

FINAL ACTIVITY

Congratulations on completing the Houston Texans Stats Challenge presented by Schlumberger! There's just one activity left and this one is for a chance to win prizes!

Teachers and parents, please see contest rules for specific information on how your students could win prizes.

Write a letter to your favorite member of the Houston Texans organization about your experience with the Houston Texans Stats Challenge. In your letter include an explanation of the mathematics you learned and a description of how the Stats Challenge impacted your learning. In your explanation remember to show your understanding of the mathematical concepts and use correct mathematical vocabulary and notation.

Your letter will be graded by your teacher using the following rubric. Use the rubric to guide your writing and make any revisions necessary before submitting your letter.
