1. You will receive an email from San Francisco 49ers Levi's® Stadium and will need to click the 'Accept Tickets' button:

Below the logo is a white rectangular box containing a smaller white box with a black border, followed by the text 'Accept Your Tickets for Your Event'. Underneath this is a paragraph of text: 'By clicking "Accept Tickets" below, you are agreeing to our ticketback 49ersnew/terms and conditions, available here.' At the bottom of the white box is a red button with the text 'Accept Tickets' in white.

2. You will be directed to the Account Manager page where you will need to create an account (if haven't done so already) using the exact email address that the ticket offer was sent to. You can create an account using the 'Sign Up' button at the bottom of the page:

Below the fields is a checkbox labeled 'Remember Email' and a link labeled 'Forgot Password?'. A paragraph of text follows, stating: 'By continuing past this page, you agree to the Terms of Use and understand that information will be used as described in both the Ticketmaster Privacy Policy and Levi's® Stadium Privacy Policy.' At the bottom of the form is a large red button labeled 'Sign In'. Below the 'Sign In' button, the text 'New to Ticketmaster' is followed by a 'Sign Up' button, which is circled in red. A green arrow points from the left towards the 'Sign Up' button.

Once the account is created, you can login to the Account Manager using your email and new password.

3. Immediately upon login, the account will accept the ticket(s) and it will appear in your account:

4. Once the tickets are active, click 'View Barcode' from your mobile phone or "Add to Apple Wallet" for quick access on game day.

The tickets can now be accessed via the 49ers App as well as online through the Account Manager mobile website: [www.49ers.com/myaccount](http://www.49ers.com/myaccount). You will continue to use the same login to access tickets.

Please note tickets will show a rotating barcode and screenshots are not valid for entry.
