## LAST GAME: BILLS-DOLPHINS

### REGULAR SEASON WEEK 16 – Bills 19, Dolphins 0

#### December 22, 2013 – Ralph Wilson Stadium – 54,305

The Buffalo Bills defeated the Miami Dolphins 19-0 on Sunday and improved to 6-9 for the season and finished 4-4 at home for the year.

The Bills relied on their ground game and an outstanding performance from their defense to earn the victory.

On the ground, the Bills were led by RB Fred Jackson who had 111 yards and a touchdown on 19 carries. It was Jackson's first 100-yard rushing performance of the season. He became the third running back in Bills history to run for over 5,000 yards in his career, joining Thurman Thomas and O.J. Simpson. RB C.J. Spiller chipped in with 77 yards on 20 carries and the Bills were able to gain 203 yards total on the ground for the day.

The Bills defense came through in a big way as they held the Dolphins to just 103 total yards on the day. QB Ryan Tannehill seemed to be under constant pressure as the Bills racked up a season high seven sacks on the day. Their sack total for the season now stands at 56, which is a franchise record.

Kyle Williams and rookie CB Nickell Robey led the way with two sacks apiece. The Bills also picked off the Dolphins twice, with CB Leodis McKelvin pulling in his first of the season and S Jim Leonhard grabbing his fourth for the year.

With his second sack, Kyle Williams now has 10.5 on the season. Williams, DE Mario Williams and DE Jerry Hughes are the second Bills trio with 10-plus sacks in a season (Bruce Smith, Bryce Paup, Phil Hansen in 1995). K. Williams, M. Williams and Hughes are the first trio in the NFL with 10.0 sacks since La'Roi Glover, Joe Johnson and Darren Howard accomplished the feat for the New Orleans Saints in 2000.

QB Thad Lewis made his fourth start of the season in place of injured QB EJ Manuel and was able to earn his second victory over the Dolphins on the season. Lewis completed 15 of his 25 passes for 193 yards and threw one interception.

For the Dolphins, QB Ryan Tannehill completed only 10 of his 27 passes for 82 yards. He had to leave the game for two series and in his place QB Matt Moore completed two of his six passes for 53 yards and threw both of the Dolphins interceptions.

Bills K Dan Carpenter converted all four of his field goal attempts and has now made 31 of 34 on the season. He is the eighth kicker in Bills history to make 30 field goals in a season.

## THE MARRONE ERA

Doug Marrone was named the 16th head coach in Buffalo Bills history on January 7, 2013. The 2013 season will mark his eighth as an NFL coach and first at the helm in the professional coaching ranks.

His previous stints in the NFL include three years as the Offensive Coordinator of the New Orleans Saints (2006-08) after serving as the Offensive Line coach of the New York Jets from 2002-05.

Marrone, a native of the Bronx, NY, is no stranger to the Western New York region. Prior to joining the Bills, he was the head coach of his alma mater's football program at Syracuse from 2009-12.

***"We are playing for a championship. We are playing for a trophy. We are playing for a higher calling. We are playing for an organization that should not be going through this. People in this area should not be going through this. We have to change that. We have the ability to affect a region by putting a productive, winning football team out there. That is our higher calling. And if you are not buying into that, then you do not need to be here. You can go play for some other team. We do not want those types of players on our football team."*** - DOUG MARRONE

While with the Orange, Marrone guided the program to a 21-17 record in his last three seasons, including an 8-5 mark in 2010 and 2012 - with both campaigns culminating in a New Era Pinstripe Bowl Championship.

A three-year letterman at Syracuse along the offensive line, Marrone earned Associated Press All-East accolades as a senior and second team honors as a junior. He was tabbed AP All-East Honorable mention in his sophomore year. During his time with the first string of offense, the Orange compiled a 19-15 record and made their first bowl game appearance in six years. Marrone and his teammates, including All-American Tim Green, helped lay the foundation that resulted in the program's 1987 undefeated season.

He was drafted in the sixth-round of the 1986 NFL draft by the Los Angeles Raiders and played two years in the NFL, first with the Miami Dolphins in 1987 and then with the Saints in 1989. He also had playing stints with Pittsburgh, Dallas and Minnesota before closing his career with the NFLE London Monarchs (1991-92).

## PETTINE'S HYBRID DEFENSE

Mike Pettine enters his first year with Buffalo as Defensive Coordinator in 2013 - his fifth season in the NFL in the same capacity after spending four years overseeing the defense of the New York Jets (2009-12).

His style of defense, referred to as a "hybrid", has been described as fast, aggressive, ruthless and relentless. A key component of Pettine's defense are versatile players who can be cross-trained to play multiple positions.

***"The strength of the system is its versatility. We can have a guy on a certain play fill the role of a safety. Then he's a corner the next play, a linebacker the next play. A guy that's an end can play outside linebacker and then off the ball linebacker. We want them to master their first position before we give them jobs that other positions might do. That's a credit to the staff they've done a good job to make sure we've nailed down the original fundamentals first before we took another step."*** - MIKE PETTINE

Pettine's defense in New York finished in the top 10 in each of the past four seasons:

YEAR	CATEGORY	NFL RANK
2012	Total Defense	8th
	Passing Defense	2nd
2011	Total Defense	5th
	Passing Defense	5th
2010	Total Defense	3rd
	Rushing Defense	3rd
	Passing Defense	6th
2009	Total Defense	1st
	Rushing Defense	8th
	Passing Defense	1st

Prior to joining the Jets, Pettine was a member of Baltimore's coaching staff for seven years from 2002-08. In his last four seasons with the Ravens, he coached the outside linebackers as part of a defensive unit that ranked fifth (2005), first (2006), sixth (2007) and second (2008) in the NFL. Before being promoted to a position coach in Baltimore, Pettine was a defensive assistant working with the defensive line in 2004 after serving two years as a coaching and video assistant and in a quality control role.

### **BET YOU DIDN'T KNOW FROM 2009-12 THE JETS' DEFENSE...**

- Held opposing passers to an NFL-low 71.0 quarterback rating, completion percentage (52.6%) and passing yards (186.3 per game)
- Forced the highest percentage of three-and-out drives (29.4%)
- Yielded the second-fewest yards per game (294.8) and posted a 34.6 third-down efficiency mark while holding their opponents to an average of 20.0 points per game (seventh-fewest in the league)
- Recorded 115 takeaways – the second-most in the AFC (seventh in the NFL)

## HACKETT'S UPTempo OFFENSE

Nathaniel Hackett returns to One Bills Drive in 2013 as the team's Offensive Coordinator/Quarterbacks coach. His previous stint with the Bills was as an Offensive Quality Control coach from 2008-09.

Hackett re-joins Buffalo after spending the previous three years at Syracuse working with head coach Doug Marrone. He was the Orange's offensive coordinator and quarterbacks/tight ends coach from 2011-12 after one season as the school's quarterbacks/passing game/tight ends coach.

***"We want everybody to be together just like the flow of a basketball game. You want everybody to know where everybody is going to be all the time. It's a little different in basketball, but we're trying to bring the same principle to football. Everybody needs to know what their role is on this play and why the play was called. That's hard sometimes to get that information out because everybody goes their separate ways and works on their individual techniques. So this is something we've tried to create that unifies everyone... It's done some nice things for us and the more you keep everyone on the same page the better your execution."*** - NATHANIEL HACKETT

Syracuse's offense set multiple school records in 2012 for total offense (6,188 yards), total yards per game (476.0), passing yards (3,757), passing yards per game (289.0), touchdown passes (26), completions (295) and first downs (328)

The Orange offense featured a 3,000 yard passer, 1,000 yard rusher and 1,000 yard receiver in 2012 for the first time in a single-season in school history while generating 500 yards of offense or better in seven games

Prior to joining Syracuse, Hackett spent four seasons in the NFL as an offensive quality control coach with the Bills (2008-09) and Tampa Bay Buccaneers (2006-07).

In his two years with the Bills, he assisted the wide receivers and quarterbacks and participated in all facets of preparation for the team's weekly opponents

Hackett worked closely with Tampa Bay's offensive coaching staff in the preparation and implementation of the offensive game plan, including wide receivers coach Richard Mann while helping guide WR Joey Galloway to his third straight 1,000-yard receiving season in 2007.

### **BET YOU DIDN'T KNOW...**

Nate Hackett, 33, is the second youngest offensive coordinator in the NFL.

Only Tennessee's Dowell Loggains, 32, is younger than Hackett. Washington offensive coordinator Kyle Shanahan is the third-youngest at the position.

Detroit also had the NFL's 10th-most significant improvement in punt return average in 2010 – a jump from an 8.8 punt return average in 2009 to 12.1 yards per punt return in 2010.

During Crossman's stint with the Panthers from 2003-09, the team's kicking and cover groups contributed to the team's success which included three playoff appearances (2003, 2005 and 2008) and two NFC South titles in 2003 and 2008. The Panthers also finished with at least eight wins in five of those seven years.

The Panthers ranked third in the NFL in 2008 with an opponent average drive start after kickoffs (24.7) and were one of three teams that did not allow an opponent to start a drive following a kickoff past the 50-yard line. Carolina posted a league-best 30 touchbacks, 33.7 touchback percentage and ranked ninth with an opponent kickoff return average (21.9).

In his first year as a special teams coordinator in 2005, Crossman's unit ranked among the best in the NFL. Crossman helped guide P Jason Baker to set the franchise record in net punting average in both 2005 (38.9) and 2006 (39.0). In both years, Baker's net punting average was first in the NFC and third in the NFL. From 2005-09, Baker ranked eighth in the NFL with a combined net punting average of 38.0.

In his first year assisting the Panthers' special teams, Carolina ranked second in the special teams ratings compiled by the Dallas Morning News.

## SUPER MARIO

DE Mario Williams is in his second season with the Bills in 2013 and has embraced Coach Marrone's "Play like a Bill" mentality:

*"It's just being relentless and the mentality of going out, being disruptive and attacking. Being aggressive. Being accountable. Just going out here and making plays. Trusting the scheme. Trusting the system. Trusting the coaches. To not go out there and do something you're not supposed to because like I said the scheme they have is pretty good. As long as we go out there and we all can say are you playing like you're supposed to – playing like a Bill – which is our mentality and motto – we'll be alright."* - MARIO WILLIAMS

### FIVE MULTI-INTERCEPTION GAMES

Byrd became the third player in team history to tally five or more multi-interception games with his two interception performance in Week 11 against New York.

He joins Tom Janik (6) and Billy Atkins (5) as the only players in team history to accomplish the feat.

### HITS TOP 10 MARK IN TEAM HISTORY

Byrd's 22 interceptions in his Buffalo career are tied for 10th most in team history, one shy of matching three former Bills for seventh in franchise record books:

In Week One, his first career start at free safety, Williams tied for a team-high nine tackles (four solo). He led the team's defense in Week Two with a career-best 12 total tackles (seven solo) to go along with a stop for a loss against Carolina.

## TWO PICKS EACH

Rookie MLB Kiko Alonso and DB Aaron Williams each recorded two interceptions during Week Four's game vs. Baltimore. Alonso and Williams' game marked the first time two members of Buffalo's defense each had two interceptions in the same game since 1992 (Henry Jones and Nate Odomes - 9/6 vs. L.A. Rams).

Buffalo's record is 63-22-0 when a player records a multi-interception game and 7-1 when two players or more have multi-interceptions.

## GILMORE ON THE CORNER

CB Stephon Gilmore made three tackles and tallied three passes defended against Miami on Sunday. At Jacksonville in Week 15, Gilmore hauled in his second interception of the season.

He had five tackles and a pass defended in Week 13. Against Kansas City in Week Nine, Gilmore made seven tackles and broke up a pass. He tallied three stops in his first action of the season in Week Six after he was inactive for the first five games due to injury.

Gilmore started all 16 games in his 2012 rookie season - the first Bills cornerback since 1987 (Nate Odomes) to be a Day One starter and led the defense with 16 pass break-ups - tying for third-most in the AFC (T-10th in the NFL).

Since entering the NFL, Gilmore has been credited with 26 passes defended, tying for fifth among AFC cornerbacks from 2012-13:

**REGULAR SEASON WEEK 15 – Bills 27, Jaguars 20**  
**December 15, 2013 – EverBank Field – 60,085**

The Buffalo Bills defeated the Jacksonville Jaguars 27-20 on Sunday at EverBankField. The Bills are now 5-9 on the season.

The offense was led by rookie QB EJ Manuel and by the running game. Manuel completed 17 of his 24 pass attempts for 193 yards, two touchdowns and an interception. With his two touchdown passes on the day Manuel now has 11 on the season which is the new franchise record for touchdown passes by a Bills rookie. The record was held by Dennis Shaw who threw 10 touchdowns in 1970. Manuel also picked up 37 yards on the ground and scored on a eight yard run in the second quarter that gave the Bills a 17-10 lead. The victory was Manuel's first career victory on the road.

The ground game put up one of their best performances of the season as the team picked up 198 yards for the day and the Manuel touchdown scramble. RB Fred Jackson had 80 yards on 17 attempts and RB C.J. Spiller had 67 yards on 13 attempts. With their totals for the day, Spiller now has 745 yards and Jackson has 725 yards on the season. They are just the second Bills running backs to produce 700-plus rushing yards in a season (OJ Simpson 1,817 & Jim Braxton 823 in 1975).

Rookie WR Robert Woods had the best day of his young career as he hauled in five catches for a career-high 82 yards and a touchdown.

The defense was again led by their ability to create turnovers and apply pressure to the quarterback. They recorded five sacks on the day which raises their season total to 49. For the day, rookie CB Nickell Robey, DT Kyle Williams, DT Marcell Dareus, LB Manny Lawson and LB Jerry Hughes all recorded a sack. The Bills now have four players with 8+ sacks (Mario Williams-12.0, Jerry Hughes- 9.0, Kyle Williams- 8.0, Marcell Dareus- 8.0) for the first time since individual sacks became an official statistic in 1982.

On the turnover front, DB Aaron Williams and CB Stephon Gilmore each had interceptions on the day and Nickell Robey notched a fumble recovery.

The Jaguars were led by RB Jordan Todman who ran for 109 yards and QB Chad Henne who completed 21 of his 36 passes for 237 yards, two touchdowns and two interceptions. LB Paul Posluszny led the defense with 13 tackles and a sack.

**REGULAR SEASON WEEK 16 – Bills 19, Dolphins 0**  
**December 22, 2013 – Ralph Wilson Stadium – 54,305**

The Buffalo Bills defeated the Miami Dolphins 19-0 on Sunday at Ralph Wilson Stadium. The Bills improved their record to 6-9 for the season and finished 4-4 at home for the year.

The Bills relied on their ground game and an outstanding performance from their defense to earn the victory.

On the ground, the Bills were led by RB Fred Jackson who had 111 yards and a touchdown on 19 carries. It was Jackson's first 100-yard rushing performance of the season. He became the third running back in Bills history to run for over 5,000 yards in his career, joining Thurman Thomas and O.J. Simpson. RB C.J. Spiller chipped in with 77 yards on 20 carries and the Bills were able to gain 203 yards total on the ground for the day.

The Bills defense came through in a big way as they held the Dolphins to just 103 total yards on the day. QB Ryan Tannehill seemed to be under constant pressure as the Bills racked up a season high seven sacks on the day. Their sack total for the season now stands at 56, which is a franchise record.

DT Kyle Williams and rookie CB Nickell Robey led the way with two sacks apiece. The Bills also picked off the Dolphins twice, with CB Leodis McKelvin pulling in his first of the season and S Jim Leonhard grabbing his fourth for the year.

With his second sack, Kyle Williams now has 10.5 on the season. Williams, DE Mario Williams and DE Jerry Hughes are the second Bills trio with 10-plus sacks in a season (Bruce Smith, Bryce Paup, Phil Hansen in 1995). K. Williams, M. Williams and Hughes are the first trio in the NFL with 10.0 sacks since La'Roi Glover, Joe Johnson and Darren Howard accomplished the feat for the New Orleans Saints in 2000.

QB Thad Lewis made his fourth start of the season in place of injured QB EJ Manuel and was able to earn his second victory over the Dolphins on the season. Lewis completed 15 of his 25 passes for 193 yards and threw one interception.

For the Dolphins, QB Ryan Tannehill completed only 10 of his 27 passes for 82 yards. He had to leave the game for two series and in his place QB Matt Moore completed two of his six passes for 53 yards and threw both of the Dolphins interceptions.

Bills K Dan Carpenter converted all four of his field goal attempts and has now made 31 of 34 on the season. He is the eighth kicker in Bills history to make 30 field goals in a season.
