## JACKSONVILLE JAGUARS (1-1) AT NEW ENGLAND PATRIOTS (2-0)

TUESDAY, SEPT. 22, 2015

SUNDAY, SEPT. 27 • 1:00 P.M. • GILLETTE STADIUM (68,756)

### THE OVERVIEW

• The Jacksonville Jaguars (1-1) travel on the road for the first time in 2015, as they face the New England Patriots (2-0) at Gillette Stadium in Foxborough, Mass., on Sunday, Sept. 27, at 1:00 p.m. ET. The Jaguars are coming off a 23-20 victory over the Miami Dolphins in Week 2 at EverBank Field. The Jaguars and Patriots have met six times in the regular season, with the Patriots leading the series, 6-0. In four postseason encounters between the clubs, the Patriots lead the series, 3-1. In their last matchup on Dec. 23, 2012, the Patriots defeated the Jaguars, 23-16, despite 348 passing yards from QB **Chad Henne**.

• This week's game marks the first of three consecutive road games for the Jaguars after they opened with home games the first two weeks. Following New England they will play at Indianapolis on Oct. 4 and Tampa Bay on Oct. 11. Over the next eight weeks the Jaguars will play only one game in Jacksonville, with five road games, one at EverBank Field, one in London and a bye week during that span.

### YOUNG RECEIVERS

• In Week 2 vs. Miami, second-year WR **Allen Robinson** posted a career-high 155 receiving yards and two TDs on six receptions (25.8 rec. avg.). Robinson's 155 receiving yards were the most by a Jaguars player since WR **Justin Blackmon** in Week 6 of the 2013 season (14 receptions for 190 yards against Denver). At 22 years and 27 days old, Robinson became the youngest player in franchise history to register 150-plus receiving yards in a single game. Robinson was nominated for AFC Offensive Player of the Week, which will be announced on Wednesday morning.

• Making his 2015 debut after missing time due to a hamstring injury suffered in the preseason, second-year WR **Marqise Lee** caught two passes for 27 yards and rushed once for 12 yards. Second-year WR **Allen Hurns** posted four receptions for 68 yards (17.0 rec. avg.), marking his second consecutive game with at least four receptions and 60 receiving yards (five catches for 50 yards in Week 1 vs. Carolina). This marked the ninth time in Hurns' career that he's registered four-plus receptions and the fifth time in the last seven games. Hurns has caught a pass in all 18 games to begin his career.

### RIISING TO THE OCCASION

• Jaguars second-year QB **Blake Bortles** completed 18 of 33 passes (54.5 comp. pct.) for 273 yards and two touchdowns in Week 2 vs. Miami. His 102.2 passer rating was the first 100-plus rating of his 16-game career. LT **Sam Young**, filling in for the injured **Luke Joeckel** (ankle), was part of an offensive line unit that did not allow a sack on 33 dropbacks. Sunday's game marked the first time the Jaguars did not allow a sack in the last 25 games (October 27, 2013 vs. San Francisco). Bortles has rushed for an 8.8 avg., the highest among all NFL QBs (min. six carries).

### MYERS HITS HIS MARK

• First-year K **Jason Myers** converted all three FG attempts (27, 58 and 28 yards) and made both of his PAT attempts in Week 2 vs. Miami. Myers' 28-yard FG with 0:40 remaining in the fourth quarter would prove to be the game-winning kick, the first of his career. His 58-yard field goal as time expired in the first half is the longest FG in the NFL this season and the second-longest in franchise history (**Josh Scobee**, 59 yards, October 3, 2010 vs. IND). Myers was nominated for AFC Special Teams Player of the Week, which will be announced on Wednesday.

### COACH'S CORNER

#### Head Coach Gus Bradley on following Week 2's win:

"We talk about [how] we treat them both the same - prosperity and adversity. You have to have enough humility to identify your weaknesses and grow from it and move on. ... Now how do we respond to prosperity? That will be the challenge this week. They had a great look in their eye. They're very excited about moving on, learning from this film, and getting back to work."

## BY THE NUMBERS

**396**

In their win against the Dolphins in Week 2, the Jaguars produced 396 total net yards, the team's most since Dec. 23, 2012 vs. New England (436). It was also just the third time in franchise history that Jacksonville registered at least 375 total net yards without allowing a sack or turnover.

**231.5**

In 2015, the Jaguars offense ranks third in the NFL with an average 231.5 net yards in the first half of games, trailing only Pittsburgh (246.0) and Cincinnati (240.5) in that category.

**155**

In Week 2 vs. Miami, WR **Allen Robinson** recorded a career-high 155 receiving yards on six catches, including two TDs (his first multi-TD game). At 22 years, 27 days old, Robinson became the youngest player in franchise history to register 150-plus receiving yards in a single game.

**102.2**

QB **Blake Bortles** produced a career-high 102.2 quarterback rating in Week 2 vs. Miami. Bortles (18 of 33, 273 passing yards, two TDs) became the youngest Jaguars QB to record a 100-plus QB rating since a 23-year-old **Byron Leftwich** (132.4) on Oct. 5, 2003 vs. San Diego (min. 20 attempts).

**58**

K **Jason Myers** made a career-long 58-yard FG against the Dolphins in Week 2, the second-longest FG in franchise history (Josh Scobee - 59 yards on Oct. 3, 2010 vs. Indianapolis). It is the longest FG made by an NFL kicker in 2015.

## JAGUARS IN LONDON

- On Aug. 21, 2012, the Jaguars made history by becoming the first NFL team to commit to playing four home games at London's historic Wembley Stadium. With the goal of raising the profile of the franchise and the community, Jaguars Owner **Shad Khan**, along with NFL Commissioner **Roger Goodell**, declared that the Jaguars would play one game each season in the United Kingdom from 2013-16. "The Jacksonville Jaguars will be a bold and ambitious NFL franchise," stated Khan.

- In 2015, the Jaguars will face the Buffalo Bills on Oct. 25 in a Week 7 match-up at Wembley Stadium. The NFL announced June 3 that it selected Yahoo! # WHAT THEY'RE SAYING

## QUOTE OF THE WEEK

"We talk about [how] we treat them both the same - prosperity and adversity. You have to have enough humility to identify your weaknesses and grow from it and move on, so that's the challenge for us all. I think we identified how we can respond to adversity. Now how do we respond to prosperity? That will be the challenge this week. They had a great look in their eye. They're very excited about moving on, learning from this film, and getting back to work."

*- Head Coach Gus Bradley on moving on from the Jaguars' win against the Dolphins*

**Florida Times-Union columnist Gene Frenette on the positivity of the Jaguars' locker room:** "Talk among players about Gus Bradley's reputation, that Jacksonville is home to the Dr. Phil of NFL coaches, has been spreading around league locker rooms for two years. It's no longer a well-kept secret ... Of the seven unrestricted free agents who signed with the Jaguars this past offseason, all of them had either been intrigued by stories of Bradley's all-positive-all-the-time approach or cited it as a major reason for coming to Jacksonville."

**Head Coach Gus Bradley on the makeup of the Jaguars 2015 roster:** "I'm very excited about this team, very excited about the talent level that we have and we're always competing. We're always trying to improve the roster. I think that's no news for us as a coaching staff - that's our mentality. Yes, I am pleased with development. ... We have some really sharp players that have a passion for the game. That's what I'm most pleased with, as well as our talent level. There are some guys on the team you may not know a lot about, but that's our job to develop them to be those guys that are playmakers."

**Panthers Head Coach Ron Rivera on the Jaguars' new offense:** "Greg Olson is going to do what he does. Again, all you try to do is know who he is and try to prepare your guys the best you can. ... I like the things they do offensively. He's aggressive, some misdirection stuff, he's got some very good tools. I like the running backs, those guys are young men that give some explosive ability. I like the tight end group and I like the wide receivers. It's a good, young football team that's developing and getting better and better. They've done a nice job and I have a lot of respect for Gus Bradley."

**Head Coach Gus Bradley on QB Blake Bortles' mindset:** "One of his greatest attributes is that he plays with the absence of fear. He has no fear and that's why we drafted him. That mindset, that is who he is. He has great toughness. You can do two things: You can coach him out of that or say that's an asset. The team rallies around it and we don't want to change who he is."

**ESPN.com's Mike DiRocco on QB Blake Bortles' second-year development:** "Why has Bortles looked so much better? His improved mechanics -- he shortened his windup, lengthened his follow-through and cleaned up some footwork -- have improved his accuracy. He's hitting receivers in stride on crossing routes, fitting throws into small windows and putting balls where they're going to be catches by his receivers or incompletions. ... Bortles has said several times that he likes new coordinator Greg Olson's offense because it fits the team's personnel. That has allowed him to be more comfortable, both on the field and in the meeting room, and his performance reflects it."

**Head Coach Gus Bradley on the improvements made by the Jaguars' offensive line:** "I think the guys that played a lot last year - Luke Joeckel, [Brandon] Linder, Zane Beadles - we've seen really good improvement from them. I think that year of experience helped them, especially Luke and Linder. The players did great work in the offseason and improved there. I think the acquisitions, to bring guys in like [Stefen] Wisniewski and Jermei Parnell has really, really helped us as an offensive line group. Their experience and professionalism has brought a certain standard to that group. That's been very good. On top of that, the scheme. 'Oly' [Greg Olson], the scheme he brought in, the conviction. It's a definite system and these guys have really worked hard and studied and done a good job of buying into that."

**DL Jared Odrick on beating the Dolphins in Week 2:** "I have to tell you guys that I was lying the whole week. I was just lying all week. Yeah, it did feel kind of personal. I grinded all week and I was very excited. ... It feels good to say that we got a win. I've just got to thank my teammates for being able to put me in this position."

**LB Paul Posluszny on the Jaguars' confidence in LB Dan Skuta:** "I think he's done a great job. He's the perfect type of player for that position. It's a little bit unique for a linebacker because you have to be able to rush, which Dan has a great ability to do. We also ask that guy to be physical in the run game, drop back in the coverage. You have to be very talented to play that position to be able to do multiple things. That's why Dan does such a good job of it. He's able to do everything that he's asked."

**General Manager Dave Caldwell on the Jaguars' faith in rookie K Jason Myers:** "The only thing that he's missing is the experience, and he's going to get that through this process. We said that this is a young guy that we can grow with as a team and as a franchise. As you've seen at practice, he has a very strong leg and has been exceptionally accurate not only in games, but throughout practice and throughout scrimmages. At the end of the day, there was a resounding feeling that whatever happened, we did not want to lose Jason for the future. Part of the deal was, to be brutally honest, a year from now, if we had to address the kicker situation, we didn't know if we would find somebody equally as good as what we had in Jason at this point in time."

**LB Telvin Smith on appreciating Jacksonville's fans:** "That's one thing I love about the Jacksonville fans - they keep coming out and supporting us. That's what it's going to take. It's going to take the whole city. We need the team, the workers, the fans. Everybody has to come together and we're going to take it all the way. For them to stay in the game the way they did and for us to keep battling the way we did, it just all came together today."

## JAGUARS vs. PATRIOTS

• **SERIES-LY SPEAKING:** The Jaguars and Patriots are entering their seventh regular season meeting and 11th game overall (including playoffs). In the series, New England holds a 6-0 advantage in the regular season, as well as a 3-1 lead in postseason play. Jacksonville's only win vs. the Patriots happened before the **Bill Belichick** era (2000-present) at home on Jan. 3, 1999 in the AFC Wild Card game (W, 25-10).

• **REMEMBER WHEN:** In their last showdown, Jacksonville produced 436 yards of total offense, its most at home since Nov. 14, 2010 vs. Houston (491 total yards). QB **Chad Henne** threw for 348 yards, the highest single-game total by a Jaguars QB at home since **Mark Brunell** on Nov. 21, 1999 vs. New Orleans (351 passing yards).

• **IN NEW ENGLAND:** The Jaguars travel to Gillette Stadium for the first time since Dec. 27, 2009, when they fell to the Patriots, 35-7. During the regular season, Jacksonville is 0-3 all-time in New England (0-6 including playoffs), and has been outscored by an average 15.0-point margin (30.0-15.0) in those games.

• **CLOSE CALLS:** In the regular season, four of the Jaguars' six losses vs. New England have been decided by just one possession. In the 2012 match-up, Jacksonville was ahead, 10-0, early in the first quarter and maintained the lead until the Patriots tied the game, 13-13, at the half. That Jaguars lost by a 23-16 score.

• **MARGIN OF ERROR:** The points per game averages for the all-time series place New England ahead of Jacksonville by a 27.1-17.0 (+10.1) difference. The Jaguars have produced three 20-point outings vs. the Patriots, including a series-high 25 points in 1996 (L, 28-25 (OT)).

• **TOP PERFORMANCES:** Dating back to their first meeting in 1996, the Jaguars have produced three 100-yard receiving games (152 - **Keenan McCardell** in 1997; 115 - **Andre Rison** in 1996; 101 - **Willie Jackson** in 1996), two 300-yard passing games (432 - **Mark Brunell** in 1996; 348 - **Chad Henne** in 2012), and one 100-yard rushing game (131 - **Maurice Jones-Drew** in 2006) against the Patriots. Jacksonville has never had a 100-yard rushing performance in New England.

• **EARLY MEETINGS:** This weekend marks the first time Jacksonville has faced New England in the season's first half since Sept. 22, 1996 (L, 28-15 (OT)) at home. The Jaguars and Patriots have played each other five consecutive times in the month of December from 1997-2012.

• **BRADLEY vs. BELICHICK:** Head Coach **Gus Bradley** has faced New England only once in his NFL coaching career on Oct. 14, 2012, when he was Seattle's defensive coordinator (2009-12). After trailing, 17-10, after the first half, the Seahawks allowed just six points in the final two quarters to defeat the Patriots, 24-23, in Seattle.

• **SNAP THE STREAK:** Since 2011, the Jaguars have lost seven straight games against AFC East opponents. The last time Jacksonville won against an AFC East team was on Oct. 10, 2010 at Buffalo (W, 36-26). Overall, the Jaguars are 12-21 (.364) vs. the AFC East.

## THE LAST TIME THEY MET

### NEW ENGLAND PATRIOTS 23, JACKSONVILLE JAGUARS 16 Dec. 23, 2012 • EverBank Field • Jacksonville, FL

The Jaguars scored first and led early, but were unable to reach the end zone on their final two possessions of the game before falling to the New England Patriots, 23-16, in their home finale. The game went down to the final play, with the Jaguars trailing by seven and set up at the New England 12-yard line, but **Chad Henne's** throw into the end zone was intercepted by **Patrick Chung**. The game opened with Jacksonville marching 78 yards in nine plays, and Henne hit **Justin Blackmon** in the back of the end zone with a three-yard scoring pass. On the Patriots' second play, **Tom Brady** was intercepted by **Chris Prosinski**, and the Jaguars kept the momentum going with **Josh Scobee's** 41-yard field goal capping the eight-play drive which gave Jacksonville a 10-0 lead. New England countered with a 25-yard **Stephen Gostkowski** field goal before Brady was intercepted again in the first quarter, this time by **Derek Cox**. A 53-yard catch-and-run completion from Henne to **Montell Owens** got the Jaguars into field goal range, and Scobee's 35-yarder made it 13-3. But the Patriots scored on their next two possessions with a 49-yard field goal capping an 11-play drive and Brady's 14-yard touchdown pass to **Danny Woodhead** finished a 10-play drive which tied the score, 13-13, with 18 seconds remaining in the first half. New England opened the third quarter with another 10-play drive, resulting in a 38-yard field goal for their first lead at 16-13. **Wes Welker's** one-yard touchdown catch at the start of the fourth quarter gave the Patriots a 10-point lead at 23-13, and the Jaguars responded with 42-yard Scobee field goal to remain within a touchdown. The Jaguars defense forced the Patriots to punt on each of their last two possessions, giving the offense the ball at the Jacksonville 34- and 38-yard lines. On the first Jaguars possession, they advanced to a first-and-goal at the New England one-yard line, but a false start penalty and a sack backed them up before Henne was intercepted by Chung at the one. On the final series of the game, the Jaguars marched to the Patriots 12-yard line with eight seconds remaining. Under pressure, Henne lofted a pass into the end zone where Chung made his second interception. In addition to the two interceptions, the Jaguars defense sacked Brady a season-high three times with one each by **Russell Allen**, **Jeremy Mincey**, and **Tyson Alualu**.

## BRADLEY'S BIO

**Gus Bradley** was named the fifth head coach in Jacksonville Jaguars history on 1/17/13, and has led the Jaguars to a 8-26 (.235) record in his first three seasons at the helm. The 25-year coaching veteran (now in his 10th NFL season) oversaw the NFL's youngest roster in 2014, finishing third in the AFC South at 3-13 (.188). Jacksonville rookies combined to make 82 starts last season, the most in the NFL.

• In 2013, Bradley's debut as head coach, the Jaguars posted a 4-12 (.250) record, also finishing third in the division standings. That season, Jacksonville saw 31 newcomers and rookies combine to make 44 starts, with 20 rookies or first-year players listed on the final 53-man roster. Six of the Jaguars' first eight games were against 2013 playoff teams and the club played seven games overall against postseason contenders, including both Super Bowl XLVIII participants (Denver and Seattle).

## PLAYERS' PERSPECTIVE

**TE Mercedes Lewis on Bradley's overall impact on the Jaguars:** "Personally, this is one of the best feelings that I've had. I feel great. The way Gus has turned around this program, he has the excitement up – not just in the locker room, but in the community. That's been awesome. The momentum has really been good and you can feel it."

**LG Zane Beadles on Bradley's enthusiasm:** "He's a very energetic guy as I am sure you guys all know. He's very positive and passionate about being a football coach. He's passionate about his players as people, not just as football players and that's hugely important for me. I feel the same way. I am a big believer that you should treat everybody the same way no matter who they are. He has the same outlook on that kind of thing, so the personalities definitely aligned."

**DE Chris Clemons on Bradley's style:** "Gus knows what he's doing. He's a great motivator, he's a great coach. Most guys probably wouldn't understand that due to the fact that Gus likes to have fun [and] at the same time push guys and have guys compete. It's a philosophy that he learned from [Seahawks head coach] Pete [Carroll], but he learned to do it in his own way and that's what's so special about him."

## NFL BACKGROUND

**WITH THE SEAHAWKS (2009-12):** Bradley spent four seasons (2009-12) with the Seattle Seahawks as defensive coordinator and played a vital role in the club advancing to the postseason twice. The Seahawks posted an 11-5 mark in 2012, the third-best in franchise history, and advanced to the divisional round of the playoffs.

• Bradley developed the Seattle defense into one of the NFL's top units during his tenure. The Seahawks ranked sixth in the NFL in total defense (319.2 yards per game) from 2011-12, third in points per game (17.5), fifth in takeaways (62), first in opponents passer rating (73.2) and fifth in interceptions (40).

• Under Bradley's direction in 2012, the Seahawks led the NFL by allowing a franchise-record low 15.3 points per game despite playing with the third-youngest (25 years, 195 days) defensive starting unit in the league. The Seahawks allowed a franchise-low 306.2 yards per game which ranked fourth in the NFL, finishing 10th against the run (103.1) and sixth against the pass (203.1).

• Also in 2012, Seattle ranked in the top 10 in multiple categories. They were second in fewest TDs allowed in the second half (11), third in second half points allowed (119), fourth in opponent yards per rush attempt (3.79), fifth in turnover differential (+8), fifth in most takeaways (31) and seventh in points allowed per game (19.7).

• Bradley's group sent three players to the 2012 Pro Bowl, with S Earl Thomas voted as a starter. He was joined in Hawaii by fellow secondary mates, S **Kam Chancellor** and CB **Brandon Browner**. In Bradley's first year as defensive coordinator, the Seahawks posted two shutouts at home, their first time doing so since 1986.

**WITH THE BUCCANEERS (2006-08):** Bradley spent three years (2006-08) with the Tampa Bay Buccaneers under Defensive Coordinator **Monte Kiffin**, serving the last two as linebackers coach after joining the Bucs in 2006 as their defensive quality control coach. LB **Derrick Brooks** earned Pro Bowl appearances in 2007 and 2008 under Bradley's guidance.

## CALDWELL ON BLAKE

"I see a huge difference from the day he stepped onto the practice field last year to the first day of training camp this year. The ease of his throwing motion, the type of ball he throws, the compactness of his motion, the quick release, the balance, the footwork - all those things are better. And then just his overall presence. He's comfortable now. ... We knew we had some things to work on early in his career, but we knew he had the mental makeup and desire and competitiveness and intelligence to do this and be humble through the process to say, 'Hey, I don't know. I don't have all the answers. I'm not there yet. I have a lot of work to do.'"

- General Manager Dave Caldwell on QB Blake Bortles' progress

## LEAGUE OF THEIR OWN

• QB **Blake Bortles** was one of seven rookie QBs to make their NFL debut in 2014, joining **Teddy Bridgewater** (Min.), **Derek Carr** (Oak.), **Jimmy Garoppolo** (NE), **Johnny Manziel** (Cle.), **Zach Mettenberger** (Ten.), and **Logan Thomas** (Ari.). Among that group, Bortles ranks second in passing yards per game (210.3) and pass completions (320), and third in completion percentage (58.4) since 2014 (min. 200 attempts).

## ROOKIE REVIEW

"We looked at him real hard. We obviously studied him coming out of the draft. It's very, very impressive the way he has progressed so far for a young player like that. I like his balance, his toughness, I think he has good vision. His career is off to a real nice start. I'm not surprised. He was a good player coming out (of the draft). He's certainly adjusted well to the pro game."

DE **Tyson Alualu** has started each of the Jaguars' two games in 2015. Alualu had started each of his 64 career games from 2010-13 before playing as part of the defensive line's rotation last season. Overall, he has appeared in 82 consecutive contests, never missing a game in his NFL career. That 82-game streak currently stands as the fourth-longest active streak by an NFL defensive lineman.

## THE MINDSET

**Jaguars DL Jared Odrick on facing talented offenses:** "I look at it as every week we have a challenge ahead of us. We have another team coming into our home, or we're going to be there, and we have to be able to stop professional football players from doing their jobs. We have to do it better than what they do. So, the thing is, I don't look at the caliber of offense and say, 'Well, this is a better offense, so it's a better test.' These are talented guys. You need to bring it every game no matter what ranked offense it is."

## ODRICK UP FRONT

DL **Jared Odrick** performed well against his former team in Week 2 vs. Miami, posting two tackles (both solo) with one sack, one forced fumble, and one pass defended. Odrick's sack-fumble of Dolphins QB **Ryan Tannehill** was his first sack-fumble since Sept. 21, 2014 vs. Kansas City with Miami. It was also the first time in his career in which he recorded a sack, forced fumble, and pass defended in the same game.

- Impressively, Odrick has played in 66 straight games dating back to the 2011 season. In 2014, he started all 16 games for the first time in his career, tallying 29 tackles (23 solo) with one sack, one forced fumble, one fumble recovery, and one interception.

## NO 300-YARD PASSERS

In Week 2 vs. Miami, Jacksonville's defense allowed a 300-yard passer for the first time in 13 games (Dolphins QB **Ryan Tannehill** - 359 yards). The Jaguars' streak of 13 consecutive games without allowing a 300-yard passer was the third-longest stretch in franchise history (15, 1995; 14, 1999; 13, 2014-15).

## FORCING THE ISSUE

The Jaguars' 20 forced fumbles since the start of 2014 rank tied-third among all NFL defenses in that span. Jacksonville's 19 forced fumbles last season were the most in franchise history.

**HEAD COACH GUS BRADLEY  
MEDIA AVAILABILITY  
MONDAY, SEPTEMBER 21, 2015**

(Opening statement) "I thought it was really a great victory, total team effort. We talk about playing hard, playing fast and playing together. I thought we saw multiple examples of those things taking place all week. The other thing we emphasized was the ability to play in a heightened environment, to play within yourself. I thought the guys did an outstanding job of that as well as we mentioned earlier during the week just responding to adversity and know it's going to take place through the game. We are looking for guys that can quickly recover. It happened, next play, let's move forward. Again, countless examples of that. So overall total team effort, all three phases had a big part in it: offense, defense and special teams. Great effort that way. I think a lot of stories took place within this game. You look at it offensively the offensive line protection that they had, running the ball, getting over a hundred yards they did a good job; Sam Young coming in and playing left tackle for Luke Joeckel did a really nice job; the wide receivers responding to the adversity they had last week coming back and really having a good complete game. And then Blake; for him it was all about his performance, about poise, staying aggressive, giving our guys an opportunity and I think you saw that throughout too. Defensively, the play of Ryan Davis and Jared Odrick, both of those guys in the front line did very well. Jared Odrick had a couple of batted balls, really good hustle plays, chased plays and good effort overall as well as Ryan Davis. Telvin Smith had a good game. I think he led the team in tackles. He played very, very fast. Poz was out of the box a little bit, more displaced so he didn't get as many opportunities as he generally does but Telvin just really showed up. The secondary how they adjusted to injuries, we had quite a few injuries take place during the week and in the game. Guys really picked it up like Peyton Thompson, Nick Marshall and so on. Special teams, Jason Myers bouncing back. I think he had three for three on field goals, 27, 58, 28, was two for two on extra points. Bryan Anger did a really nice job in a heightened environment. He got off a 56-yard punt, pinned them back with Nick Marshall's tackle. Just countless examples of things like that that really took place. It really was a tale of two halves; the first half our offense I think had six opportunities in six series, we scored on four of them. They had five and they scored on three. The second half was completely different filled with multiple series of punts on both sides. They scored one touchdown and we scored a field goal. It's really two completely different halves. I thought our defense really played well in the second half. They were one for seven on third downs, we became more aggressive in the second half and it paid off. It was really a battle of field position in the second half and in the end we just had better field position."

(On Brandon Linder) "He did a really good job. I thought the whole offensive line, I know you want to pinpoint one which we look at it as a whole. They did very well. Linder did very well with his matchup."

(Is he better with his hands this year?) "I think Linder is a good guard. We've always felt that all along, that he performs real consistently, he's very aggressive, he understands the scheme and he just played that way."

(Impressed with Marqise Lee?) "I think he had two catches and a run but played 22 plays so kind of what we figured he'd play. He made a big catch. There was a penalty involved in that one but overall the way he attacked and how aggressive he played we were very pleased."

(On starting James Sample) "He did a solid job. I think you saw in the second half he played the first series and then we took him out and put Josh Evans in. We just felt like we wanted more adversity in some of our calls and Josh has some more experience in that. He's really played strong safety three days prior to this game. For him, you look at the run game and they had 47 yards of rushing I believe and such a big part of that strong safety is he is down in the box. He did some good things but you could tell that he only had limited practices."

(Why was he a good fit to start the game at that position?) "I think that we knew what we had in Josh. We only had three safeties really. Josh had the ability to play strong and free and Josh was the only strong, Sample was the free, so it was Sergio. To make the flip and get Sample all the strong reps we just felt like it solidified that part of it in case an injury should occur."

(Do you think yesterday's victory a testament to depth?) "Yeah I really do. I think it's a compliment to the players. Guys like Peyton, Nick Marshall and those guys to be ready when their number is called and the coaches for getting them ready. We felt like our roster has improved depth-wise and we really needed it yesterday."

(At what point do you turn your attention to New England?) "It will start right now."

(On Tom Brady) "He is so efficient, makes so many good decisions and understands their offense so well. I haven't watched a lot of film the last couple of games now so it will be interesting to see but we know it's a tremendous challenge for us, tremendous challenge. And the weapons they have offensively they are doing very well so the poise he plays with, the big plays he comes up with, rarely rattled, rarely gets confused, keeps his poise and performs at a high level."

(On Blake executing mentally and physically) "It's a credit because I think before that play we had time to talk about it. That's what Oly put on his plate. He said 'here's what we're going to do and if you get a

certain look this is what we're going to go with. You're going to have to make adjustments at the line of scrimmage,' and Blake made the adjustment. First of all, I have enough confidence that Blake can do that and Blake took it on and has all of the necessary checks so it was a great example of taking the information and then executing."

(Could you tell this was a big week for Jared Odrick?) "No, I think what Jared Odrick has gone through is he knows his position very well. I think what we asked of him was a learning curve, our expectations of that position and what we expected out of him. He competed throughout training camp, OTAs and I just thought it was great. He had some batted balls and he got a hit on the quarterback but what was really impressive too, I think they had a little screen off to the side, came out and turn and ran and got a hit. The play up in the box and his effort and all of that but his effort to turn and go, he had a complete game. I think that's really what stood out to us."

(Thoughts on the running game this week) "Any time you get over a hundred yards I think that's a good sign but there's so much more room to grow. I think our offensive line is doing a good job. I heard a stat something like T.J. or the running backs had the most yards before contact. That's a tribute to the offensive line. I talked about T.J. because he had the majority of the reps, he does a great job of making people miss. He can turn a negative yardage play into a couple-yard gain and a couple-yard gain into a seven or eight-yard gain. It's great to see him with the limited reps that he had in preseason to come out and perform like he's doing. Our hopes is he only gets better. Bernard had a nice run so who knows with Denard but we've got to utilize all of them."

(Is it a unique challenge going up against Belichick-coached team?) "Yeah they've been so successful. They like matchups and they're looking for certain matchups so we'll go about it the same way. We understand they're just a very talented team, they're executing at a high level and very well coached."

(Are you anxious to see where your team stacks up against them?) "Yeah with any opportunity that we have we're excited for so this is just the next one."

(What did you have to do to adjust their defense as they slowed you down in the second half?) "In the first half we went in offensively and wanted to be more aggressive, take some chances and try to get some explosive plays, which we did. In the second half I think there were six in the first half and four or five in the second half, so the play calling was still very aggressive. We had some drops there and we just didn't finish drives like we had hoped, but I thought we changed the field position with our offense and sometimes those things take place. You're going to have some series where you maybe get off the field quickly. They just hung with it and came back in that two-minute drive and performed."

(If Denard can't play do you spread out the carries?) "We always felt like to spread it out some and utilize his strengths as a player, so it just depends on the game and the situations."

(Are you going to put an emphasis on that?) "It's more game-to-game."

(On Gronkowski) "I have not yet watched film so to tell you what he's done so far this year. I know that he is a very, very talented player and something that we have to deal with and be able to identify where he is on the field. I know they have multiple sets. Again, it's about matchups. They're looking for matchups. He's very, very talented."

(Any offseason look at first 4-5 opponents)? "A little bit but not too much in detail. It's more about us at that time."

(Did you tackle better yesterday?) "We did tackle better. I think we had ten missed tackles. I really liked our leverage, I liked how guys ran to the ball and I just felt like when we hit it stopped. There wasn't a lot of yards after contact."

(Is that to be expected from game 1-2?) "I don't know. Whatever the emphasis that's one thing that James Sample did a really, really good job of; he did a good job of tackling and that's his strength and that's why we felt he would be a good fit at strong safety. We had multiple times where it was first and ten and they threw a swing pass, he tackled it and it was second and nine. A really good strong tackle. I just think overall our leverage was better."

(On Sample's mistake taking a bad angle) "I'm trying to think about it. There was a couple of bad angles when he was playing in the middle of the field. The first long pass, but overall I thought he played pretty solid."

(Is that an adjustment for a rookie?) "It's an adjustment when you practice. He's been hurt and then when you practice the whole time at free safety and then for three days you move at strong because it's a whole different dynamic. We tried to limit some of the calls that we did. Those calls that he played he did pretty well. We just felt like we needed to become more aggressive in some of the things we did and that's where we went with Josh."

(On Blake's confidence) "I think that last week when he looked at things he just felt like he didn't give the receivers or tight ends many opportunities to make plays and that was a point of emphasis this week, to be bold and be aggressive and give these guys an opportunity. So he did, he felt like the one to Marcedes in the redzone he felt like he could have given him a better opportunity."

(On Peyton Thompson) "He was our fourth safety and our backup nickel and then all of the special teams getting called up from the practice squad. Very smart, very intelligent, we felt like he had a pretty good feel at the nickel spot, the free safety spot he got reps in service team so he had a lot on his plate."

I'm not surprised how he took on the responsibility. He had limited reps in practice playing the position, so for him to go out there and plus the critical play he made to get the ball out on that third down. That's his mentality, to be very aggressive, and it showed up. I'm glad it transferred over."

(Why did you cut him?) "He had injuries and we felt like we could get him back."

(On Poz) "Some of the formations he wasn't involved as much in the box."

(Based on what Miami was doing?) "Yeah, some of the formations they had."

(On how Allen Robinson responds) "We talk about we treat them both the same; prosperity and adversity. You have to have enough humility to identify your weaknesses and grow from it and let's move on, so that's the challenge for us all. I think we identified how we can respond to adversity. Now how do we respond to prosperity? That will be the challenge this week. They had a great look in their eye; they're very excited about moving on, learning from this film and getting back to work. The same mentality they had last week so anticipate with each individual player that's what you hope to see too."

(On measuring progress whenever a team loses to the Jaguars it's not the end of the world. Is that a way to measure progress when it's no longer a bad deal?) "All of that information you just shared with me I did not know. I don't know, I mean I'm sure that's out there but it's not something we bring up in a team meeting or talk to our players about. I think we're more excited about the growth that took place from last week to this week and then the challenge to keep growing is how in terms we think. Those guys in that locker room I would say they probably don't know a lot of that information as well. That's the beautiful thing about the NFL is that you can control the environment within the building. You can do that as much as possible. Outside you've got to learn how to adjust that but I'm pleased with how they handled everything that took place last week."

(On Tyson's pass reception, do you practice that?) "On occasion, yes we have."

(Practice him running the ball) "I'm not saying."

(On being familiar with New England from 2012 game in Seattle. Defensively they've had a lot of changes. Will that be starting for fresh what they do defensively compared to 2012?) "I don't know. That's a couple of years ago so how much they've changed defensively and offensively they had different personnel, completely different personnel for the most part from that year. Again, I think you watch their personnel and watch how they fit in their scheme and you go from there. That's on both sides. We kind of separated it. Offense looks at their defense, defense looks at their offense and special teams and we go from there to formalize a game plan."

(On Patriots and adversity and prosperity) "I think they do a great job of handling both of those situations. They responded last year after the Kansas City game. They came back and responded and played at a high level. Prosperity has obviously proven that. They can ignore the noise is what we call it with all of the chatter that took place last week, they went in there in a heightened environment and performed pretty well. I think they are on a roll and they understand those principles and they play to them. They've got some very savvy veteran players that have experienced a lot of different situations and responded well."

**HEAD COACH GUS BRADLEY  
JAGUARS VS. DOLPHINS  
SUNDAY, SEPTEMBER 20, 2015**

(Opening statement) "A great win, both sides. We have a lot of respect for Miami and their team and I thought the first half went back and forth and the second half was extremely hard fought game. I thought guys gave it their all. Just sitting there talking to them in the lockerroom a lot of guys that are worn out in there. I give credit to our guys; they played their tails off from start to finish. Some of the things we challenged our teams with last week I loved the way they responded this week and battled and came out. So many stories; our receiving group came back and really played well after what took place last week. Our kicker Jason Meyers did a nice job. I can go on and on about a lot of the position groups but just a hard-fought battle. There are some mistakes out there we need to correct but overall the intensity and how we played the game I'm very pleased."

(How happy with Blake's overall game) "I thought he made some very good decisions although we saw him a little bit in the second half, we just stuck to it and give credit to their defense. It's a very good defense we played against and it was kind of the battle of wills and we just stuck with it."

(How proud are you of the defense?) "We had a lot of jockeying around with positions. Even Nick Marshall was in there, Payton Thompson playing and we lost some guys. Again, that's really a credit to the players and the coaches to have them ready to go. You always have to be ready as a backup in case your number is called and these guys' number was called and they stepped up. This game, they don't wait for you. They did a nice job."

(How does it feel to win in September?) "We'll take it anytime but it feels good. You know what? I'm just really excited for our group of guys. The battle I said, 'we are a young team at times and we've got some veterans,' but that helped us become more of a mentally tough team and that's how we look at it. We'll have great growth."

(On one week to the next) "I think we talked about it last week, what took place whether it was opening game and everybody was excited. We just didn't play up to our capabilities. We believed it in this room, we believed it as a coaching staff and we believed it as a group and they came out Wednesday and went right back to work. I think there was more of a, 'that's not who we are.' We talk about going out there

and demonstrating our style of who we are and what we're becoming and that wasn't us. It's more of a 'let's get back and do the things we know.' I just thought we had better poise about them throughout the whole team."

(On end of first half) "We didn't flinch at all on that. When you had the amount of time that we had just because we knew with our field goal kicker he had a strong leg and just felt like he could get into position to have a long one."

(How important was it to get off to a quick start?) "We talk about starting fast and finishing faster. That's throughout and it will be a great example to show our team. It's always good to be able to jump out in the lead. We came back and they have a long pass, I believe one of the first plays of the game. What we're asking this team to do is there's going to be adversity throughout the game and the ability to respond to that adversity that's what we need to see and I don't think we did a good enough job of doing that (last week) but this week we did."

(On Marqise Lee's presence) "Yeah, we monitored his reps a little bit. I think you saw when we were looking at 15-20 reps with him and to bring him back and be smart with him. He made some big plays for us and it was great to have him back there."

(Any special tackling drills during the week?) "No, nothing that we haven't done any other week. I mean we have an emphasis like we normally do during the week but the guys just played better."

(Was this a collective effort throughout the week?) "I would say the players, I'd say the players did a good job. You could tell as we went through the week, as we went through the whole process they stayed to it, they talked about it and we knew we were banged up. We had some injuries and not once did anybody talk about what we've got to do, feeling sorry for ourselves or anything like that. It was more helping the next guy get ready and that's just a credit to them."

(Was it important to get Allen Robinson going early?) "It was great that we got him going early. I think they all want opportunities. I was thinking about that with Mercedes. That was a pass towards the middle or the end of the second half it was maybe one of his first attempts. I think that's always important if we can get guys going. Sometimes it works out. Sometimes what they do defensively it takes some things away. He just made some plays too."

(Did young guys need to see a win to gain confidence going forward?) "It helps but it never was about confidence I don't think in their minds. Last week was not about confidence... it was more about what we did. We missed an opportunity in their minds and we didn't play our best and it was about getting back to that."

(On defensive series before game winning field goal) "I thought the last three series defensively. They had the ball on the fifty and there were two critical plays. The second down where we brought pressure and disrupted the pass and the third down where we disrupted it. I thought that was a key point in the game and those other two series afterwards too. I give Coach Babich credit. He caused a couple of pressures and I think that elevated our play some at that point in time and that energy level carried us on through the next couple of series."

(On Meyers) "I think one of the things, they're both good kickers. I just felt like in Dave and my conversation we felt a lot of confidence with him and he had a strong leg. The kick before the half we saw those things take place in practice and he had an opportunity in the game and he nailed it so I think it's hard. We talk about what happened last week and you bring those things up. It is challenging but the biggest thing is credit to the players staying positive and the coaches giving us an opportunity to go out with a strong mentality to help us through a really difficult game like this."

(How important was it in first series for defense to put behind them?) "It's a great example. I think there's multiple examples and we talked about that during the week. In a heightened environment there's going to be adversity. It's more important how you respond to that and that was really the message all week and there's multiple examples throughout this game where it took place. There are key points in every game and this game is no different. We just want enough of those key points."

(Evaluate Sam Young) "I think the first half I don't think we had any sacks. We didn't give up any sacks but we will take a look at tape. For him to go in there at left tackle in the NFL and perform like he did what I saw looked pretty good."

(On playing good run defense) "Defensively our style the way we're built we should be pretty good against the run. Not saying that teams can't run the ball; that's really to our strength so those are good numbers. We had new guys. Sample was moved from free safety to strong safety and involved in a lot of run fits tonight. Whenever you do a good job like that against the run guys are understanding what their responsibilities are."

(On mindset of handling this week) "We are going to enjoy this. I promise you we will enjoy this game and I want them to enjoy that because wins in the NFL are hard to get, as we know. I'm really going to challenge them. We talk about being mentally tough and part of that is to come back and let's go back to work. We're just getting started and we're trying to build something here. This is a good start but it's exciting and it's fun and we battle our tails off. Just like last week there's a lot of games left in the season, a lot of other stories to be told so we've got to play it out."

(Describe the locker room) "I would say tired. I went around and talked to a lot of the guys but it was a pretty quiet locker room because of the number of plays they played and the effort they put into it but excited"

**JAGUARS PLAYER QUOTES  
JAGUARS VS. DOLPHINS  
SUNDAY, SEPTEMBER 20, 2015**

**QB BLAKE BORTLES**

(On getting off to a fast start) "I thought it was awesome. I think Greg Olson put together a really good plan and we were able to come out here and execute it for the most part."

(On what it feels like to overcome adversity and win) "It was special. I think something really cool about this team is we play good together. It's cool to be a part of this and be part of this family. It was awesome. We'll celebrate this tonight and we'll move on."

(On the play of the offensive line) "I thought it was unbelievable. To lose your starting left tackle and give up zero sacks in a game with Olivier Vernon and Cam Wake playing on the edge is impressive. Ndamukong Suh is obviously a good player as well. I thought they did a very good job in pass protection and creating holes for the running game."

(On getting off to a quick start) "I think it was good. Gus (Bradley) always preaches starting fast and finishing faster. I think we were able to showcase both of those tonight by getting a good drive started and closing the game out really good."

(On the play of Allen Robinson) "He was awesome. He has the ability to do that every week. He is a big, physical player with unbelievable playmaking skills. When he sets his mind to it, he can go up and catch any ball."

(On the difference between last week and this week) "I think just capturing opportunities. I think staying on the field, converting on third down. I think we still shot ourselves in the foot a couple of times, but not nearly as many times a last week."

(On taking chances on offense) "We never really got the chance to do that last week because we never got into a rhythm. So when you're moving the chains and making positive plays on first and second down and third down, converting, it kind of allows you to open things up."

(On the play calling before halftime) "It was great. Obviously, I think we had two timeouts in that situation and we have to get to the 35 (yard line) for Jason Myers to kick a field goal. We almost got

there, but he made an unbelievable play making the field goal, guys did a good job staying poised and picking up the yardage.”

(On the week preparation after playing poorly last week) “No, it was the same. Exactly the same preparation, the same weekly schedule, everybody acted the same. I just think we came out and executed way better.”

(On the play of the defense) “Anytime they do stuff like that (getting key stop to get ball back to offense), we kind of feed off of their energy. So when they are able to make plays like that and do things like that, it fires us up—not only when we get good field position, but to get to see them play well, it’s exciting. So I thought they did a great job all night. Miami is a good offense and I think they played well.”

(On the threat of Marqise Lee stretching the field) “I think any time Marqise is out there, you have to have a little bit of a plan and awareness for him as a defense, because he is a guy who can stretch the field and beat you vertically any time. So that kind of factors in the way defenses play. But I thought he did some good things. Obviously, he made the first catch on that two-minute drive.”

(On if the dropped passes affected the team) “No, not at all. I thought those guys did a really good job staying into the game—not going into the can—when something didn’t go their way. Rashad (Greene) dropped two balls, but then has a 25-yard or something punt return. I think that shows how he handled the adversity and bounced back. I have all the trust and faith in the world in Marcedes (Lewis). But that’s part of football. You miss balls, you drop balls...things happen.”

## **WR ALLEN ROBINSON**

(On if this was his best career game) “A lot of work I put in, in the offseason. I expect myself to have big games. It was just about a quick memory. A quick memory from bad games, a quick memory from great games. You’ve got to bounce back. We have another week ahead of us.”

(On his performance) “Like I do every week – each and every week – try to go out there and make plays for my team. That’s the main thing.”

(On team’s offensive improvement from the preseason) “We really can’t concern ourselves with that. We know throughout the course of the season, there’s going to be a lot of ups and there’s going to be some downs. We really can’t concern ourselves or really pick on how we played last week. We have 14 more games now. So each and every week is a new opportunity.”

(On his 52-yard first quarter reception) “I just tried to go up there and make a play. I had an opportunity. It was early in the game and we really wanted to start fast so I just had an opportunity to make a play and I was able to do that.”

(On if he was interfered with in the second half) “That’s in the ref’s hands. I’m not a referee so that’s hard for me to say. It was a good play by the DB. He didn’t call pass interference so it wasn’t pass interference. It could’ve gone either way but he didn’t call it so it wasn’t.”

(On excitement) “It’s exciting to me but like I said before, we have to have a quick memory. Whether you have a great game or a bad game, you have to have a quick memory. You enjoy it and then you bounce back on Monday as a new week.”

(On offense’s improvement from past weeks) “That’s hard to say. I think the main thing was, this week – speaking for the receivers’ sake – we went out with a chip on our shoulder. We wanted to go out there and we wanted to make plays. I’m pretty sure that’s what each group did. We hold each one of our position groups to a high standard. We knew that if we all play our best, and play how we know how to play, we’d be pretty good.”

(On dropped passes) “We put a lot of work in, in the offseason. We expect better from ourselves than we did last week. We didn’t really concern ourselves with the drops that happened. We just held ourselves to a higher standard. We wanted to go out there and show that.”

(On if the team added jump ball plays for him this week) “No, we’ve done that throughout camp and throughout the whole course since OTAs. We have a lot of stuff in our game plan. They just gave me a few opportunities on that today.”

(On how Marqise Lee’s return affects Robinson’s role) “It really doesn’t change anybody’s role in the room too much. It’s awesome to have Marqise back because he’s a dynamic playmaker for us. So now that we put another playmaker on the field, that’s great for us.”

(On how Miami’s defensive game plan changed after halftime) “They played some stuff a little differently. I wouldn’t say that my play, per se, opened up stuff for other people. We had some great calls and those guys are able to go out there and make plays. They were able to get open in the second half just how I was able to make plays in the first half.”

(On Blake Bortles’ performance) “Blake is never a real get-down type of guy. It’s hard to tell but we know, internally, how guys feel about their play. Like I said before, I don’t think Blake had a bad game last week but he wanted to come out there and play a lot better this week. That’s what he expects of himself. Just like the receivers, we have high expectations for ourselves. We don’t really get to down, we know how good we can be when we play at the level that we know how to play at.”

## **K JASON MYERS**

(On his 58-yard field goal) “I didn’t feel anything different. I was just out there trying to hit a nice smooth ball and it went in down the middle. So it was a good kick. There’s always pressure for field goals, especially after last week. I felt smooth and I was hitting the ball well pregame. So I just wanted to make sure I got a good hit on the ball.”

(On his game-winning field goal) “I was actually more calm on that field goal than I was on the kickoff. I didn’t want to hurt the team that way either. It’s just another day. Obviously there are some nerves but I kept calm all week and all day. I was in a good mindset and I was locked in all day.”

(On missed attempts last week) "Obviously I thought about it the next day when I watched film. It's bound to happen. You can't really dwell on it so I just got back to work this week and I was hitting the ball fine. I was just locked in."

(On if he lost any sleep over missed attempts last week) "I lost a little bit Sunday night. I was just happy to get back to work and take care of everything."

(On his two made field goals) "It's my job. I'm here to put points on the board when we can. Every kick, I should be able to put points on the board."

(On his confidence) "I always believed in myself. So it's nothing new to me but I'm sure it helped out the fans and some of the support systems."

(On the win) "This team and city deserves this win, so it's good to help out where I could."

(On if he was aware of the personal foul penalty before the kick) "Yeah, I'm paying attention. I don't just have my head down. I'm keeping an eye out of what's going on to see whether it's going to be a little bit longer or it's going to be more of a shorter shot. I'm not just putting my head down and warming up."

(On his reaction to the penalty) "Obviously it helped out the kick, but either way, I have to have confidence to go out there and make it."

(On his confidence that the kick was good) "I know I hit it pretty. It started out just a little bit right, but I knew there was some wind up there pushing it back left. I put it where I wanted it."

## **DE TYSON ALUALU**

(on playing fullback) "I was looking forward to it and it's fun but it's that first play but you wish you always could do more. But whatever the coaches ask you try to do your best."

(on his mindset of playing the position) "I was thinking if the ball comes to me I better get this first down so I'm glad the way it worked out. I think there's more to come so I'm looking forward to the opportunity."

(on if that particular play was practiced) "We practice it a lot so for it to happen in the game I'm glad I maximized my opportunity."

## **LB DAN SKUTA**

(on how it felt to play with a scoring cushion) "It's always great to play with a lead especially as a pass rusher. That's what we really need to show that offense that if you give us a lead we're not going to give it up so we have to continue to work on that. It's awesome and Blake [Bortles] was awesome. He's right on point with his throws, he was really good and the receivers making huge plays down the field so I thought they were all great."

(on preparation for the Patriots) "I'll have to take a look and see of course. They're going to have a spread attack and Tom [Brady] is going to be running the show and it'll be fun to compete against those guys so I'm excited to see what they've got."

#### **S JAMES SAMPLE**

(on his feelings on today's game) "It felt good to be out there with the guys and compete with them and just play together as a team."

(on switching positions for today's game) "It was a bit of a challenge for me not knowing I was going to play strong safety until Tuesday night and trying to learn all the strong safety rules; it was kind of tough but I accepted the challenge and got it done."

(on preparation for today's game) "I had extra meetings after practice to go over the little mistakes I made in practice, so overall I felt good going into the game."

#### **WR MARQISE LEE**

(on how it felt coming back from injury) "It felt good I'm 100 percent, I finished the game with no injuries and that's the best thing about it."

(on the receivers making plays after last week game with several dropped passes) "I wasn't worried, a drop is a drop but I knew they would bounce back from dropping balls. We're the hardest on ourselves so as far as walking up to them to explain clearly they knew what they had to do."

(on how it felt to catch some passes) "It felt good, I'm a little bit rusty as far as me and Blake [Bortles] and my speed being back but for the most part we did great. We just got to continue to work and come back next week."
