## THE COACHES

**Tony Sparano** became the eighth head coach in Dolphins history on January 16, 2008. He is in his 11th season in the NFL and his 26th year in the coaching profession. In his first year as the Dolphins' head coach in 2008, Sparano guided the team to a single season turnaround matched just once in NFL history. Taking over a 1-15 squad from a year earlier, he led the Dolphins to an 11-5 record and the AFC East title. His ten-game improvement has been achieved only one other time in league annals, in 1999 when the Indianapolis Colts went from 3-13 to 13-3. Before leading the Dolphins, he spent five seasons (2003-07) on the staff of the Dallas Cowboys, during which time the team made three playoff appearances. He tutored the Cowboys' offensive line the last three years while also holding the title of assistant head coach the past two seasons. He coached the team's tight ends his first two seasons in Dallas. Prior to joining the Cowboys, Sparano had NFL stops in Cleveland (1999-2000), Washington (2001) and Jacksonville (2002). Sparano was a four-year letterman as a center at the University of New Haven, where he earned his degree in criminal law. He began his coaching career at his alma mater in 1984 before moving on to Boston University as offensive coordinator in 1989. He returned to New Haven as the school's head coach in 1994, and manned that spot for the next five years.

**Bill Belichick** is in his 36th season as an NFL coach (16 of which have been as a head coach), and has spent his most recent 11 seasons as head coach of the Patriots. . Before joining the Patriots in 2000, Belichick was the assistant head coach/secondary coach for the New York Jets for three seasons (1997-1999), and had the responsibility of calling defensive plays. He also spent one year with the Patriots prior to his current tenure in 1996, again serving as assistant coach/secondary coach for the team that went to Super Bowl XXXI. His first experience as an NFL head coach came from 1991-1995 when he was at the helm of the Cleveland Browns. In 1979, Belichick was with the New York Giants as a defensive assistant and special teams coach, starting his 12-year tenure with the team. After the 1980 campaign, he drew the added responsibility of coaching the Giants linebackers. While continuing to coach the linebackers, in 1983 his role with the defensive unit increased. He was named defensive coordinator in 1985, a position he held for the next six seasons. Before his run with the giants, Belichick was an assistant special teams coach with the Denver Broncos in 1978, and the Detroit Lions in 1976 and 1977 and at the age of 23 was special assistant to Baltimore Colts head coach Ted Marchibroda in 1975. Belichick lettered in football at Wesleyan University.

## WHAT TO LOOK FOR IN 2010

### **S Jeremiah Bell**

- Entered 2010 with 7.5 career sacks. With 2.5 sacks, Bell would have 10.0 for his career. The safety already had the most career sacks for a defensive back in team history. In 2010, Bell has 1.5 sacks on the season for a career total of 9.0.

- With 3.5 sacks in 2010, Bell would break the team record of 3.0 sacks in a season by a defensive back. Bell had 3.0 sacks in 2005 and is tied with Liffort Hobley (1990), Jerry Wilson (1999) and Nate Jones (2008). Bell has 1.5 sacks this season.

- If Bell starts in every game in 2010, Bell would open 16 games for the third consecutive season. In 2010, Bell has started the team's first 15 contests.

- Bell is looking to garner 100 or more tackles for the third consecutive season. He notched a career-high 120 tackles in 2008 and followed this up with 113 in 2009. In 2010, Bell leads the team with 98 tackles and needs two stops for 100 on the season.

### **WR Davone Bess**

- Bess has 206 catches in his career. Bess had a career-high 76 receptions in 2009 and now has 76 in 2010. He needs one catch in the final game to snare a career-high this season.

### **RB Ronnie Brown**

- Currently has 4,801 rushing yards and needs 199 yards to become the third rusher in team history to have 5,000 rushing yards, joining Larry Csonka (6,737) and Ricky Williams (6,431).

- Currently has 36 rushing touchdowns, good for third in team history. Brown trails Ricky Williams (48) for second place in team history.

- Currently has 15 100-yard rushing games in his career and is tied with Larry Csonka for second in team history. His next 100-yard rushing game would have Brown in sole possession of second place, trailing Ricky Williams with 24.

- Brown has led the team four times in rushing (2005-08). He currently trails Larry Csonka, who led the team in rushing six times (1970-74, 79). Brown currently leads the team with 720 rushing yards

### **CB Vontae Davis**

- Led the team with four interceptions in 2009 as a rookie and is looking to become the first player to lead the team in interceptions in consecutive seasons since 2003, when Patrick Surtain had six in 2002, followed by seven in 2003.

- If Davis leads the team in interceptions this season, he will become the first player since 1989 to lead the team in interceptions in their first two seasons of his NFL career in Miami. FS Louis Oliver led the team with four in 1989, and tied for the team lead with five in 1990. No player in team history has led the team in interceptions in their first two seasons of their NFL career outright. In 2010, he ranks second on the team with one interception.

### **Brian Hartline**

- If Hartline leads the team in touchdowns this season, he will become the first player since 1998 to lead the team in touchdowns in their first two seasons of his NFL career in Miami. Oronde Gadsden tied for the team in touchdowns in 1998 with seven and paced the team with six in 1999.

- Led the team in average yards per catch with 16.3 and is looking to be the first player to lead Miami in average yards per catch in consecutive seasons since 1999. Oronde Gadsden led the team in average yards per reception 1998 with 14.9 and 16.7 in 1999. In 2010, Hartline leads the team with a 14.3 yard per catch average.

### **Chad Henne**

- Has 6,175 career passing yards, good for fourth all time in team history. Needs 4,865 passing yards to tie Jay Fiedler (11,040) for third place in team history.

### **RB Ricky Williams**

- Currently has 6,431 rushing yards in a Miami uniform. Needs 306 rushing yards to tie Larry Csonka (6,737) for the most in team history.

- Currently has 9,560 rushing yards and needs 440 yards to reach 10,000 in his career.

- Currently has 1,503 rushing attempts with Miami, good for second in team history and would need 3 attempts to tie Larry Csonka for the highest amount in team history (1,506).

- Currently has 48 rushing touchdowns with Miami, good for second in team history. Williams trails Larry Csonka (53) for most rushing touchdowns in team history.

The Dolphins' kicking tandem in 2008 consisted of a second-year performer in Brandon Fields and a rookie in placekicker Dan Carpenter. Fields put together one of the best seasons by a punter in team history. The third year punter from Michigan State had a gross punting average of 46.3 yards and tied P John Kidd (1996) for the highest gross punting average in team history. Fields also had a net punting average of 39.8 yards, the highest in team history. He surpassed the record set by P Donnie Jones in 2005. Team records for this statistics were started in 1982. Carpenter connected a 25-yard field goal against Pittsburgh (1/3/10) to cap off a consistent season. The second year player from Montana finished fourth in the AFC in field goal percentage (89.3), connecting on 25 of 28 field goals. The 89.3 success rate was good for fourth in team history. John Denney held down long-snapping duties for the fifth season and continued his consistent play.

### FIN FACTS

#### LB Channing Crowder

- Channing has always had an affection for animals – and not just his Rottweiler, L.T. While at the University of Florida, he wrestled alligators and wild boars. "The alligator was about eight feet and we just grabbed the snout and snatched it up," Crowder said. "It was one of those late nights in Gainesville. We were bored and there was nothing better to do."

#### P Brandon Fields

- Brandon's ultimate goal is to be a chiropractor once his football career has concluded. It's not hard to understand considering the long line of chiropractors in his family. It consists of his father, David, his brother, two uncles and five cousins. In addition his wife, Katie, who he married during the 2008 offseason, is currently pursuing her degree in chiropractic medicine at Palmer College of Chiropractic in Port Orange, Fla.

#### RB Lex Hilliard

- Growing up in Kalispell, Montana, Lex had a unique way to miss defenders both on and off the field. He would constantly try to avoid Charlie, his German Shepherd, from nipping at his heels using techniques that he would use to great advantage on the football field. "You're riding a bike, he'd try to bite the tires. I'm out in the yard playing football, he'd try to bite my ankles," said Lex who joked that he developed his quick twitch and high stepping running style from the elusiveness he showed in evading Charlie.

#### QB Chad Pennington

- Many athletes have interesting hobbies and interests off the field and Chad is no different. However, one of his interests involves a sport where some of the competitors can weigh in excess of 1,500 pounds. Chad's #10 Bucking Bulls supplies bulls for the Professional Bull Riders Tour, which tours around North and South America.

#### LB Cameron Wake

- Cameron took an unusual route to the NFL. Following his career at Penn State, he signed with the New York Giants as an undrafted free agent. Released by the Giants on June 22, 2005, Cameron entered the corporate world and spent 2006 as a mortgage broker. He resumed his professional football career in Canada with the B.C. Lions. "Everybody has their past," Cameron said. "I guess mine was a little more unorthodox than most."
