

## **PARKING SHUTTLE FOR FANS WITH DISABILITIES**

Bank of America Stadium does not have reserved handicap parking. Carolinas Medical Center, located at 1000 Blythe Boulevard in Charlotte, provides a game day shuttle for guests with disabilities for Panthers games only. An accessible parking placard is required to use the service. Patrons using the service should park in Lot B at Carolinas Medical Center. It is the first lot on the right off Medical Center Drive, which is the main entrance to Carolinas Medical Center. A police officer will be on duty in the lot to provide security. You and your companions will be shuttled to the intersection of Mint, Stonewall and Graham streets adjacent to Bank of America Stadium. Guests will receive a wristband that will permit them to enter the stadium through the Silver Club Entrance. Guests should return to this same location at the end of the game to be shuttled back. The cost for this service is \$40 per vehicle and begins approximately two hours prior to kickoff.

For more information about the parking shuttle, please call 704-358-7275.
