

Community Huddle Ticket Program

The Texans Community Huddle Ticket Program gives people who may not otherwise have the chance to attend an NFL game the opportunity to have a unique and special gameday experience.

Sponsored by Texans players and executives, local nonprofit organizations receive tickets, food vouchers and parking passes to all Texans home games as part of the program. They also receive a custom t-shirt.

This season, members of the Community Huddle Ticket Program will have an opportunity to meet the Texans player or executive who is sponsoring them during pregame warmups. CB Tavierre Thomas and DE Derek Rivers' Community Huddle groups will enjoy this opportunity at Sunday's home opener.
