MOBILE TICKETING

Levi's® Stadium exclusively features mobile ticketing for all 49ers home games. You will access and manage your game tickets and parking passes directly from your smartphone.

YOU HAVE THE ABILITY TO ACCESS YOUR TICKETS AND PARKING PASSES USING THE 49ERS MOBILE APP. TICKETS AND PARKING PASSES CAN ALSO BE FORWARDED USING ACCOUNT MANAGER ON YOUR SMARTPHONE OR PERSONAL COMPUTER. PER NFL GUIDELINES, PRINT-AT-HOME FUNCTIONALITY IS NO LONGER AVAILABLE.

NOTE: All ticket and parking transfers for 49ers games are free for season ticket members.

The 49ers app was designed and introduced to enhance the quality of the gameday experience by putting access to exclusive content, information, and purchases right in our guests' hands. The app may be used to get into the parking lots and ticket gates, find your seat or other points of interest in the stadium, watch exclusive replays and get instant stats from the game.

If you need service of any kind, please contact the 49ers by emailing memberservices@49ers.com or by calling or texting 415-GO-49ERS during normal business hours.

ACCESSING YOUR TICKETS AND PARKING PASSES VIA 49ERS APP

You can access and manage your tickets and parking passes in the 49ers app. Download the latest version from the App or Google Play Store. Once downloaded, you can sync your tickets and parking passes with the app.

For the 49ers mobile app: If you are not signed in, tap "Tickets" on the bottom bar, then tap "My Tickets", and tap "Sign in to 49ers". Please enter your email address and password associated with your 49ers Account Manager account and tap "Sign in". After you have logged in you will be able to view and manage your tickets by going to "Tickets" then "My Tickets." Transferring tickets to each member of your party and adding your tickets to your Apple Wallet or to Google Play is strongly recommended.

It is important to note that screenshots of your ticket or printed barcodes will not allow you access to the parking lots, the game, or your section. Transfer tickets before you enter the stadium to ensure each member of your party is able to easily access your reserved seating area each time they get up and return to their seat.

TRANSFERRING YOUR TICKETS AND PARKING PASSES

Conveniently transfer tickets to friends and family through the 49ers app or Account Manager at any time with no cost to season ticket members.

1. To transfer tickets from the online Account Manager, visit www.49ers.com/myaccount and login with your email and password associated with your season ticket member account.
2. Click "Manage Tickets" at the top and then click the event/game you wish to transfer.
3. Click "Transfer", select the seats to transfer, and click "Transfer" again.

RESELLING YOUR TICKETS AND PARKING PASSES ONLINE

NFL Ticket Exchange is the official secondary market platform for the NFL.

- 1. Conveniently post your tickets for resale through your app.
- 2. Within the app click on your event and click “Sell”.
- 3. Select the tickets you’d like to list for sale and set the price. Select your payout method, and review the listing and you are done.

-
- 1. Conveniently post your tickets for resale through your online Account Manager. Visit www.49ers.com/myaccount and login to Account Manager.
 - 2. Upon login, continue to “Manage My Tickets,” select the seats you wish to sell, click the “Post for Resale” button and continue through the listing process.
 - 3. For detailed instructions or help, watch the video tutorials on the Account Manager login page. Note: You may post your game tickets and parking for resale using any secondary market ticket platform; however, we encourage you to use NFL Ticket Exchange.

EXCLUSIVE PLAYOFF TICKET OPT-IN FOR SEASON TICKET MEMBERS

As part of an NFL initiative to improve upon the playoff ticket reservation process, you have the ability to reserve your playoff spot in advance by opting-in for a future purchase. Members that opt-in for the playoffs prior to the start of the regular season will lock in Wild Card round pricing at the regular season rate. You can only guarantee this exclusive Wild Card price by reserving your playoff tickets before the start of the regular season.

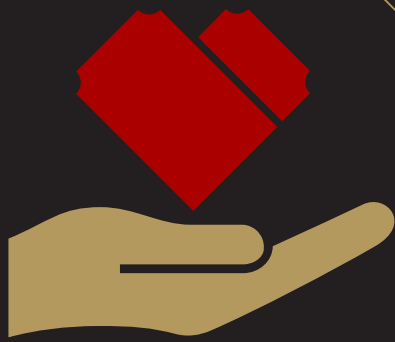

As in past seasons, you may still choose the “Pay as we Play” option where your credit card will not be charged until the 49ers are certain to host the associated playoff game. The “Pay as we Play” option is only available by uploading a major credit card onto the account, which authorizes a future purchase.

If you choose the “Pay as we Play” option, your credit card will not be charged until the 49ers are certain to host the associated playoff game. A major credit card is required on the account that authorizes the future purchase. You may opt-in for playoff tickets by reaching out to us at memberservices@49ers.com. If you DO NOT choose the “Pay as we Play” option, you will pay full price once the game is confirmed.

DONATING YOUR TICKETS ONLINE
