# 2022 TENNESSEE TITANS TRAINING CAMP PREVIEW

NASHVILLE — Tennessee Titans players and coaches assemble this week at Ascension Saint Thomas Sports Park for the start of training camp. The first full-squad practice of camp is scheduled for 9:30 a.m. CDT on Wednesday, July 27.

Executive vice president/general manager Jon Robinson and head coach Mike Vrabel lead the team as it looks to defend its second consecutive AFC South division title and return to the playoffs for the fourth straight season. It would mark the second time in franchise history the team recorded a streak of four or more consecutive playoff appearances (1987–1993). The Titans are joined by the Buffalo Bills, Kansas City Chiefs and Green Bay Packers as the only NFL clubs to clinch playoff berths in each of the last three campaigns.

An early-reporting group consisting of rookies, quarterbacks and injured players arrived at camp on Saturday, July 23, with their teammates set to join them on Tuesday, July 26, and practice for the first time the following day. A five-day acclimation period mandated by the NFL and NFL Players Association's collective bargaining agreement will be held at the start of training camp, which includes practices without full pads. On Monday, Aug. 1, the Titans will hold their first fully-padded practice of camp.

Renovations are nearing completion at Ascension Saint Thomas Sports Park, the team's headquarters since it originally opened in 1999. The facility has been under construction since soon after Titans controlling owner **Amy Adams Strunk** announced in November 2019 plans to reconfigure the existing 75,000-square-foot building and erect a brand-new, 60,000-square-foot addition. Features include modernized offices and meeting spaces; a parking deck; updated weight room; new surfaces in the indoor practice bubble and on one of the outdoor fields; a television studio; and a new media workroom.

Titans training camp information will be updated continuously at <a href="TennesseeTitans.com">TennesseeTitans.com</a>, the Titans mobile app and on all official team social channels.

#### LIMITED CROWDS BACK AT PRACTICE

For the first time since 2019, the Titans will practice in front of fans at their home headquarters. A combination of COVID-19 protocols and the ongoing construction prevented public access in 2020 and 2021. Currently, the NFL has no such COVID-19 protocols for teams, fans or media in 2022 outside of local regulations.

The camp dates that are open to the public are Saturday, July 30 and Friday, August 5. However, all available tickets—which are required for entry—were distributed earlier in July on a first-come, first-served basis, and none remain. No tickets will be available on site. Click here for more information.

The Titans will host additional invited guests on other practice days during training camp.

#### PRESEASON GAMES AND JOINT PRACTICES

The Titans are scheduled for three preseason contests this August. Once they open camp, they will have just over two weeks before they travel to Baltimore to face the Ravens in their preseason opener on Thursday, Aug. 11.

The following week the Titans will host the Tampa Bay Buccaneers at Nissan Stadium on Saturday, Aug. 20, but not before they square off against quarterback **Tom Brady** and the rest of the Buccaneers in joint practices on Aug. 17 and 18. Both practices will be held at Ascension Saint Thomas Sports Park.

A week later, the process repeats itself but with a different visitor as the Titans welcome quarterback **Kyler Murray** and the Arizona Cardinals to Nashville. The clubs will practice together on Aug. 24 and 25, followed by an Aug. 27 game to conclude the preseason.

To open the regular season, the Titans will host the New York Giants on Sept. 11.

#### TRIMMING THE ROSTER

Robinson, Vrabel and their respective staffs will craft and manage a roster that will need to be pared three times before the regular season. NFL rules permit 90-man rosters at the start of camp until the first cut to 85 players on Aug. 16. The roster gets trimmed to 80 players exactly one week later on Aug. 23, and finally, on Aug. 30, it goes to the regular season limit of 53 players. Players placed on reserve lists such as Injured Reserve, Reserve/Physically Unable to Perform and Reserve/Non-Football Injury or Illness do not count towards the 53-man active roster limit.

Practice squads of up to 16 players may be established on Aug. 31.

Players allocated from the NFL's International Player Pathway program, such as Titans tight end **Thomas Odukoya** (Netherlands), do not count against league roster limits through the end of training camp. At that time, the players are eligible for an international player practice squad exemption, granting the team an extra practice squad member. Clubs have the opportunity to elevate the player to the active roster during the season.

#### **BUILDING THE 2022 TITANS**

Several new faces will be on hand their first training camp with the Titans, including a pair of veteran offensive weapons in wide receiver **Robert Woods** and tight end **Austin Hooper**. Woods, who is entering his 10th NFL season, was acquired in a trade with the Los Angeles Rams. He accumulated 570 career receptions for 7,077 yards and 35 touchdowns during his previous stops with the Bills and Rams.

Hooper, a two-time Pro Bowl selection, was signed as a free agent during the offseason after a pair of seasons in Cleveland. He has produced 298 career catches for 3,024 yards and 23 touchdowns in six total campaigns with the Browns and Atlanta Falcons.

During the 2022 NFL Draft, the Titans landed nine prospects, beginning with Arkansas wide receiver **Treylon Burks** with the 18th overall selection in the first round. In the second round, the Titans chose Auburn cornerback **Roger McCreary**, followed by a pair of players in Round 3: Ohio State offensive lineman **Nicholas Petit-Frere** and Liberty quarterback **Malik Willis**.

In total, 40 of the 90 players on the Titans pre-camp roster (as of July 21) were added since the conclusion of the 2021 campaign either through

the draft (nine), free agency (29), trade (one) and waivers (one). Eighteen were signed as undrafted free agents.

#### THE RETURNING NUCLEUS

While many of the faces at training camp will be new, the team returns the vast majority of its core players from last year's playoff roster, particularly on defense. Ten of the 11 defensive starters who took the field in the playoff game against Cincinnati are back, with the lone exception coming at one of the cornerback spots (Jackrabbit Jenkins).

Statistically, the 2021 Titans ranked second in rushing defense (84.6 yards allowed per game), 12th in total defense (329.8), sixth on third down (36.7 percent), sixth in scoring defense (20.8 points per game) and ninth in sacks (43).

The defense surged in the back half of 2021. During the final eight weeks of the regular season (Weeks 11-18), the unit was third in overall defense (277.4 yards allowed per game) and first in rushing defense (64.6). Then, in the playoffs against the Bengals, the Titans generated nine sacks to tie the NFL's all-time single-game postseason record.

Three members of the defense were named to the Pro Bowl in 2021: safety **Kevin Byard**, defensive tackle **Jeffery Simmons** and outside linebacker **Harold Landry III**. Byard added first-team Associated Press All-Pro honors, while Simmons was named second-team All-Pro. Landry led the Titans in sacks for the third consecutive season, finishing with 12 to set a career high.

The starting offense could see more turnover than the defense in 2022, but it retains many of its key pieces, including running back **Derrick Henry**. After leading the NFL in rushing in consecutive seasons and taking the 2020 Associated Press NFL Offensive Player of the Year Award, Henry was leading the NFL again in 2021 with 937 rushing yards through eight weeks. But then he was placed on injured reserve, where he remained until being restored to the roster for the playoffs. Returning healthy in 2022, Henry ranks fourth in team annals in career rushing yards (6,797) behind only **Eddie George** (10,009), **Earl Campbell** (8,574) and **Chris Johnson** (7,965). His 65 career rushing touchdowns trail only Campbell's 73. Since 2017, no NFL player has more rushing yards than Henry (6,307).

Ryan Tannehill heads into his fourth season as the team's starting quarterback in 2022. Since taking over the job during the 2019 campaign, he has built a 30-13 record, compiling the most wins by a starting quarterback in franchise history during the player's first three seasons with the organization. He is the first starting quarterback since Warren Moon (1987 to 1993) to lead the team to the playoffs in three consecutive seasons. During the 2021 regular season, he passed for 3,734 yards and 21 touchdowns, and he scored seven rushing touchdowns for the second straight year. Tannehill joined Moon as the only Titans/Oilers quarterbacks to record multiple seasons with at least 3,500 passing yards.

#### ROBINSON, VRABEL AMONG NFL'S MOST SUCCESSFUL PAIRS

Robinson and Vrabel, who each received contract extensions from Strunk during the offseason, have compiled a 41-24 record in four regular seasons together. Their .631 winning percentage from 2018 through 2021 was third in the NFL among GM-head coach duos who were together for that period. Only the Chiefs' **Brett Veach** and **Andy Reid** (.769) and the Rams' **Les Snead** and **Sean McVay** (.677) fared better.

The Titans have finished with a winning record each season since Robinson was first hired by Strunk in 2016, reversing the fortunes of a team that totaled five wins in the two seasons before his arrival. In four of those six seasons for the Titans—2017, 2019, 2020 and 2021—they earned

TennesseeTitans.com/Media

playoff berths. Robinson is the first general manager in franchise history with six seasons above the .500 mark, surpassing Bum Phillips (1975, 1977–1980) and Mike Holovak (1989-93), and he already ranks in the top three in team annals for playoff appearances along with Holovak (five) and Floyd Reese (four). The Chiefs are the only other franchise entering 2022 with an active streak of six consecutive winning seasons.

Vrabel joined Jack Pardee and Jerry Glanville as the only head coaches in team annals to preside over at least three playoff squads in their initial four seasons as head coach, and he tied Pardee (43-26) for the most total wins by a head coach in his first four seasons with the organization, including playoffs. The Titans' AFC South titles in 2020 and 2021 gave the franchise its first back-to-back division championships since the Oilers won the first three AFL Eastern division titles from 1960 to 1962. Since the beginning of the 2020 season, there has been only one week-after their loss to the Arizona Cardinals on Sept. 12, 2021 in the season opener—that the Titans did not hold a share of the AFC South lead or hold the outright lead.

Vrabel was named the 2021 Associated Press NFL Coach of the Year after directing the Titans to a 12-5 record and the top seed in the AFC playoff field. They did so despite needing to use 91 total players during the season—the most by a single club in NFL history in a non-strike year--exhibiting a resilience that has become a hallmark of the team under Robinson and Vrabel. After the final preseason roster cuts through the end of the season, the team placed 26 different players on injured reserve and 21 different players on the reserve/COVID-19 list, plus additional practice squad players that received those designations.

Vrabel is now tied for ninth place among all 32 active NFL head coaches in tenure with their current teams. Additionally, the upcoming season will be the first under his watch and the club's first since 2017 it has not had a change in at least one of the defensive or offensive coordinator roles. Shane Bowen and Todd Downing will again assume those duties. respectively. The vast majority of the staff has been retained, supplemented by former Houston Texans coaches Tim Kelly as passing game coordinator and Bobby King as inside linebackers coach.

INTERVIEW POLICY DURING TRAINING CAMP: During training camp, head coach Mike Vrabel and players typically are made available to speak with the media following practice sessions. Players are available immediately coming off the practice field, after which time Vrabel will address the media at the podium. Select players also will be made available at the podium. Coordinators and assistant coaches are available for interviews on days that are predetermined and announced by the media relations department. In accordance with the NFL's media access policy, the locker room will be open to the media on a regular basis prior to the start of the regular season.

**LIVE UPDATES, SOCIAL MEDIA AND PHOTOGRAPHY:** During training camp sessions, reporters are limited in shooting photos and videos to the beginning portions of practice—generally the stretch and individual periods, or to specific periods as directed by the media relations staff. During this time, live reporting on practice is allowed. However, live streaming in any format is not permitted at any practice, per NFL rules.

If a practice is <u>open to the public</u>, periodic live textual reports following stretch and individual periods are permitted throughout the remainder of practice (no photos or videos). Live streaming of the practice is not allowed.

If a practice is <u>closed to the public</u>, once the stretch and individual periods are finished and shooting has ended, reportable information observed for the remainder of the session must not be posted until the conclusion of practice.

Within reports from practice, observations on general team and individual performances are allowed. However, reporting on items related to competitive advantage is prohibited, such as positional rotation and scheme-related observations. Media also must not report specifics of conversations on the practice field.

This policy includes, but is not limited to, website articles, social media posts, call-ins to radio stations, video reports and text messaging.

During practice, all media members are asked to stay within the boundaries on the practice field designated by the media relations staff—typically in the end zone area closest to the main building of the practice facility and along the outer boundaries of the field.

#### **2022 SCHEDULE NOTES**

#### **SEASON NOTES**

- ➤ PLAYOFF OPPONENTS: The Titans have seven total games against playoff teams from last season. They play five division champions from 2021, including home games against Cincinnati (Nov. 27) and Dallas (Dec. 29), while they go on the road to play Buffalo (Sept. 19), Kansas City (Nov. 6), and Green Bay (Nov. 17). The two contests against wild card qualifiers are a home date with Las Vegas (Sept. 25) and a road showdown at Philadelphia (Dec. 4). The seven games against playoff clubs is down from the total of eight such matchups the Titans had entering 2021.
- PRIMETIME APPEARANCES: The Titans are scheduled for four primetime appearances, the most on their initial schedule since 2009 (not including flexed or rescheduled primetime games). Three of their primetime games are on the road: at Buffalo on Monday Night Football (Sept. 19), at Kansas City on Sunday Night Football (Nov. 6) and at Green Bay on Thursday Night Football (Nov. 17). They host Dallas on Thursday Night Football (Dec. 29).
- PRIMETIME RECORD: The Titans have won five of their last seven primetime games, including all three of their primetime contests in 2021.
- TWO GAMES ON THURSDAY NIGHT: The Titans will play two Thursday night games for the first time in franchise history: Nov. 17 at Green Bay and Dec. 29 against Dallas. The only other season in franchise history that included two Thursday games was 1997, when one of their Thursday games was a Thanksgiving afternoon contest at Dallas.
- VARYING KICKOFF DAYS AND TIMES: Only eight of the Titans' games are currently scheduled for Sunday noon CT kickoffs. There are four primetime games, three late Sunday afternoon kickoffs, one Saturday contest and the Week 18 matchup at Jacksonville, which will receive a day (Jan. 7 or 8) and kickoff time later in the season.
- ➤ FIRST-PLACE SCHEDULE: Every NFL team has two intraconference games and one interconference matchup based on the previous season's standings. The Titans host the AFC North champion Bengals (Nov. 27), while they visit the AFC East champion Bills (Sept. 19) and NFC North champion Packers (Nov. 17) as a result of each team's first-place finish in 2020. Overall, the Titans' strength of schedule is .471 (136-153) based upon their opponents' combined 2021 record, which is tied for the 24th most difficult in the NFL.
- FACING TOP OFFENSES AND DEFENSES: The Titans face four of the NFL's top five offenses from last season: Dallas (Dec. 29, first-overall offense), Kansas City (Nov. 6, third), the Los Angeles Chargers (Dec. 19, fourth) and Buffalo (Sept. 19, fifth). They also will see the top overall defense from 2021 in the Bills.
- > TITANS ON LONG REST: With a pair of Thursday night games in addition to their bye, the Titans will have three games in which they enjoy a long rest period between games. They host the Indianapolis Colts (Oct. 23) following their bye and the Cincinnati Bengals (Nov. 27) following a Thursday night game at Green Bay. In Week 18, they have a long week to prepare for their game at Jacksonville (Jan. 7/8) following a Thursday meeting with Dallas. Since Mike Vrabel was hired in 2018, the Titans are 4-0 following their bye and 4-0 following Thursday night games for a combined 8-0 record during the regular season. The Titans and Pittsburgh Steelers are the NFL's only undefeated teams during that period with nine or more rest days between games.
- ➤ CONSECUTIVE WINNING SEASONS: The Titans have had a winning record each season since general manager Jon Robinson arrived in 2016. After going 9-7 each year from 2016 to 2019, 11-5 in 2020, and 12-5 in 2021, a seventh consecutive season above .500 would set a franchise record. The only previous stretch in which the club achieved seven straight winning records was 1987 to 1993.
- ➤ VRABEL COULD ACHIEVE FRANCHISE FIRST: With a winning record in 2022, Mike Vrabel would become the only head coach in franchise history to begin his tenure with at least five consecutive winning campaigns. Vrabel, who arrived in 2018, tied Jack Pardee (1990–1993) as the only head coaches in team annals with four consecutive seasons over .500 to begin their careers.
- ➤ HEAD COACHING EXPERIENCE: There are 10 NFL head coaches who were hired by their teams this offseason, and the Titans will face half of them: the New York Giants' Brian Daboll (Sept. 11), Las Vegas' Josh McDaniels (Sept. 25), Houston's Lovie Smith (Oct. 30 and Dec. 24), Denver's Nathaniel Hackett (Nov. 13) and Jacksonville's Doug Pederson (Dec. 11 and Jan. 7/8). Titans head coach Mike Vrabel, who was hired in 2018, is tied for the ninth-longest tenure among current head coaches.
- ➤ AFC SOUTH COACHES AND QBS: Within the AFC South, the Titans are the only club without a new head coach and/or a projected new starting quarterback. The Jaguars are led by first-year head coach Doug Pederson, while Texans head coach Lovie Smith is in his first year at the

helm. In Indianapolis, veteran quarterback Matt Ryan was acquired in a trade from the Atlanta Falcons.

- WINNING IN THE DIVISION: The Titans, who won the AFC South in 2020 and 2021, earned a 10-2 record within their division over the last two seasons (.833). They tied the New Orleans Saints (10-2 in the NFC South) for the second-best divisional winning percentage in the NFL behind the 11-1 Buffalo Bills (11-1 in the AFC East). The Titans went 5-1 in the division in 2020 and in 2021.
- ➤ 11-WIN SEASONS: With 11 or more wins in 2022, the Titans will secure their third consecutive season with at least 11 wins. It would be the first time in franchise history the team accomplished the feat. The Titans went 11-5 in 2020 and then 12-5 in 2021.

#### **WEEK-BY-WEEK NOTES**

- ➤ PRESEASON WEEKS 1-3: The Titans open the preseason at Baltimore, facing the Ravens during the preseason for the first time in franchise history. The only other organizations the Titans have never faced in a preseason game are the division rival Houston Texans and Jacksonville Jaguars. The Titans then play their second and third preseason contests at Nissan Stadium, first against the Tampa Bay Buccaneers. It will mark the second consecutive preseason in which the clubs have met in August after practicing together and playing in Tampa Bay in 2021. The final preseason matchup will be against the Arizona Cardinals. None of the Titans' three preseason opponents are on their regular season schedule.
- ▶ WEEK 1 vs. NEW YORK GIANTS: The Titans open the regular season at home for the second consecutive season, welcoming the Giants to Nissan Stadium for the fourth time and for the first time since 2014. It will be the first game as Giants head coach for Brian Daboll, who was hired during the offseason after spending the previous four seasons as the offensive coordinator in Buffalo.
- ➤ WEEK 2 at BUFFALO: The Titans and Bills square off for the fifth consecutive season and for the third consecutive year in primetime. However, it is the first meeting in Buffalo since 2018. The Titans have won each of the last two matchups—a Tuesday night game in 2020 and a Monday night contest in 2021. The Titans-Bills matchup (6:15 p.m. CT, ESPN) is one of two featured contests in an ABC/ESPN side-by-side doubleheader, along with Eagles-Vikings (7:30 p.m. CT, ABC). In the franchise's "Titans era" (since 1999), the Titans are 14-7 on Monday night, including wins on eight of the last 10 occasions. Bills quarterback Josh Allen finished the 2021 campaign with 4,407 passing yards and 763 rushing yards, becoming the first player in NFL history with over 4,000 passing yards and 750 rushing yards in a season.
- ▶ WEEK 3 vs. LAS VEGAS: The Raiders travel to Nashville for the first time since 2017 and for the first time with former New England Patriots offensive coordinator Josh McDaniels, who was hired by Las Vegas as the club's head coach in 2022. McDaniels, who previously served as a head coach with the Broncos from 2009 to 2010, was an assistant in New England during the time Mike Vrabel played for the Patriots.
- ➤ WEEKS 4 & 7 vs. INDIANAPOLIS: Matt Ryan arrives in Indianapolis after spending his first 14 NFL seasons with the Atlanta Falcons. He passed for 59,735 yards and led the Falcons to six playoff appearances during his time in Atlanta. Mike Vrabel and Colts head coach Frank Reich are the two remaining head coaches among the seven that were hired by their respective clubs in 2018.
- ▶ WEEK 5 at WASHINGTON: The Titans visit FedEx Field for the fourth time and for the first time since 2014. The Commanders changed their team name during the 2022 offseason and also acquired veteran signal

#### **2022 SCHEDULE NOTES**

caller Carson Wentz from the Indianapolis Colts. Ron Rivera enters his third season as Washington's head coach.

- WEEK 6 (BYE): The Week 6 bye comes seven weeks earlier than the Week 13 bye the Titans had in 2021. Since Mike Vrabel became the team's head coach, the Titans are 4-0 in games following their bye week.
- ➤ WEEKS 8 & 16 vs. HOUSTON: Lovie Smith enters his first season as Texans head coach after previous head coaching stints with Chicago (2004-12) and Tampa Bay (2014-15). The Texans handed the Titans their only divisional loss in 2021, ending a three-game winning streak by the Titans in the series. When the Titans and Texans play at Nissan Stadium on Christmas Eve, the Titans will play on Saturday for the first time since they defeated Washington at home on Dec. 22, 2018.
- WEEK 9 at KANSAS CITY: The Titans travel to Kansas City for the first time since the 2019 AFC Championship game. It is their first primetime game at Arrowhead Stadium since 1995. In 2021, the Titans hosted the Chiefs and won by a final score of 27-3 to improve to 5-1 against Kansas City since the start of the 2014 season. Chiefs quarterback Patrick Mahomes has more passing yards (18,707) and passing touchdowns (151) than any other NFL quarterback since 2018.
- ➤ WEEK 10 vs. DENVER: The Broncos visit Nissan Stadium for the first time since 2016. Denver launched a new era during the offseason, first naming former Packers offensive coordinator Nathaniel Hackett their new head coach. Then the Broncos acquired nine-time Pro Bowl quarterback Russell Wilson in a trade with the Seattle Seahawks. During his 10 years in Seattle, Wilson led the Seahawks to eight playoff appearances, two Super Bowl berths and a Super Bowl XLVIII win to conclude the 2013 season.
- ▶ WEEK 11 at GREEN BAY: The Titans play their first of two Thursday night games in a seven-week span, traveling to Lambeau Field, where they last fell to the Packers on a snowy Sunday night in 2020. Packers quarterback Aaron Rodgers won the 2021 Associated Press Most Valuable Player award, securing the league's top honor for the fourth time in his career and for the second consecutive year. Only Peyton Manning (five) has more league MVP awards in NFL history than Rodgers. The Packers are led by head coach Matt LaFleur, who was hired to his current post after spending the 2018 season as Titans offensive coordinator.
- WEEK 12 vs. CINCINNATI: In a rematch of the 2021 divisional playoffs, the Bengals visit Nissan Stadium, where they defeated the Titans on Jan. 22. The Bengals went on to win the AFC championship game and advance to Super Bowl LVI before falling to the Los Angeles Rams. In the 63-year history of the Titans/Oilers, they have played the Bengals 77 times. Only one other NFL team—the Pittsburgh Steelers (80 games)—has faced the organization more frequently than the Bengals.
- WEEK 13 at PHILADELPHIA: The Titans visit Lincoln Financial Field for the third time in the regular season and for the first time since 2014. During the 2022 NFL Draft, the Titans and Eagles executed a trade that sent Titans wide receiver A.J. Brown to the Eagles in exchange for firstand third-round draft choices.
- ➤ WEEKS 14 & 18 vs. JACKSONVILLE: The Jaguars begin a new era in 2022 under new head coach Doug Pederson. Pederson most recently spent five seasons as the head coach (2016-20) of the Philadelphia Eagles, leading the Eagles to the postseason in three consecutive seasons (2017-19) and a Super Bowl LII title to conclude the 2017 campaign. Jaguars second-year quarterback Trevor Lawrence was the first-overall draft pick in 2021 and is joined by 2022 first-overall pick, former Georgia outside linebacker Travon Walker.
- WEEK 15 at LOS ANGELES CHARGERS: The Titans visit SoFi Stadium for the second consecutive season but for the first time to face the Chargers. In 2021, they defeated the L.A. Rams in a Sunday night game at the venue, which opened in 2020. The Titans have never faced Chargers quarterback Justin Herbert, the sixth-overall selection in the 2020 NFL Draft.
- ➤ WEEK 17 vs. DALLAS: The Cowboys make their fourth appearance at Nissan Stadium and their first since 2014. The Titans won the last meeting in Dallas in 2018 by a final score of 28-14. Since Titans running back Derrick Henry (6,797 career rushing yards) entered the NFL in 2016, the only player with more rushing yards than him is Cowboys running back Ezekiel Elliott (7,386). The Titans have won six of their past eight primetime games at Nissan Stadium.

#### WHAT TO LOOK FOR IN 2022

#### WHAT TO LOOK FOR - TEAM

- The Titans have had a winning record each season since 2016, when general manager Jon Robinson arrived in Tennessee. The Titans went 9-7 each year from 2016 to 2019, achieved an 11-5 finish in 2020, and then earned a 12-5 mark in 2021. A seventh consecutive season above .500 would tie the franchise's all-time best streak. The only previous stretch in which the club achieved seven straight winning records was 1987 to 1993.
- ➤ The Titans can earn their fourth consecutive playoff berth. It would be the organization's first time doing so since a franchise-record seven consecutive playoff appearances from 1987 to 1993.
- The Titans can earn their third consecutive division title. The only other three-year streak of division titles in franchise annals was when the Oilers won the AFL Eastern division each season from 1960 to 1962.
- > A third consecutive season with 11 or more wins would mark the first time in franchise history the team has accomplished such a streak.
- ➤ The Titans can log their fourth consecutive season with at least five road victories, which would be the longest such streak in franchise history (1978–1980 and 1998–2000).
- Entering 2022 with a record of 107-78 in regular season games at Nissan Stadium, the Titans need six wins at home to match the 113 wins the franchise had in regular season contests at the Astrodome (113-103-2). Seven home wins would give the franchise more victories at Nissan Stadium (114) than any other single venue.

#### **GM JON ROBINSON**

- Can oversee a winning season for the seventh consecutive season since joining the Titans in 2016. He already is the only general manager in franchise history to oversee six total seasons above the .500 mark.
- Can join Mike Holovak (1989–1993) as the only two general managers in franchise history to oversee five or more playoff seasons.

#### **HEAD COACH MIKE VRABEL**

- With a winning record in 2022, Mike Vrabel would become the only head coach in franchise history to begin his tenure with at least five consecutive winning seasons. Vrabel and Jack Pardee are the organization's only head coaches with as many as three such seasons to begin their tenures.
- Can join Jeff Fisher (six) and Jack Pardee (four) as the only head coaches to lead the franchise to at least four playoff appearances.

#### **S KEVIN BYARD**

- Needs one interception in 2022 (23 interceptions entering the season) to tie Zeke Moore (24) for 10th place on the all-time franchise interception list.
- > Needs two interceptions to tie **Michael Griffin** and **Ken Houston** (25) for eighth place all-time for the franchise.
- Needs three interceptions to tie Mike Reinfeldt (26) for seventh all-time for the franchise and pass Michael Griffin (25) for the most interceptions for the franchise in its "Titans era" (1999–present).
- Can lead the team in interceptions for the fifth time, which would tie Darryll Lewis' franchise record (1994-98).
- Can become the first player to lead the team in tackles for three consecutive seasons since Keith Bulluck (2002-06).

#### **RB DERRICK HENRY**

- Needs 2,000 rushing yards to become the first player in NFL history to reach the mark in two different seasons.
- Needs 1,500 rushing yards and 15 rushing touchdowns to become the first player in NFL history to reach both marks in three different seasons.
- Needs a pair of 200-yard rushing games to give him seven for his career, which would set the NFL record. He would surpass O.J. Simpson and Adrian Peterson, who each have six such performances.
- With 65 career rushing touchdowns, he needs nine more to break Earl Campbell's career franchise record of 73 rushing touchdowns.
- With 68 total career touchdowns, he needs seven more to break Eddie George's career franchise record of 74 total touchdowns.
- Currently at 6,797 career rushing yards, he will pass Chris Johnson (7,965) for third place on the franchise's all-time career rushing list with 1,169 more rushing yards.

Needs 10 rushing touchdowns to become the fifth running back in NFL history to reach the mark in five consecutive seasons, joining LaDainian Tomlinson (nine), Adrian Peterson (seven), Shaun Alexander (five) and Michael Turner (five).

#### P BRETT KERN

- Needs 14 games in 2022 (197 career games with the Titans entering the season) to pass Elvin Bethea (210) for second place on the franchise's all-time games played list. He would trail only Bruce Matthews (296).
- Can record his ninth total season and sixth consecutive campaign with a net punting average of at least 40.0 yards. No other punter in franchise history has had one such season.
- Can become the third player in franchise history to play 14 seasons for the organization, joining Bruce Matthews (19 seasons, 1983–2001) and Elvin Bethea (16 seasons, 1968–1983).
- Needs four punts to become the 25th player in NFL history to record 1,000 career punts. He enters the season with 996 punts during his time in Denver and Tennessee.

#### **OLB HAROLD LANDRY III**

- Can become the first Titans/Oilers player since Ray Childress (1986-89) to lead the team or tie for the team lead in sacks in four consecutive seasons.
- Needs nine sacks (31.0 career sacks entering 2022) to become the only player for the franchise other than Jevon Kearse to reach 40 sacks with the franchise within his first five NFL seasons since individual sacks became an official statistic in 1982.
- Can join Jevon Kearse (three seasons) and Sean Jones (two) as the organization's only players since 1982 with double-digit sacks in at least two consecutive seasons.

#### **DT JEFFERY SIMMONS**

Can become the team's only player since 2000 other than Keith Bulluck (2003-05) to record at least three sacks and five passes defensed in three consecutive seasons.

#### **QB RYAN TANNEHILL**

- > Can produce his seventh career season with at least 3,000 passing yards and his third career season with at least 4,000 passing yards.
- Can join Warren Moon (1987–1993) as the only starting quarterbacks in franchise history to lead the club to the playoffs in four consecutive seasons
- ➤ Enters 2022 with an active streak of 43 consecutive starts. With a start in the season opener, he will break a tie with **Steve McNair** (43 consecutive starts from 2001 to 2003) for the most consecutive starts in franchise history by a quarterback.
- Needs 3,500 passing yards to tie Warren Moon (1989–1991) for the most seasons in franchise history with at least 3,500 passing yards. Tannehill reached the mark in each of the past two campaigns.
- Became the first quarterback in franchise history with at least seven rushing touchdowns in back-to-back seasons, and he was the NFL's only quarterback from 2020 to 2021 to accomplish the feat.
- Can join Buffalo's Josh Allen (2018–2020) as the NFL's only quarterbacks since the 1970 AFL-NFL merger with at least seven rushing touchdowns in three consecutive seasons.
- Can join George Blanda (1960-63) as the only players in franchise history to throw at least 20 touchdown passes in four consecutive seasons.
- Can become the first player in franchise history with multiple career seasons with at least 30 touchdown passes.

**Jon Robinson** was hired as Titans general manager on Jan. 14, 2016 after spending two years as director of player personnel for the Tampa Bay Buccaneers. Nearly one year later, on Jan. 5, 2017, he was promoted to executive vice president/general manager.

The Titans finished with a winning record in each of his first six seasons on the job. They had four consecutive 9-7 records from 2016 to 2019, followed by an 11-5 mark in 2020 and a 12-5 record in 2021. It was the first time the organization produced at least six consecutive winning seasons since a seven-year run of winning records from 1987–1993. The Titans and Kansas City Chiefs were the only NFL teams without a losing season from 2016 to 2021.

Robinson became the first general manager in franchise history with six seasons above the .500 mark, surpassing **Bum Phillips** (1975, 1977–1980) and **Mike Holovak** (1989-93). Robinson's winning records from 2016 to 2021 also eclipsed Holovak for the most consecutive winning seasons by a Titans/Oilers general manager.

The Titans went to the playoffs four times in Robinson's first six seasons with the club: 2017, 2019, 2020 and 2021. The four playoff appearances tied for the third-most in the league during that time, and only Kansas City (six) and the New England Patriots (five) had more. Robinson's four playoff campaigns already place him in the top three in team annals along with Holovak (five) and **Floyd Reese** (four).

Robinson's work helped the team go from three wins in the season prior to his arrival (2015) to a divisional round playoff finish following the 2017 campaign. He became the fifth general manager in franchise history to have the team in the playoffs within his first two full seasons.

Then, in 2019, the team he constructed advanced to the AFC championship game. It was the organization's first appearance in the conference title game in 17 seasons (2002).

In 2020, Robinson and the Titans clinched the 2020 AFC South title with an 11-5 record in the regular season, claiming their best record and first division title since going 13-3 in 2008. They did so while navigating the challenges associated with the COVID-19 pandemic.

In 2021, the Titans won their second consecutive AFC South crown with a 12-5 mark, celebrating the franchise's first back-to-back division championships since the Oilers took the first three AFL Eastern division titles from 1960 to 1962.

Robinson has overseen a nearly complete overhaul of the roster during his tenure. In seven drafts as general manager from 2016 to 2022, he selected 52 total players, and 32 of those players were still with the organization at the start of 2022 training camp. The only members of the roster who predated Robinson at that time were punter **Brett Kern** and tackle **Taylor Lewan**. During that same time period (through June 2022), he engineered 30 total trades.

**2022:** After the NFL's new league year began in March 2022, Robinson engineered a trade with the Rams to acquire veteran wide receiver **Robert Woods**, who totaled 570 receptions for 7,077 yards in nine previous seasons in Buffalo and Los Angeles.

Robinson then went to work in the free agent market, highlighted by the addition of two-time Pro Bowl tight end **Austin Hooper**, who played his first four seasons with the Atlanta Falcons before spending a pair of campaigns with the Cleveland Browns.

The Titans also were active in re-signing several of their own key free agents, including center **Ben Jones** and Pro Bowl outside linebacker **Harold Landry III**.

During the first round of the 2022 NFL Draft, the Titans acquired the 18th overall selection and an additional third-rounder from Philadelphia in a trade that sent wide receiver **A.J. Brown** to the Eagles. With the 18th pick,

Robinson and the Titans grabbed Arkansas wide receiver **Treylon Burks**. Robinson would execute two more trades during the draft to end up with nine total players, including Auburn cornerback **Roger McCreary** in the second round.

<u>2021:</u> In 2021, the Titans struck several deals with veterans in the initial days of free agency. The incoming players included Pittsburgh Steelers outside linebackers **Bud Dupree** and **Ola Adeniyi**, New Orleans Saints cornerback **Jackrabbit Jenkins**, Indianapolis Colts defensive lineman **Denico Autry** and Baltimore Ravens long snapper **Morgan Cox**. The Titans also re-signed several of their own free agents: tight ends **Anthony Firkser** and **Geoff Swaim** and inside linebacker **Jayon Brown**.

Autry proved to be a key addition for the defense. He appeared in every game in his first season with the club and finished second on the team with nine sacks. His sack total tied his career high, matching the nine sacks he had in 2018 as a member of the Indianapolis Colts.

During the 2021 NFL Draft, Robinson led the selection of eight total players, beginning with Virginia Tech cornerback **Caleb Farley** with the 22nd overall selection in the first round. In the second round, the Titans chose North Dakota State offfensive lineman **Dillon Radunz**, followed by Georgia linebacker **Monty Rice** and Washington defensive back **Elijah Molden** in Round 3.

Late in the 2021 campaign, Robinson claimed inside linebacker **Zach Cunningham** off waivers from the division rival Houston Texans. Over three seasons from 2019 to 2021, Cunningham's 392 total tackles were more than every NFL player other than Seattle's **Bobby Wagner** (467) and Chicago's **Roquan Smith** (402).

**2020:** Early in 2020, the Titans reached an agreement on a multi-year contract to keep quarterback **Ryan Tannehill** in Tennessee. The Titans also re-signed tackle **Dennis Kelly**, who would go on to start all 16 games at right tackle.

After initially placing the franchise tag on running back **Derrick Henry**, the Titans and Henry were able to come to an agreement on a multi-year contract extension in July 2020.

Robinson acquired Tannehill for the Titans in a 2019 trade with the Miami Dolphins. In his first three seasons in Tennessee, Tannehill built a 30-13 record as a starting quarterback and became the franchise's first starting quarterback since **Warren Moon** (1987 to 1993) to direct his team to the playoffs in at least three consecutive seasons. He started every game from Week 7 of the 2019 campaign through the end of 2021, and during that time, Tannehill's 102.3 passer rating ranked sixth in the NFL. He became the only quarterback other than Moon (1989–1991) to record multiple seasons with at least 3,500 passing yards with the franchise. Also, Tannehill's 13 total game-winning drives in that span ranked second in the NFL behind only Raiders quarterback **Derek Carr's** 14. In 2019, Tannehill was named to his first Pro Bowl earned the 2019 Associated Press Comeback Player of the Year Award.

After securing his multi-year extension in 2020, Henry produced one of the greatest seasons in NFL history by a running back. He led the NFL in rushing for the second consecutive season with 2,027 rushing yards, which was only the eighth 2,000-yard rushing season in league annals, and also paced the league with 17 rushing touchdowns. He was recognized with the

Associated Press Offensive Player of the Year Award.

Henry, a second-round pick by Robinson in 2016, led the Titans in rushing every season from 2017 through 2021, during which time he also led the NFL with 6,307 total rushing yards. In 2019, he won his first of two consecutive NFL rushing crowns with 1,540 yards and tied for the NFL lead with 16 rushing touchdowns.

In the 2020 NFL Draft, the Titans had six total picks, including Louisiana State cornerback **Kristian Fulton** in the second round (61st overall). Fulton emerged as a full-time starter in 2021 and tied for 11th place in the NFL with a team-high 14 passes defensed.

<u>2019:</u> Near the beginning of the 2019 free agent signing period, Robinson worked quickly to add several veterans from other teams who played key roles, including Tannehill and former Rams guard **Rodger Saffold**. Robinson also worked to re-sign safety **Kenny Vaccaro** and punter **Brett Kern**.

Then, in the 2019 NFL Draft, Robinson directed the selection of six total players, including Mississippi State defensive lineman **Jeffery Simmons** in the first round (19th overall), Ole Miss wide receiver **A.J. Brown** in the second round (51st overall) and Charlotte offensive lineman **Nate Davis** in the third round (82nd overall).

In his first three seasons, Brown led the Titans in every major receiving category, totaling 185 receptions, 2,995 receiving yards, a 16.2-yard receiving average and 24 touchdown catches. Since 1970, Brown was only the fourth NFL player to reach all of those numbers within his first three seasons, joining **Randy Moss**, **Jerry Rice** and **John Jefferson**. He was named to the Pro Bowl in 2020 after totaling 70 receptions for 1,075 yards and 11 touchdowns.

Simmons was named to the Pro Bowl in 2021 and added Associated Press second-team All-Pro honors. He ranked sixth in the NFL among defensive tackles with 8.5 sacks, and he set a franchise single-game postseason record with three sacks.

Saffold also earned his first career Pro Bowl berth in 2021, the third consecutive season since he arrived in Tennessee in which the team finished in the top five in rushing.

**2018:** The Titans' 2018 free agent class included Pro Bowl cornerback **Malcolm Butler**. In his three seasons in Tennessee, Butler played in 41 games (36 starts) and totaled nine interceptions. In early August 2018, the Titans signed Vaccaro, who went on to start 42 games over his three seasons with the club.

Robinson's 2018 draft class was comprised of four players after he used multiple trades to go up and get his targets. It included first-round linebacker **Rashaan Evans** from Alabama (22nd overall pick) and second-round outside linebacker **Harold Landry III** from Boston College (41st overall).

From the start of his rookie season through 2021, Landry's 31 total sacks led the Titans, and other than **Jevon Kearse** (37), it was the highest total by a Titans/Oilers player in his first four NFL seasons since individual sacks became an official NFL statistic in 1982. In 2021, Landry was named to his first Pro Bowl after his career-high 12 sacks ranked 10th in the NFL.

**2017:** During the 2017 offseason, Robinson used free agency to address needs on defense and special teams. Most notably, he spearheaded deals for cornerback **Logan Ryan** (New England) and special teams contributor and 2017 Pro Bowler **Brynden Trawick** (Oakland).

In the 2017 NFL Draft, Robinson spent first-round picks on wide receiver Corey Davis (fifth overall) and cornerback Adoree' Jackson (18th overall). It marked the first time the franchise had a pair of first-round draft selections since 1987. The Titans' 2017 draft haul also featured tight end Jonnu Smith in the third round and linebacker Jayon Brown in the fifth round.

The 2017 Titans advanced to the playoffs for the first time since 2008. Robinson became the fifth general manager in franchise history to have the team in the postseason within his first two full seasons.

**2016:** In his first year as an NFL general manager, Robinson's leadership and decision-making helped the Titans triple their win total from the previous season, finishing 9-7 in 2016 after a 3-13 finish in 2015. The sixwin improvement tied for the most in franchise history (1967 and 1974) and doubled the previous club benchmark for the most wins in the first year under a new general manager (three by **Bum Phillips** in 1975).

Within the first four months at his post, Robinson pulled the trigger on several key personnel decisions. On March 9, 2016, he made his first major acquisition, swapping fourth-round draft picks with the Philadelphia Eagles in exchange for running back **DeMarco Murray**. The trade provided major dividends in 2016, as Murray led the AFC and ranked third in the NFL with

1,287 rushing yards.

Around the same time, Robinson began to work the free agent market. Center **Ben Jones** and wide receiver **Rishard Matthews** highlighted the haul, and both were instrumental in helping to transform the Titans offense into the 11th-ranked unit in the NFL.

Jones became a foundational member of the offensive line. From 2016 to 2021, he was one of only eight offensive lineman to start at least 96 of a possible 97 games. He finished the 2021 campaign with an active streak of 40 consecutive starts, ranking third among centers.

On April 14, 2016, two weeks before the NFL Draft, Robinson and the Titans dealt the first overall pick to the Los Angeles Rams in one of the biggest trades in recent NFL history. The Titans gave up the No. 1 pick and a fourth-rounder in order to receive the 15th overall pick, two second-rounders and a third-rounder in 2016, plus the Rams' first- and third-round picks in 2017. From 1990–2015, there were seven trades involving the No. 1 overall pick, but this was the first since 2004, when the San Diego Chargers selected **Eli Manning** with the first pick and dealt his rights to the New York Giants.

The Titans had their hands at one point or another on 17 selections in the 2016 draft due to five different trades (including one trade in 2015), and in the end, they ended up with a class of 10 players, including four of the top 45 picks. Robinson swung a draft-day trade with the Cleveland Browns to move back up to the eighth slot to choose Michigan State tackle **Jack Conklin**.

All 10 members of Robinson's first draft class played in at least one game in 2016. They accumulated a total of 110 games played and 38 starts, including 16 starts at right tackle by Conklin. The eighth-overall pick capped his successful rookie campaign by being named first-team All-Pro by Associated Press.

Third-round safety **Kevin Byard** has become one of the most successful players at his position in franchise history. He finished the 2021 campaign as a three-time team captain, two-time Pro Bowl selection and a two-time Associated Press first-team All-Pro. Over a five-year period from 2017 through 2021, Byard led all NFL safeties and ranked third in the NFL with 23 interceptions. His career interception total was 11th on the franchise's all-time list and sixth among all Titans/Oilers safeties.

**PRIOR HISTORY:** Robinson arrived in Tennessee with a wide range of experience from working his way up on the personnel side of the NFL. From 2014–2015, he served as director of player personnel for the Buccaneers and oversaw both college and pro departments as the team rebuilt its roster. The 2015 Buccaneers draft class made a significant impact, including four rookie starters: quarterback **Jameis Winston**, tackle **Donovan Smith**, guard **Ali Marpet** and linebacker **Kwon Alexander**.

Prior to joining Tampa Bay, Robinson spent 12 years with the New England Patriots, including his last five years (2009-13) as the director of college scouting. In the five years heading up their college scouting, the Patriots added a number of key components to their roster that won the Super Bowl in 2014, including wide receiver **Julian Edelman**, defensive back **Devin McCourty**, tight end **Rob Gronkowski**, tackle **Nate Solder** and defensive end **Chandler Jones**. He joined the Patriots as an area scout in 2002, a role he served for four seasons. Robinson then spent two years (2006-07) as a regional scout, before being promoted to assistant director of college scouting in 2008 and then director of college scouting in 2009. In his time scouting for the Patriots the team won 10 division titles, four conference titles and two Super Bowls (2003, 2004).

Robinson played three years at Southeast Missouri State as a defensive lineman after starting his college career at the Air Force Academy. Following his college career as a player, he spent one season (1998) coaching at his alma mater and three years (1999-2001) coaching at Nicholls State.

A native of Union City, Tenn., Robinson and his wife, Jaimie, have two daughters, Taylor and Bailey.

#### **WINNINGEST GMs IN FRANCHISE HISTORY**

**Jon Robinson** constructed a roster that produced six consecutive winning seasons in Robinson's first six years on the job, including a 12-5 mark during the 2021 regular season. Prior to 2021, the club went 9-7 in 2016, 2017, 2018 and 2019 with postseason berths following the 2017 and 2019 campaigns. Then, in 2020, the Titans finished the regular season 11-5 and won the team's first division championship since 2008.

Robinson has the most winning seasons of any general manager in franchise history. His career win total ranks behind only **Floyd Reese** (111, including playoffs), and his four playoff seasons, including 2021, are tied with Reese for second place. Only **Mike Holovak** (five) oversaw more postseason qualifiers.

With this year's record, plus their 2020 finish of 11-5 and their 9-7 marks every season from 2016 through 2019, the Titans have built the second-longest active streak of winning seasons in the NFL.

**Mike Vrabel** was named head coach of the Titans on Jan. 20, 2018, becoming the 19th head coach in franchise history.

In his first four seasons as head coach, Vrabel led the Titans to a 43-27 overall record and three postseason appearances. He joined **Jack Pardee** and **Jerry Glanville** as the only head coaches in team annals to preside over at least three playoff squads in their initial four seasons as head coach, and he tied Pardee (43-26) for the most total wins by a head coach in his first four seasons with the organization. The Titans won back-to-back AFC South titles in 2020 and 2021, marking the first time the organization accomplished the feat since the Oilers won the first three AFL Eastern division titles from 1960 to 1962.

#### Vrabel Honored as NFL's Top Coach in 2021

Vrabel was named the Associated Press NFL Coach of the Year in 2021 after directing the Titans to a 12-5 record during the regular season. The Titans won the AFC South, and they claimed the top seed in the AFC playoff field for the first time since 2008. They did so despite needing to use 91 total players during the season—the most in NFL history in a non-strike year. After the final preseason roster cuts through the end of the season, the team placed 26 different players on injured reserve and 21 different players on the reserve/COVID-19 list, plus additional practice squad players that received those designations.

The 2021 Titans ranked second in rushing defense (84.6 yards allowed per game), 12th in total defense (329.8), sixth on third down (36.7 percent), sixth in scoring defense (20.8 points per game) and ninth in sacks (43). Offensively, the Titans finished fifth in rushing (141.4 yards per game) despite missing **Derrick Henry** for nine games due to injury. The offense also ranked eighth on third down (43.6 percent), fifth in the red zone (63.9 percent) and first in goal-to-go efficiency (87.5 percent).

Situationally, Vrabel's teams fared well among the NFL leaders in his first four seasons as head coach. From 2018 to 2021, their .909 winning percentage (40-4) in regular season games in which they had a fourth-quarter lead ranked second in the NFL behind the New Orleans Saints (.939). In the same time period, the Titans had a .714 winning percentage in three-point games (15-6), which led the league. Vrabel's team was 5-1 in overtime games from 2018 through 2021, tying the Saints (5-1) for the most overtime wins.

From 2018 to 2021, the Titans had the NFL's second-best rushing offense, averaging 143.7 rushing yards per game. Only the Baltimore Ravens were better (173.6). On the other side of the ball, the Titans ranked seventh in rushing defense, allowing 106.2 rushing yards per contest. Also from 2018 to 2021, the Titans tied for eighth in scoring defense (22.0 opponent points per game) and tied for the eighth-best turnover margin (+13). The Titans were called for 370 penalties from 2018 through 2021, which was the sixth-fewest total in the NFL.

#### Titans Take the AFC South in Year 3 Under Vrabel

The Titans won the 2020 AFC South title with an 11-5 record in the regular season, claiming their best record and first division title since going 13-3 in 2008. They finished with a 5-1 record within the division and a 6-2 mark in road games, all while navigating the challenges of the COVID-19 pandemic.

The Titans led the NFL in 2020 with a plus-11 turnover differential. Their 23 takeaways ranked seventh in the NFL, while their 12 turnovers were the second-fewest in the league in 2020 and tied for the ninth-lowest number since the NFL went to a 16-game schedule in 1978.

In 2020, the Titans tied for second place in total offense (396.4 yards per game) and ranked fourth in scoring offense (30.7 points per game). They became the first team in NFL history to generate at least 2,500 rushing yards (2,690) and 3,500 net passing yards (3,653) while surrendering 25 or fewer sacks (25). Their 6,343 total yards and 381 first downs established franchise records, while their 491 points amounted to the organization's second-best total.

The 2020 Titans joined the 1997 Detroit Lions as the only teams in NFL history to feature a 2,000-yard rusher, a 3,000-yard passer and a 1,000-yard receiver. Henry led the NFL in rushing for the second consecutive season, and his 2,027 rushing yards gave him the fifth-best total in league history. Meanwhile, **Ryan Tannehill** passed for 3,819 yards, and his 106.5 passer rating was the fifth-best number in the NFL. **A.J. Brown** was named to the Pro Bowl after recording his second consecutive 1,000-yard season (1,075) and tying for fifth place in the NFL with 11 touchdown catches.

#### Titans to AFC Championship Game in Vrabel's Second Season

In 2019, Vrabel became the first head coach in the organization's history to win multiple playoff games within his first two seasons. The Titans won a pair of road games—at New England in the wild card round and at Baltimore in the divisional round—to advance to the 2019 AFC championship game, falling at Kansas City to the eventual Super Bowl champion Chiefs.

The Titans began the 2019 campaign with two wins in their first six games but rallied to win seven of their final 10 games in the regular season. From the time the NFL went to its current playoff format in 1990 through 2019, 345 teams went 2-4 or worse in their first six games of a season. From that group, the Titans became only the third team to advance to a conference championship game, joining the 2002 Titans (2-4) and the 1996 Jacksonville Jaguars (2-4).

The 2019 Titans ranked in the NFL's top 10 in scoring margin (eighth, +71), turnover margin (sixth, +6), offensive yards per play (fourth, 6.12), rushing offense (third, 138.9 yards per game), red zone efficiency (first, 75.6 percent), total touchdowns (tied for third, 54) and third-down defense (eighth, 36.3 percent).

In his first season as head coach, Vrabel directed the Titans to a 9-7 record. His nine wins tied for the fourth-highest total in franchise history by a first-year head coach.

With only 82 penalties enforced against the Titans in 2018, Vrabel's team led the NFL and set a franchise record (16-game season) for fewest penalties in a season. The 2018 Titans also placed third in points allowed (18.9 per game), eighth in total defense (333.4 yards per game), sixth in passing defense (216.9), second in red zone defense (44.7 percent touchdown rate) and seventh in rushing offense (126.4) in the league rankings.

#### Background as a Player and Coach

Vrabel arrived in Tennessee with 18 years of NFL experience, including four seasons as a coach and 14 seasons as a player. His distinguished playing career included three Super Bowl wins (2001, 2003 and 2004), one Pro Bowl selection (2007) and an All-Pro honor (2007). Vrabel played in 206 NFL games and totaled 57 sacks, 496 tackles, 11 interceptions, 20 forced fumbles, nine fumble recoveries and 10 touchdown receptions. Additionally, his teams advanced to the playoffs eight times (20 postseason games), with Vrabel recording eight postseason sacks and two postseason touchdown receptions.

Vrabel joined the Titans after four seasons with the Houston Texans, spending the first three seasons (2014-16) coaching linebackers and one year (2017) as the team's defensive coordinator. During his time in Houston, the Texans built one of the best defenses in the NFL and experienced tremendous success as a team – earning two division titles (2015, 2016).

Between 2014-16, the Texans defense ranked third in the NFL in yards allowed per game (319.9) and net passing yards (218.4). Houston also ranked first in third-down defense (33.6), fourth in opponent completion percentage (59.5) and sixth in points allowed per game (19.8). The 2016 defense ranked number one in the NFL, for the first time in franchise history, in yards allowed (301.3).

In 2017, his first year as a defensive coordinator, the Texans finished the campaign with 19 players on injured reserve. Despite the injuries, Vrabel led the defense to the fifth-best third-down percentage in the NFL and a franchise-record 3.97 yards per carry by opponents. Houston also had 18 different players record at least half a sack last year and 26 players tally at least one tackle for loss.

Vrabel spent his career playing and coaching with accomplished leaders, including Bill Belichick, Bill Cowher, Romeo Crennel, Urban Meyer, Bill O'Brien and Todd Haley.

As the Texans linebackers coach from 2014-16, Vrabel developed several players into top-notch performers, including **Jadeveon Clowney** (Pro Bowl, 2016), **Whitney Mercilus**, **Benardrick McKinney** (second-team All-Pro, 2016) and **Brian Cushing**. The 2015 Texans defense had the top third-down defense in the NFL (28.5 percent), which was the lowest percentage in franchise history and the lowest by any NFL team since the 2003 Titans (27.7 percent). The 2015 defense also set a franchise mark for sacks in a season with 45 - 22.5 coming from Vrabel's linebacking corps.

Prior to joining the NFL coaching ranks, Vrabel transitioned immediately from an NFL player to college coach. He started as the linebacker coach at Ohio State in 2011 and coached the defensive line from 2012–2013. The 2012 Buckeyes finished the season undefeated at 12-0. He also was named Big Ten Recruiter of the Year by ESPN.com in 2012.

Vrabel was selected by the Pittsburgh Steelers in the third round (91st overall) of the 1997 NFL Draft, after his playing career at Ohio State, where he earned All-America honors and Big Ten Conference Defensive Lineman of the Year in both 1995 and 1996.

A native of Akron, Ohio, Vrabel attended Walsh Jesuit High School. He and his wife, Jennifer, have two sons: Tyler and Carter.

### **MOST WINS IN FIRST FOUR SEASONS**

When the Titans defeated the Houston Texans on Jan. 9, 2022, **Mike Vrabel** won his 43rd game, including postseason, since taking over as Titans head coach in 2018. In doing so, he tied **Jack Pardee** for the most total wins by a head coach in his first four seasons with the organization. In Pardee's first four seasons as head coach from 1990 through 1993, the Oilers were 43-26, including playoffs.

Vrabel, Pardee and **Jerry Glanville** (1986–1989) are the only head coaches in team annals to preside over at least three playoff squads in their initial four seasons. All three of Pardee's first four teams made the postseason, while Glanville's Oilers advanced to the postseason in his second, third and fourth years.

Of all Titans/Oilers head coaches with at least four seasons with the franchise, Vrabel's career winning percentage ranks the highest.

Of those seven coaches, Vrabel had the most wins from 2018 to 2021.

Vrabel, Reich and Nagy each led their respective teams to the playoffs twice in their first three seasons, while Vrabel was the only one from the group to go to the playoffs a third time in that span.

He became the first head coach in the team's history to win multiple playoff games within his first two seasons.

#### **NISSAN STADIUM**

In 2015, the Titans and Nissan North America announced the formation of a 20-year, exclusive naming-rights partnership that

## VISSAN STADIUM

rebranded Nashville's downtown stadium as Nissan Stadium.

Nissan Stadium hosts all Titans home football games, Tennessee State University football games, the Music City Bowl, the CMA Music Festival and numerous other events.

The procurement of naming rights to Nissan Stadium fit the automotive company's 'Fewer, Bigger, Better' marketing strategy, which has included ongoing sponsorships of NBC's 'The Voice,' the Heisman House college football program and a major advertising presence in this year's Super Bowl. Nissan is also now the official automotive partner of the Tennessee Titans

Nissan's ever-growing footprint in Tennessee includes vehicle and powertrain manufacturing facilities in Smyrna and Decherd respectively, along with its North American headquarters in Franklin.

The Nissan Smyrna Plant began operations in 1983 and employs more than 8,400 people. In 2014, the Smyrna plant assembled more than 648,000 vehicles, making it the highest volume automotive assembly plant in North America. Nissan also has a major manufacturing presence in Canton, Miss., along with research and development groups in California, Arizona and Michigan. In total, the company employs more than 22,000 employees in the U.S.

One component of the Titans-Nissan partnership is assisting charitable organizations throughout Middle Tennessee in an array of community outreach programs. A centerpiece of this is the annual "Taste of Titans" charitable event, for which Nissan serves as presenting sponsor. During the course of a 20-year relationship, a total of more than \$1 million resulting from these annual events is anticipated to be distributed to local non-profit organizations.

Nissan Stadium is a city-owned venue that has housed the Titans since 1999. The naming rights agreement includes the opportunity for Nissan branding on the exterior of the stadium, as well as stadium signage and other unique displays inside the stadium. LP Building Products held the naming rights to the stadium from 2006 until the Nissan partnership was established in 2015.

#### **DEFEATING LAST YEAR'S PLAYOFF TEAMS**

🕡 TennesseeTitans.com/Media

In 2021, the Titans played eight games against teams that made the NFL playoffs in 2020 and went 7-1 in those opportunities. Their record included wins against the Seattle Seahawks, Indianapolis Colts (twice), Buffalo Bills, Kansas City Chiefs, Los Angeles Rams and the New Orleans Saints, with their lone loss at the Pittsburgh Steelers.

With five such wins in consecutive fashion from Week 6 to Week 10, they became the second team in NFL history to win five straight contests with each of the wins coming at the expense of a participant in the previous year's postseason. They joined the 2003 Philadelphia Eagles as the only teams to do so.

Since the 1970 NFL-AFL merger, the Titans were one of eight teams to go 7-1 (.875) or better with a minimum of seven games against the previous season's playoff participants.
