

Wine List

At Levi's® Stadium, we are focused on delivering the best food and beverage experience possible. One important component of that is our Appellation 49 wine program. Appellation 49 is a collection of 100+ high-end California wines hand selected by John York. Appellation 49 gives Levi's® Stadium guests access to wines that are normally unavailable to the general public. Many of our wineries sell exclusively to their mailing list and club members while others, being small boutique operations, only allocate minuscule amounts to exclusive restaurants and high-end retailers around the United States. In some cases, participating wineries have made available to us older vintages or library releases making Appellation 49 the only place these wines are available.
