

More Ideas for Teachers and Parents

Design a Bookmark

Stretch learners by having them design and create bookmarks for the Rams. Brainstorm bookmark ideas as a group to spark their creativity. Examples could include bookmarks highlighting individual players, SoFi Stadium, Rampage, uniforms, or a history of the Rams. Encourage students to be original as they decide what supplies to use and how they will decorate their bookmarks. Give students copies of this bookmark template, and provide time for them to create their bookmarks.

Learn Spanish with Rampage

In the United States, the sport with touchdowns and long passes is called *football*. In Mexico and other Spanish-speaking countries, *fútbol* is the sport of soccer. American football is known as *fútbol americano*. Use this chart to practice other Spanish words related to football.
