DRAWING: Each Potential Winner (defined below) will be selected in a random drawing from eligible entries received (the "Drawing"). The Potential Winner need not be present to win. The winning number will be drawn in the 4th quarter of each home game, at a time designated by the Raiders Foundation in its sole discretion. The purchase of a raffle ticket is only good for the game at which you purchased such ticket. You will not be eligible to win at any subsequent game. If for any reason whatsoever the Drawing cannot be held at that time, it will be held within a reasonable time thereafter. Entries that are not selected in the Drawing are not valid for future raffle. The winning ticket number will also be posted on raiders.com/5050 within forty-eight (48) hours of the drawing and will remain posted on the website for thirty (30) calendar days. The owner of the winning raffle ticket (a "Potential Winner") must claim the prize no later than 5:00p.m. PST on the 30th calendar day after the date of the Drawing. Potential Winner will forfeit the prize if he or she does not present the winning ticket to the Raiders Foundation by 5:00 p.m. PST on the 30th calendar day after the date of the Drawing, at which time, if the prize is not claimed, it will become the property of the Raiders Foundation.

DETERMINATION OF OFFICIAL WINNER(S): The Raiders Foundation shall have the sole discretion to determine whether a Potential Winner is an official winner of a prize (an "Official Winner"). The Raiders Foundation's decision concerning the identity of Official Winner shall be final and binding. by the Raiders Foundation before the prize is awarded; and (4) the Potential Winner must provide the Raiders Foundation with all tax identification information required by federal, state or local law and, where applicable. If for any reason whatsoever all of the foregoing requirements are not satisfied with respect to a particular Potential Winner, or if the Raiders Foundation is unable for any reason to identify the holder of a winning raffle ticket, then the Potential Winner's prize will be deemed forfeited and become the property of the Raiders Foundation. Any entry that the Raiders Foundation determines, in its sole judgment, was stolen, unissued, ineligible, altered counterfeit in whole or in part, defective, printed in duplicate or printed/produced in error will be void.

The Raiders Foundation shall use the following rules to determine the identity of any Potential Winner and of the Official Winner of each prize: the Raiders Foundation shall conclusively presume that the person who is in possession of that raffle ticket is the lawful owner of that raffle ticket and that ticket's winning number, and the Raiders Foundation shall not make, nor have any duty to make, any inquiry whatsoever into the circumstances under which that person came into possession of such winning raffle ticket. In the unlikely event that an error or problem in the administration of the raffle results in two (2) or more raffle ticket purchasers holding winning raffle tickets that contain identical ticket numbers, then the person who has record of the earliest ticket purchase shall be deemed to hold the winning entry.
