

# AUTUMN Matching Game

## Directions

1. Print and cut out all 16 cards.
2. Shuffle the cards and lay them face down in rows.
3. The youngest player goes first, continuing in a clockwise direction.
4. On each turn, a player turns over any two cards, if a player successfully matches a pair of cards, then they keep the set and take another turn.
5. If a player turns over two cards that do not match, those cards are turned face down again in the same position and it becomes the next player's turn.
6. The trick is to remember which cards are where!

***The person with the most pairs at the end of the game wins!***
