TITANS-BRONCOS SUPPLEMENTAL NOTES

HENRY ONE RUSHING TD FROM EXCLUSIVE COMPANY: Last week at Kansas City, Titans running back **Derrick Henry** became the organization's third player to reach the 1,000-yard scrimmage mark in five consecutive seasons, joining **Eddie George** (eight consecutive seasons) and **Chris Johnson** (six). Henry's 2022 statistics include an NFL-high 870 rushing yards and 140 receiving yards for a total of 1,010 scrimmage yards.

With nine rushing touchdowns in 2022, Henry needs one more to reach 10 rushing touchdowns for the fifth consecutive year. In NFL history, only **LaDainian Tomlinson** (nine consecutive seasons), **Adrian Peterson** (seven), **Shaun Alexander** (five) and **Michael Turner** (five) have done so.

Furthermore, Henry can join Tomlinson (eight), Peterson (seven) and Alexander (five) as the NFL's only players to reach both the 1,000-yard scrimmage mark *and* 10 rushing touchdowns in five consecutive seasons. At four straight seasons, Henry is tied with **Earl Campbell**, **Eric Dickerson**, **Marshawn Lynch** and **Walter Payton**.

Players who have accumulated at least 1,000 scrimmage yards and 10 rushing touchdowns for five consecutive seasons:

Player	Team	Years	Total	
1. LaDainian Tomlinson	San Diego Chargers	2001–2008	8	
2. Adrian Peterson	Minnesota Vikings	2007–2013	7	
3. Shaun Alexander	Seattle Seahawks	2001–2005	5	
Derrick Henry	Tennessee Titans	2018–2021	4	<i>needs one rushing TD for five consecutive seasons</i>

HENRY LOOKS FOR SIXTH CONSECUTIVE 100-YARD RUSHING GAME: This week at Nissan Stadium, **Derrick Henry** has a chance to record his sixth consecutive 100-yard rushing game, which would be the best streak of his career. It would surpass his five-game run of 100-yard rushing performances in 2021.

Henry's current streak began with 114 rushing yards at Indianapolis on Oct. 2, and continued with 102 yards at Washington (Oct. 9), 128 yards against Indianapolis (Oct. 23), 219 yards at Houston (Oct. 30) and 115 yards at Kansas City (Nov. 6).

Since the beginning of the 2015 campaign, Henry is already the NFL's only player with a five-game streak of 100-yard rushing games, having done so twice. The last player other than Henry with such a streak was Cowboys running back **DeMarco Murray**, who had an eight-game string of triple-digit rushing performances in 2014.

Henry can join **Chris Johnson** (12 straight games from 2009 to 2010) and **Earl Campbell** (twice—seven games in 1979, six games in 1980) as the only players in team annals with six consecutive 100-yard rushing games.

Most consecutive games with 100 or more rushing yards, franchise history:

Player	Season(s)	Games	
1. Chris Johnson	2009-10	12

HASKINS A SPECIAL TEAMS STANDOUT: Last week at Kansas City, running back **Hassan Haskins** led the Titans with four total special teams tackles. He became the first Titans player with four total special teams tackles in a game since **Matthias Farley** against New Orleans on Nov. 14, 2021, and he was the first offensive player for the Titans with four stops on coverage units since tight end **Craig Stevens** had four against the Buffalo Bills on Nov. 15, 2009.

Through nine weeks of the NFL season, Haskins leads all NFL players with 11 total special teams tackles. His eight solo special teams tackles also pace the league.

Among rookies, the next closest player to Haskins and his 11 special teams tackles is New England Patriots cornerback **Brenden Schooler**, who has eight. Additionally, veteran Carolina Panthers tight end **Giovanni Ricci** (nine) is the only other offensive player besides Haskins who has more than seven total special teams tackles.

ROOKIES COMBINED FOR 24 STARTS THROUGH EIGHT GAMES: At Kansas City, the Titans used four rookie starters: quarterback **Malik Willis**, right tackle **Nicholas Petit-Frere**, tight end **Chig Okonkwo** and cornerback **Roger McCreary**. It matched the club's season high for rookies in the starting lineup, first from Sept. 19 at Buffalo and again on Oct. 2 at Indianapolis.

Through eight games, Titans rookies have combined to record 24 total starts. The class is led by Petit-Frere and McCreary, who have opened each contest. Okonkwo has three starts, followed by Willis and wide receiver **Treyton Burks** with two starts apiece, and cornerback **Tre Avery** with one start.

The 24 total starts by rookies are tied for the most through the first eight games of a season during the franchise's "Titans era" (1999–present). The 2005 squad also had 24 total rookie starts through eight games and ended the season with 60 rookie starts in 16 games.
