

Parent Consent

Dear Parent,

Our class participated in the 2020 Houston Texans Stats Challenge presented by Schlumberger (the “Stats Challenge”). The Stats Challenge consisted of six (6) lesson plans that enabled your student to learn key math concepts in the fun and exciting context of the Houston Texans.

As the final stage of the Stats Challenge, the Houston Texans are conducting an essay contest where your student will have the opportunity to win an invitation to “Player for a Day,” which includes a private Zoom Meet & Greet with a current Houston Texans player and one (1) Houston Texans gift bag. After reviewing all of the essays in my class, I’m pleased to report that I selected your student’s essay as one of the top two (2) essays in my class. Therefore, your student will be in the running for winning the Houston Texans Zoom Meet & Greet. As described in the attached Contest Rules, the Houston Texans will randomly select ten (10) winners from the top essays submitted by all of the schools participating in the Stats Challenge.

Upon the request of the Houston Texans, I am sending this Parent Consent to you. Please read the following carefully, sign below to evidence your consent, and then return this signed Parent Consent to me on or before **November 6.**

1. **Contest Rules.** I have read the attached Contest Rules and agree that my student may participate in the Contest.

2. **Houston Texans Zoom Meet & Greet.** I agree that if my student is selected as a winner, my student will be able to attend the Houston Texans Zoom Meet & Greet. If my student is unable to attend, the student will forfeit his or her winnings. I agree to the name and likeness release included in the Contest Rules.

Agreed this ____ day of _____, 2020.
