

# Overtime Activities

**Directions:** Choose at least one of the activities to complete.

## Design a Poster!

Choose one stop on Rampage's bus tour. Create a poster that will make people want to visit that place. Your poster should have pictures and words. Make sure it is neat and colorful. Share it with a friend.

## Add a Stop!

Rampage made many stops on the Rams bus. Where else in Los Angeles should Rampage visit? Write a letter to Rampage telling him what stop to add and why.

## Imagine a Mascot!

Rampage needs a friend! Create a mascot for your community or somewhere else in the country. Draw a picture of your mascot, and give it a name. Then, write a story about your mascot having an adventure.

## Make a Map!

Imagine Rampage is going to take a bus tour of a different city or community. Maybe he's traveling to another state! What special locations should he visit? Create a map of the location, and mark the places Rampage should include on his tour.
