard passer. The unit was especially stout on third down, ranking third in the NFL in opponent third down conversion rate (34.3). The 2025 Saints were one of eight teams that finished in the league's top-12 units in EPA (Expected Points Added) against both the run and the pass, including second against the rush.

With edge defenders Cameron Jordan (10.5) and Chase Young (career-high 10.0) each reaching double-digit sacks, the Saints were one of only three teams to have two defenders with at least ten takedowns. LB Demario Davis led the team with 143 tackles and two forced fumbles. CBs Alontae Taylor, whose seven stops for a loss were tied for third in the NFL at the position, and Kool-Aid McKinstry, who led the team with his first three career interceptions and was tied for sixth in the league with 17 pass breakups, enjoyed breakout campaigns. Staley and the defensive backfield coaching staff also successfully integrated a pair of promising rookies into the lineup. CB Quincy Riley was named to the CBS Sports and ESPN.com All-Rookie teams after playing in all 17 games (five starts) and totaling 34 tackles, ten passes defensed (tied for fourth in the NFL among rookies), one interception and one forced fumble. S Jonas Sanker entered the starting lineup in Week Two and led the secondary with 78 stops and ranked second among rookie safeties with three takeaways, tied for first on the team, earning ESPN.com All-Rookie.

ASSOCIATE HEAD COACH

ASSOCIATE HEAD COACH/ RUNNING BACKS JOEL THOMAS

Joel Thomas, a 26-year coaching veteran, has tutored the Saints running backs for ten seasons (2015-23 and 2025-present). After spending the 2024 season coaching the New York Giants running backs, the Port Angeles, Wash. native returned to New Orleans in 2025 with the additional title of associate head coach.

In Thomas' ten seasons presiding over the Saints running backs, New Orleans tailbacks have led a balanced attack on the ground and through the air. The Saints' 170 rushing touchdowns are tied for fifth in the NFL and their 18,649 rushing yards rank 13th. A Saints tailback has ranked in the top ten in the NFL in receiving at the position in eight of the ten campaigns of Thomas' Black and Gold tenure, with the 1,084 receptions by Saints running backs the most in the league at the position. Thomas has helped his running backs earn six Pro Bowl selections - Alvin Kamara (2017-21) and Mark Ingram (2017).

Under Thomas' tutelage, Kamara, the Saints' all-time rushing yardage leader, was the only NFL player with at least 1,160 total yards from scrimmage in each of the seven seasons he first coached him, three of them 1,500 or more. In 2023, under Thomas' tutelage, Kamara, the team's all-time rushing leader, became the franchise's all-time leader in yards from scrimmage, rushing touchdowns and total touchdowns. Thomas also coached Ingram, New Orleans' career rushing leader from 2021-24, for six years, including two 1,000-yard campaigns. During his first New Orleans tenure, the Saints ranked in the top six in the NFL in rushing three times (2017, 2018 and 2020).

Thomas lettered at running back at Idaho from 1993-98, where he was a two-time first-team All-Big West selection and conference Player of the Year as a senior and still holds Vandals career records with 3,929 rushing yards and 51 TDs on 765 attempts. He was inducted into the University of Idaho Athletic Hall of Fame in 2008. Thomas earned his degree in public communications in 1998. He served as the head coach for the victorious American team for the 2026 Panini Senior Bowl.

GAME SUMMARIES

WEEK 1: Detroit Lions 31, Saints 30, September 13 @ Ford Field - Tyler Shough chose the worst day of his young NFL career to post the best day of his NFL career, and it was nearly enough for the New Orleans Saints to pull off one of the most improbable comebacks in franchise history.

But after rallying from a 21-0 deficit in the third quarter, the Saints fell just short in a 31-30, overtime loss to the Lions in the season opener on Sunday at Ford Field in Detroit.

"The defense did a lot of good things in the first half, they competed, they battled. They kept that offense from scoring for the most part," Coach Kellen Moore said. "I think in the second half we started slow again on offense...I think we finally got to that point where we started executing, and I think that allowed us to use some tempo offense to get some more plays to get the ball downfield...I think in all three phases we are going to have some stuff we liked and some stuff we've just got to get better at."

Shough, in his second season and tenth career start, completed 10 of 22 passes for 85 yards and an interception in the first half, after which the Saints trailed 7-0. And he committed turnovers on consecutive possessions in the third quarter – an interception and lost fumble – that helped the Lions post short-field touchdown drives (41 and 25 yards) to take the three-touchdown lead with 8:54 left in the third.

But Shough and the offense created momentum on New Orleans' next drive with a scrambling, 47-yard completion to Chris Olave and from there, he was on a heater. He completed 25 of 34 passes in the second half and overtime, for 325 yards and three touchdowns, as the Saints climbed until they tied the game at 24-24 at the end of regulation.

Shough's 410 passing yards marked a career high, and Olave, a second-team *Associated Press* All-Pro last year, caught 10 passes for 182 yards as New Orleans scored on four consecutive possessions – three touchdowns and a field goal – before driving and to leave kicker Daniel Carlson in position to end the game on a 62-yard field goal attempt as time expired in regulation.

The kick attempt, which would have been a career best for Carlson, was short and wide right.
The Saints were undeterred.
They won the overtime coin toss, deferred, watched the Lions drive 70 yards in 10 plays to take a 31-24 lead, then mounted their own touchdown drive – 10 plays, 80 yards, including a 20-yard completion to Olave on fourth-and-three from their own 27 to keep the march alive. Shough's eight-yard touchdown pass to tight end Noah Fant pulled the Saints to within 31-30 with 1:34 left and from there, they went for two to try to secure the win. But Shough's pass attempt for Bryce Lance sailed out of the back right corner of the end zone, and the comeback fell short.
"I was proud of how we fought as a team and regardless of the adversity or circumstances we kept going ," Shough said. "I just got to play better in the first half. We've got to play better as an offense, get a rhythm going. ...Credit to them, they had some unscouted looks, obviously, it's the first game, there is going to be some new looks. We just have to be able to handle that swing better. It was a good fight to the end."
The total points allowed didn't speak well for the defense, but also it didn't tell the complete story. In the first half, little more could have been demanded or provided by the unit. It allowed a 13-play, 89-yard touchdown drive, but otherwise, it surrendered just 72 yards and appeared to have scored a second-quarter touchdown of its own, until the play was reversed on replay.
On third-and-16 from the Detroit 32-yard line, Saints edge Chase Young blazed around the right end and appeared to sack Lions quarterback Jared Goff. In the process Young forced a fumble that, after a scramble, was recovered by safety Jonas Sanker and returned 7 yards for a touchdown with 9:31 left in the half.
But replay reviewed the fumble, ruled that Goff intended a forward pass, and reversed the relentless effort by Young in knifing into the backfield. Goff was charged with an incompletion and Detroit was allowed to punt.
The defense actually did produce a turnover – following a replay, ironically – on Detroit's next possession. After the Saints were forced to punt following Detroit's non-fumble, the Lions took over with first down at the New Orleans 44.
Goff completed a short, 4-yard pass to running back Jahmyr Gibbs and as Gibbs shimmied and attempted to advance forward, defensive tackle Vernon Broughton smashed him from the blind side and ripped away the ball as they fell to the turf. Gibbs initially was ruled down by contact, but after review, it was determined that the football was dislodged before Gibbs' knee was down. The Saints were successful on the challenge, and took possession at their 40-yard line with 7:40 left in the half.
The jubilation was short-lived. Five plays later, on second-and-6 from the Lions 40, Shough and Fant got their signals crossed and Shough's pass attempt went directly to Detroit safety Chuck Clark, who returned it 1 yard to the 36. The teams exchanged punts before the Lions ran out the final 20 seconds of the half.

WEEK 2: New Orleans Saints 24, Baltimore Ravens 17; September 20 @ M&T Bank Stadium - Scared money doesn't make money, and if the New Orleans Saints have shown nothing else in the first two weeks of the regular season, it's that they're not scared money in the 2026 season.
A week after going for a two-point conversion and the win in an overtime road loss to Detroit, Saints Head Coach Kellen Moore rolled the dice on fourth-and-goal from the 1 with 92 seconds left in a 17-17 game against the Ravens at M&T Stadium in Baltimore.
"Fortunate for us to get that. Obviously was gonna go for it in that situation – a chance to score a touchdown, (and) if not, we're forcing them to be on the minus one and go the long way," Moore said. "But it felt like we could get it done there."
New Orleans quarterback Tyler Shough strained, muscled and was shoved across the goal line plane – a call that withstood the replay official's review – and that score stood as the game winner when safety Julian Blackmon intercepted Lamar Jackson's pass at the Saints' seven-yard line with 13 seconds left.

New Orleans offered another riveting performance, and this time, all three phases played a significant role as the Saints eliminated the turnovers (from three against the Lions in the opener to none Sunday) and shrunk the penalties to five, for 35 yards.

Shough completed 27 of 34 passes for 252 yards and one touchdown, ran for 23 yards and one touchdown and received big-time assistance from his offensive line (which lost LT Kelvin Banks Jr. to an ankle injury with 2:02 left in the third quarter), WR Chris Olave (eight catches for 86 yards and a touchdown) and TE Juwan Johnson (four catches, 66 yards), who made several critical catches in the second half.

Defensively, the Saints sacked the elusive Jackson three times (1.5 by explosive EDGE Chase Young), held the Ravens to only one field goal in the second half and clamped down for four quarters: A week after the Ravens posted 41 points and 500-plus yards, they were limited to 17 points and 312 total net yards.

On special teams, K Daniel Carlson made all three field goal attempts (23, 47 and 51 yards), rookie WR Barion Brown had a 53-yard kickoff return to set up a field goal that pulled New Orleans to within 14-6 at halftime, and recently-signed LS Scott Daly was flawless in his Saints debut.

All in all, it was the kind of performance – on the road, against a quality opponent – that the Saints have believed themselves capable of rendering since they began OTAs.

As was the case in the opener against the Lions, New Orleans trailed by one score at halftime; 14-6 against the Ravens after 7-0 versus the Lions. And, again defensively, New Orleans did what it could to keep an explosive offensive off the scoreboard.

The Ravens' touchdowns came courtesy of a 1-yard run by Derrick Henry and a 23-yard pass from Jackson to Rashod Bateman with 24 seconds left in the half to give Baltimore a 14-3 lead.

But Brown returned the kickoff 53 yards to the Baltimore 44-yard line, Shough ran for 2 yards and completed a 13-yard pass to Devaughn Vele to set up Carlson's 47-yard field goal as time expired in the half.

Both Shough and Jackson were precise in the first half; Shough completed 12 of 15 passes for 102 yards, and Jackson connected on 13 of 16 throws for 171 yards and the touchdown. Vele caught three passes for 53 yards in the half.

The Saints helped bottle themselves up with three penalties (for 25 yards), and three plays that were tackled for loss. One of those was a fumbled toss attributed to Shough, but recovered by running back Travis Etienne Jr. for a seven-yard loss.

Those errors mainly disappeared in the second half, when the Saints outscored Baltimore 18-3 and scored on three of four possessions – two touchdowns, a two-point conversion run by Etienne and a field goal from Carlson.

WEEK 3: Las Vegas Raiders 35, New Orleans Saints 27; September 27 @ Caesars Superdome - The speed with which the unraveling occurred was "warp."

Each of the New Orleans Saints' four fourth-quarter possessions resulted in a turnover Sunday against the Raiders in the Caesars Superdome: Lost fumble, interception, lost fumble and lost fumble. And what had been a 27-22 lead entering the final 15 minutes became a heavily-assisted, 13-point close for the Raiders in a 35-27 victory that dropped New Orleans (1-2) below .500 and kept Las Vegas (3-0) undefeated.

"I thought we fell short in all three phases," safety Justin Reid said. "There's a couple of plays I fell short. I thought that we played a lot of good football and I thought there were some plays we just left short out there in all three phases. We just can't do that. We had a lot of good things going.

"We're going to learn from this and we're not going to get too down on ourselves, but a lot of guys are upset, a lot of guys are pissed off. I'm pissed off right now. That's OK, because we have high standards for ourselves, we have high standards for what we can do and we're going to step up to the occasion next time."

The standards were being met for a good portion of Sunday's game, New Orleans' home opener.

The Saints posted their first first-quarter score of the season – a two-yard touchdown pass from Tyler Shough to tight end Juwan Johnson – and led 6-3 at the end of the first quarter. And even though the Saints trailed 16-13 at halftime, the offense appeared sharp early with two lengthy touchdown drives (79 yards on 13 plays on the touchdown pass to Johnson, and 72 yards on 10 plays leading to a 3-yard touchdown pass to tight end Noah Fant).

Two more touchdown passes to the tight ends in the third quarter – one yard to Johnson and 16 to Fant – allowed Shough (29 of 42 for 255 yards and four touchdown passes, with an interception and two lost fumbles) to post his single-game high for touchdown passes and gave New Orleans tight ends as many touchdown receptions Sunday (four) as the position generated all last season in 17 games.

But after the Saints took a 27-16 lead on the 16-yarder to Fant with 5:46 left in the third quarter, on a score that came after edge Anfernee Jennings forced a fumble on a kickoff that was recovered by safety Jordan Howden, New Orleans was more imperfect at any stretch of the young season.

The Raiders answered with a quick-strike touchdown drive (71 yards on five plays in 146 seconds) and pulled to within 27-22 with 3:40 left in the quarter; their two-point conversion attempt failed.

The Saints couldn't take advantage when the ensuing kickoff went out of bounds and they began their next possession at their 40, gaining 17 yards and taking a five-yard delay of game penalty before punting, but forced the Raiders to punt after a three-and-out.

The next possession began at the Saints' 39 with 1:36 left in the third and trickled over into the fourth quarter as New Orleans drove to the Raiders' 29. On third-and-four from there, Shough was sacked from behind by Raiders edge Malcolm Koonce while attempting to throw, the football popped free and Maxx Crosby recovered at the Raiders' 45.

Six plays later, Kirk Cousins threw a 4-yard touchdown pass to Cody White and the Raiders took a 28-27 lead with 9:21 left.

Shough was intercepted on third-and-6 to end the Saints' next drive, and it was returned 35 yards by cornerback Hezekiah Masses to the Saints' eight-yard line, fumbled by Masses, and recovered by defensive tackle Adam Butler at the four. Cousins threw a four-yard touchdown pass to tight end Brock Bowers three plays later and Las Vegas' lead grew to 35-27.

The next two drives ended on a Shough fumble from the Raiders' 20-yard line, and a Johnson fumble at the Saints 40 to smother the last gasps.

The Saints on Sunday were perfect in the red zone (four for four), perfect on goal-to-go (three for three) and more than healthy on third down (nine for 16). But the turnovers and penalties (eight for 36 yards), several which drew the ire of the Saints' sideline, were devastating.

"It's frustrating, but we're on to the next," said edge rusher Chase Young, who had the third two-sack game of his career, his second as a Saint. "This is the league. We could be better, we know that. We try not to bank our wins off the referees' calls. We may not like a call, but at the end of the day, we try to look past that and just play within the white lines."

WEEK FOUR: Atlanta Falcons 45, New Orleans Saints 24; October 5 @ Caesars Superdome - The Monday night football celebration decisively disintegrated at the "football" part of the program for the Saints.

New Orleans' 45-24 loss to Atlanta in the Caesars Superdome was the wet-blanket conclusion to what began as a festive, reflective day commemorating the 20-year anniversary of the Superdome re-opening after Hurricane Katrina. The Saints produced a season-worst performance in the nationally-televised contest against their division rivals, who evened their record at 2-2 with their second straight win.

After three straight close games, all decided in the fourth quarter or overtime, the Saints gave up a 59-yard touchdown run to Atlanta running back Bijan Robinson on the third play from scrimmage, fell behind 14-0 and never pulled closer than seven points as the Falcons rushed for five touchdowns and 205 yards.

"It's really upsetting when you think about the talent that we have on the team," Saints edge rusher Cameron Jordan said. "I hate that we had a slow start and got punched in the mouths early and we were looking to respond. It's one of those games where we weren't good enough on offense, defense and special teams. And you look in the second half, like, 'fight back.'

"When you have a division rival, it's damn near worth two games. They had an early score with Bijan and at that point, [had] 60 yards on the ground. We've got to be able to figure something out. And you end up letting them - what, 200 yards rushing? That's on the defensive line. You can't look anywhere else. When you have a ground game like that, you have to look at your defensive line and say, hey, we've got to tighten up. It didn't happen this game, so our secondary had to come down and try to focus on the run and that's where they get to have their way. They had their way."

Atlanta totaled 420 yards and averaged 7.5 yards per play on 56 plays.

Offense was just as much of a struggle for New Orleans, which finished with 320 yards and managed just 50 rushing yards. Running back Alvin Kamara ran for 3- and 5-yard touchdowns to raise his franchise-record total to 89, but the Saints averaged 2.6 yards on 19 carries and, again, started slowly.

The first offensive possession ended on a three-and-out, the second on a missed 52-yard field goal attempt by Daniel Carlson and the third, on Kendre Miller's lost fumble - a down-by-contact field ruling that was overturned by Atlanta's challenge.

The Falcons were able to take advantage of the short field and score on a five-play, 22-yard drive as Bijan Robinson scored on a 4-yard run. The Saints forced an incompletion on the drive on fourth-and-4 from their 8-yard line, but cornerback Kool-Aid McKinstry drew a holding penalty in the end zone that gave the Falcons first-and-goal at the 4.

Brian Robinson Jr. ran for three touchdowns and quarterback Michael Penix added a passing touchdown as New Orleans never seriously threatened after pulling to within 14-7.

"We didn't shut down, our run defense," Jordan said. "Our run defense didn't show up to play early on - 60-yard touchdown happens. From there, they understand their zone schemes were working, they relied on that. And for whatever reason, we couldn't tighten up our gaps. Our gap integrity has to be at a premium, especially when you're going against a top-tier back like Bijan. Or any running back, the way that we're playing. It just wasn't good enough."

Jordan said the message from Monday's game was a clear one.

"The message is, if you get punched in the chin you tuck your chin and start swinging back."

WEEK FIVE: Minnesota Vikings 23, Saints 13; October 11 @ Caesars Superdome - The New Orleans Saints insist that the ingredients are available. But combining them to create a satisfying result has been a frustratingly elusive endeavor, the latest attempt a 23-13 loss to Minnesota in the Caesars Superdome.

The Saints (1-4) lost their third consecutive game, all in the Superdome, as they searched and again failed to find any sustained mix of consistency and execution against the Vikings (5-0).

"There's 12 opportunities left," edge Cameron Jordan said. "Dudes got to show exactly who they are in times of adversity. Last week we got punched in the mouth? Cool, how do you respond? There's guys that have made business decisions, there's guys that fought through. As a team, we're not disciplined enough at the end of the day. I think, from last week, we learned there's ups and downs of the game. This week, everybody was locked in, everybody focused on how to get this win. We got up going into halftime, you can't come out and give that ball back. You've got to be a disciplined team. You've got to be able to overcome."

GAME SUMMARIES

CONTINUED FROM PREVIOUS PAGE (WEEK FIVE VS. MINNESOTA)

In the first two games this season, overcoming was a staple. New Orleans rallied from a 21-0 deficit in a 31-30 loss to Detroit in overtime, and from a 14-6 halftime margin to post a 24-17 victory over Baltimore. But since springing to a 27-16 lead against the Raiders in the third quarter in Week 3, the Saints haven't conjured enough offense, strung together enough defensive stops, protected the football well enough or played clean on special teams consistently enough – all in the same game – to finish a game on top.

The lead was 7-6 on the day QB Drew Brees was inducted into the Saints Ring of Honor, courtesy of a touchdown drive set up by DL Khristian Boyd's forced fumble and edge Chase Young's 27-yard recovery and return. But it was short-lived.

Jayden Price fumbled the opening kickoff of the second half, the Vikings recovered and six plays later, on third-and-6, Kyler Murray threw a 15-yard touchdown to Justin Jefferson for a 13-7 Vikings lead. Saints QB Tyler Shough threw the first of two interceptions to end New Orleans' next drive, and the Vikings drove from the Saints 37 to the 14 on seven plays, took a delay of game penalty, and faced third-and-15 from the 19 with 2:49 left in the third.

Murray's short pass to WR Myles Price gained seven yards, but as CB Martin Emerson Jr. and LB Pete Werner converged to combine for the tackle, Emerson stripped the ball out and S Jonas Sanker recovered. Sanker ran 87 yards untouched down the right sideline – the second-longest fumble return in franchise history – to tie the game at 13-13.

Even that euphoria was short-lived; Daniel Carlson missed the point-after attempt and New Orleans didn't take the lead.

The Vikings drove 70 yards in six plays on their next possession, ending with Aaron Jones' bruising 8-yard touchdown run with 14:06 left in the game, and the Saints didn't again threaten to score against the league's top defense, which entered the game allowing 12.8 points per game.

Defensively, the Saints shrunk the numbers from the 45-24 loss to Atlanta; from 420 yards (205 rushing) and six touchdowns allowed to 364 (153 rushing) and two, and created two turnovers, one returned for a touchdown. But offensively New Orleans totaled 142 yards, including 87 net passing yards by Shough (16 of 25 for 96 yards, no touchdowns and two interception). The touchdown drive – 15 plays, 66 yards, capped by Kendre Miller's 2-yard run – was the lone offensive highlight possession.

"You're living in these red situations, we call them, where you're not in an efficient run or pass situation, you're behind the sticks," left guard David Edwards said. "And so any time you're in that, it just makes it harder on everybody. Our process and our operation has to improve for us to continue to be where we want to go. We got work to do.

"I thought staying on track was going to be one of the main keys for us and as players, we didn't do that. When you're living in second-and-long and third-and-long, that's just hard football to be playing. The touchdown drive that we had we ran it well, we threw it well, we were efficient – that's us. That's us.

"Can we look at that drive and really focus on the great things that we did and build off that? That's what I want to be focused on. We proved that we can do that time in, time out, snap in, snap out. I'm encouraged with that sort of stuff moving forward, because I think that's really who we are."

WEEK 6: New Orleans Saints 34, New York Giants 27; October 18 @ MetLife Stadium - It took most of the first half for the New Orleans Saints to find some of what they've been looking for a good portion of this season, but when they found it, they knew precisely what to do with it against the Giants on Sunday at MetLife Stadium.

And fortunately for the Saints (2-4), they had just enough of it to outlast New York in a 34-27 victory that ended New Orleans' three-game losing streak, made a Herculean comeback stand and prevented what would have been a sizable collapse.

A running game that had been AWOL produced 175 yards and a touchdown.

The special teams rebounded from an opening-game penalty and missed field goal to provide two 50-plus yard field goals, a forced and recovered fumble (linebacker Isaiah Stalbird and tight end Oscar Delp, respectively), and 181 return yards.

The defense gave up a 93-yard touchdown drive, then shut the door for three quarters as it intercepted three passes (two by cornerback Martin Emerson Jr.), sacked Giants quarterbacks five times (1.5 each from edges Chase Young and Carl Granderson) and helped the offense go on a 34-0 run.

And the offense, after some early shooting in the foot, had enough of it left to give the Giants (3-2-1) a big enough kick to help withstand a 17-0 blitz by the Giants in the fourth quarter.

The result allowed the Saints an exhale as they readied to board the flight for Paris and prepare for their game against the Steelers next Sunday.

"Wild NFL games," Saints coach Kellen Moore said. "They always come in different shapes and sizes, so I'm glad our guys found a way to win this game. That's ultimately your No. 1 objective going on the road."

New Orleans followed a familiar pattern as the Giants took a 10-0 lead with 2:27 left in the first half behind a Jameis Winston touchdown pass and field goal. But from there, the Saints began their punchback.

Barion Brown returned the kickoff 41 yards to the Saints' 44-yard line, and after driving 16 yards and stalling, Daniel Carlson kicked a 58-yard field goal to pull the Saints to within 10-3 with 1:18 left in the half.

On the ensuing kickoff return, Stalbird forced a fumble by Giants wide receiver/return specialist Charlie Jones on a 22-yard return that Delp recovered at the Giants' 28-yard line. And after Saints quarterback Tyler Shough scrambled for 25 yards on first down, he threw a two-yard touchdown to rookie wide receiver Bryce Lance on fourth-and-goal to tie the score at halftime.

"That was a huge turnover," Moore said. "Stalbird created that forced fumble and we were able to score right there, tie the ballgame up. And then come out in the second half and play, I thought, a really good middle right there."

The Saints opened the second half with three touchdown drives and a field goal in five possessions – while forcing two punts and intercepting three passes – to create a 34-10 lead with 10:22 left in the fourth quarter.

Then, the Saints exhaled.

The Giants didn't.

New Orleans subbed out a few starters, the Giants switched quarterbacks from Winston to J.J. McCarthy, and the combination of that – plus a lost Saints fumble – started New York on a 17-0 sprint that didn't end until McCarthy's pass was incomplete on fourth-and-1 from the Saints' 14-yard line with six seconds left.

"A couple of guys are kind of managing some stuff, guys that are sore and tried to get a few guys out," Moore said. "And obviously, it didn't work."

What did was a plus-3 turnover margin and perfection in the red zone (three for three). Shough completed 16 of 30 passes for 144 yards, but he didn't commit a turnover and threw three touchdown passes, including a 31-yarder to Alvin Kamara and an 18-yarder to Chris Olave. The toss to Kamara also put him in an exclusive club – he is now one of six players in NFL history to record 5,000+ rushing and receiving yards.

WEEK 7: Pittsburgh Steelers 16, New Orleans Saints 10; October 25 @ Stade de France - Regardless of how enticing and exhilarating a flirtation with danger can be, a long enough dalliance with it will eventually lead to heartbreak, even in the City of Love.

The New Orleans Saints (2-5) found out on Sunday against Pittsburgh (5-2) at Stade de France, dropping a 16-10 decision as they entered their bye week – their third one-score loss this season – in the first NFL game played in Paris.

The Saints caught a break twice in the first half with two overturned fumbles – first on a play involving quarterback Tyler Shough, who fumbled after a tackle by Steelers linebacker T.J. Watt, and then on a fumble by running back Kendre Miller. Shough later connected with Devaughn Vele for a 1-yard touchdown with 1:45 left in the second quarter, the Saints' lone touchdown of the game.

Outside of that score, New Orleans failed to capitalize on their good fortune. On the cleanest drive of the day – 65 yards on 13 plays to open the third quarter, with New Orleans trailing 13-10 and facing second-and-7 from the Steelers' 10-yard line on the 14th play of the drive, having squeezed 7:17 off the clock with eight passes and five runs – Shough's pass attempt for receiver Chris Olave was undercut and intercepted in the right flat by Steelers linebacker Payton Wilson.

Wilson returned it 18 yards to the Pittsburgh 29-yard line, the Steelers drove 51 yards and kicked a 39-yard field goal with 14 seconds left in the quarter and the 16-10 lead stood.

New Orleans' two fourth-quarter drives ended with a missed 52-yard field goal by Daniel Carlson – his fourth miss in 11 attempts this season – and a punt, allowing Pittsburgh to drain the final 5:52. The Steelers converted a third-and-6 on an 8-yard run by quarterback Aaron Rodgers, surpassing the longest gain by any Saints back in an offense that managed just 18 yards on 17 carries. Then, with 69 seconds left, Pittsburgh eschewed a successful 37-yard field goal after the Saints were penalized for being offsides.

"We had our opportunities but ultimately they made a few more plays than us," Saints coach Kellen Moore said. "Margins are small in this game and when you have your opportunities you've got to take advantage of them, and they made more than we did."

Carlson matched Pittsburgh's opening-drive field goal with a 38-yarder in the second quarter, but the Steelers retook the lead with a touchdown drive on their next possession. The big play – a 51-yard pass from Rodgers to receiver D.K. Metcalf – came on third-and-14 from the Steelers' 45-yard line. The 4-yard touchdown pass was a jump ball between 6-foot-7 tight end Darnell Washington and Saints 5-foot-11 cornerback Kool-Aid McKinstry.

New Orleans responded with a 12-play, 52-yard touchdown drive, positioned by Barion Brown's 42-yard kickoff return and ended on the pass from Shough to Vele.

Shough completed 30 of 38 passes for 278 yards and the touchdown, plus the interception. But New Orleans' run game was nonexistent; Shough's 7 yards on three attempts led the way.

Defensively, despite 1.5 sacks each from Chase Young and Carl Granderson, New Orleans allowed 148 yards on 30 carries and Pittsburgh converted 10 of 16 third-down attempts, several on short runs.

WEEK 9: Saints 23, Cleveland Browns 22; November 8 @ Caesars Superdome - "They all ain't pretty!" New Orleans Saints edge Chase Young bellowed to no one in particular, but to everyone who witnessed the Saints' 23-22, overtime victory against Cleveland on Sunday in the Caesars Superdome.

"They all ain't pretty!" New Orleans Saints edge Chase Young bellowed to no one in particular, but to everyone who witnessed the Saints' 23-22, overtime victory against Cleveland on Sunday in the Caesars Superdome.

New Orleans lost a couple of fumbles – rookie receiver Jordyn Tyson's was recovered at Cleveland's 1-yard line as the Saints stalked a touchdown, and rookie receiver Barion Brown was stripped on a punt return and the Browns recovered at the Saints' 19-yard line, both in the second quarter. Kicker Charlie Smyth missed a 52-yard field goal attempt in the first quarter.

GAME SUMMARIES

CONTINUED FROM PREVIOUS PAGE (WEEK NINE VS. CLEVELAND)

The Saints were empty on three of five trips to the red zone, gave up five sacks and couldn't get out of their own way for a good portion of the game.

But the defense produced a goal-line stand in the second quarter - LB Kaden Elliss made the stop on fourth-and-goal from the 1 in the second quarter, to erase Brown's lost fumble and keep the score tied 3-3. The unit generated five sacks of its own, including two by Carl Granderson, who became the first player in team history to produce multiple sacks in four consecutive games, and it supplied the pressure and coverage on Cleveland's failed two-point conversion in overtime.

The beleaguered run game posted 160 yards on 32 carries after undergoing several changes, and both touchdowns came in the red zone – a 2-yard run by Audric Estimé (15 carries, 72 yards) in the fourth quarter and a 15-yard pass from Tyler Shough (21 of 35 for 265 yards, with no interceptions) to Juwan Johnson in overtime.

And Smyth made three field goal attempts, the final one a 48-yarder to give New Orleans a 9-6 lead with 5:38 left in regulation.

"We finished when we needed to finish" said Young, who had a sack, two QB hits, a pass defensed, a stop for loss and four tackles. Young has a team-leading eight sacks, a half-sack ahead of Granderson.

"We had a talk (Saturday) night from legendary (basketball) Coach Avery Johnson. And he talked about over-earning it. I think it was the perfect message for this game – we went into overtime, we had to over-earn it. I think we did that."

But the struggle was real for more than three quarters, as the Saints simultaneously found ways to disrupt their offensive rhythm and to hold Cleveland (5-4) in check.

After Smyth's 48-yard field goal gave New Orleans its 9-6 lead with 5:38 left in regulation, the Browns struck on the next play from scrimmage, a 64-yard touchdown pass from Shedeur Sanders to KC Concepcion, to take a 13-9 lead.

The teams traded punts, the Saints took possession at their 45-yard line with 1:48 left in regulation, and drove to the Cleveland 2-yard line in five plays – including a 33-yard completion to Chris Olave on first down from the Cleveland 43 – to set up Estime's 2-yard run with 58 seconds left.

But the Browns drove 41 yards in seven plays to set up the tying field goal, a 51-yarder by Andre Szmyt with 8 seconds left, to knot the score at 16-16.

New Orleans won the overtime coin toss, chose to receive, and marched 74 yards in 11 plays to take a 23-16 lead with 4:17 left in overtime. The Saints converted three third-down plays on the drive, including the 15-yard touchdown pass to Johnson.

The euphoria was short-lived; Cleveland went 67 yards in 8 plays to pull to within 23-22, the final 39 yards coming on a catch-and-run by tight end Harold Fannin with 60 seconds left in overtime.

Cleveland elected to go for the two-point conversion and win but Sanders, pressured heavily, threw incomplete. It was New Orleans' second overtime game decided on a two-point conversion – the Saints' failed attempt ended a 31-30 decision against Detroit in the season opener.

"Feels good," Young said of the win. "You know, get the monkey off your back a little bit...we can go, chill, not have a thought in our mind until (Monday)."

BUCKING THE ODDS

The Saints have a long tradition of finding players as free agents signed after the draft who make an impact immediately or after developing their careers initially on the practice squad. Several undrafted Saints on the roster have played key roles on offense, defense and special teams.

Over the past 23 years, the Saints (2018-22: DB **J.T. Gray**, WR/RS **Deonte Harty** and WR/RS **Rashid Shaheed**) and San Diego/Los Angeles Chargers (2003: G **Kris Dielman**, TE **Antonio Gates** and WR **Kasim Osgood**) are the only two teams to have three players signed as undrafted free agents be selected to a Pro Bowl for the team that originally signed them.

Granderson has opened all seven contests he has played in opposite Chase Young in 2026 and has made significant contributions on both defense and special teams with 32 tackles (14 solo), 7.5 sacks, tied for third in the NFL, one pass breakup and a blocked field goal.

Reaching 40 sacks on Oct. 25 against Pittsburgh in Paris, France, becoming the 13th Saint with 40 career quarterback takedowns. Granderson became the ninth player from the 2019 rookie class to total 40 takedowns.

With two sacks on Sunday vs. Cleveland, Granderson became the first Saint with more than one takedown in four straight contests and the first NFL player to do so since the Indianapolis Colts' Robert Mathis in 2013 (9/15/13-10/6/13). if Granderson has 1.5 sacks vs. Carolina on Sunday, he would be the first player to have more than one sack in five straight contests since Tampa Bay's Simeon Rice in 2002.

Overall in his career with 112 regular season appearances with 54 starts, he has posted 329 stops (188 solo), 42 sacks, one interception, 11 pass breakups, four forced fumbles, two fumble recoveries, three blocked kicks and one special teams stop.

Tight end **Juwan Johnson** first led Saints tight ends with four touchdown receptions in 2021, converting to the position that offseason after playing wideout in college and as a rookie in 2020, signing as an undrafted free agent from Oregon. Johnson led Saints tight ends with 50 receptions for a club-best 548 yards in 2024, adding three TD grabs. He ranks first on the Saints with 21 receiving touchdowns over the past five seasons, tied for sixth over that period among NFL tight ends. In his career, Johnson has played in 92 games (47 starts), making 251 receptions for 2,800 yards with 25 TDs, tied for tenth in club record books.

BUCKING THE ODDS (CONT.)

In 2025, Johnson finished ranked fifth among tight ends in receiving and third in receiving yards with a career-high 77 grabs for a career-best 889 yards with three touchdowns. His 247 receptions as a tight end (four additional were as a WR in 2020) are ranked third among the position all-time for the club. His 251 career catches are second among Saints originally signed as an undrafted free agent.

SAINTS TIGHT END RECEPTIONS LEADERS

Tight End	Career Receptions
Jimmy Graham (2010-14, 2023)	392
Hoby Brenner (1981-93)	267
Juwan Johnson (2021-)	**247**

RECEPTIONS LEADERS AMONG SAINTS ORIGINALLY SIGNED BY THE TEAM AS UNDRAFTED FREE AGENTS

Saints UDFA	Career Receptions
RB Pierre Thomas (2007-14)	327
Juwan Johnson (2021-)	**251**

In 2026, Johnson is ranked third on the Saints in receiving with 28 grabs for 289 yards (10.3 avg.) with a team-leading four touchdowns, which is tied for sixth among league tight ends.

Signed following the 2024 NFL Draft, linebacker **Isaiah Stalbird** played at Nebraska (2019) and South Dakota State (2020-23). He appeared in 64 games in his college career and made 251 tackles, 18.5 for loss, three sacks, an interception, 19 pass breakups, five forced fumbles, two recoveries and three blocked punts for the 2022 and 2023 FCS National Champions.

In 2025, Stalbird had a team-high 19 coverage stops and leads the club with ten special teams tackles and one coverage forced fumble in 2026. In the Oct. 18 win against the New York Giants, Stalbird made a game-changing play in the second quarter, when he forced Giants WR/RS Charlie Jones to fumble to set up a Saints touchdown that would tie the score near the end of the half.

The only player on the 53-man roster signed by the club following the 2026 NFL Draft, the club inked running back **CJ Donaldson** out of Ohio State, whe he completed his college career leading the Buckeyes with ten rushing touchdowns in 2025. Donaldson has excelled in a short yardage role through seven games, with three third-and-one conversions in 2026. Donaldson has carried 17 times for 81 yards, while chipping in six special teams tackles.

Sunday's matchup between the Saints and Panthers will be a battle for sole possession of first place in the NFC South.

2025 DRAFT RECAP

The New Orleans Saints 2025 draft class, the first under Head Coach Kellen Moore, featured eight players contributing to the team's 53-man roster at the end of the season, three offensive players, as well as three defenders, with four (left tackle Kelvin Banks Jr., cornerback Quincy Riley, safety Jonas Sanker and quarterback Tyler Shough) starting in the regular season finale at the Atlanta Falcons and tight end Moliki Matavao and linebacker Danny Stutsman playing significant snaps. On offense, Executive Vice President/General Manager Mickey Loomis split the selections among four different positions.

Defensively, New Orleans added players at four different positions as the unit makes the switch to Defensive Coordinator Brandon Staley's 3-4 scheme, a safety, a linebacker and a cornerback currently contributing. With Sanker posting his second interception of the season in the December 21 win against the Jets, for three total takeaways on the season, the most by a Saints rookie since 2021.

2025 saw significant contributions from most of the rookie class. Banks opened all 17 games at one of the NFL's most challenging positions. Riley played in all 17 games with five starts and recorded 34 tackles, one interception, ten pass breakups and one forced fumble for the NFL's fourth-ranked pass defense. Sanker played in all 17 games with 16 starts and finished second on the team with 78 stops to go with three takeaways and six pass breakups. Shough started the last eight games of the season and completed 221-of-327 passes (67.6 pct.) for 2,834 yards with ten touchdowns, a 91.3 passer rating and a club-best three rushing touchdowns.

2026 has shown further growth from the class, headlined on offense by Shough who ranks among league leaders in all major passing categories by completing 183-of-273 passes (67.0 pct.) for 1,721 yards with 13 touchdown passes and one rushing touchdown. Sanker and CB Quincy Riley have cemented key roles in the secondary, while DL Vernon Broughton has been a key member of the team's rotation up front.

Kelvin Banks Jr. was selected with the ninth overall pick out of Texas. A three-year starter who opened all 42 games he played in at left tackle for the Longhorns from 2022-24, Banks was the 2024 Outland Trophy winner and a unanimous All-American selection. In his first season, Banks lined up at the position that he manned flawlessly as a college standout, facing weekly challenges from some of the NFL's elite pass rushers. He was a consensus All-Rookie selection and was the only Saints offensive lineman to open every contest. Surrendering only four sacks, when often left on an island, for rookie tackles who started at least 16 of their team's contests, Banks gave up the fewest takedowns.

SACK STREAK

With his two sack performance on Sunday against Cleveland, Saints edge rusher Carl Granderson has had at least 1.5 sacks in four consecutive games dating back to the team's contest against Minnesota on October 11. With the two-sack performance, he broke a tie he had with teammate Cameron Jordan (11/22/18-12/19/18) and former Saints linebacker Darion Connor (9/18/94-10/2/94) for the longest streak of games with more than one sack. Granderson's four-game streak is the longest in the NFL since Indianapolis' Robert Mathis had more than one sack in four straight games from September 15, 2013-October 6, 2013. With more than one sack on Sunday vs. Carolina, Granderson would have the first five-game streak in the league since Tampa Bay Buccaneers DE Simeon Rice collected more than one sack from October 27, 2002-December 1, 2002. Granderson's five sacks against this week's opponent, the Carolina Panthers is the most that he has against any of the 21 clubs that he has recorded a quarterback takedown against.

(2024 NFL DRAFT CONTRIBUTORS)

RT Taliese Fuaga, Oregon State (first round) - Selected with the 14th overall pick, the Saints were able to address an immediate need, while also acquiring a cornerstone for the future. Fuaga was an anchor on the Saints offensive line in his rookie campaign, seamlessly moving over to the left tackle position for his first NFL season, where he opened every game for an offense that improved in every rushing metric. Starting all 17 games, he was the first Saint to start every game in his rookie year at the offensive line's most challenging position since J.T. Taylor in 1978. In 2025, Fuaga moved back to his natural right tackle position, starting 13 games as the anchor to that side of the line.

In 2026, Fuaga has played every snap at right tackle for a Saints offense that has found improvement in several statistical categories crucial to production, such as third down conversion rate, first downs and red zone touchdown percentage. His blocking helped spur the team to gain a season-high 175 rushing yards for the team in the October 18 34-27 win over the New York Giants. He also played a key role as the Saints gained 160 yards on the ground on Sunday against Cleveland.

CB Kool-Aid McKinstry, Alabama (second round) - Selected in the second round of the 2024 NFL Draft with the 41st overall pick, McKinstry arrived in New Orleans having covered many of the nation's top wideouts in the SEC for three years. In 2023, the consensus first-team All-American was a semifinalist for the Jim Thorpe Award in his final campaign, making 32 tackles and seven passes defensed.

Opening every contest in his second season in 2025, he recorded 76 tackles (59 solo) with three interceptions and a club-best 17 pass breakups, tied for sixth in the National Football League and third in the NFC. The Pinson, Ala. native recorded the first two picks of his career in the October 5, 2025 win over the New York Giants, capturing NFC Defensive Player of the Week honors for the first time in his career. In 39 career games with 33 starts, he has totals of 140 stops (105 solo), three picks, 29 pass breakups and one special teams tackle.

In his second career start at Carolina on Nov. 9, 2025, Shough completed 19-of-27 passes for a then Saints rookie-record 282 yards with two touchdowns, zero interceptions and a 128.9 passer rating. His first TD pass was a 62-yard laser to WR Chris Olave, which was the second-longest touchdown thrown by a Saints rookie QB, with Archie Manning throwing a 63-yarder to WR Danny Abramowicz on Oct. 3, 1971 against the Houston Oilers. With the victory, Shough became the first Saints rookie signal-caller to win a start since Dave Wilson (at L.A. Rams, 11/8/81). Overall he became the fourth Saints rookie to win a start, joining Wilson, Manning (1971) and Larry Cipa (1974).

SUNDAY, NOV. 8, 2026 ● CAESARS SUPERDOME
SAINTS POSTGAME NOTES

- The Saints defeated the Cleveland Browns, 23-22, in overtime to secure their first home victory of the 2026 season. It was the team's first overtime victory since a 26-23 win at Chicago on November 1, 2020 and the team has an all-time regular season record of 16-16 in overtime.
- The Saints will return to action on Sunday, Nov. 15, hosting the Carolina Panthers at the Caesars Superdome in a Week Ten NFC South matchup. Kickoff is scheduled for noon CT with the contest regionally televised on FOX (WVUE FOX 8 locally).
- New Orleans improved their regular season record against the Browns to 8-13 and improve their record against Cleveland at the Caesars Superdome to 5-4. Dating back to a September 18, 2018, 20-18 win over the Browns at the Superdome, the win today gives the Black and Gold a four-game winning streak against Cleveland for the first time in the series.
- New Orleans outgained the Browns 396-355 in total net yardage. The Black and Gold outrushed the Browns 160-95, carrying 32 times for 150 yards (5.0 avg.) with one touchdown. The Saints were only penalized four times for 25 yards and the Browns were penalized ten times for 58 yards.
- QB **Tyler Shough** completed 21-of-35 passes for 265 yards, one touchdown, zero interceptions and a 93.2 passer rating. He also rushed 10 times for 51 yards. With the Saints trailing 13-9 in the fourth quarter, Shough engineered a go-ahead drive, where he completed four-of-five passes for 53 yards with the drive ending with a two-yard rushing touchdown by RB **Audric Estime**. In overtime, Shough engineered a 11-play, 74-yard touchdown drive, where he completed four-of-six passes for 39 yards, ending with a 15-yard touchdown pass to TE **Juwan Johnson** to give the Saints a 23-16 lead. Shough also had an eight-yard scramble on the drive.
- WR **Chris Olave** led New Orleans in receiving with seven receptions for 98 yards. His longest reception was 36 yards. Olave now has 347 career receptions, surpassing WR **Lance Moore** to move into seventh on the club's all-time list. With 4,462 career receiving yards, Olave surpassed WR **Devery Henderson** to move into eighth on the club's receiving yardage list.
- WR **Barion Brown** caught one pass for 52 yards, the team's longest play from scrimmage this season. Brown also brought back five punts for 68 yards (13.6 avg.) and three kickoffs for 78 yards (26.0 avg.) for a career-high 198 all-purpose yards.
- TE **Juwan Johnson** recorded two receptions for 34 yards and the touchdown Johnson became the 16th Saint with 250 career receptions (251).
- RB **Audric Estimé** carried 15 times for 72 yards and a touchdown. His two-yard touchdown run with 1:48 remaining in regulation gave New Orleans a 16-13 lead. He also added a five-yard reception.
- RB **Alvin Kamara** had six carries for 32 yards and three receptions for 17 yards. With a franchise-record 7,407 rushing yards, he moved into 66th all-time past Mike Pruitt. With 12,505 career yards from scrimmage, he moved into 65th all-time past RB **Jamal Lewis**. With 13,169 all-purpose yards, he has surpassed Pro Football Hall of Fame RB **Roger Craig** for 78th all-time. Kamara made a big impact in the overtime period, where he carried three-times for 28 yards on New Orleans' game-winning drive.

- The New Orleans defense allowed the Browns to gain only 95 yards rushing on 34 carries (2.8 avg.) with zero touchdowns, keeping them out of the end zone on a goal line stand that stopped them six inches from a touchdown. The Saints allowed only three points on two opponent red zone attempts today. New Orleans finished with five sacks for the second time in the last three contests.
- EDGE **Carl Granderson** recorded two sacks of Browns QB Shedeur Sanders. Granderson became the only Saints player to record multiple sacks in four consecutive games and the first NFL player to accomplish the feat since 2013. The last player to do so was the Indianapolis Colts' Robert Mathis (9/15/13-10/6/13). Granderson had seven tackles (five solo), including two stops for loss and added a pass breakup.
- EDGE **Chase Young** recorded his eighth sack of the season on a Browns red zone drive that would force a field goal. Young had four tackles and one pass breakup.
- LB **Kaden Elliss** recorded a sack on Cleveland's opening drive. He tied for the team lead with LB **Pete Werner** with 11 tackles.
- DT **Khristian Boyd** recorded a sack of Sanders for an eight-yard loss late in the game, posting a career-high four tackles (career-best three solo).
- K **Charlie Smyth** connected on three field goals, including attempts from 30, 27 and 48 yards.
- EDGE **Tyree Wilson**, TE **Oscar Delp** and LB **Chris Rumph II** had two special teams tackles apiece.
- P **Ryan Wright** punted four times for 175 yards with a 43.8 gross/net punting average with two dropping inside the 20-yard line.

CLEVELAND BROWNS VS. NEW ORLEANS SAINTS
SUNDAY, NOV. 8, 2026 ● CAESARS SUPERDOME
SAINTS HEAD COACH KELLEN MOORE

(Opening Statement) “Obviously, it was an awesome win for our team, a resilient game. We spent all week talking about coming off the bye week. It’s all about their spots - eyes forward, moving forward, what’s in front of us, and that’s all you have to focus on. I’m proud of our guys and the way they battled and for the run game to look the way it did. Obviously, we lost the turnover battle, which is a huge indication of where this game went, but our guys battled. I’m really proud of them.”

(On the run game changes and adding Will Sherman as a sixth offensive lineman) “We had a few different things that we were adjusting. Putting Will in I thought gave us something there. I put him in, and I thought Aud (Audric Estime) ran really hard. I thought Alvin (Kamara) had some really good runs in there as well, timely runs, especially late in the game. He did an excellent job with getting some great runs there. I thought our guys played a physical brand of football. We have to sustain that. I thought that was a good thing for our football team.”

(On the final two offensive drives) “That’s two really big drives there. Obviously, we weren’t scoring points earlier. Unfortunately, obviously, we were not in the plus-range of the red zone and those sorts of things. We missed our opportunities there. The two-minute drive right before the end of regulation, we made plays. C. O. (Chris Olave) on the catch. Incredible throw and catch there. I thought Alvin had a really good route out of the backfield. We were able to finish it and put it in the end zone. Their team comes back, and they get a field goal. The game’s in overtime. Again, you have to respond. You have to reset. I thought our guys just did a really good job of playing clean football there. Tyler (Shough) getting the completions, the run game - I thought it was really good and tied in together.”

(On the encouraging win) “The NFL is tough. It’s tough. All these teams are talented. There are good players on every team. You have to compete in every single opportunity you have. I’m just proud of our guys to just stay with this and be resilient. I think that’s the type of stuff you need because moving forward, these games are going to keep being challenging, and you have to keep responding the right way. I’m just proud of the way our guys fought.”

(On finding a way to be resilient this week) “Again, eyes forward. This was all what our focus was with where we were at coming out of the bye week. Let’s respond the right way. We found a way to get this one in, and we have more opportunities ahead of ourselves. Again, we just have to focus on the task at hand, one step at a time. This will be a fun journey.”

(On deciding to play Estime) “Once he went to practice on Wednesday and basically recalled everything (that was positive). I really had no expectation. We didn’t even say he was going to be up for the game when we claimed him. We just brought him in and thought he had a couple of really physical runs on Wednesday’s practice to set the tone. It seemed like he knew every single assignment. He was dialed. It became a no-brainer to me. Let’s roll. Let’s get him ready to go. I thought his juice and physicality was real.”

(On Estime’s presence for the team) “I think he will be a great one to ask those questions. He did break the team down about being back home. The business side of this thing is always a challenge to me. When you lose guys like Aud, you’re just sitting there like ‘Aw man, our whole team loves that guy’. When you have an opportunity to bring him back, it’s a no-brainer. I thought the way he broke that team down, it’s a special locker room for him.”

(On the overall run game) “I think there were some positives in there. Every week is going to be its own challenge, so we have to continue to evolve and get better. But, I thought the physicality in which we ran the football with, downhill runs, particularly in the structure in which those guys play with, I thought there were some positives today.”

(On how hard it is for Estime to make such an impact in less than one week back) “It is incredible to be honest. I don’t know how many guys can do that, especially for the amount of plays he played. He is a special person, a special player. I think our whole locker room is fired up that he’s back in there.”

(On C Eric McCoy’s injury) “Bicep. We will gather some more information. They will do all the testing tomorrow, so we will see what it is.”

(On the plan for Jordyn Tyson) “Again, Jordyn was able to play and contribute for our team. We will continue to build that role as we go. Again, he played a few weeks at training camp. He has missed a lot of time, but what he’s put into this to put himself in the position to help contribute for this team. He’s going to have plenty of opportunities moving forward. I was excited to see him out there playing football again.”

(On S Jordan Howden) “I think he has earned some opportunities to pop in there and play some snaps. I thought the last few times that he has had an opportunity to contribute on defense, he has had a positive impact. Again, we are just looking for different roles and opportunities for these guys.”

(On the defensive performance) “I thought it was a relentless effort. We were going to make them earn it all. I thought the run game was a really important part of that thing. They were able to make some plays down field, obviously, but I thought our pass rush was just relentless. It was awesome by those guys. Showed up all the way through the last play of the game.”

(On LB Kaden Elliss and EDGE Carl Granderson) “Game ball guys. Kaden is just awesome to have back. He’s the general. He leads this whole thing. His versatility is incredible. Grando’s relentlessness, even the sacks - he got Shedeur (Sanders) down on that scramble. He was going to run for a first down, and he was able to get his foot. He’s just playing a really awesome brand of football.”

(On QB Shedeur Sanders’ comments) “No. I think our guys gather all of the information. They are obviously aware of that stuff. I thought Shedeur played a good game. I thought he did a good job. Obviously, we liked him coming out of the draft and through the draft process. He’s going to be a good quarterback in this league. I thought Tyler did a nice job. He responded really well. Those are two young quarterbacks who are going to help this league for a long time.”

(On Shough’s tenacity) “I think there is an emotional stability and ability to take away all of the things that happened in the past and be present in the moment. I think Tyler does a phenomenal job of that. I thought our team did a phenomenal job of that as the game went on. There are opportunities we are going to learn from. There are going to be red zone things that we want to do better and score down there because it’s going to be a different game if that’s the case. To clean slate it and say, we’ve got the ball with a chance to go take the lead late in the game is all you can ask for.”

(On Shough’s ability to run) “I think that’s a potential any time you play a team with man. They’re defending players. They’re not eyes on the quarterback until you get out of the pocket. You’re going to have opportunities to run, and I thought Tyler did a good job of that.”

(On the first win at home this season) “This place is special. Having a chance to play in the Caesars Superdome is always a special opportunity for our guys. They know that responsibility. It was awesome. It was awesome to feel the energy, especially late in the game. We are going to have another opportunity here next Sunday, and we will see if we can keep this thing going.”

(On the resiliency from turnovers) “It was an opportunity to respond, just like we talked about. (Jordyn Tyson) was able to contribute and make some positive plays there. He’ll learn from the ball security there. That’s a big time play by their defense. They’re going to attack the ball at the goal line. That is what this league does better than ever before. We are going to have to protect the football, and we have to learn from that.”

(On WR Barion Brown’s fumble) “Again, the play is not coming back. The fumble - we have to move on and get to the next play. Obviously, it’s going to be a lesson learned as our week progresses and how we review this. We have to secure the football better, and obviously, we saw the impact this game had on it. One in the red zone and one punt return that obviously gave them an extended drive opportunity.”

(On K Charlie Smyth’s performance) “I thought Charlie did some good things. Again, we had to settle for some field goals there. He was able to make some of those and put ourselves in position all the way to the end. I’m happy for Charlie.”

(On waiving RB Kendre Miller) “It was purely numbers. It was purely the numbers and the business side of this. I love Kendre. He’s been awesome for us, and it’s just the running back room. The depth of that room has transpired. Audric’s come back, and we just felt like that was the best decision for our football team.”

(On the final drive) “Big plays. The whole sequence I think, not just the last play but the sequence there. You get physical football, the response. Never let up, just keep looking at the opportunity right in front of you.”

(On if he treats turnovers on downs as “turnovers”) “I think in reflection you do. Stats don’t all the time do it that way. Turnover margin is all about the ball. I thought those were big time stops. One, obviously, an unfortunate one where we get a penalty on a punt and punt return opportunity, but we got a stop there. That was huge by our defense because obviously we were getting the ball back, and we had to play another hard set of downs.”

(On the run defense’s success today) “Team defense, physicality, everyone playing together. Again, the run game, it just takes one or two plays and it changes the run statistical outlook and everything. You have to play really sound football every single down, and I thought that’s what our guys did.”

(On concern over chunk plays allowed late in the game) “There will be a lesson for us. We will get to learn and dig into that. They made some plays. They do have some really talented young, skill players who are going to play in this league for a long time. They’re really good players. They won a couple of downs, and you just have to respond right away.”

CLEVELAND BROWNS VS. NEW ORLEANS SAINTS
SUNDAY, NOV. 8, 2026 ● CAESARS SUPERDOME
SAINTS PLAYER QUOTES

QB TYLER SHOUGH

(On Audric Estimé's return and performance) "Audric is one of the team's favorite guys ever. He is such a good dude. Obviously, it was tough to see him go. He was kind of banged up there in preseason, but he is coming back healthy. He just makes people miss. He falls forward. He's got the speed. He's got the strength. Having him and AK back there, it's a really good thing. We've got to continue to feed those guys and do what we can."

(On adjusting to the coverage on his 33-yard completion to Chris Olave) "He was kind of in trail technique, so he took it higher. I think that was something we talked about in some of those situations. We were looking for a big chunk play. Obviously, we had no timeouts, and I know I just trust him one-on-one. They're trying to get over there and double him. Even when he's quote-unquote covered, he's not covered. He's a dog, man. I'm going to try and keep finding him, and we're going to connect on some of those deep passes. We're just there and super close, so we're going to keep rolling."

(On checking into Estime's fourth-quarter touchdown run) "We saw a four-down front with that look, so we got to just an inside zone run right there. They are going to give it to us, and I am trying to stay multiple as much as we can. Audric did the rest. That was an incredible job by our O-line, allowing us to be in those situations and being really, really physical up front. When we can stay on the ball and do those things, it allows us to be really multiple."

(On the touchdown pass to Juwan Johnson) "It is the same thing with Juwan. You get one-on-one with him and a safety, every single time I am going to come to him. We had on the other side. The safety was kind of leaning that way. I was able to get him with a lot of green grass, just put it out there, and he makes a really good catch. We rep that play. We rep all of our red zone plays. It was good to get it done there. We have got to find some earlier opportunities to finish."

(On the offense breaking through late after early turnovers) "It's the game of football. I think we knew it was going to pop like that. We knew if we just stuck to the course, we were moving the ball that well, and we were doing what we needed to. We had a couple of three-and-outs where it was a little bit self-inflicted, but we felt really confident that as we got those opportunities, we were going to keep going. We've got to shore up some of the turnovers. That's the name of the game. Luckily, we came away with the win there. When you lose the turnover battle, it's not ideal, but it shows the resilience of our team. It shows the resilience of Jordan Tyson and Barion (Brown), who keep stepping up to the plate. Those are young guys trying to make plays, and it's good for all of us to see that and learn from. I was really proud of them and their resilience because we're going to keep [unclear wording]."

(On his will to win and belief in himself) "It's a unique dichotomy of wanting to prove myself right. I have the utmost belief in myself. It's this constant yearning for, 'How do I keep getting better?' I want to keep proving people wrong who maybe doubted me in the past. I have that chip on my shoulder. I may not show it all the time, but I know when I come into work, I'm here for a reason, and it's a constant battle. I'm going to do my best every single week to show that and do my part. At the end of the day, I'm just trying to do my job. It's a team sport. There's a

lot of stuff that is out of my control, but if I can influence people around me and do everything I can from that standpoint, then we'll be in a good spot."

(On Jordan Tyson's response after his fumble) "Again, it just shows who he is. Kind of a no-flinch [mentality]. It's stuff to learn from in the NFL. Especially this year, everybody's more keen on punch-outs, and they're elite at it. We've got to do the best we can to wrist-lock that, protect the ball whenever we can, and that goes for everybody. I think that was good for him to feel the first game. You're trying to make a play. Nobody's faulting the effort there and who he is, but we've all got to be dialed in. It starts with me, too, in the pocket. I was really proud of him, and he's really a big factor for us going forward."

(On facing another quarterback from his draft class) "No. Like I said before, it doesn't faze me from that perspective. You're going against the best of the best every single week, going against really good quarterbacks and good defenses. I just know my entire college journey, everything I've been through, I try to wear that on my sleeve, from all the injuries. I'm trying to have a good attitude and play with gratitude as well. That was something Avery Johnson kind of hit us on the night before when he talked to us, attitude and gratitude. I'm thankful just to be out there walking and playing because there was a time when I wasn't able to do that. You go out there and have fun. It's a kid's game. We just get to go out there and be ourselves. Like I said, we're going to go out there and play."

(On sharing the pregame huddle with Chase Yount) "I just texted Chase last night. I was like, 'Man, I think there'd be a good yin and yang.' He's that leader and force on the defense. He can say a lot of the crazier stuff that I want to say but can't say all the time. It's not necessarily who I am. I'm trying to be even-keeled. I want to speak life to everybody. But those freaking huddles are tough because we go out, and then we go back inside and sit down for like 20 more minutes. It's more for you guys, if I'm being real. We go in there, and then we have another pregame speech. That changes every single week as far as who is doing it. Kaden Elliss had a really good message beforehand. Kellen does a good job of letting all of our leaders talk and having different guys go. I feel like the message is going to change. I'm still trying to find my footing that way. I know I have plenty of stuff to work on, but having that dynamic with Chase, him and I, is something I wanted to see how it goes and see how we keep doing it."

(On the defense's mentality and performance) "That just shows their mentality. I think they played well the entire time. We had some crazy stuff kind of go late there and some big plays, but they responded. They kept us in it, quite honestly. We had too many turnovers early. They played their butts off. Credit to Coach [Brandon Staley], all the credit to all those guys. We had some really good plays and got it done there at the end."

(On his message to Jordan Tyson after the fumble) "I just wanted him to recognize that it's OK to be upset, but we're going to need him the rest of the game, and to flush that. Same thing with Barion. It happened. You can be pissed about it postgame because of certain things, but the rest of the game is still within your control. How do you catch the ball? How do you make plays? He was able to do that. He did a really good job. I think it was just a realization for him that, at all times, you've got to be aware of it. I'm glad it happened, but at the same time, you have to make sure those things don't happen in the future."

(On Will Sherman stepping in at center during overtime) "It was clean, man. We practice that a lot. I was able to get snaps with him throughout the week. It just shows his preparation, shows who he is. He was unfazed. He came in right away. A couple of those guys got banged up, and they're playing through a bunch of stuff. I was really proud of him and the entire line."

(On Estimé contributing immediately after returning to the team) "It's the greatest feeling whenever you get somebody like him back. You get this crowd pop in the locker room whenever he gets the game ball. The way he showed up today, he knows the offense. We've been in it for a while, but there were some new plays. I remember on the field, we were still talking through stuff, and it was like, 'No, this is a new play.' He was able to just jump right back in. I was super, super proud of him. He's going to be huge for us going forward."

(On the significance of the team's first home win of the season) "I think it really helps us as players and as coaches realize the work and the continuing process that we're doing. Regardless of if they would have scored on that two-point [attempt], we had to clean up things from a red zone perspective and those turnovers. We could have very easily lost the game, and we could be sitting here talking about how we have to be better, and we have to. But at the same time, it gives you this sense that you're doing the right things. Every single week is going to be a fight, and you're going to have to go out there and play your best. That was a really good team, and it's going to take continual effort like that. I was really proud of how everybody showed up. It's going to be tough, but it shows who we are."

(On having Kelvin Banks Jr. back on the offensive line today) "What he went through, the surgery he had, that's insane. I had the same one. For him to be playing like that right now, it is unbelievable. To go out there and strap it up, it was like he had not missed a snap. Super job by him. He's going to be great for us because of the communication he brings. Him and Dave (Edwards) on the left side, it's awesome. I can't wait to keep growing with them."

RB AUDRIC ESTIME

(On returning to New Orleans and getting the win) "It felt amazing, honestly. First of all, it just felt amazing to be back in New Orleans. I've said this probably a bunch of times since I've been here. This is home for me. To get a win in this league is definitely hard, and just to see how our week of preparation paid off feels amazing. It's crazy how this world works, how this life works. Honestly, it's surreal for me. Like I said, it feels like a Disney movie, honestly. I am just blessed that I was able to be out there in that situation and my coaches and my teammates trusted me to get in the end zone."

(On recalling the offense after returning to practice) "Honestly, all that was still in the back of my mind. As soon as I came in on Wednesday, I honestly felt like I'd been here the whole time. I felt like I had just an extended bye, but it was a very easy transition. Kudos to the coaches for just trusting me that I still knew the plays. It was just amazing, honestly."

(On his fourth-quarter touchdown run) "Tyler (Shough) actually checked the call. That wasn't even supposed to be the original call. He checked it, and as soon as he checked it, I was like, 'No matter what, I'm getting in here.' There could be three people in the backfield. I am getting in the end zone. Honestly, it was just an all-around performance, offense, defense, (and) special teams. I couldn't have gotten in the end zone without Tyler [unclear wording] and without the offensive linemen giving me a little seam. I'm just so blessed and happy to be here."

(On the team's success running the ball) "It was really just trusting the execution and trusting our game plan. Coach Kellen and our offensive staff created a great game plan for us. I said throughout the week that we're hungry for a win, and it showed throughout practice. But it could show throughout practice; it's what you do on the field on Sunday. I feel like we didn't waver. We had a couple of steps back, but no matter what, we got [unclear wording] to the next play. Like you said, I came here for a reason, and I'm as hungry as I've ever been."

(On facing his former team) "I wouldn't say it helped with the tendencies, but I'm not going to lie to you, I definitely had a fuel underneath my behind. Kudos to them for giving me the opportunity, but I'm a firm believer that everything happens for a reason. I was supposed to spend those three weeks there and come back home when the time was right, and the time was right."

(On preparing for his workload) "In this league, you never know what to expect, but I prepared like I was. I got a lot of reps during practice, and I just had a feeling that my time was coming. I just prepared like I was going to be getting a big load like I did."

(On why New Orleans feels like home) “It’s just the team, honestly. The camaraderie we have is like no other. I’ve been on a couple of teams, and what we have in this locker room is something special. Our bond off the field, what we did together in the offseason, and just the guys love each other. My aunt told me one time that home isn’t about a location. Home is about the family you have with you. I feel like I have a lot of family here. I feel like the teammates welcomed me with open arms last year, and those are just my brothers. The team makes it home. The food is amazing. Don’t want to cut that off.”

(On navigating the past few months) “It was definitely a roller coaster, but that’s just life, honestly. There’s ups and downs, and it’s how you navigate those ups and downs. I just live by, you’ve got to stay in between. You’re having the highs, stay in the middle. We had a big win today, but we’ve got to come right back tomorrow. You can’t get too high and ride a high because you never know when the next low is going to be. When the next low comes, I’m going to be ready. I’m going to be prepared. I’m a true believer that everything happens for a reason. I had to go through that five-week journey that I had to put myself where I am today. Like I just said, I feel like I’m hungrier than I’ve ever been, honestly, right now.”

(On being waived and ultimately returning to New Orleans) “At the end of the day, it is still a business. They made a decision they thought was best for the team, and kudos to them. That is what they thought at that time. No bad blood for them. Honestly, I kind of had a feeling that I would find my way back. Right when I went on waivers, I called my agents. I’m like, ‘Bring me back. Get me back to New Orleans. Do what you’ve got to do. Get me back to New Orleans.’ When they gave me the call that they claimed me, I kind of had a sense of relief and happiness and joy. I had a lot of work to do back here, and I still feel like there’s a lot of work left for me to do in New Orleans.”

(On the offense staying engaged through adversity) “This offense and this team are just resilient. We had a couple of bad plays, obviously, two turnovers. But it’s about how you respond to adversity, and we responded well. It’s honestly how you finish the game. The other team made good plays, but it’s about us making more plays and finishing the game.”

(On making a read on his touchdown run) “Every run, you’ve got to make a read. Like I said, Tyler checked into the run, and no matter what, I told myself I was going to get in. I had the attitude and that mentality that, when [unclear wording] hands this ball [off], I’m going to punch it in.”

(On his third-and-one run in overtime) “Yeah, 100 percent. I kind of had the same mentality as I did on the goal line. My team needs me. They called on me, and I’m here for a reason. Let’s get this first down.”

(On recognizing the offense during his first practice back) “As soon as I heard the first play call, first play, I’m like, ‘Oh yeah, I’ve been doing this for the past year and a half.’”

(On establishing the running game early) “Kellen (Moore) kind of preached this whole week that we’ve got to start fast. Kudos to him for calling great plays and kudos to the offensive linemen for blocking it up well. I just wanted to set the tone, honestly, and I felt like that first drive set the tone.”

(On Tyler Shough’s growth) “Tyler’s a competitor. I haven’t been around too many competitors like Tyler. He can do it all. He’s got a great arm. He can run the ball. He had 10 carries today. I’m just excited to be part of his journey. I’ve seen the growth because I think I got here last year right around the time when he first got his first couple of starts. Just seeing his growth and his trajectory is amazing. I’m just happy to be on the team with Tyler.”

(On trusting Shough late in games) “This is his team. This is his offense. He’s our commander, and I’m willing to do whatever I need to do to have Tyler lead us to that success. He’s just been great for this team. He brings the juice every day, every week, every snap, every drive. He just makes you want to run through a brick wall, and I’m happy to be on his team.”

(On returning to New Orleans as a member of the Minnesota Vikings last month) “Yeah, 100 percent. I knew my way around. Driving into our hotel, we passed this restaurant. I used to go to that restaurant a lot. It was hard, honestly, being on the other side of my teammates, wishing I was able to play, honestly, in the first place. But I felt like that needed to happen. Like I said multiple times, that had to happen for me to be in the position where I am today.”

DE CARL GRANDERSON

(On whether Shedeur Sanders' comments this week motivated the defense) “I mean, we seen a lot, you know, on film, so I do not think it was motivation. We saw them chirping. So we just came into this game ready to play. I think it is disrespectful for somebody to laugh at our defense, you know, take us as a joke. So we went out there and balled out. They had 2.8 yards in carry, and we stopped the run at 95 rushing yards on 34 attempts. So we did our thing on defense, and in overtime, the two-point conversion. So that was a good team win on defense.”

(On what the defense was thinking before the two-point conversion attempt) “I mean, I was hoping they would run the ball so we could stop them again. But, you know, we was just thinking to get off the field. I came off the edge, hit a power move, and they held me. But it did not matter. We finished it on defense, and that's a good team victory. Offense contributed as well.”

(On what allowed the defense to have so much success) “I mean, you know, just preparation, preparing throughout the week. Like I said, we don't take it lightly. We seen interviews, so we just took that, came in with a chip on our shoulder, and we just came prepared. I was just flying around, coming off a bye week, feeling fresh. And my teammates, they made it easy for me out there too. So it was a good team win overall, and we got to focus on the next one.”

(On playing alongside Kaden Elliss and Chase Young) “Yeah, we got the best two on the defense. You know, Kaden Elliss, he's flying around out there, 11 tackles, a sack. You got Chase Young coming off the edge, probably leading the nation in sacks right now with eight. We got a good interior, so if we come every game on our A-game, it's going to be hard for us to get beat. So as long as we stop the run, we're going to have some fun out there. But we got a good defense. We just got to believe.”

(On what he saw from Kaden Elliss) “I mean, like I said, Kaden gonna bring the juice. He's a leader, he's a captain, but he's designed to make plays. So we're glad to have him back and lead our defense. And you got the right guys to back him up.”

(On what the defense was saying on the sideline while limiting Cleveland’s offense) “Yeah, I mean, they had a couple big plays. Our focus was the ball, trying to get a turnover and takeaway. But we knew that we were going to have to win the game in two minutes or win the game in overtime. And we just kept chipping away at it. Like I said, the preparation started on Monday, and we just came in prepared and came away with a victory.”

(On the emphasis on stopping the run and the fourth-and-goal stop) “Yeah, like I said, it's got to be a will and a want-to. And we were trying to not let them in the end zone. So that was a big stop for us, fourth-and-one. We knew that they were going to try to run it up the middle, but we stopped them. All week, we knew that they got a young quarterback. The emphasis was going to be to try to run the ball on us. But we brought it together today, and we came together as a defense.”

(On how he and Chase Young motivate each other) “Yeah, that's my guy. We feed off each other. Like I said, our objective is to do our job and make the defense right. When he makes a play, I know I got to make a play. So we're going to feed off each other, and we do motivate each other. You know, we're going to push each other to get better each week. If something's not good enough, we're going to let each other know as well. So, we know the edge guys, we

got to lead our defense, and they're going to rally behind us. So our job is to do our job and play fast and hit, and that's what we did today."

(On being half a sack behind Chase Young on season totals and whether he can catch him in the end) "I mean, Lord's willing. You know, that's the goal. But, Chase Young, he's a dog. He is having a heck of a year, and he's going to keep chipping away out there. And I'm going to be right behind him. So we're going to come together and keep going."

(On how the defense's pressure affected Shedeur Sanders throughout the game) "Yeah, we know that we got to win the game on defense. That is the mindset coming into every game. And they had, like, a [fourth quarter] touchdown. But we kept our course, and we stayed composed, and we was just ready to go back out there. Our mindset was, if we get a two-minute, we got to win in two minutes. And unfortunately, you know, they got down there, and we knew we were going to have to come up with a stop in overtime. And that's what we do."

(On the importance of the win after the team's early-season struggles) "Man, it's very big. We know we ought to put a complete game together, offense and defense, and that's what we did today. We got our offense back. So it's big to get that momentum to go into next week. We got another home game. So, yeah, it was a great win."

(On getting the team's first home win of the year) "Yeah, man, it's very good. Like I said, coming off a bye week, you know, we looked at ourselves in the mirror, and we know what we got to do as a team, offense, defense and special teams. And we put a complete game together today. So we just got to take that momentum and keep going."

(On whether the coaches brought up Shedeur Sanders' comments as motivation) "Yeah, yeah, you know, we get motivation, and we know that we're going to get coached very hard, and that's what we've been doing. Like I said, it's time to turn this thing around now, and we (are) excited to get the next one. So stay tuned. We're going to come together, we're going to play together, offense, defense, special teams. We're going to keep chipping away."

WR CHRIS OLAVE

(On connecting with Tyler Shough on the late deep pass) "Yeah, I mean, that's, I feel, one of the strengths of our offense, strengths of my game. It was kind of tough in the second half. I was kind of inefficient with my targets, and I got to do a better job. But when a play was needed, we ended up making a play on the last drive, fourth quarter. So we could be better. We could be better, and it's good saying that when we get a win."

(On the importance of getting the win) "That was huge, man. It was huge for us. It was kind of nail-biting. We didn't play our best game. We had two turnovers to their zero, and kind of the same mistakes we've been making. But we ended up fighting. We ended up coming as a team. Like I said, when a play was needed, offense and defense, we made those plays. So it feels way better with a win to be able to go and fix our mistakes and move forward."

(On the offensive conversations leading into the two-minute drive and overtime) "Yeah, it was a low-scoring game, man. We had a rhythm. We found a rhythm in the first half. We just couldn't convert in the red zone. I feel like the first two drives, we could have had 14 points. We ended up coming out with three. And I think that was kind of tough to find a rhythm in the second half. Like I said, we just got to take advantage of opportunities. We left a lot of opportunities out there today. But we ended up getting a win. That's the most important thing."

(On the missed connections on earlier deep passes) "It is just timing. Especially on those deep balls, it is a lower-percentage throw, but with me and Tyler, I feel like it is a high percentage. I feel like we practice that. We have real good chemistry on those deep balls. He knows where I am going to be at. We talk about it in practice. We talk about it outside of the building. And those are the type of plays that we want to make, game-changing plays. We could have had one. We could have had that deep one, like 50-, 60-yarder, but we couldn't connect on it. But when we don't connect, we just got to move to the next play and not feel bad about it."

(On whether there could have been a flag on the deep pass) “(Denzel) Ward’s a great player. He was in great position. I don’t know. I have not seen a replay, but I feel like it was physical. It was a physical play. I just got to play strong through the catch. So just go catch the ball.”

(On what he said to Jordan Tyson after the fumble) “Yeah, man, that’s the game. Of course, you got expectations on how the game is going to go. But when things like that happen, all you can do is move forward. We’re going to keep getting him the ball. He’s one of our best players when he’s on the field. You guys saw that today, especially because he made a lot of third-down catches, especially at the end of the game. But that was just a little bit that you’ve seen from him. I know he’s going to ramp up as he keeps going. He’s going to be a great player for us in the future.”

(On Audric Estimé making an immediate impact) “Yeah, he provided a huge spark for us, even in the first quarter. Our first drive, he busted out runs, seven, eight yards. He’s busting out those runs. I feel like that gave us a huge spark. Just his energy, man, his presence. We know he’s a downhill runner, but he can make people miss too. That’s something we’ve been missing back there, and I’m glad he’s back on our team.”

(On his 33-yard reception late in the fourth quarter) “It was tough coverage pre-snap. I know he was outside. I thought it was covered too at the beginning, pre-snap, but I inside released, I speed released him, and then it was a deep out. Supposed to be a 20-yard out when he was playing outside. So I just inside released him, and Tyler trusts me on one-on-one coverage. He threw a perfect ball. He threw a perfect ball where I could catch it. DB wasn’t looking. So at the end of the day, we just had to make a play. We knew we had to get at least one explosive on that two-minute drill. So I am glad he came to me and I was able to make a play.”

(On developing the chemistry with Shough to make that play in a crucial moment) “Man, it just comes down to trust at the end of the day. Even before, in the fourth quarter, I keep telling him, “Come to me. Find me. Just make sure you know where I am at every play,” because it leads to that, especially when we need a play. I’m hungry to be able to get the ball because I’m hungry to be able to have him call my number. And that’s the type of plays we got to make to be able to win these tight games.”

(On seeing Estimé score the touchdown before overtime) “Oh, it was huge for us, man. It was kind of tough because after that play it was first-and-goal from the 10, and I don’t think we had no timeouts. So it was huge for us to be able to go down there and convert. Like I said, it was a tough situation to be in, but we just kept sticking to the run, especially with Estimé back there. We know I don’t think it’s going to be a negative play when he’s back there. So just that trust. Like I said, at the end of the day, when we need plays to be made, our players made it.”

(On his relationship with Jordyn and calling him before the game) “I just like his play style, the way he attacks the game. Like everybody, everybody here has seen it, just what he’s able to do. He’s so talented. He’s super talented. I just can’t wait for the world to see that. Like I said, he was on a limited rep count today. But just the type of player and the type of person he is, he is so competitive. I feel like we both (are) so competitive. We both want to win, and it hurts us when we lose. So just to be able to see his debut unfold like that. Of course, I don’t know what he finished with, but he played a big role in the fourth quarter for us to be able to spark that comeback. And I just can’t wait to see him fully out there. It’s going to be huge for us and our team.”

(On whether he can be a mentor to Jordyn like Michael Thomas was to him) “You could say that. I actually like you to say that. Just to be able to, he could lean on me in any situation. Like I said, I was super excited this morning waking up just to be able to have him by my side out there. I know he’s been hurting to be out there. It’s been a weight on his shoulders. So like I said, I am super excited. We got him that high for a reason, so to be able to display his talent, I feel like it’s more to come.”

(On how eager Jordyn was to return to the field) “Really all year. All year, especially when he first came down with the injury, he was kind of hurt. It was tough on him. But like I say, he is a competitor. He wants to be out there. He loves football. And like I said, when he’s out there, he’s easily one of our best players on our team. So just to be able to get him out there, he’s going to draw a lot of attention, and it’s going to be great. It’s great for our team and great for our offense.”

(On whether he intentionally showed his hands late on the catch in regulation) “Oh yeah, for sure. Like I said, the DB, he’s looking at me. He can’t see the ball. So with my hands or my eyes, he is looking at my eyes or my hands to go up. Of course, I had to push off a little bit. I had to push off a

little bit, make sure I created space at the end. But that was a great ball. I feel like it was one of the more underrated throws by Tyler. He put it right over his head just for me to catch it. So it was a great thing."

(On the offense's confidence in Shough in late-game situations) "Oh man, he's done it. He's done it since his first few starts in the NFL. We go down to the end of the game, he gets even better and better, especially when using his legs. When nothing's there, he's using his legs a lot, getting out of the pocket. He's comfortable, man. He's comfortable out there. He's calm and collected, and we got the utmost confidence in Tyler. I feel like he's one of the best, and he's showing that every week."

(On whether Shough is an underrated runner) "Oh yeah, for sure, for sure. I don't know what he had on the ground today, but I feel like a lot of third downs, even second downs, he's staying ahead of the chains, and I feel like it was a great thing."

BROWNS HEAD COACH TODD MONKEN

Opening comments

“I’m really proud of our guys. Just the resiliency that they showed (and) the ability to battle through, really, the first half, getting turnover and keeping them (Saints) out of the endzone, offense struggling. I like the way that our guys fight. I like the way that they battle. We gave ourselves a chance there in the second half and overtime, but just didn’t finish there with one last play. Again, proud of our guys. We’ve got a special group of guys, but it was certainly not good enough (today).”

On when he made the decision to go for two points at the end of overtime

“Well, you make that decision as the clock winds down a little bit because you are at that point to where they (Saints) still have their two time outs, so if you kick the extra point, with the way that the overtime rules work with 10 minutes, then they are going to be in two minute with two time outs and need a field goal to win it. So, you’re not going to get the ball back, probably. So, you are really saying tie or lose is what you are saying there if you kick the extra point. That is my opinion. You are saying tie or lose. In that moment, I said, ‘No, that’s not me. So, we are going to go for the win right here, and it’s going to be win or lose.’”

On what he saw from Shedeur Sanders as the game went on and he seemed to become more comfortable

“I am really proud of him. I mean, I am really proud of him and how hard he has worked since I’ve been here. He wasn’t perfect. I wasn’t perfect. For a guy that really hasn’t taken snaps with the ones in 10 weeks. We announced it (the starting quarterback) with two weeks left and we are eight weeks into the season, so you’re basically two and a half months. You’re basically running cards. So, to come in there and continue to battle, I am really, really proud of him. He has really matured. I don’t mean that in a negative way that he was immature. That’s unfair. That’s not what I mean. What I mean is, in terms of his work ethic (and) in terms of his diligence, and in terms of what he will say to the coaching staff and ask the questions, his feedback, those are all the right steps moving forward as any young player, especially a quarterback (is important). He gave us a chance at the end. He really did. He made some plays. He made some plays with his legs to extend plays and get us first downs. When we were close to four minute (mark), he got us a third down conversion. Unfortunately, we got the holding call. I am really proud of him.”

On what was the two-point play supposed to be

“I’m not going to get into specifics of what it was. We didn’t execute it. It’s a two-point play.”

On if Shadeur Sanders made a case to be the starter at quarterback

“I’m not even (going to answer). How long has it been since the game ended? 30 minutes? I am not getting into quarterback. If we want to talk about Shadeur, we can talk about Shadeur.”

On the missed fourth down conversion near the goal line in the first half

“It is hard to really see on the surface that we have. When you see it live, obviously it wasn’t clean. It was not clean from our back block from our center. It was not clean in terms of our puller. At the end of the day, we did not get in when we had the opportunity to go up by a touchdown. I feel good about going for it in that moment. We still had a chance there to potentially back them up and get the ball back again.”

On if Shadeur Sanders gave him a sense of confidence that he didn’t know that he had in him before today

“The way that he improved over the first six months that I was around him…Gave me confidence in him. Ultimately, you’ve got to go play, right? You’ve got to go on the field and you’ve got to go execute. Guys have to play well around him. It’s not a one man deal. We’ve got to coach. We’ve got to scheme. So, until I see the tape (we’ll see). Ultimately, in the end, he came through when we needed him to come through with some big plays and some big throws. I am happy for him , because every player wants an opportunity to play and showcase their ability. That part of it, I am awfully proud of him. I am awfully proud of our team. As I told them, I am frustrated at (how we played) at the beginning of the game. I am frustrated that in the first quarter we had six penalties. Special teams, offense, defense jumping offsides (were issues). We still held them to a field goal, even once we jumped twice on defense. It is not sustainable for us to continue down that road, but when you talk about our players and the way they enjoyed playing with each other and fighting for each other, the resiliency (I was proud). It’s the NFL, you are going to play a bunch of one score games and where you finish on the ledger is going to determine your season. Right now, we are 5-2 in one score games. And, we played six of the first nine road games. Only two other teams have done it. I think that will harden us. I really do…Those guys battled their rear ends off for our young team. I look forward to coming back home. Hell, we don’t leave until Christmas. There are four games and a bye week. I look forward to us getting back after it with this group of men.”

CLEVELAND BROWNS VS. NEW ORLEANS SAINTS

CLEVELAND BROWNS PLAYERS

QB SHEDEUR SANDERS

Opening Statement

“How's everybody doing? Yeah, I would say first and foremost, my intention when referring to the Saints' defense and how they are, was never ever throwing a shot, especially to (Carl) Granderson. So I apologize if my words are taken out of context. So I apologize for that being taken out of context, but that's just how media is sometimes, but then also that's on me, you know, for not making it very clear. I understand that. I never would talk down on anybody, on any person, because I understand how hard it is just to be in the league. I would say, and how hard it is, you know, to come to work every day and be able to coach your mind, coach your body throughout everything when things go good and things go bad. I just want to make that clear. At first, I was never speaking on negatively about anybody or any defense.”

On the two-point conversion and the holding penalty

“That's on me because I scrambled on that, but it was cool. I'll say to even be able to get in that position was amazing, and I was truly thankful to get to that point. The moment never felt big. It always felt the same for me. So, that's how I know I'm growing as a person, and growing as a quarterback in this league. So, next time we get in that situation, I will have a better plan on what to do.”

On Todd Monken having confidence in you

“I say God gives me confidence to do anything I want to do and feel how I want to feel. So that's the first and only thing I’ll bring with me everywhere I know in my role and what I have to do, I have to be able to bring my confidence with me at any time and be able to make others feel that also. So, sitting on the bench a little bit gave me a different point of view on how to give everybody else confidence with little things. The small things that matter.”

TE HAROLD FANNIN JR.

On Shedeur Sanders handling the late game moments

“Honestly, I feel like we could have, obviously, as an offense converted on that that fourth and one in the red zone. Penalties I feel like kind held us back. Obviously, we just got to be better as offense in terms of operational things. Wild game. That was very clutch of him. The way he stayed poised out there and deliver the pass Jerry (Jeudy) on the sideline, even the one to KC (Concepcion) even before that.”

On if he thought he was going to score on his touchdown reception

“Yeah, when I see Malachi (Corley) blocking I was thinking pretty much green grass. The last guy creeped up on me. I was just playing football.”

WR KC CONCEPCION II

On the excitement surrounding the young guys

“Yes, it's very to see all of your young guys shine today. Myself, Harold, and others.”

On the two-minute drill

“The two-minute drive got production from everybody inside of our offense. (Shedeur) was a game changer. He's always confident. He makes everyone want to play up to his level of competition by just seeing how confident he is out there.

RB DYLAN SAMPSON

On the play of Shedeur Sanders in key moments

“He just kept playing, just kept fighting and all of us kept fighting. So, he definitely gave us a great chance of winning.”

On getting a glimpse of the future with this young offense

“I mean, it's so hard for me to think like that because I'm just so focused in it now. When you take time to think about it, it's something to be excited about. Even though we (are) all young players, we have to be smart in the tight games right now to go out and win. I think it's just continuing to fight, trying to find the rhythm and understanding what they were doing on defense. It's a hard business we are playing, so we got to bring it all every time.”

LB CARSON SCHWESINGER

On the disappointment of giving up rushing yards to Audric Estime

“Yeah, he's a good player. He was able to get down that fast, and so on those runs, we have to get down that fast.”

On chasing around Tyler Shough all day

Yeah, I mean, he's a good player in the pocket, and he runs around well. We got really close a couple of times, and he’s incredibly slippery. You focus on your tracking in practice, making sure that when everyone's running to the ball, everyone's got good angles, not allowing the cutbacks, and then when you get all 11 guys running ball, that's how you eliminate those plays in the secondary.”
